**INTRODUCTION/BACKGROUND:**

As a result of the damaging ice storm in February, leaving behind approximately 35,000 cubic yards of downed tree limbs, Mayor Maxton submitted a declaration of local disaster to the state on February 17, 2023. At the February 23, 2023, Special City Council meeting Council approved Resolution 2023-07 which extends the declaration of local disaster. Council also approved budgeting \$300,000.00 in unallocated funds towards efforts to remove the debris from city streets while staff determines the best course of action and contracts with the appropriate vendor. As this is a fluid situation which might require prompt, regular City Council direction, this will be a standing agenda item until the situation is resolved.

**POLICY ANALYSIS/BENEFIT(S) TO CITIZENS:**

Routinely presenting this agenda item will allow for timely decisions by City Council. This benefits residents by expediting the removal of the debris, potentially lowering overall costs, and minimizing health and safety issues.
