Meeting Date: July 8, 2025

Item Description: **Jefferson Martin** requests to **rezone** +/- 13.4 acres from **AR-1 to AR-2** to allow for permitted uses in AR-2. Located at 1358 Springfield-Egypt Road. **Map# 341 Parcel# 16** in the **Third District**.

Executive Summary/Background

- The rezoning request is a requirement of Appendix C, Article IX-Amendments to Map or Text, Section 9. Zoning districts are described in Appendix C, Article V-Uses Permitted in Districts.
- The applicant is requesting to rezone +/- 13.4 acres to AR-2.
- Since the applicant would like to subdivide the parcels, which will be less than 5 acres, they will need to be rezoned to AR-2.
- Per the application, the applicant would like to subdivide the parcel into four lots; other AR-2 zoned parcels are nearby.
- Per the Effingham County Table of Permitted Uses, the following are permitted by right uses in AR-2 zoning:

- <i>Single Family Detached</i>	- <i>Land Development and Subdivision</i>

- This proposal aligns with Chapter 2 of the Comprehensive Plan: Needs and Opportunities, which expresses a need to encourage affordable housing where reasonable by permitting increased residential density and a greater variety of residential options. Along with the need to increase the housing stock to meet the demands of future population growth.
