RE: Road Improvement Construction (Proposal for Additional 3" of GAB Freedom Lane)
Contract 22-25-006

Angela,

Whitaker Labs performed density testing on the sub-grade prior to the installation of GAB Base. The soil was deemed suitable but due to grade elevation differences it will require an additional 3" of GAB Base to be installed prior to paving.

Install Additional 3" of GAB Base

\$3,500.00

We are requesting this amount be added to the contract.

Sincerely,

Mike Shepard Secretary
