

Staff Report

Subject: Consideration to approve a contract with ESO for Fire/Rescue reporting and data management.
Author: Clint Hodges, Fire Chief
Department: 55-FIRE
Meeting Date: 10/21/2025
Item Description: Consideration to approve a contract with ESO for Fire/Rescue reporting and data management.

Summary Recommendation: Staff recommends approving a contract with ESO for Fire/Rescue reporting and data management.

Executive Summary/Background:

Effingham County Fire Rescue (ECFR) currently uses a software called Emergency Reporting for reporting and data management. This company was bought out by ESO and is subsequently being phased out due to US Fire Administration switching from NFIRS to the new NERIS reporting requirement.

Options/Alternatives for Commission to Consider:

Recommended: Approve a contract with ESO for Fire/Rescue reporting and data management.

Other Alternative(s): Deny
