AGENDA TOPIC: Consideration and possible action approving the first reading of an ordinance amending the City of Fair Oaks Ranch Code of Ordinances Chapter 1 "General Provisions," Article 1.07 "Trees and Shrubs" to include updated definitions and the responsibility of public trees.

DATE: August 3, 2023

DEPARTMENT: Public Works

PRESENTED BY: Kelsey Delgado, Environmental Program Manager

INTRODUCTION/BACKGROUND:

Based on guidance provided during the City Council April 20 and July 20, 2023 meetings, the following revisions to the Chapter 1 Article 1.07 amendments have been incorporated into the proposed ordinance:

- Replaced "parkway" with "unimproved shoulder" in the list of definitions.
- Added "unimproved shoulder" exhibits to provide examples typically found throughout the city. Examples include Battle Intense, Post Oak Trail and Fair Oaks Parkway.
- Clarified the City is responsible for the maintenance of public trees, including those located in unimproved shoulder areas.
- Clarified it is unlawful to remove any public tree on "rights-of-way along streets, sidewalks, lanes or other similar properties" instead of the term "public property." Trees within easements may be removed but it is recommended to notify the City or other public utilities prior to such removal.

By amending Chapter 1, Article 1.07 to include the authority and responsibility for trees on public properties, the City is one step closer in obtaining Tree City USA® recognition. A copy of the proposed Ordinance amendment is included as part of this agenda item.
