Effective Date means the date on which this Agreement has been signed by authorized representatives of all of the Parties.

Emergency shall mean any occurrence, or threat thereof, which results in substantial injury or harm to the population, or damage to or loss of property.

The term of this Agreement shall be automatically extended for periods of one (1) year each beginning on October 1, 2024, and on each October 1st thereafter until terminated in accordance with this Agreement.

b. No-Fault Termination. In addition to such other means of termination set forth in this Agreement, any Party may terminate its participation in this Agreement at any time without cause by delivering written notice of termination to the other Party not later than ninety (90) days prior to the date of termination set forth in the notice.

3. Adequate Coverage for Own Jurisdiction. The Parties understand and acknowledge that each Party is responsible for providing adequate law enforcement coverage for its own Jurisdiction and that the foremost responsibility of each Party is to first ensure that the Party's law enforcement resources are devoted to providing adequate law enforcement services to its own residents. This Agreement shall not be construed as imposing an unconditional obligation on any Party to this Agreement to provide aid and assistance to a Requesting Party. When a Party is unable to honor a request for aid and assistance, the Party will immediately inform the Requesting Party that it will not be able to provide the requested Mutual Aid.

4. Mutual Aid. In the event a Party's Police Chief determines that an event, incident, emergency, or an eminent threat of emergency is such that the Party's available law enforcement resources will likely be inadequate to address the event, incident, or emergency (existing or threatened), the Police Chief of the Requesting Party shall notify the other Party. The Police Chief of the Responding Party shall evaluate the request and the Party's available resources and respond in a manner deemed appropriate. No Party shall be required to provide Mutual Aid unless it determines that it has sufficient resources to do so based on current or anticipated events within its own jurisdiction.

a. The Mutual Aid provided by the Responding Party may be recalled at the discretion of the Police Chief or of the Responding Party.

b. Officers of the Responding Party will work under their own supervisors and with their own equipment to the extent possible.

c. All general direction relative to the work will be given by the appropriate officers of the Requesting Party.

- f. The Requesting Party will be responsible for arrests and detentions in the Requesting Party's Jurisdiction unless circumstances dictate otherwise.
- g. All follow-up investigations for all offenses will be conducted by the Requesting Party.
- h. If any police officer of a Responding Party responds to an Emergency or a Request within a Requesting Party's jurisdiction, the command authority shall be determined as follows:
 - i. The Requesting Party shall exercise command unless otherwise provided in Paragraph ii, below.
 - ii. If a police officer of a Responding Party is first on the scene, that officer shall assume command and secure the area, maintain the integrity of the crime scene, establish a perimeter, as required, and begin to gather victim and witness information until a police officer from the Requesting Party's department arrives on the scene. Upon arrival, the Requesting Party's police officer shall assume command of the scene. Once command is transferred, the Responding Party's police officer shall not remain on the scene unless requested to do so by the Requesting Party.

4. Authority of Responding Party's Officers.

- a. Police officers of a Responding Party shall exercise criminal law enforcement powers outside of the Responding Party's jurisdiction and within the jurisdiction of the Requesting Party to the same extent as police officers of the Requesting Party acting within the jurisdiction of the Requesting Party provided the police officers of the Responding Party are present in the Requesting Party's jurisdiction pursuant to a request from the Requesting Party.
- b. This Agreement shall not be construed as authorizing the police officers of the Responding Party to perform routine patrols in the jurisdiction of the Requesting Party or to conduct investigations therein unless said patrols or investigations are the subject of a Request for Mutual Aid.

5. Report Required. Whenever assistance is provided under the terms of this Agreement, the Responding Party shall be responsible for generating a report regarding the incident, if required, and shall provide a copy of the same to the Requesting Party.

6. Agency Policy and Procedures. When conducting law enforcement activities within the jurisdiction of a Requesting Party, including, but not limited to, the use of force, the officers
