³Cross reference(s)—Law enforcement impact fees, § 2-256 et seq.; fire prevention and suppression impact fees, § 38-336 et seq.; parks and recreation impact fees, § 66-51 et seq.; water impact fees, § 94-316 et seq.; sewer impact fees, § 94-351 et seq.

Sec. 58-51. Findings.

- (a) The city is charged with providing certain levels of library service within its municipal boundaries. The public library is a proper function of the city.
- (b) The city prepares, on an annual basis, a five-year capital improvement program for a library system within the city.
- (c) In order to maintain current levels of library service, it will be necessary to expand capital facilities and equipment in relation to growth and development within the city.
- (d) The imposition of impact fees has been identified as one of the preferred methods of ensuring that development bears a proportionate share of the cost of library capital facilities and equipment necessary to accommodate such development. Allocation of a proportionate share of the capital costs for new development promotes and protects the public health, safety and welfare of the citizens of the city.
- (e) Different types of development create different impacts on library service.
- (f) The report entitled "City of Eustis Library Impact Fee Update, May 2004," prepared by Tindale-Oliver & Associates and previously submitted to the city commissioners and discussed at public workshops and hearings, sets forth a reasonable methodology and analysis for the determination of the impact of new development on the need for and costs for additional library capital facilities and equipment within the city.

(Ord. No. 91-70, § 1, 12-5-1991; Ord. No. 04-46, § 1, 9-9-2004)

Sec. 58-52. Purpose and imposition.

For the purpose of helping to pay for a portion of the costs of new or expanded library capital facilities and equipment attributable to new construction within the city limits, impact fees are hereby imposed on new construction within the city limits in accordance with the schedule of impact fees set forth in Exhibit "A" and other provisions of this article.

(Ord. No. 91-70, art. 1, § 1, 12-5-1991; Ord. No. 04-46, art. 1, § 1, 9-9-2004)

Editor's note(s)—Exhibit "A," referred to in this section, is not set out in this Code but is on file and available for inspection in the offices of the city.

Sec. 58-53. Applicability.

This article shall apply to all new construction within the city limits except the following:

- (1) Remodeling, rebuilding or making additions to a residential structure that does not add additional bedroom(s);
- (2) Construction of any public-purpose structure by the city or any agency, subdivision or instrumentality thereof; and construction of any other public-purpose structure by federal, state, or other local government with legislative exemption from such impact fee;
- (3) Construction under any valid building permit issued prior to the effective date of the ordinance from which this article is derived; and
- (4) Construction of accessory buildings not containing bedrooms.

(Ord. No. 91-70, art. 1, § 2, 12-5-1991; Ord. No. 04-46, art. 1, § 2, 9-9-2004)

Sec. 58-54. Review of fee amounts.

Library impact fees shall be reviewed and updated at least every five years in accordance with an analysis of the demand for services, the cost of any expanded or new capital facilities and equipment for library services and the money, other than impact fee revenues, otherwise available to meet such costs. The city commission may annually adjust the established impact fee rates to reflect changes in the costs of relevant capital facilities and equipment. All changes or adjustment in to the established impact fee rates shall be made by ordinance or resolution after advertising and public hearings and shall apply to construction for which building permits are issued after the effective date of such ordinance.

- (c) *Unspecified use.* It is the intent that all development requiring building permit(s) shall pay an appropriate library impact fee. If the type of development activity requiring a building permit is not specified in the impact fee schedule contained in Exhibit "A," the city manager, or his designate, shall assign the fee applicable to the most nearly comparable use or uses on in the fee schedule contained in Exhibit "A."
- (d) *Change of use or density.* In the case of a change of use or density which requires a building permit, the library impact fee shall be based on the net increase of the fee, if any, for the new land use as compared with the previous land use.

Before authorizing an expenditure from this trust fund, the city commission shall determine that:
 - (1) Such expenditure is for capital facilities or equipment to be used for the purpose of the trust fund;
 - (2) Such expenditure is made necessary by the new residential development construction from which such funds were collected; and

-
- (3) Such expenditure will result in a substantial benefit to the new residential development construction from which said funds were collected.
