

CITY OF ESCONDIDO
PUBLIC IMPROVEMENT AGREEMENT

This Public Improvement Agreement (“Agreement”) is made and entered into as of this ____ day of _____, 2023 (“Effective Date”),

Between: CITY OF ESCONDIDO
a California municipal corporation
201 N. Broadway
Escondido, CA 92025
Attn: Dominic Furio
760-839-4895
("CITY")

And: A.O. REED & CO.
a California corporation
4777 Ruffner Street
San Diego, CA 92111
Attn: Chris Cosgrove
858-565-4131
("CONTRACTOR").

(The CITY and CONTRACTOR each may be referred to herein as a “Party” and collectively as the “Parties.”)

WHEREAS, the Parties desire to enter into this Agreement for the performance of work relating to the California Center for the Arts Central Plant Chiller No. 3 Chiller Replacement Project (“Project”), occurring on property located at 400 N. Escondido Blvd., Escondido, CA 92025, and having assessor’s parcel numbers (“APN”) 760-246-15-00 (“Property”), as further described herein.

NOW, THEREFORE, in consideration of the mutual covenants, promises, terms, and conditions set forth herein, and the mutual benefits derived therefrom, the Parties hereby agree as follows:

1. Project Documents. The Notice Inviting Sealed Bids/Notice to Contractors, Instructions to Bidders, Bid Form, Designation of Subcontractors, Workers' Compensation Certificate, Change Orders, Shop Drawing Transmittals, Information Required of CONTRACTOR, Non-collusion Affidavit, Insurance Certificates, Guarantees, General Conditions, Supplementary General Conditions, Special Conditions, Plans, Drawings, Specifications, the Agreement, and all modifications, addenda, and amendments thereto (“Project Documents”) are incorporated herein by this reference as if fully set forth herein. The Project Documents are complementary, and what is called for by any one shall be as binding as if called for by all.

2. Description and Performance of Work. CONTRACTOR shall furnish all work described in Project Documents ("Work"). All Work to be performed and materials to be furnished shall be completed in a good workmanlike manner, free from defects, in strict accordance with the plans, drawings, specifications, and requirements set forth in the Project Documents and all provisions of this Agreement.
3. Compensation. In exchange for CONTRACTOR's completion of the Work, the CITY shall pay, and CONTRACTOR shall accept in full, an amount not to exceed the sum of **\$240,594** ("Contract Price"). CONTRACTOR shall be compensated only for performance of the Work described in this Agreement. No compensation shall be provided for any other work or services without the CITY's prior written consent.
4. Term and Time of Performance. CONTRACTOR shall commence work within one week from the CITY's notice to proceed. CONTRACTOR shall diligently perform and complete the Work with professional quality and technical accuracy by June 30, 2025 ("Completion Date"). Extension of terms or time of performance shall be subject to the CITY's sole discretion.
5. Time Is of the Essence. If the Work is not completed by the Completion Date, it is understood that the CITY will suffer damage. It being impractical and infeasible to determine the amount of actual damage, in accordance with Government Code section 53069.85, the Parties agree that CONTRACTOR shall pay to the CITY as fixed and liquidated damages, and not as a penalty, the sum of \$250 per day for each calendar day of delay until the Work is completed and accepted ("Liquidated Damages Amount"). The Liquidated Damages Amount shall be deducted from any payments due to, or that become due to, CONTRACTOR. CONTRACTOR and CONTRACTOR'S surety shall be liable for the Liquidated Damages Amount.
6. Insurance Requirements.
 - a. CONTRACTOR shall procure and maintain, at its own cost, during the entire term of this Agreement, insurance against claims for injuries to persons or damages to property that may arise from or in connection with the performance of the Work, and the results of such Work, by CONTRACTOR, its agents, representatives, employees, or subcontractors. Insurance coverage shall be at least as broad as the following:
 - (1) *Commercial General Liability.* Insurance Services Office ("ISO") Form CG 0001 11188 covering Commercial General Liability on an "occurrence" basis, including products and completed operations, property damage, bodily injury (including emotional distress), sickness, disease, or death of any person other than the CONTRACTOR's employees, and personal and advertising injury, and damages because of injury or destruction of tangible property, including loss of use resulting there from, with limits no less than \$3,000,000 combined single limit coverage per occurrence for bodily injury and property damage; or, if a general aggregate limit is applicable, either: (i) the general aggregate limit shall specifically apply to the project identified in the bid specifications or to the location of such project which is the subject of these bid specifications with coverage to be no less than \$3,000,000, or (ii) the general aggregate shall be at least \$3,000,000 combined single limit coverage per occurrence for bodily injury and property damage.
 - (2) *Automobile Liability.* ISO Form CA 00 01 covering any auto (Code 1), or if CONTRACTOR has no owned autos, hired (Code 8) and non-owned autos (Code 9), including damages because of bodily injury, death of a person, or property damage arising out of the ownership, maintenance, or use of a motor vehicle, all mobile equipment, and vehicles moving under CONTRACTOR's control and engaged in the Work, with limits no less than \$3,000,000 combined single limit per accident for bodily injury and property damage.

- (3) *Workers' Compensation.* Workers' Compensation as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limits of no less than \$1,000,000 per accident for bodily injury or disease.
 - (4) *Builder's Risk/"All Risk" Insurance.* The CONTRACTOR, during the progress of the Work and until final acceptance of the Work by CITY, shall maintain Builder's Risk/"All Risk," course-of-construction insurance satisfactory to CITY issued on a completed value basis of all WORK pursuant to this Agreement. Coverage is to provide extended coverage and insurance against vandalism, theft, malicious mischief, perils of fire, sprinkler leakage, civil authority, sonic boom, earthquake, collapse, flood, wind, lightning, smoke, riot, debris removal (including demolition), and reasonable compensation for the Engineer's services and expenses required as a result of such insured loss upon the Work, including completed Work and Work in progress to the full insurable value thereof. Such insurance shall include the CITY and the City Engineer as an additional named insured and any other person with an insurable interest designated.
 - (5) If CONTRACTOR maintains broader coverage and/or higher limits than the minimums otherwise required by this Agreement, the CITY requires and shall be entitled to the broader coverage and/or the higher limits maintained by CONTRACTOR.
- b. Each insurance policy required by this Agreement must be acceptable to the City Attorney and shall meet the following requirements:
- (1) *Compliance with General Condition Requirements.* Insurance coverage shall comply with and meet all requirements set forth in Article 5.2 of General Conditions
 - (2) *Acceptability of Insurers.* Insurance coverage must be provided by an insurer authorized to conduct business in the state of California with a current A.M. Best's rating of no less than A-:VII, or as approved by the CITY.
 - (3) *Additional Insured Status.* Both the Commercial General Liability and the Automobile Liability policies must name the CITY (including its officials, officers, agents, employees, and volunteers) specifically as an additional insured under the policy on a separate endorsement page. The Commercial General Liability additional insured endorsement shall be at least as broad as ISO Form CG 20 10 11 85, or if not available, through the addition of *both* CG 20 10, CG 20 26, CG 20 33, or CG 20 38, *and* CG 20 37 if a later edition is used. The Automobile Liability additional insured endorsement shall be at least as broad as ISO Form CA 20 01.
 - (4) *Primary Coverage.* CONTRACTOR's insurance coverage shall be primary coverage at least as broad as ISO CG 20 01 04 13 with respect to the CITY, its officials, officers, agents, employees, and volunteers. Any insurance or self-insurance maintained by the CITY, its officials, officers, agents, employees, or volunteers shall be in excess of CONTRACTOR's insurance and shall not contribute with it.
 - (5) *Notice of Cancellation.* Each insurance policy shall provide that coverage shall not be canceled, except with prior written notice to the CITY.
 - (6) *Subcontractors.* If applicable, CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated within this Agreement, and CONTRACTOR shall ensure that the CITY (including its officials, officers,

agents, employees, and volunteers) is an additional insured on any insurance required from a subcontractor.

- (7) *Waiver of Subrogation.* CONTRACTOR hereby grants to the CITY a waiver of any right to subrogation that any insurer of CONTRACTOR may acquire against the CITY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this subsection shall apply regardless of whether or not the CITY has received a waiver of subrogation endorsement from the insurer. Any Workers' Compensation policy required by this Agreement shall be endorsed with a waiver of subrogation in favor of the CITY for all work performed by the CONTRACTOR, its agents, representatives, employees and subcontractors.
 - (8) *Self-Insurance.* CONTRACTOR may, with the CITY's prior written consent, fulfill some or all of the insurance requirements contained in this Agreement under a plan of self-insurance. CONTRACTOR shall only be permitted to utilize such self-insurance if, in the opinion of the CITY, CONTRACTOR's (i) net worth and (ii) reserves for payment of claims of liability against CONTRACTOR are sufficient to adequately compensate for the lack of other insurance coverage required by this Agreement. CONTRACTOR's utilization of self-insurance shall not in any way limit the liabilities assumed by CONTRACTOR pursuant to this Agreement.
 - (9) *Self-Insured Retentions.* Self-insured retentions must be declared to and approved by the CITY.
- c. *Verification of Coverage.* At the time CONTRACTOR executes this Agreement, CONTRACTOR shall provide the CITY with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting the insurance coverage required by this Agreement), which shall meet all requirements under this Agreement. The CITY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by this Agreement, at any time.
 - d. *Special Risks or Circumstances.* The CITY reserves the right, at any point during the term of this Agreement, to modify the insurance requirements in this Agreement, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
 - e. *No Limitation of Obligations.* The insurance requirements within this Agreement, including the types and limits of insurance coverage CONTRACTOR must maintain, and any approval of such insurance by the CITY, are not intended to and shall not in any manner limit or qualify the liabilities and obligations otherwise assumed by CONTRACTOR pursuant to this Agreement, including but not limited to any provisions within this Agreement concerning indemnification.
 - f. *Compliance.* Failure to comply with any of the insurance requirements in this Agreement, including but not limited to a lapse in any required insurance coverage during the term of this Agreement, shall be a material breach of this Agreement. Compliance by CONTRACTOR with the requirement to carry insurance and furnish certificates, policies, Additional Insured Endorsement and Declarations Page evidencing the same shall not relieve the CONTRACTOR from liability assumed under any provision of this Agreement, including, without limitation, the obligation to defend and indemnify the CITY and the City Engineer. In the event that CONTRACTOR fails to comply with any insurance requirement set forth in this Agreement, in addition to any other remedies the CITY may have, the CITY may, at its sole option, (i) immediately terminate this Agreement; or (ii) order CONTRACTOR to stop Work under this

Agreement and/or withhold any payment that becomes due to CONTRACTOR until CONTRACTOR demonstrates compliance with the insurance requirements in this Agreement.

7. Indemnification, Duty to Defend, and Hold Harmless.

- a. CONTRACTOR (including CONTRACTOR's agents, employees, and subcontractors, if any) shall indemnify, defend, and hold harmless the CITY, its officials, officers, agents, employees, and volunteers from and against any and all claims, demands, actions, causes of action, proceedings (including but not limited to legal and administrative proceedings of any kind), suits, fines, penalties, judgments, orders, levies, costs, expenses, liabilities, losses, damages, or injuries, in law or equity, including without limitation the payment of all consequential damages and attorney's fees and other related litigation costs and expenses (collectively, "Claims"), of every nature caused by, arising out of, or in connection with CONTRACTOR's (including CONTRACTOR's agents, employees, and subcontractors, if any) Work pursuant to this Agreement or its failure to comply with any of its obligations contained herein, except where caused by the active negligence, sole negligence, or willful misconduct of the CITY.
- b. CONTRACTOR (including CONTRACTOR's agents, employees, and subcontractors, if any) shall indemnify, defend, and hold harmless the CITY, its officials, officers, agents, employees, and volunteers from and against any and all Claims caused by, arising under, or resulting from any violation, or claim of violation, of the San Diego Municipal Storm Water Permit (Order No. R9-2013-0001, as amended) of the California Regional Water Quality Control Board, Region 9, San Diego, that the CITY might suffer, incur, or become subject to by reason of, or occurring as a result of, or allegedly caused by, any Work performed pursuant to this Agreement.
- c. All terms and provisions within this Section 7 shall survive the termination of this Agreement.

8. Bonds.

- a. CONTRACTOR shall furnish and deliver to the CITY, simultaneously with the execution of this Agreement, the following surety bonds:
 - (1) *Faithful Performance Bond.* CONTRACTOR shall furnish to the CITY a surety bond in an amount equal to the Contract Price as security for faithful performance of this Agreement.
 - (2) *Labor and Materials Bond.* CONTRACTOR shall furnish to the CITY a surety bond in an amount equal to the Contract Price as security for payment to persons performing labor and furnishing materials in connection with the Project.
- b. All bonds furnished to the CITY pursuant to this Agreement shall be in the form set forth herein and approved by the City Attorney.
- c. All bonds shall be executed by sureties that are named in the current list of "Companies Holding Certificates of Authority as Acceptable Sureties on Federal bonds and as Acceptable Reinsuring Companies" as published in Circular 570 (amended) by the Audit Staff, Bureau of Government Financial Operations, U.S. Treasury Department. All bonds signed by an agent must be accompanied by a certified copy of such agent's authority to act.
- d. If the surety on any bond furnished by the CONTRACTOR is declared bankrupt or becomes insolvent or its right to do business is terminated in any state where any part of the Work is located, the CONTRACTOR shall, within seven days thereafter, substitute another bond and surety, which must be acceptable to the CITY. No portion of the Work shall be performed without bonds, in a form and issued by a surety acceptable to the City. If one or more of such bonds

shall, at any time, not be in full force and effect, CONTRACTOR shall immediately cease performance of the Work until CONTRACTOR is in full compliance with the bonding requirements of this Agreement and California law. All delays and costs incurred or resulting from such occurrence shall be to the exclusive account of CONTRACTOR. Failure of the CONTRACTOR to promptly cure any failure to have the necessary bonds in full force and effect shall be grounds for immediate termination of this Agreement.

- e. All bonds shall be obtained from surety companies that are duly licensed or authorized in the State of California. Such surety companies shall also meet any additional requirements and qualifications as may be provided in the Supplementary General Conditions.
9. Substitution of Securities. This Agreement is subject to California Public Contract Code section 22300, which permits the substitution of securities for any monies withheld by the CITY to ensure performance of this Agreement. At the request and expense of the CONTRACTOR, securities equivalent to the amount withheld shall be deposited with the CITY, or with a state- or federally-chartered bank in this state as the escrow agent, who shall then pay those moneys to CONTRACTOR. Upon satisfactory completion and acceptance of the Work, such securities shall be returned to the CONTRACTOR.
10. Contractor Default. In the event CONTRACTOR, for a period of 10 calendar days after receipt of written demand from the CITY to do so ("Cure Period"), fails to furnish tools, equipment, or labor in the necessary quantity or quality required by this Agreement, or fails to prosecute the Work and all parts thereof in a diligent and workmanlike manner, or after commencing to do so within the Cure Period, fails to continue to do so, then the CITY in its sole discretion may exclude the CONTRACTOR from the Property, or any portion thereof, and take exclusive possession of the Property or any portion thereof, together with all material and equipment thereon, and may complete the Work or any portion of the Work, either by (i) furnishing the necessary tools, equipment, labor, or materials; or (ii) letting the unfinished portion of the work, or any portion thereof, to another contractor; or (iii) demanding the surety hire another contractor; or (iv) any combination of such methods. The CITY's procuring of the completion of the Work, or the portion of the Work taken over by the CITY, shall be a charge against the CONTRACTOR and may be deducted from any money due or to become due to CONTRACTOR from the CITY, or the CONTRACTOR shall pay the CITY the amount of such charge, or the portion thereof unsatisfied. The sureties provided for under this Agreement shall become liable for payment if CONTRACTOR fails to pay in full any such cost incurred by the CITY. The permissible charges for any such procurement of the completion of the Work include actual costs and fees incurred to third party individuals and entities (including but not limited to consultants, attorneys, inspectors, and designers) and actual costs incurred by the CITY for the increased dedication of time of the CITY's employees to the Project.
11. Other Legal Requirements Incorporated. Each and every provision of law and clause required by law to be inserted in this Agreement or its attachments shall be deemed to be inserted herein, and this Agreement shall be read and enforced as though such law or clause were included herein, and if through mistake or otherwise any such provision is not inserted, or is not currently inserted, then upon application of either Party, the Agreement shall forthwith be physically amended to make such insertion or correction, without further changes to the remainder of the Agreement.
12. Merger Clause. This Agreement, together with its attachments or other documents described or incorporated herein, if any, constitutes the entire agreement and understanding of the CITY and CONTRACTOR concerning the subject of this Agreement and supersedes and replaces all prior negotiations, understandings, or proposed agreements, written or oral, except as otherwise provided herein. In the event of any conflict between the provisions of this Agreement and any of its attachments or related documents, if any, the provisions of this Agreement shall prevail.

13. Attorney's Fees and Costs. In any action to enforce the terms and conditions of this Agreement, the prevailing Party shall be entitled to reasonable attorney's fees and costs.
14. Independent Contractor. CONTRACTOR is an independent contractor, and no agency or employment relationship is created by the execution of this Agreement.
15. Amendment. This Agreement shall not be amended except in a writing signed by the CITY and CONTRACTOR, and pursuant to action of the Escondido City Council.
16. Anti-Waiver Clause. None of the provisions of this Agreement shall be waived by the CITY because of previous failure to insist upon strict performance, nor shall any provision be waived because any other provision has been waived by the CITY, in whole or in part.
17. Severability. This Agreement shall be performed and shall be enforceable to the full extent allowed by applicable law, and the illegality, invalidity, waiver, or unenforceability of any provision of this Agreement shall not affect the legality, validity, applicability, or enforceability of the remaining provisions of this Agreement.
18. Governing Law. This Agreement and all rights and obligations arising out of it shall be construed in accordance with the laws of the State of California. Venue for any action arising from this Agreement shall be conducted only in the state or federal courts of San Diego County, California.
19. Counterparts. This Agreement may be executed on separate counterparts, each of which shall be an original and all of which taken together shall constitute one and the same instrument. Delivery of an executed signature page of this Agreement by electronic means, including an attachment to an email, shall be effective as delivery of an executed original. The Agreement on file with the City is the copy of the Agreement that shall take precedence if any differences exist between or among copies or counterparts of the Agreement.
20. Provisions Cumulative. The foregoing provisions are cumulative to, in addition to, and not in limitation of any other rights or remedies available to the CITY.
21. Business License. CONTRACTOR shall obtain a City of Escondido Business License prior to execution of this Agreement and shall maintain such Business License throughout the term of this Agreement.
22. Compliance with Laws, Permits, and Licenses. CONTRACTOR shall keep itself informed of and comply with all applicable federal, state, and local laws, statutes, codes, ordinances, regulations, rules, and other legal requirements in effect during the term of this Agreement. This shall include, but shall not be limited to, all California Labor Code laws regarding payment of prevailing wages and all OSHA regulations. CONTRACTOR shall obtain any and all permits, licenses, and other authorizations necessary to perform the work under this Agreement. Neither the CITY, nor any elected or appointed boards, officers, officials, employees, or agents of the CITY, shall be liable, at law or in equity, as a result of any failure of CONTRACTOR to comply with this section.
23. Prevailing Wages and Department of Industrial Relations Compliance. Pursuant to California Labor Code section 1770 et seq., CONTRACTOR agrees that a prevailing rate and scale of wages, in accordance with applicable laws, shall be paid in performing this Agreement. CONTRACTOR shall keep itself informed of and comply with all applicable federal, state, and local laws, statutes, codes, ordinances, regulations, rules, and other legal requirements pertaining to the payment of prevailing wages, including but not limited to the keeping of certified payroll records, overtime pay, employment of apprentices, and workers' compensation coverage, as further set forth in the General Conditions. CONTRACTOR shall file the required workers' compensation certificate before commencing work

under this Agreement. This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations. CONTRACTOR shall post all job site notices required by regulation. CONTRACTOR, as well as any subcontractors, shall be registered pursuant to California Labor Code section 1725.5 to be qualified to bid on, be listed in a bid proposal (subject to the requirements of Public Contract Code section 4104), or engage in the performance of any public works contract subject to the requirements of Division 2, Part 7, Chapter 1 of the California Labor Code. Neither the CITY, nor any elected or appointed boards, officers, officials, employees, or agents of the CITY, shall be liable, at law or in equity, as a result of any failure of CONTRACTOR to comply with this section.

24. Immigration Reform and Control Act of 1986. CONTRACTOR shall keep itself informed of and shall comply with the Immigration Reform and Control Act of 1986 ("IRCA"). CONTRACTOR represents and warrants that all of its employees and the employees of any subcontractor retained by CONTRACTOR who perform any portion of the Work under this Agreement are and will be authorized to perform the Work in full compliance with the IRCA. CONTRACTOR affirms that as a licensed contractor and employer in the State of California, all new employees must produce proof of eligibility to work in the United States within the first three days of employment and that only employees legally eligible to work in the United States will perform the Work. CONTRACTOR agrees to comply with the IRCA before commencing any portion of the Work, and continuously throughout the performance of the Work and the term of this Agreement.
25. Effective Date. Unless a different date is provided in this Agreement, the effective date of this Agreement shall be the latest date of execution set forth by the names of the signatories below.
