

## Officer Updates

- Brett Cutler has started with EPD. He completed his administrative week and has entered field training with Officer Lamas.
- Officer Campbell's graduation is set for May 15, 2025. Upon successful completion he will begin his field training.

## Departmental Updates

- Planning for the rodeo and parade are in full swing.
- Chief Engel is participating in a nationwide pod cast addressing officer wellness.
- EPD has teamed up with First Responder neurofeedback, a non-profit organization, that will provide free neurological feedback sessions for officers.
- Neurofeedback is a non-invasive technology that provides real-time feedback on brain activity to promote resilience, sharpened focus, improved reaction times, better sleep, and enhance emotional regulation.
- We are getting Morrison PD equipment
- Town of Morrison Purchases
  - **Issue with the Chevy Tahoe purchased from Morrison**
    - After a short trip out of Morrison, a number of critical engine lights came on
    - The Tahoe was returned to Morrison.
    - The Town of Morrison agreed to tow the Tahoe to Elizabeth Auto for examination.
    - If there are major issues with the Tahoe, the Town of Morrison said they will take the Tahoe back.
    - It is suspected that the problem stems from a battery issue.
  - The ATV is in good condition
  - **We also received some additional equipment at no cost**
    - One ballistic shield
    - Trauma kit
    - Traffic control supplies (traffic cones)
    - Body armor
    - AED
    - Two radars
- There is the potential for more equipment at no cost to the Town of Elizabeth.
- Sgt. Bigler and Chief Engel are now fully ABLE (Active-Bystandardship for Law Enforcement) certified.
