RE: ORDINANCE NUMBER 24-01: Amending Land Development Regulations, CHAPTER 109, SECTION 109-4: USE REGULATIONS TABLE TO ALLOW ALL COMMUNITY/SERVICE USES (EXCEPT AS LISTED BELOW), SUBJECT TO CERTAIN CONDITIONS, AND ALLOW DAYCARE CENTERS AND CHURCHES AS CONDITIONAL USES WITHIN THE GENERAL INDUSTRIAL DISTRICT AND ALLOW THE DEVELOPMENT SERVICES DIRECTOR TO MAKE DETERMINATIONS ON THE BLANK CELLS OF THE TABLE

---

## **Introduction:**

Ordinance Number 24-01 amends Land Development Regulations, Chapter 109, Section 109-4: Use Regulations Table to allow all community/service use (except as listed below), subject to certain conditions, and to allow the Development Services Director to make determinations on the blank cells of the table.

## **Recommended Action:**

The administration recommends approval of Ordinance Number 24-01.

## **Background:**

At their November 16, 2023 Meeting, the City Commission directed staff to work with Sarah Pelfrey and make adjustments to the Use Regulations Table to accommodate her requests for additional uses in the General Industrial (GI) Land Use District. As part of that effort, the staff have prepared the following exhibit/modified table and must adjust it accordingly.

## **Proposed Amendments & Considerations:**

“All community/service uses, except as listed below”. The amended Use Regulations Table would include “all community/service uses, except as listed below” as conditional uses in the RR, SR, UR, MH, GI, CBD, and AG Land Use Districts while allowing these uses outright in the GC, RT, MCR, MCI and PI districts.

The Child Daycare Centers use has been amended by removing the word, “Child” from the phrase. This would allow the opportunity to include adult care facilities within the City instead of prohibiting them. The table has been modified so this use would be a Conditional Use under the General Industrial (GI) Land Use District.

Under the Key section of the Table, instead of “Blank meaning use not permitted”, we are proposing to now read “Blank means (or =) Development Services Director determination”. This would allow the Development Services Director to have some discretion on whether a use should be permitted or whether to seek conditional use approval from the City Commission.
