Subcontractors shall comply with all provisions of this Agreement and the applicable Scope of Work. The approval or acquiescence of the City in the subletting of any work shall not relieve the Contractor of any responsibility for work done by such subcontractor.

(B) *Compliance with Laws.* The Contractor shall comply with all federal, state and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any courts, administrative, or regulatory bodies in any matter affecting the performance of this Agreement, including, without limitation, worker's compensation laws, minimum and maximum salary and wage statutes and regulations, and licensing laws and regulations. When required, the Contractor shall furnish the City with satisfactory proof of compliance.

(C) *Independent Contractor.* Contractor acknowledges that Contractor is an independent contractor of the City and is not an employee, agent, official or representative of the City. Contractor shall not represent, either expressly or through implication, that Contractor is an employee, agent, official or representative of the City. Contractor further agrees that Contractor shall not accept any gift, bonus, commission, money, or other consideration from any person (other than from the City pursuant to this Agreement) for any of the Work performed by Contractor under or related to this Agreement. If any such gift, bonus, commission, money, or other consideration is received by or offered to Contractor, Contractor shall immediately report that fact to the City and, at the sole option of the City, the City may elect to accept the consideration for itself or to take the value of such consideration as a credit against the compensation otherwise owing to Contractor under or pursuant to this Agreement.

(E) *Force Majeure*. If the performance of any covenant or obligation to be performed hereunder by any party is delayed as a result of circumstances which are beyond the reasonable control of such party (which circumstances may include, without limitation, pending litigation, acts of God, war, acts of civil disobedience, fire or other casualty, shortage of materials, adverse weather conditions [such as, by way of illustration and not of limitation, severe rain storms or below freezing temperatures, or tornados] labor action, strikes or similar acts, moratoriums or regulations or actions by governmental authorities), the time for such performance shall be extended by the amount of time of such delay, but no longer than the amount of time reasonably occasioned by the delay. The party claiming delay of performance as a result of any of the foregoing force majeure events shall deliver written notice of the commencement of any such delay resulting from such force majeure event not later than seven (7) days after the claiming party becomes aware of the same, and if the claiming party fails to so notify the other party of the occurrence of a force majeure event causing such delay and the other party shall not otherwise be aware of such force majeure event, the claiming party shall not be entitled to avail itself of the provisions for the extension of performance contained in this subsection.

(F) In the case of any conflicts between the terms of this Agreement and wording contained within the Scope of Work, this Agreement shall govern. The Scope of Work is intended to detail the technical scope of Work, fee schedule, and contract time only and shall not dictate Agreement terms.

Section 7. Termination.

(B) If the City terminates this Agreement pursuant to subsection 7(A)(2) or (3), above, the Contractor shall not be entitled to any fees or reimbursable expenses other than the fees and reimbursable expenses then due and payable as of the time of termination and only then for those Work that have been timely and adequately performed by the Contractor considering the actual costs incurred by the Contractor in performing work to date of termination, the value of the work that is nonetheless usable to the City, the cost to the City of employing another Contractor to complete the work required and the time required to do so, and other factors that affect the value to the City of the work performed

at time of termination. In the event of termination not the fault of the Contractor, the Contractor shall be compensated for all basic, special, and additional Work actually performed prior to termination, together with any reimbursable expenses then due.

Either party may designate another address within the confines of the continental United States of America for notice, but until written notice of such change is actually received by the other party, the last address of such party designated for notice shall remain such party's address for notice.

Section 10. No Assignment. Neither party shall have the right to assign that party's interest in this Agreement without the prior written consent of the other party.

Section 11. Severability. If any term or provision of this Agreement is held to be illegal, invalid or unenforceable, the legality, validity or enforceability of the remaining terms or provisions of this Agreement shall not be affected thereby, and in lieu of each such illegal, invalid or unenforceable term or provision, there shall be added automatically to this Agreement a legal, valid or enforceable term or provision as similar as possible to the term or provision declared illegal, invalid or unenforceable.

Section 12. Waiver. Either City or the Contractor shall have the right to waive any requirement contained in this Agreement that is intended for the waiving party's benefit, but, except as otherwise provided herein, such waiver shall be effective only if in writing executed by the party for whose benefit such requirement is intended. in accordance with generally accepted principles of accounting and will be adequate to enable determination of: (1) the substantiation and accuracy of any payments required to be made under this Agreement; and (2) compliance with the provisions of this Agreement.

22. Dispute Resolution. In accordance with the provisions of Subchapter I, Chapter 271, TEX. LOCAL GOV'T CODE, the parties agree that, prior to instituting any lawsuit or other proceeding arising from a dispute under this agreement, the parties will first attempt to resolve the dispute by taking the following steps: (1) A written notice substantially describing the nature of the dispute shall be delivered by the dissatisfied party to the other party, which notice shall request a written response to be delivered to the dissatisfied party not less than 5 days after receipt of the notice of dispute. (2) If the response does not reasonably resolve the dispute, in the opinion of the dissatisfied party, the dissatisfied party shall give notice to that effect to the other party whereupon each party shall appoint a person having authority over the activities of the respective parties who shall promptly meet, in person, in an effort to resolve the dispute. (3) If those persons cannot or do not resolve the dispute, then the parties shall each appoint a person from the highest tier of managerial responsibility within each respective party, who shall then promptly meet, in person, in an effort to resolve the dispute.

The City may not enter into a contract with a company for goods and services unless the contract contains a written verification from the company; (i) it does not Boycott Israel; and (ii) will not Boycott Israel during the term of the contract. (Texas government code chapter 2270) by entering this agreement, Professional verifies that it does not Boycott Israel, and agrees that during the term of the agreement will not Boycott Israel as that term is defined in the Texas Government Code Section 808.001, as amended.

25. Energy Company Boycotts. Contractor represents and warrants that: (1) it does not, and will not for the duration of the contract, boycott energy companies or (2) the verification required by Section 2274.002 of the Texas Government Code does not apply to the contract. If circumstances relevant to this provision change during the course of the contract, Contractor shall promptly notify City.

26. Firearm Entities and Trade Association Discrimination. Contractor verifies that: (1) it does not, and will not for the duration of the contract, have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association or (2) the verification required by Section 2274.002 of the Texas Government Code does not apply to the contract. If circumstances relevant to this provision change during the course of the contract, Contractor shall promptly notify City.

27. Sales Tax. The City qualifies as an exempt agency under the Texas Limited Sales, Excise and Use Tax Act (the "Tax Act") and is not subject to any State or City sales taxes on materials incorporated into the project. Labor used in the performance of this contract is also not subject to State or City sales taxes. The City will provide an exemption certificate to the Contractor. The Contractor must have a sales tax permit issued by the Comptroller of Public Accounts and shall issue a resale certificate complying with the Tax Act, as amended, when purchasing said materials. The Contractor is responsible for any sales taxes applicable to equipment purchases, rentals, leases, consumable supplies which are not incorporated into the services to be provided under this Contract, tangible personal property purchased for use in the performance of this Contract and not completely consumed, or other taxable services used to perform this Contract, or other taxes required by law in connection with this Contract.

28. Compliance with Laws, Charter, Ordinances. Contractor, its agents, employees and subcontractors must comply with all applicable federal and state laws, the ordinances of the City of Fair Oaks Ranch, and with all applicable rules and regulations promulgated by local, state and national boards, bureaus and agencies. Contractor must obtain all necessary permits, bonds and licenses that are required in completing the work contracted for in this agreement.

29. Liquidated Damages. Contractor hereby acknowledges that the award of the contract includes the requirement to timely commence the work on the Project in accordance with the fully executed Contract. Contractor hereby further agrees to pay to City as liquidated damages the applicable sum quoted below, for each calendar day in excess of the time set forth for completion of the Project. Time of completion is of the essence for the Project.

For each day that any work shall remain uncompleted after the time specified in the Contract, or the increased time granted by the City, or as equitably increased by additional work or materials ordered after the Contract is executed, the sum per day given in the following schedule, unless otherwise specified in the special provisions, shall be deducted from the monies due from the City:

AMOUNT OF CONTRACT	AMOUNT OF LIQUIDATED DAMAGES
Less than \$25,000.00	\$100.00 Per Day
\$25,000.00 to \$99,999.99	\$150.00 Per Day
\$100,000.00 to \$499,999.99	\$200.00 Per Day
\$500,000.00 to \$1,000,000.00	\$250.00 Per Day
More than \$1,000,000.00 (sliding scale)	\$350 Per Day first 30 days; \$400 Per Day 31-60 days; \$500 Per Day 90 days and beyond

The sum of money thus deducted for such delay, failure or non-completion is not to be considered as a penalty, but shall be deemed, taken and treated as reasonable liquidated damages, per day that the default shall continue after the time stipulated in the Contract for completing the work. The said amounts are fixed and agreed upon because of the impracticability and extreme difficulty of fixing and ascertaining the actual damages that the City in such event would sustain; and said amounts are agreed to be the amounts of damages which the City would sustain and which shall be retained from the monies due, or that may become due, under the Contract; and if said monies be insufficient to cover the amount owing, then the surety shall pay any additional amounts due. Notwithstanding the foregoing, in the event that the actual damages incurred by the City exceed the amount of liquidated damages, the City shall be entitled to recover its actual damages.

30. Warranty

The Contractor shall provide a warranty covering defect of material and workmanship for one calendar year following final completion of the Project.
