When required, the Contractor shall furnish the City with satisfactory proof of compliance.

(C) *Independent Contractor.* Contractor acknowledges that Contractor is an independent contractor of the City and is not an employee, agent, official or representative of the City. Contractor shall not represent, either expressly or through implication, that Contractor is an employee, agent, official or representative of the City. Contractor further agrees that Contractor shall not accept any gift, bonus, commission, money, or other consideration from any person (other than from the City pursuant to this Agreement) for any of the Work performed by Contractor under or related to this Agreement. If any such gift, bonus, commission, money, or other consideration is received by or offered to Contractor, Contractor shall immediately report that fact to the City and, at the sole option of the City, the City may elect to accept the consideration for itself or to take the value of such consideration as a credit against the compensation otherwise owing to Contractor under or pursuant to this Agreement.

(E) *Force Majeure*. If the performance of any covenant or obligation to be performed hereunder by any party is delayed as a result of circumstances which are beyond the reasonable control of such party (which circumstances may include, without limitation, pending litigation, acts of God, war, acts of civil disobedience, fire or other casualty, shortage of materials, adverse weather conditions [such as, by way of illustration and not of limitation, severe rain storms or below freezing temperatures, or tornados] labor action, strikes or similar acts, moratoriums or regulations or actions by governmental authorities), the time for such performance shall be extended by the amount of time of such delay, but no longer than the amount of time reasonably occasioned by the delay. (F) In the case of any conflicts between the terms of this Agreement and wording contained within the Scope of Work, this Agreement shall govern. The Scope of Work is intended to detail the technical scope of Work, fee schedule, and contract time only and shall not dictate Agreement terms.

(B) If the City terminates this Agreement pursuant to subsection 7(A)(2) or (3), above, the Contractor shall not be entitled to any fees or reimbursable expenses other than the fees and reimbursable expenses then due and payable as of the time of termination and only then for those Work that have been timely and adequately performed by the Contractor considering the actual costs incurred by the Contractor in performing work to date of termination, the value of the work that is nonetheless usable to the City, the cost to the City of employing another Contractor to complete the work required and the time required to do so, and other factors that affect the value to the City of the work performed
