**SUBJECT:** Discussion Regarding an Elizabeth Spooky Tour

### **Summary**

Linda Bulmer, President of the Main Street Board of Directors, and Mary Martin, President & CEO of the Elizabeth Area Chamber of Commerce are here to discuss a potential haunted tour event. They aim to gauge the level of involvement the Historic Advisory Board (HAB) would like to have in this possible event.

It is important to note that no staff time will be allocated to this event. If HAB members wish to volunteer for the event, they should coordinate directly with Linda Bulmer, Mary Martin, or the designated event organizers.

### **Staff Recommendation**

Staff recommends that the HAB engage in discussion with Linda Bulmer and Mary Martin to explore potential involvement in a haunted tour event and consider ways to support and enhance this community initiative.
