EHR

Product	Description
EHR Setup & Online Training	Webinar Training Session
NEMSIS Data Import (One-Time)	Import of legacy NEMSIS data from 3rd party vendor into ESO for reporting and record retrieval. Some limitations may apply.
EHR Access	Patient care reporting suite for BLS and First Responder EMS agencies, or for all service-level agencies in a multi-agency or state-wide implementation. Includes EHR web and mobile client, Quality Management, Basic Personnel Management, Insights Reporting Tool, Analytics, Patient Tracker. Allows for unlimited users, unlimited mobile applications, live support, state and federal data reporting, ongoing weekly web training, software updates and upgrades.

Fire

Product	Description
Fire Setup & Online Training	Setup and Webinar Training Session for ESO Fire.
Fire Incidents NFIRS Data Import	Data migration from previous RMS platform.
ESO Fire Incidents	Includes Auto EHR-import or Auto-CAD import, federal NFIRS data reporting, software updates and upgrades.
ESO Inspections	Includes the ability to manage multiple code sets, using those to developed customized Check-lists for inspections. The application allows you to schedule, manage, execute and finalize inspections as well as reschedule any required follow up inspections.
ESO Properties	Includes CAMEO integration, Pre-Plan view. Stores property and occupant history (presence of chemicals and tanks, Incidents, and previous inspections).
Properties & Inspections Data Import	Data migration of Properties data and inspection reports into ESOs Properties and Inspections applications from a previously used RMS.
ESO Hydrants	Inventory and document testing and status of hydrants.
ESO Activities	Application for tracking non-response activities, including Operations and Community Risk Reduction and Daily Log.

Personnel Management

Product	Description
Personnel Management Data Migration	Migration of Information in Personnel Management that includes Demographics, Training Classes, Certifications, and Drivers License information.
Personnel Management	Includes tracking of Training classes, certifications, credentials, immunization records. Integrated with ESO EHR and Ad Hoc Reporting.

Asset Management/Checklist

Product	Description
ESO Checklists	Web-based apparatus checklist for Fire and EMS.
ESO Asset Management	Web-based asset management for Fire and EMS.
