5. CITIZEN'S COMMENTS

6. DISCUSSION ITEMS

1. Park Plans

Pittman Park is the park they would like to start with. The council asked about the gym at this park. They said it was a useless item. Miriam stated this was donated by someone and that maybe we can have them come update the signage and paint it to make it look better. Also, maybe replace some of the QR codes to the workouts and or directions so that it is more

accessible for ones that want to use this. The council also recommended to add another basket ball court since this one is used a lot. They also recommended some other activities like Pickle Ball and Tennis Courts but said that the tennis court should be at the Johnson Park. Miriam mentioned fixing the area by the stage at Pittman Park and by the basketball courts because it has standing water when it rains. The Council also mentioned maybe an area for disabled kids at the park so they have somewhere safe to play. With this they also mentioned fencing at both parks for around the playground for safety. The council didn't really have many more ideas for Pittman and Johnson Park. Johnson Park has a Volleyball court and they mentioned revamping the court and making it new and better. Miriam and Mindi mentioned to the council to go out and visit each park and to look and see what they would change or take out and recommend for this project. They were also recommended to ask around to fellow school mates on what they want to see in the city parks. The council mentioned a google form they could send out to the students with that question. We will follow up with them at the next meeting on what new ideas they have envisioned for this Park Project.
