The deadline to submit completed grant packets, including your agency applications, affidavit, and copy of invoice or purchase order for reimbursement, is on or before **February 1, 2023**. Applications received after this date will be returned to the sender.

PLEASE NOTE: *We will accept applications emailed to (gtcbusinessops@gtcnc.org) or mailed to GTCNC, 248 W Jefferson Street Madison, GA 30650. If sending an electronic copy, it is no longer necessary to mail a hard copy.*

This grant can be used by the GRANTEE to purchase equipment that is on the required list for ambulance licensure by the Georgia State Office of EMS and Trauma within the Joint Policy Statement or the Commission-approved list, both in Attachment C. The purpose of the FY 2023 EMS Equipment Grant is to reimburse EMS Agencies for equipment purchased from the approved equipment lists found in Attachment C. This has been updated with the approved most recent equipment grant cycle.

Attachment D provided gives a list of EMS agencies and award amounts by Region. This list has been reviewed and confirmed by the Georgia Office of EMS and Trauma. If you see a discrepancy in the number of 911 ambulances for your agency, please let us know, and we will make every effort to adjust that in future grant opportunities.

We require a separate grant application for each County you are applying for.
