

# Community Center Exterior Options

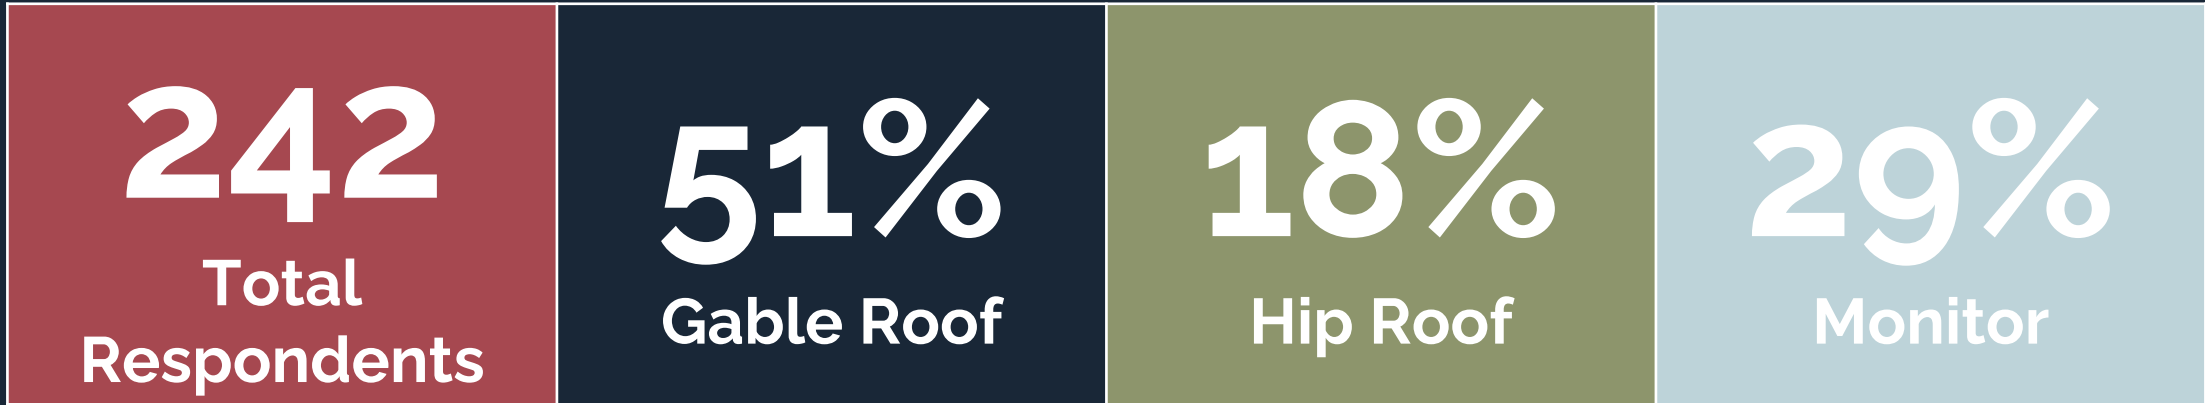

April 18, 2024

Grant Watanabe, P.E.

Director of Public Works and Engineering Services

# Community Center Most Preferred Design

Exterior Option – Gable Roof

Exterior Option – Hip Roof

Exterior Option - Monitor

# Reasons for Design Choice (Gable Roof)

- On average scored a 4 out of 5
- Aligned with Community Aesthetics
- Perceived as Most Cost Effective
- Simple, Clean, Elegant Architectural Style

## Exterior Option – Gable Roof

# Way Forward

- City Council selects an exterior design option
- Architect finalizes schematic design and starts design development
- Future Council updates to include:
  - 90% design document review
  - Estimated construction cost
  - Funding discussion (i.e. amendment to MDD agreement)
- Bid advertisement and contract award
