

Willow Wind/Red Bud Hill Water Line Replacement (29R) Rolling Acres Trail Water Line Replacement (28R)

- Project replaces approximately 3,300 feet of waterline on Willow Wind Drive/Red Bud Hill and approximately 2,300 feet of waterline on Rolling Acres Trail.
- Main breaks (3-4 per year) are becoming more frequent
- Reduces O&M costs, service disruption to customers, and water loss
- **Total Estimated Cost = \$1,628,247**

Prioritization Score: 48

“Must Do” Project (Resiliency, high O&M costs)
