*For years prior to 2025, Acutely Low-Income units are reported within the Extremely Low-Income category

*For jurisdictions that received RHNA determinations for the current cycle prior to the passage of AB 3093 (September 19, 2024):

- You were not allocated Acutely Low-Income and Extremely Low-Income RHNA targets, therefore the allocations in Field 1 are listed as "0"

- If you wish to set your own targets in these income categories for informational purposes, contact HCD staff at apr@hcd.ca.gov.

- All Acutely Low-Income and Extremely Low-Income units reported during the cycle are counted towards Very-Low Income RHNA progress

*For years prior to 2025, data on deed-restricted vs. non-deed restricted Extremely Low-Income units is approximated from whether the projects reported any deed-restricted Very Low-Income Units. If you wish to edit this historical data for accuracy or have any questions about the data, you may login to HCD's online APR system, or contact HCD staff at apr@hcd.ca.gov.

Please Note: Table B does not currently contain data from Table F or Table F2 for prior years. You may login to the APR system to see Table B that contains this data.

1.1 Sites Inventory and No Net Loss/Replacement Housing Monitoring.	Provide the City's sites inventory on the City website and update the inventory at least semi-annually	12/31/2029	6th Cycle	Continuous	The City's Housing Element is publically available on the City's website. The Suitable Sites Inventory (SSI) can be found within the Housing Element. In the 2026 CY staff will be working to create a dedicated, publically accessible GIS map demonstrating where SSI properties are located throughout the City. This map will also ultimately be used to track which properties are entitled and constructed over the course of the housing cycle. The No Net Loss process tracks unit count by income/affordability assumed on parcels in SSL, actual units constructed, and net change in capacity. Issued building permits are also tracked on a monthly basis. For the SB 166 replacement requirement, a secondary process for tracking has been implemented through the City's Cityworks software. Planners register the number of units demolished on an ongoing basis.</p> <p>In 2025, Planners continued to monitor progress on a monthly basis.</p>	<p>Other</p>	<p>1</p>	<p>Staff maintain a living excel document that is regularly monitored and updated to make sure the City complies with No Net Loss</p>

In 2019, the City awarded \$1,000,000 in HOME funds to Habitat for Humanity to construct a development known as El Norte Homes, creating 10 new affordable for-sale homes. In 2020, the city awarded \$4,000,000 in Successor Housing Agency Funds to National CORE for the construction of 50 affordable senior housing apartments for adults 62 and older which included 25 supporting housing units for formerly homeless seniors. Currently, staff are finalizing a \$4.5 million Request for Proposals (RFP) for affordable housing development(s). The RFP is funded using HOME funds and is anticipated to be released in the Spring of 2026.</p>	<p>Other</p>	<p>1</p>	<p>Staff provided an overview of efforts at the October 15, 2025 City Council meeting. <p>1.7 Removal of Constraints to Development</p>	<p>In 2021-2022, Review and amend the Zoning Code to remove constraints to development relating to the requirement of ground floor retail in specific mixed-use districts</p>	<p>12/31/2022</p>	<p>6th Cycle</p>	<p>Not Yet Started</p>	<p>The City anticipates conducting a comprehensive update to the Downtown Specific Plan (DSP) in the 2027 CY to align with housing objectives and the greater community vision. Although the DSP has ground floor restrictions, staff consistently explore creative solutions to facilitate housing by processing concurrent entitlements and leveraging tools such as Density Bonus, AB 2011, and SB 6. For example, in 2025, staff facilitated the approval of a 128 housing development that would have prohibited ground floor residential. Staff concurrently processed a specific plan amendment with other entitlements so the project would be approved as proposed and within a reasonable timeline.</p>	<p>Other</p>	<p>0</p>	<p>For any additional questions, please reach out to Sally.Schifman@escondido.gov</p>

SANDAG's HAP TA consultant, Ascent, reviewed the City's existing design guidelines and standards to evaluate their objectivity and suitability. Ascent met with the City of Escondido on January 8, 2025 to discuss the request and delivered their assessment in July 2025. Several recommended steps were provided to the City as considerations. While recommendations are presently cost prohibitive for the City to undertake in full, long range planning staff will look for opportunities to strengthen or incorporate objective design standards into existing efforts such as the annual Omnibus code update.</p> <p>In the Summer of 2025, the City was able to hire a Principal Planner and a Senior Planner to the Long</p>	<p>Other</p>	<p>0</p>	<p>For any additional questions, please reach out to Sally.Schifman@escondido.gov</p>

As part of the City's Pre-approved ADU (PAADU) program, the City developed educational materials that touch the ADU permit process, common pitfalls, and technical considerations for homeowners. While the resources are intended for PAADU units, they can be used for an ADU permit application. City staff often refer and direct applicants to such resources for guidance. Additionally, the City is undergoing a department-wide permit streamlining effort which will update public facing documents including ADU handouts.</p>	<p>Units</p>	<p>360</p>	<p>Link to the City's Pre-approved ADU Program: https://www.escondido.gov/1207/Pre-Approved-ADU-Program-PAADU</p>

However, before the item was brought to City Council, the City received a letter from the California Housing Defense Fund outlining concerns with the proposed ADU updates. Since receiving the letter on February 18, 2025, staff have been working to address the comments and revise the ordinance accordingly. State laws adopted during the 2025 legislative session prompted further updates to the ADU ordinance. Staff anticipate the Ordinance to be submitted for HCD review in the second quarter of 2026.</p>	<p>Other</p>	<p>1</p>	<p>For any additional questions, please reach out to Sally.Schifman@escondido.gov</p>

With reallocation of LEAP funding, the City also developed a public-facing ADU guidebook and complementary resources that help guide homeowners through the ADU permitting process. In 2024, the City held 2 community outreach and engagement events to raise awareness of the program, in which, approximately 142 people attended. In 2025, City staff provided a program update to Planning Commission and City Council. Although RRM developed 4 PAADU plans, each plan is customizable (e.g., a homeowner can choose to build Plan 1 as a Studio or one bedroom), thereby effectively creating 8 plans.</p>	<p>Other</p>	<p>4</p>	<p>Link to the City's Pre-approved ADU Program: https://www.escondido.gov/1207/Pre-Approved-ADU-Program-PAADU</p>

<p>3.4 Fair Housing</p>	<p>Beginning in 2022, increase outreach and education on the use of HCV to both tenants and landlords, including the new State source of income protection (SB 329 and SB 222) by holding at least one educational event annually during the planning period to landlords and residents on the use of HCV and fair housing topics. Target additional outreach efforts in Downtown and EVSP areas, and high-resource/low density areas; especially in areas where ADUs and SB 9 development have been constructed to promote the use of HCVs in lower density areas, with a goal of reaching at least 50 individuals annually in each target area</p>	<p>12/31/2029</p>	<p>6th Cycle</p>	<p>Continuous</p>	<p>LASSD continues to provide a broad-based outreach program to provide fair housing education to the community of Escondido. LASSD maintains current information regarding the fair housing and tenant protections on our website in English and Spanish.</p>	<p>Other</p>	<p>1</p>	<p>None</p>
<p>3.4 Fair Housing</p>	<p>Annually, staff will conduct spatial analysis to determine where ADU and SB 9 construction is generally aggregating within the City and sphere of influence. Specifically, the City will assess whether such development/construction is occurring within identified racially concentrated areas of affluence (RCAAs), and high resource/lower density areas.</p>	<p>12/31/2029</p>	<p>6th Cycle</p>	<p>Continuous</p>	<p>The City's permitting software, Cityworks, tracks both ADUs and SB 9 projects. As of December 31, 2025, the City has finalized a total of 292 ADUs. The finalized ADU projects are spatially distributed across the jurisdiction. Regarding SB 9, the City has received fewer than 10 SB 9 applications since 2023, with the approval of four, and five in the permit review process. SB 9 projects are spatially distributed across the jurisdiction.</p>	<p>Other</p>	<p>1</p>	<p>None</p>
<p>3.4 Fair Housing</p>	<p>In the event ADU and SB 9 development/construction is decreasing annually within identified RCAAs, and high-resource/lower density areas, the City will increase targeted education for ADUs, SB 9 development, and HCVs within these identified areas to reach an additional 50 individuals annually, in order to expand the availability of affordable housing in resource-rich areas.</p>	<p>12/31/2029</p>	<p>6th Cycle</p>	<p>Continuous</p>	<p>To date, the city has not identified a disproportionate decrease in applications for ADUs or SB 9 applications in RCAAs. Therefore, an increase in targeted education for ADUs, SB 9 development, and HCVs within target areas is not necessary and has not occurred.</p>	<p>Persons</p>	<p>50</p>	<p>None</p>
