**All pricing in accordance with Omnia Partners / U.S. Communities Contract #2017001134.**

All terms in the Omnia Partners / U.S. Communities Contract take precedence over terms shown below.

For more information on the Omnia Partners / U.S. Communities contract please visit [Omnia Partners Public Sector GameTime](#)

**Signed/Sealed Drawings may be included when expressly stated on proposal.**

**Permits and permitting services may be included when expressly stated on the proposal.** Unless specifically noted, permit fees, third-party reviews, inspections, bonds, and jurisdictional requirements are not included. The owner is responsible for providing **current and accurate site plans, surveys, and required property information** as needed by the permitting authority.

**The permit process cannot begin until all required information is received from the owner.** Permitting timelines vary by jurisdiction and are **outside of our control**. Delays related to permitting, reviews, or approvals are not considered manufacturing or installation delays. Additional requirements arising during the permitting process, including but not limited to engineering revisions, soil testing, or jurisdictional comments, shall be treated as a **change in scope**.

Orders from **governmental agencies, school districts, municipalities, and other public entities** may be accepted with a purchase order, signed quotation, or written authorization. Payment terms are Net 30 unless otherwise stated. Deposit requirements may apply for **custom or made-to-order products**, including Landmark Designs items.

When installation is included as a **turn-key project**, payment for installation-related work is due **upon completion and acceptance of the work**, unless otherwise stated. For larger or extended projects, **progress invoices may be issued** based on work completed or materials delivered to the site. GameTime reserves the right to invoice for **materials manufactured, shipped, or received on site**.

Installation Terms: Installation, when included, is performed by an **independent, certified installer** and is based on **standard installation conditions**. Installation assumes suitable soil, normal excavation conditions, proper sub-base, and unrestricted site access. The following are **excluded unless expressly stated**: drainage design or correction; soil remediation or import/export; rock, roots, debris, or concealed conditions; dewatering; erosion control; sod replacement; landscaping; irrigation repair; and site restoration. If unsuitable soil, drainage issues, high water table, or concealed conditions are encountered, **additional costs may apply**. The owner is responsible for site readiness, utility marking, site access, and protection of the work area before, during, and after installation.

Shade Terms : Shade structures are engineered and manufactured for the actual project location, including applicable building codes and design wind loads based on the local codes. Shade installation is a **heavy construction activity** and may require **large concrete footings, excavation, and crane or specialty equipment access**. Adequate site access, staging area, and clearance must be provided by the owner. The following are **excluded unless expressly stated**: sod replacement; landscaping or irrigation repair; site restoration; drainage correction; removal of existing structures; and repair of access paths or staging areas impacted during installation.

Once installation is complete and the installer has **demobilized from the site**, the owner is responsible for **removal or securing of shade fabric** when hurricanes or wind events exceeding the designed wind load are anticipated. Shade structures do not include lightning protection systems or mitigation devices unless expressly stated. Electrical work, grounding beyond standard requirements, and site-specific electrical provisions are excluded.

**Quote Validity** : Pricing is firm for 60 days from the date of quotation unless otherwise stated.

**Pricing Basis** : Quotes are based on shipment of all items at one time to a single destination unless noted. Changes to scope, quantities, delivery conditions, or site requirements may result in price adjustments.

**Exclusions** : This quotation excludes off-loading and unloading of materials; lift-gate service; storage of materials prior to installation; site security; acceptance of deliveries; removal of existing equipment; site work; landscaping; drainage; utility relocation; fencing; signage; lighting; and any work not expressly described or included on this proposal.

**Shipping Terms** : All equipment ships F.O.B. factory unless stated. Title and risk of loss transfer in accordance with standard shipping terms.

**Taxes** : Sales, use, and similar taxes are not included unless expressly stated. Applicable taxes will be added at time of invoicing unless a valid tax-exempt certificate is provided prior to order entry.

**Production & Shipment** : Manufacturing, fabrication, and shipment will not begin until all required approvals and deposits are received.
