## Justification and Impact

- This project will address aging water mains that are known to be in poor condition
- These water mains have a history of main breaks (3-4 per year and becoming more frequent)
- Replacing these mains will reduce operation and maintenance costs, avoid service disruptions to residents, and reduce total water loss
- The estimated combined construction cost is \$1,433,411

## Project Timeline (subject to change)

- Nov. 2022 – Design contract awarded to Weston
- July 2023 – 90% design submitted
- Apr. 2024 – 100% design complete (estimated)
- Nov. 2024 – Bid and Construction award (estimated)

**% Completed:** 45 (currently in design phase)

**Status Update:** 100% Design received. City staff coordinating with Raintree Woods HOA regarding driveway impacts.
