

Staff Report

Subject: Ratification of Pavement Core Analysis Report for McCall Road – Terracon Consultants, Inc.

Author: Danielle Carver, Procurement and Contracts Manager

Department: Project Management

Meeting Date: January 7, 2025

Item Description: Ratification of the agreement with Terracon Consultants, Inc. for pavement core analysis on McCall Road

Summary Recommendation: Staff recommends ratification of the agreement with Terracon Consultants, Inc. for pavement core analysis services to assess the structural integrity of McCall Road and provide recommendations for rehabilitation or reconstruction.

Executive Summary/Background:

Terracon Consultants, Inc. was engaged to perform pavement core sampling and analysis for McCall Road. The purpose of the analysis was to evaluate the condition of the road surface and subgrade to guide future repair and reconstruction efforts.

Key aspects of the agreement and project:

- Pavement cores were extracted at specified intervals for laboratory testing.
- Detailed evaluation of pavement layers, thicknesses, and materials.
- Recommendations provided for the most effective road improvement strategy.

This agreement was signed on October 28, 2024, by Tim Callanan, the County Manager. The findings are critical to shaping the scope of the McCall Road improvement project.

Alternatives for Commission to Consider:

1. Ratify the agreement with Terracon Consultants, Inc., for pavement core analysis services.
2. Do not ratify the agreement and provide further direction to staff.

Recommended Alternative: 1

Other Alternatives: 2

Department Review: Procurement, County Manager, Parks and Recreation

Funding Source: FY 2025 Budget
