BACKGROUND

Purpose:

On June 26, 2025, Oncor Electric Delivery Company LLC ("Oncor" or "Company") filed an application with cities retaining original jurisdiction seeking to increase system-wide transmission and distribution rates by about \$834 million or approximately 13% over present revenues. The Company asks the City to approve a 12.3% increase in residential rates and a 51.0% increase in street lighting rates. If approved, the impact of this requested increase on an average residential customer would be about \$7.90 per month.

In a prior City action, Oncor's rate request was suspended from taking effect for 90 days, the fullest extent permissible under the law. This time period has permitted the City, through its participation with the Steering Committee of Cities Served by Oncor ("Steering Committee"), to determine that the proposed rate increase is unreasonable. Consistent with the recommendations of the experts engaged by the Steering Committee, Oncor's request for a rate increase should be denied.

Accordingly, the purpose of the Resolution is to deny the rate change application proposed by Oncor. Once the Resolution is adopted, Oncor will have 30 days to appeal the decision to the Public Utility Commission of Texas (“PUC”) where the appeal will be consolidated with Oncor’s filing (PUC Docket No. 58306) currently pending at the PUC.

All cities with original jurisdiction will need to adopt the Resolution **by October 29, 2025.**

Explanation of “Be It Resolved” Sections:

1. This paragraph finds that the Company’s application is unreasonable and should be denied.
2. This section states that the Company’s current rates shall not be changed.
3. The Company will reimburse Cities for their reasonable rate case expenses. Legal counsel and consultants approved by the Steering Committee will submit monthly invoices that will be forwarded to Oncor for reimbursement.
4. This section merely recites that the resolution was passed at a meeting that was open to the public and that the consideration of the Resolution was properly noticed.
5. This section provides Oncor and counsel for the Steering Committee will be notified of the City’s action through a copy of the approved and signed resolution.
