Rural Fire Defense (RFD) Agreement and Memorandum of Understanding (MOU) including Addendum  
Georgia Forestry Commission (GFC) and Fire Departments in Georgia**

1. This RFD Agreement and MOU is necessary for each Fire Department that has loaned or leased equipment from the GFC.
2. Only one Agreement/MOU is needed for each Fire Department. If the County/City/Municipal Fire Department is organized with multiple "stations" under its organizational structure only one Agreement is necessary. However, if multiple Fire Departments are organized within the County/City/Municipality then a separate Agreement for each must be completed where state and federal excess property exist.
3. Firefighter Property (FFP) vehicles, equipment and/or other apparatus should **not** be included on this Agreement. Those items are covered under a separate and different agreement.
4. All information **MUST be TYPED in the spaces** provided on the Agreement (next pages.) **Please DO NOT handwrite information.**
5. The 2024 Agreement and MOU can be found and accessed on the GFC On-line Forms Library under Protection. Any and all previous versions are NOT applicable, only use the **06/2024 Agreement and MOU**. **See bottom of each page to ensure the correct Agreement is being used.**
6. Once open, the form can be Saved As by the Fire Department Name. Once saved, the required information can be entered in the spaces provided.
7. Once all information is entered, the form can be printed and is ready for signatures.
8. ALL Signatures are required.
9. The Chief Ranger (or designee) for the County Unit is responsible for entering the required information within the Agreement and within the **ADDENDUM**, showing the GFC equipment that covers each County AND the vehicles, equipment and other apparatus the GFC provides to the fire department.
10. If the GFC is providing vehicles, equipment and/or other apparatus to the fire departments the **ADDENDUM** must be completed.
11. Do **NOT** use Radio Call Signs/Identifiers on the **ADDENDUM**. Need GFC #, AG #, Make, Model, Type, etc. (engine, tractor/plow, pick up, pump, ## gallon tank, etc...) For ALL Federal Excess Personal Property (FEPP) the AG# must also appear on the **ADDENDUM**. **(Remember NOT FFP)**
12. **All GFC vehicles, equipment and/or other apparatus must appear on the GFC asset property inventory.** (Not FFP) If any do not appear on asset property inventory for the County, the Chief Ranger should initiate required steps within the A-41 system to get them added as soon as possible.
13. Once ALL signatures are obtained at the County level, the completed form should be sent to the appropriate GFC Region Office/Manager which provides management oversight for the County Unit.
14. Region management should review to ensure the Agreement and MOU are completed accurately and ALL signatures are included.
15. Region Managers should collect all Agreements and MOU's for their assigned County Units and submit them to **Bo Chesser, Associate Chief of Forest Protection, collectively and all at one time for the Region. DO NOT SEND DIRECTLY TO THE DIRECTOR'S OFFICE.**
16. In the cases where Counties require multiple reviews and approval steps/processes that may or will delay submission of the completed Agreement and MOU, notify Bo Chesser.

21. In the cases where a specific County requires a copy with original signatures, please make a note and attach it to the Agreement and MOU when submitting to the Forest Protection Department. An original signature copy will be returned to the County Unit to be delivered to the appropriate local official.
