After meeting with the Code Enforcement Board on 8-9-24 I asked for the board to allow me to continue moving the building materials and was successful removing all items except a few items that I placed on 1613 Bates (lot next to 600 Ellsy St.) because the front end loader malfunctioned. It was repaired the next day and remaining items were moved.

I never ignored any of the CEB request but unfortunately my machine broke down leaving a few items to be moved, which were not on 600 Ellsy. and was moved before the deadline.

I ask for the board to All Fines in Case #24-00051
