RE: Presentation of Florida League of Cities – Home Rule Hero Award

Introduction:

Mayor Lee will present a certificate from the Florida League of Cities Home Rule Hero Award to Commissioner Holland.

Background:

The Florida League of Cities Home Rule Hero Award recognizes elected and appointed municipal officials who consistently advocate for local decision-making and protect Home Rule — the ability of a city to solve local problems with local solutions without state interference.

Recipients are selected annually by the FLC Legislative Team based on their responsiveness to legislative alerts, communication with lawmakers and efforts to advance the League's legislative agenda.
