BE IT ORDERED by the **Board of Commissioners of Effingham County, Georgia (hereinafter referred to as the “Board of Commissioners”)**, in regular meeting assembled and pursuant to the authority granted by the laws of the State of Georgia and the Effingham County Zoning Ordinance, that the following decision is hereby rendered:

Application

An application was submitted by James Carlson requesting approval of a Conditional Use to develop a campus-style property including a private micro-school, agritourism activities, adult education services, limited event use, and associated agricultural and residential uses within the AR-1 zoning district on a ±25.25-acre parcel identified as Tax Parcel 318-29, located at 1501 Old Tusculum Road in Commission District 3.

A public hearing was conducted **on April 21, 2026**, before the Board of Commissioners, with notice published in the Effingham County Herald on **April 1, 2026**.

Findings of Fact

The Board of Commissioners makes the following findings regarding this conditional use request:

1. The applicant requested approval of a Conditional Use to develop a campus-style property incorporating educational, agricultural, and community-oriented uses on a ±25.25-acre parcel identified as Tax Parcel 318-29, located in Commission District 3.
2. The subject property is zoned AR-1 (Agricultural–Residential), and pursuant to Section 4.1A of the Effingham County Code of Ordinances, uses including a private school, event venue, agritourism activities, and adult education services require Conditional Use approval within this zoning district.
3. Notice of the required public hearing was provided in accordance with the Georgia Zoning Procedures Law.
4. A public hearing was conducted before the Board of Commissioners.
5. The Board of Commissioners reviewed the application, staff report, and all information presented during the public hearing. The Board of Commissioners finds that the proposed Conditional Use is compatible with surrounding rural residential and agricultural land uses, will maintain a low intensity of development, and is consistent with the intent of the AR-1 zoning district and the Comprehensive Plan.
