This Ordinance may accordingly be adopted as if an emergency now exists by an affirmative vote of all of the voting members of the Council (excluding from any such computation any vacancy on the Council and any member thereof who may vote only to break a tie vote), and this Ordinance may become effective at any time when an emergency ordinance of the City may go into effect.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF FALLON DOES ORDAIN:

Section 1. Short Title. This ordinance shall be known and may be cited as the “2024A Medium-Term Bond Ordinance” (herein the “Ordinance”).

Section 2. Acceptance of Purchase Proposal. The Clerk/Treasurer is authorized to accept the Bond Purchase Proposal submitted by the Purchaser and execute the Certificate of the Clerk/Treasurer, subject to the terms and conditions specified herein.

Section 3. Ratification. All action heretofore taken by the Council and the officers and employees of the City directed toward the Project and toward the issuance, sale and delivery of the Bond is ratified, approved and confirmed.

Section 4. Necessity of Project and Bond; Authorization of Project. It is necessary and in the best interests of the Council, its officers, and the inhabitants of the City, that the City effect the Project and defray wholly or in part the cost thereof by the issuance of the Bond therefor, and it is hereby so determined and declared. The Council hereby authorizes the Project.

Section 5. Authorization of Bond. For the purpose of providing funds to pay all or a portion of the cost of the Project, the City shall issue the “City of Fallon, Nevada, General Obligation (Limited Tax) Medium-Term Bond, Series 2024A” in the aggregate principal amount set forth in the Certificate of the Clerk/Treasurer (not to exceed \$4,000,000). The Bond shall be issued in the form substantially as set forth in Section 21 of this Ordinance.

Section 6. Ordinance to Constitute Contract. In consideration of the purchase and the acceptance of the Bond by those who shall own the same from time to time, the provisions hereof

shall be deemed to be and shall constitute contracts between the City and the owners from time to time of the Bond.

Section 7. General Obligation. All of the Bond, as to the principal thereof and the interest thereon (the “Bond Requirements”), shall constitute a general obligation of the City, which hereby pledges its full faith and credit for their payment.

Section 8. Payment of the Bond. The Bond Requirements of the Bond shall be payable from any monies legally available therefor, and provision for the payment of the Bond Requirements of the Bond shall be made as provided in the Note Act, provided, however, that General Taxes levied for the purpose of paying the principal of or interest on the Bond shall be subject to the limitations contained in the Constitution and statutes of the State, including, without limitation, the limitations on the levy of General Taxes imposed by NRS 354.59811, 354.59813, 354.59815, 354.5982 and 361.453. The City is not authorized to levy General Taxes exempt from the limitations of any of said statutes to pay the Bond Requirements of the Bond. The City hereby irrevocably covenants with the registered owner of the Bond from time to time that it will make sufficient provisions annually in its budget to pay the Bond Requirements of the Bond, when due.

Section 9. Limitations upon Security. The payment of the Bond is not secured by an encumbrance, mortgage, or other pledge of property of the City, except for the proceeds of General Taxes and any other moneys pledged for the payment of the Bond. No property of the City, subject to such exception, shall be liable to be forfeited or taken in payment of the Bond.

Section 10. No Recourse Against Officers and Agents. No recourse shall be had for the payment of the Bond Requirements of the Bond or for any claim based thereon or otherwise upon this Ordinance or any other instrument relating thereto, against any individual member of the Council or any officer or other agent of the Council or City, past, present or future, either directly or indirectly through the Council or the City, or otherwise, whether by virtue of any constitution, statute or rule of law, or by the enforcement of a penalty or otherwise, all such liability, if any, being by the acceptance of the Bond and as a part of the consideration of its issuance specially waived and released.

Section 11. Bond Details. The Bond shall be issued in fully registered form, i.e., registered as to both principal and interest, in compliance with Section 149 of the Tax Code, and the regulations of the Secretary of the Treasury thereunder. The Bond shall be dated as of the date of delivery of the Bond and shall be issued as a single bond in the aggregate principal amount

thereof. The Bond shall bear interest from its date until its maturity date at the rate set forth in the Certificate of the Clerk/Treasurer, calculated on the basis of a 360-day year, payable semiannually on April 1 and October 1 of each year commencing on the April 1, or October 1 first occurring which is at least 45 days after the date of delivery of the Bond; provided that a Bond which is reissued upon transfer, exchange or other replacement shall bear interest at the rate set forth in the Certificate of the Clerk/Treasurer from the most recent interest payment date to which interest has been paid or duly provided for, or if no interest has been paid, from the date of the Bond. The Bond shall mature in each of the designated amounts of principal and designated dates as set forth in the Certificate of the Clerk/Treasurer.

The principal of any Bond shall be payable to the registered owner thereof as shown on the registration records kept by the City Treasurer, as "Registrar" upon maturity thereof and upon presentation and surrender at the office of the City Treasurer, as "Paying Agent;" provided, however, that such presentation and surrender requirement shall only apply on the final maturity date of the Bond and shall not apply to mandatory sinking fund redemption payments. If any Bond shall not be paid upon such presentation and surrender at or after maturity, it shall continue to draw interest at the interest rate borne by said Bond until the principal thereof is paid in full. Payment of interest on any Bond shall be made to the registered owner thereof by check or draft mailed by the Paying Agent, on each interest payment date (or, if such interest payment date is not a business day, on the next succeeding business day), to the registered owner thereof, at his or her address as shown on the registration records kept by the Registrar as of the close of business on the 15th day of the calendar month next preceding each interest payment date (other than a special interest payment date hereafter fixed for payment of defaulted interest) (the "Regular Record Date"). Any such interest not so timely paid or duly provided for shall cease to be payable to the owner thereof as shown on the registration records of the Registrar as of the close of business on the Regular Record Date and shall be payable to the owner thereof, at his or her address, as shown on the registration records of the Registrar as of the close of business on a date fixed to determine the names and addresses of owners for the purpose of paying defaulted interest (the "Special Record Date"). Such Special Record Date shall be fixed by the Paying Agent whenever moneys become available for payment of the defaulted interest, and notice of the Special Record Date shall be given to the owners of the Bond not less than 10 days prior thereto by first-class mail to each such owner as shown on the Registrar's registration records as of a date selected by the Registrar, stating

the date of the Special Record Date and the date fixed for the payment of such defaulted interest. The Paying Agent may make payments of interest on any Bond by such alternative means as may be mutually agreed to between the owner of such Bond and the Paying Agent. All such payments shall be made in lawful money of the United States of America without deduction for any service charges of the Paying Agent or Registrar.

Section 12. Prior Redemption.

A. Optional Prior Redemption. The Bond, or portions thereof (\$1,000 or any integral multiple), will be subject to redemption prior to maturity, at the option of the City, on and after the dates set forth in the Certificate of the Clerk/Treasurer, in whole or in part at any time, at a price equal to the principal amount of the Bond, or portion thereof, so redeemed, accrued interest thereon to the redemption date, and a premium, if any, computed in accordance with the schedule set forth in the Certificate of the Clerk/Treasurer.

B. Partial Redemption. If only a portion of the Bond is redeemed pursuant to this Section 12, the Registrar shall, without charge to the owner of such Bond, authenticate and issue a replacement Bond for the unredeemed portion thereof. The Paying Agent shall select the portion of the Bond to be redeemed by lot at such times as directed by the City (but at least 30 days prior to the redemption date).

C. Mandatory Redemption. The Bond will be subject to mandatory sinking fund redemption on the dates designated in the Certificate of the Clerk/Treasurer, if any, at a redemption price equal to 100% of the principal amount thereof and accrued interest to the redemption date. As and for a sinking fund for the redemption of the Bond, there shall be deposited into the Medium-Term Debt Service Account, hereinafter created, on or before the dates set forth in the Certificate of the Clerk/Treasurer, a sum which, together with other moneys available therein, is sufficient to redeem (after credit is provided below) on the dates set forth in the Certificate of the Clerk/Treasurer, the principal amounts of the Bond as set forth in the Certificate of the Clerk/Treasurer.

At the option of the City to be exercised by delivery of a written certificate to the Registrar not less than sixty days next preceding any sinking fund redemption date, it may (i) deliver to the Registrar for cancellation the Bond or portions thereof (\$1,000 or any integral multiple thereof) in an aggregate principal amount desired by the City or, (ii) specify a principal amount of the Bond or portions thereof (\$1,000 or any integral multiple thereof) which prior to said date have been

redeemed (otherwise than through the operation of the sinking fund) and canceled by the Registrar and not theretofore applied as a credit against any sinking fund redemption obligation. The Bond or portion thereof so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the City on the sinking fund redemption dates and any excess shall be so credited against future sinking fund redemption obligations in such manner as the City determines. In the event the City shall avail itself of the provisions of clause (i) of the first sentence of this paragraph, the certificate required by the first sentence of this paragraph shall be accompanied by the Bond or portions thereof to be canceled.

D. Redemption Notice. Unless waived by any owner of the Bond to be redeemed, official notice of prior redemption shall be given by the Registrar on direction of the City, by first-class mail to the registered owner of the Bond or part of which is to be redeemed at the address shown on the records of the Registrar, at least 30 days and not more than 60 days prior to the date fixed for redemption. Failure to give such notice to the registered owner of the Bond, or any defect therein, shall not affect the validity of the proceedings for the redemption of any other Bond. All such notices of redemption shall be dated and shall state:

- i. the redemption date,
- ii. the redemption prices,
- iii. if less than all of the outstanding Bond is to be redeemed, the identification (and, in the case of partial redemption, the principal amount) of the Bond to be redeemed,
- iv. that on the redemption date the redemption price will become due and payable upon the Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date, and
- v. the place where the Bond is to be surrendered for payment of the redemption price, which place of payment shall be the office of the Paying Agent.

The notice of redemption having been given as aforesaid, such Bond or portion of Bond so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price) such Bond or portion of Bond shall cease to bear interest. Upon surrender of such Bond for redemption in accordance with said notice, such Bond shall be paid by the Paying Agent at the redemption price. Installments of interest due prior to the redemption date and, if the

redemption date is an interest payment date, on the redemption date shall be payable as herein provided for payment of interest. Accrued interest due on any Bond which is called for prior redemption on a date which is not an interest payment date will be paid at the time the principal of such Bond is paid. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond of the same maturity in the amount of the unpaid principal. Any Bond which has been redeemed shall be canceled and destroyed by the Registrar and shall not be reissued. A certificate by the Registrar that notice of redemption has been given as provided in this Section shall be conclusive as against all parties; and no owner whose Bond is called for redemption or any other holder of any Bond or any other person may object thereto or may object to the cessation of interest on the redemption date on the ground that he failed actually to receive or see such notice of call and redemption.

Notwithstanding the provisions of this Section, any notice of redemption may contain a statement that the redemption is conditioned upon the receipt by the Paying Agent of funds on or before the date fixed for redemption sufficient to pay the redemption price of the Bond so called for redemption, and that if such funds are not available, such redemption shall be cancelled by written notice to the owner of the Bond called for redemption in the same manner as the original redemption notice was mailed.

Section 13. Negotiability. Subject to the registration provisions herein provided, the Bond shall be fully negotiable within the meaning of and for the purposes of the Uniform Commercial Code - Investment Securities and each owner shall possess all rights enjoyed by holders of negotiable instruments under the Uniform Commercial Code - Investment Securities.

Section 14. Registration, Transfer, and Exchange of Bond.

A. Records for the registration and transfer of the Bond shall be kept by the Registrar. Upon the surrender of any Bond at the Registrar, duly endorsed for transfer or accompanied by an assignment in form satisfactory to the Registrar duly executed by the owner or his attorney duly authorized in writing, the Registrar shall authenticate and deliver in the name of the transferee or transferees a new Bond of a like principal amount and of the same maturity, bearing a number not previously assigned. Any Bond may be exchanged at the Registrar for an equal aggregate principal amount of Bond, as provided in Section 11 hereof. The Registrar shall authenticate and deliver a Bond which the owner making the exchange is entitled to receive, bearing a number or numbers not previously assigned. Such transfers and exchanges of any Bond

shall be without charge to the owner or any transferee, but the Registrar shall require the payment by the owner of any Bond requesting exchange or transfer, of any tax or other governmental charge required to be paid with respect to such exchange or transfer.

B. The person in whose name the Bond shall be registered on the registration records kept by the Registrar shall be deemed and regarded as the absolute owner thereof for the purpose of payment and for all other purposes (except to the extent otherwise provided in Section 11 hereof with respect to interest payments); and payment of or on account of either principal or interest on any Bond shall be made only to or upon the written order of the owner thereof or his legal representative. All such payments shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid.

C. If any Bond shall be lost, stolen, destroyed or mutilated, the Registrar shall, upon receipt of such evidence, information or indemnity relating thereto as it or the City may reasonably require, and upon payment of all expenses in connection therewith, authenticate and deliver a replacement Bond of a like aggregate principal amount, bearing a number or numbers not previously assigned. If such lost, stolen, destroyed or mutilated Bond shall have matured or shall have been called for redemption, the Registrar may direct that such Bond be paid by the Paying Agent in lieu of replacement.

D. Whenever any Bond shall be surrendered to the Paying Agent upon payment thereof, or to the Registrar for transfer, exchange or replacement as provided herein, such Bond shall be promptly canceled by the Paying Agent or Registrar, and counterparts of a certificate of such cancellation shall be furnished by the Paying Agent or Registrar to the Council, upon request.

E. Notwithstanding anything to the contrary set forth in this Ordinance, the Bond may only be transferred in whole to a new owner who is: (i) an affiliate of the original Purchaser of the Bonds; (ii) a "Bank" as defined in Section 3(a)(2) of the Securities Act of 1933, as amended (the "Securities Act"); (iii) an "Accredited Investor" as defined in Regulation D under the Securities Act; or (iv) a "Qualified Institutional Buyer" as defined in Rule 144A under the Securities Act.

Section 15. [RESERVED].

Section 16. Execution and Authentication.

A. Prior to the execution of any Bond by facsimile signature and pursuant to NRS 350.638, to the act known as the Uniform Facsimile Signatures of Public Officials Act, cited as Chapter 351, NRS, and to the Supplemental Bond Act, the Mayor, and the City Clerk/Treasurer each shall file with the Secretary of State of Nevada his or her manual signature certified by him or her under oath.

B. The Bond shall be signed and executed in the name of and on behalf of the City with the manual or facsimile signature of the Mayor, shall be countersigned and executed with the manual or facsimile signature of the City Treasurer, and shall be countersigned, subscribed, and executed with the manual or facsimile signature of the City Clerk.

C. No Bond shall be valid or obligatory for any purpose unless the certificate of authentication thereon, substantially in the form hereinafter provided, has been duly manually executed by the Registrar. By authenticating the Bond initially delivered pursuant to this Ordinance, the Registrar shall be deemed to have assented to all of the provisions of this Ordinance.

D. The Mayor, the City Treasurer and the Clerk are hereby authorized and directed to prepare and to execute the Bond as herein provided.

Section 17. Use of Predecessor's Signature. The Bond bearing the signatures of the officers in office at the time of their execution shall be valid and binding obligations of the City, notwithstanding that before their delivery any or all of the persons who executed them shall have ceased to fill their respective offices. The Mayor, and the City Clerk/Treasurer, at the time of the execution of a signature certificate relating to the Bond, may each adopt as and for his or her own facsimile signature, the facsimile signature of his or her predecessor in office if such facsimile signature appears upon the Bond.

Section 18. Incontestable Recital. Pursuant to NRS 350.628, the Bond shall contain a recital that they are issued pursuant to the Bond Act, which recital shall be conclusive evidence of the validity of the Bond and the regularity of its issuance.

Section 19. State Tax Exemption. Pursuant to NRS 350.710, the Bond, its transfer and the income therefrom shall forever be and remain free and exempt from taxation by the State or any subdivision thereof, except for the tax on estates imposed pursuant to NRS Chapter 375A and the tax on generation skipping transfers imposed pursuant to NRS Chapter 375B.

Section 20. Bond Delivery. After registration by the Registrar and after their execution and authentication as provided herein, the Registrar shall cause the Bond to be delivered to the Purchaser, upon payment being made in accordance with the terms of their sale.

Section 21. Bond Form. Subject to the provisions of this Ordinance, the Bond shall be in substantially the following form, with such omissions, insertions, endorsements, and variations as may be required by the circumstances, be required or permitted by this Ordinance, or be consistent with this Ordinance and necessary or appropriate to conform to the rules and requirements of any governmental authority or any usage or requirement of law with respect thereto:

mandatory sinking fund redemption payments. Interest on this Bond will be paid on each interest payment date (or, if such date is not a business day, on the next succeeding business day) by check or draft mailed to the person in whose name this Bond or any predecessor bond is registered (the “registered owner”) in the registration records of the City maintained by the Registrar, at the address appearing thereon, as of the close of business on the 15th day of the calendar month next preceding such interest payment date (the “Regular Record Date”). Any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the registered owner as of the close of business on the Regular Record Date and shall be payable to the person who is the registered owner as of the close of business on a special record date for the payment of any defaulted interest (the “Special Record Date”). Such Special Record Date shall be fixed by the Registrar whenever moneys become available for payment of the defaulted interest, and notice of the Special Record Date shall be given to the registered owner not less than ten (10) days prior thereto. Alternative means of payment of interest may be used if mutually agreed to by the registered owner and the Paying Agent, as provided in the ordinance of the City Council of the City (the “Council”) authorizing the issuance of the Bond and designated in Section 1 thereof as the “2024A Medium-Term Bond Ordinance,” duly adopted by the Council (the “Ordinance”). All such payments shall be made in lawful money of the United States of America without deduction for any service charges of the Paying Agent or Registrar. If this Bond is not paid upon presentation at its maturity, interest at the rate specified above shall continue to be borne hereby until the principal hereof is discharged as provided in the Ordinance.

This Bond is issued by the City upon its behalf and upon the credit thereof, for the purpose of financing all or a portion of the cost of the Project as set forth in the Ordinance, under the authority of and in full compliance with the Constitution and laws of the State, and pursuant to the Ordinance.

The Bond, as to the principal thereof and the interest thereon (the “Bond Requirements”), shall be payable from any moneys of the City legally available for the purpose of making such payment and the full faith and credit of the City are hereby irrevocably pledged for making such payment. Provision for the payment of the Bond shall be made as provided in NRS 350.093 and 350.095, provided, however, that ad valorem taxes levied for the purpose of paying the principal of and interest on the Bond are subject to the limitations contained in the Constitution and the statutes of the State, including, without limitation, the limitations on ad valorem taxes contained

in NRS 354.59811, 354.5913, 354.59815, 354.5982 and 361.453. The City is not authorized to levy ad valorem taxes to pay the principal of or interest on the Bond exempt from the limitations of any such statutes, but the City has covenanted in the Ordinance to make sufficient provision annually in its budget to pay the Bond Requirements of the Bond, when due.

The City covenants and agrees with the Registered Owner of this Bond and with each and every person who may become the Registered Owner hereof that it will keep and will perform all of the covenants of the Ordinance.

The Bond is subject to [optional redemption and] mandatory sinking fund redemption as set forth in the Ordinance and the Certificate of the Clerk/Treasurer.

No transfer of this Bond shall be valid unless made on the registration records maintained at the principal office of the Registrar by the registered owner or his or her attorney duly authorized in writing.

This Bond is not transferable or exchangeable, except as set forth in the Bond Ordinance.

No recourse shall be had for the payment of the Bond Requirements of this Bond or for any claim based thereon or otherwise in respect to the Ordinance or other instrument pertaining thereto against any individual member of the Council, or any officer or other agent of the City, past, present, or future, either directly or indirectly through the Council or otherwise, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any penalty or otherwise, all such liability, if any, being by the acceptance of this Bond and as a part of the consideration of its issuance specially waived and released.

It is hereby certified, recited, declared and warranted that all actions required to be taken prior to the issuance hereof have been had and taken by the City; that the issuance of the Bond has been approved by the Executive Director of the Department of Taxation of the State of Nevada as required by the NRS 350.087 to 350.095, inclusive, and that the principal of the Bond, when added to other City indebtedness, does not exceed the limits on indebtedness of the City provided in the Constitution and statutes of the State.

This Bond shall not be entitled to any benefit under the Ordinance, or be valid or obligatory for any purpose until the Registrar shall have manually signed the certificate of authentication hereon.

Section 22. Use of Bond Proceeds. The proceeds realized from the sale of the Bond shall be deposited in a special account hereby created and designated as the “City of Fallon, Medium-Term, Series 2024A, Acquisition Account” (the “Acquisition Account”) to be held by the City. Moneys in the Acquisition Account shall be used solely to defray wholly or in part the cost of the Project including, without limitation, as provided in NRS 350.516, all costs of issuing the Bond, and the costs of rebates to the United States under Section 148 of the Internal Revenue Code of 1986, as amended (the “Tax Code”), which the Council hereby determines are necessary and desirable and pertain to the Project. After the Project is complete and after all expenses have been paid or adequate provision therefor is made, pursuant to NRS 350.650, any unexpended balance of Bond proceeds (or, unless otherwise required by law, any other moneys) remaining in the Acquisition Account shall be deposited into the Medium-Term Debt Service Account, hereinafter created, to be used to pay the principal of and interest on the Bond.

Section 23. Permitted Investments. Any moneys in any account designated in this Ordinance, and not needed for immediate use, may be invested or reinvested in any investments permitted under the laws of the State. For the purpose of any such investment or reinvestment, the securities shall be deemed to mature at the earliest date on which the obligor is, on demand, obligated to pay a fixed sum in discharge of the whole of such obligations.

Section 24. Use of Investment Gain. Pursuant to NRS 350.658, any gain from any investment and any reinvestment of any proceeds of the Bond shall be deposited promptly upon the receipt of such gain at any time or from time to time into the Acquisition Account to defray, in part, the cost of the Project or, if adequate provision has been made for the Project, into the Medium-Term Debt Service Account, hereinafter created, for the respective payment of the principal of or interest on the Bond or any combination thereof. As provided in Section 28 hereof, any annual General Taxes for the payment of the principal of or interest on the Bond levied after such deposits of any such investment or reinvestment gain, may be diminished to the extent of the availability of such deposit for the payment of such principal or interest.

Section 25. Completion of Project. The City, with the proceeds derived from the sale of the Bond, shall proceed to complete the Project without delay and with due diligence to the best of the City’s ability, as hereinabove provided.

Section 26. Prevention of Bond Default. Subject to the provisions of this Ordinance, the Clerk/Treasurer shall use any Bond proceeds credited to the Acquisition Account, without

further order or warrant, to pay the Bond Requirements of the Bond as the same become due whenever and to the extent moneys otherwise available therefor are insufficient for that purpose, unless such Bond proceeds shall be needed to defray obligations accrued and to accrue under any contracts then existing and pertaining to the Project. The Clerk/Treasurer shall promptly notify the Council of any such use.

Section 27. Purchaser Not Responsible. The validity of the Bond shall not be dependent on nor be affected by the validity or regularity of any proceedings relating to the Project, or any part thereof, or to the completion of the Project. The owner of any Bond shall in no manner be responsible for the application or disposal by the City or by any of its officers, agents, and employees of the moneys derived from the sale of the Bond or of any other moneys herein designated.

Section 28. General Tax Levies. Pursuant to NRS 350.596, any sums coming due on the Bond at any time when there are not on hand in the Medium-Term Debt Service Account sufficient funds to pay same shall be promptly paid when due out of the Acquisition Account or out of a general fund of the City or out of any other funds that may be available for such purpose, including, without limitation, any proceeds of General Taxes legally available therefor. For the purpose of repaying any moneys so paid from any such fund or funds (other than any moneys available without replacement for the payment of such Bond Requirements on other than a temporary basis), and for the purpose of creating funds for the payment of the Bond Requirements, there is hereby created a separate account designated as the “City of Fallon, Nevada, General Obligation (Limited Tax) Medium-Term Bond, Series 2024A, Medium-Term Debt Service Account” (the “Medium-Term Debt Service Account”). Pursuant to NRS 350.592, 350.594, 350.093 and 350.095, except to the extent other funds are legally available therefor, there shall be duly levied immediately after the issuance of the Bond and annually thereafter, until all of the Bond Requirements shall have been fully paid, satisfied and discharged, a General Tax on all property, both real and personal, subject to taxation within the boundaries of the City, including the net proceeds of mines, fully sufficient to reimburse such fund or funds for any such amounts temporarily advanced to pay such initial installment of interest, and to pay the interest on the Bond becoming due after such initial installment, and to pay and retire the Bond as they thereafter become due at maturity as herein provided, after there are made due allowances for probable delinquencies. The proceeds of such annual levies shall be duly credited to the Medium-Term

Debt Service Account for the payment of such Bond Requirements. In the preparation of the annual budget or appropriation resolution or ordinance for the City, the Council shall first make proper provisions through the levy of sufficient General Taxes for the payment of the interest on and the retirement of the principal of the bonded indebtedness of the City, including, without limitation, the Bond, subject to the limitation imposed by NRS 354.59811, 354.59813, 354.59815, 354.5982 and 361.453, and Section 2, Art. 10, State Constitution, and the amount of money necessary for this purpose shall be a first charge against all such revenues received by the City.

Section 29. Priorities for Bond. As provided in NRS 361.463, in any year in which the total General Taxes levied against the property in the City by all overlapping units within the boundaries of the City exceeds the limitations imposed by NRS 361.453, 354.59811, 354.59813 and 354.5982 or a lesser or greater amount fixed by the State Board of Examiners in any fiscal year, and it shall become necessary by reason thereof to reduce the levies made by any and all such units, the reductions so made shall be in General Taxes levied by the City for purposes other than the payment of Bond Requirements of the Bond and other bonded indebtedness of the City including interest thereon. The General Taxes levied for the payment of such bonded indebtedness and the interest thereon shall always enjoy a priority over General Taxes levied by the City for all other purposes where reduction is necessary in order to comply with the limitation of NRS 361.453, 354.59811, 354.59813 and 354.5982.

Section 30. Correlation of Levies. Such General Taxes shall be levied and collected in the same manner and at the same time as other taxes are levied and collected, and the proceeds thereof for the Bond shall be kept in the Medium-Term Debt Service Account, which shall be used for no other purpose than the payment of principal and interest, respectively, as the same fall due.

Section 31. Use of General Fund. Any sums becoming due on the Bond at any time when there are on hand from such General Taxes (and any other available moneys) insufficient funds to pay the same shall be promptly paid when due from general funds on hand belonging to the City, reimbursement to be made for such general funds in the amounts so advanced when the General Taxes herein provided for have been collected, pursuant to NRS 350.596.

Section 32. Use of Other Funds. Nothing in this Ordinance prevents the City from applying any funds (other than General Taxes) that may be available for that purpose to the payment of the Bond Requirements as the same, respectively, mature, and upon such payments, the levy or levies herein provided may thereupon to that extent be diminished, pursuant to NRS 350.598.

Section 33. Legislative Duties. In accordance with NRS 350.592, it shall be the duty of the Council annually, at the time and in the manner provided by law for levying other General Taxes of the City, if such action shall be necessary to effectuate the provisions of this Ordinance, to ratify and carry out the provisions hereof with reference to the levy and collection of General Taxes; and the Council shall require the officers of the City to levy, extend and collect such General Taxes in the manner provided by law for the purpose of creating funds for the payment of the principal of the Bond and the interest thereon. Such General Taxes, when collected shall be kept for and applied only to the payment of the principal of and the interest on the Bond as hereinbefore specified.

Section 34. Appropriation of General Taxes. In accordance with NRS 350.602, there is hereby specially appropriated the proceeds of such General Taxes to the payment of such principal and interest; and such appropriations will not be repealed nor the General Taxes postponed or diminished (except as herein otherwise expressly provided) until the Bond Requirements of the Bond have been wholly paid.

Section 35. Protective Covenants. The City covenants and agrees with each and every owner from time to time of the Bond, that:

- A. The Project shall be completed without delay; and
- B. The City will make the principal and interest payments on the Bond at the place, on the date, and in the manner specified according to the true intent and meaning hereof.

Section 36. Tax Covenant. The City covenants for the benefit of the owner of the Bond that it will not take any action or omit to take any action with respect to the Bond, the proceeds thereof, any other funds of the City or any facilities financed or refinanced with the proceeds of the Bond if such action or omission (i) would cause the interest on the Bond to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Tax Code"), or (ii) would cause interest on the Bond to lose its

exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Tax Code. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the Bond until the date on which all obligations of the City in fulfilling the above covenant under the Tax Code have been met.

Section 37. Defeasance. When all Bond Requirements of the Bond have been duly paid, the pledge and lien and all obligations hereunder as to that Bond shall thereby be discharged and the Bond shall no longer be deemed to be Outstanding within the meaning of this Ordinance. There shall be deemed to be such due payment when the City has placed in escrow or in trust with a trust bank located within or without the State, an amount sufficient (including the known minimum yield available for such purpose from Federal Securities in which such amount wholly or in part may be initially invested) to meet all Bond Requirements of the Bond, as the same become due to the final maturity of the Bond. The Federal Securities shall become due before the respective times on which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the City and the bank at the time of the creation of the escrow or trust, or the Federal Securities shall be subject to redemption at the option of the holders thereof to assure availability as so needed to meet the schedule. For the purposes of this Section “Federal Securities” shall include only Federal Securities which are not callable for redemption prior to their maturities except at the option of the owner thereof.

Section 38. Further Assurances. The Bond, when duly executed and delivered for the purpose provided for in this Ordinance, shall constitute a warranty by and on behalf of the City for the benefit of the owner of the Bond that the Bond has been issued for a valuable consideration in full conformity with law.

Section 39. Owners Rights. An owner of the Bond issued hereunder shall be entitled to all of the privileges, rights and remedies provided or permitted in the City Bond Law and the Bond Act, and as otherwise provided or permitted by law or in equity or by other statutes, except as otherwise provided herein, but subject to the provisions herein concerning the pledge of and the covenants and the other contractual provisions concerning the Pledged Revenues and the proceeds of the Bond.

Section 40. Owners Enforcement. Nothing herein affects or impairs the right of any owner of the Bond to enforce the payment of the Bond Requirements or the obligation of the City

to pay the Bond Requirements of the Bond to the owner thereof at the time and the place expressed in the Bond.

Section 41. Amendment of Ordinance. This Ordinance may be amended or supplemented by instruments adopted by the City, without receipt by the City of any additional consideration, but with the written consent of the owner of the then Outstanding Bond at the time of the adoption of the amendatory or supplemental instrument. No such instrument shall permit:

A. A change in the maturity or in the terms of redemption of the principal or any installment thereof of any Outstanding Bond or any installment of interest thereon;

B. A reduction in the principal amount of the Bond or the rate of interest thereon, without the written consent of the owner of the then Outstanding Bond; or

C. A reduction of the principal amount or percentages or otherwise affecting the description of the Bond or the consent of the owner of which is required for any modification or amendment; or

D. The modification of, or other action which materially and prejudicially affects the rights or privileges of the owner of the Bond, without the written consent of the owner of the then Outstanding Bond.

Whenever the City proposes to amend or modify this Ordinance under the provisions hereof, it shall cause notice of the proposed amendment to be mailed within 30 days to the insurer of the Bond, if any, and each owner of the Bond. The notice shall briefly set forth the nature of the proposed amendment and shall state that a copy of the proposed amendatory instrument is on file in the office of the City Clerk for public inspection.

Whenever at any time within one year from the date of such notice there shall be filed in the office of the City Clerk an instrument or instruments executed by the insurer of the Bond, if any, or the owner of the then Outstanding Bond, which instrument or instruments shall refer to the proposed amendatory instrument described in the notice and shall specifically consent to and approve the adoption of the instrument; thereupon, but not otherwise, the Council may adopt the amendatory instrument and the instrument shall become effective.

Any Bond authenticated and delivered after the effective date of any action taken as provided in this Section may bear a notation by endorsement or otherwise in form approved by the City as to the action. If any Bond so authenticated and delivered shall bear such notation, then upon demand of the owner of any Bond outstanding at such effective date and upon presentation

of his Bond, suitable notation shall be made on the Bond as to any such action. If the City so determines, a new Bond so modified as in the opinion of the City to conform to such action shall be prepared, registered and delivered and upon demand of the owner of any Bond then outstanding, shall be exchanged without cost to the owner of the Bond then outstanding upon surrender of such Bond.

Section 42. Ordinance Irrepealable. After the delivery of the Bond, the provisions of the Bond Act and of this Ordinance shall be a part of the irrevocable contract between the City and the owners of the Bond issued hereunder.

Section 43. Delegated Powers. The officers of the City hereby are authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Ordinance, including, without limiting the generality of the foregoing:

- A. The printing of the Bond; and
- B. The execution of such certificates as may be required by the Purchaser relating to the signing of the Bond, the tenure and identity of the officials of the City, the assessed valuation of the taxable property in and the indebtedness of the City, the rate of General Taxes levied against the taxable property within the City, the delivery of the Bond and the receipt of the bond purchase price, the exemption of interest on the Bond from federal income taxation, the completeness and accuracy of any information provided to the Purchaser in connection with the Bond as of the date of delivery of the Bond, and if it is in accordance with the facts, the absence of litigation, pending or threatened, affecting the validity of the Bond or affecting the completeness or accuracy of such information, the assembly and dissemination of financial and other information concerning the City and the Bond.

Section 44. Replacement of Registrar or Paying Agent. If the Registrar or Paying Agent initially appointed hereunder shall resign, or if the Clerk/Treasurer shall reasonably determine that it is in the best interests of the City to appoint a successor Registrar or Paying Agent, the Clerk/Treasurer may, upon notice mailed to the owner of the Bond at his or her address last shown on the registration records, appoint a successor Registrar or Paying Agent, or both. No resignation or dismissal of the Registrar or Paying Agent may take effect until a successor is appointed. It shall not be required that the same person or institution serve as both Registrar and Paying Agent hereunder, but the City shall have the right to have the same person or institution serve as both Registrar and Paying Agent.

Any successor by merger with the Registrar and Paying Agent is automatically appointed as Registrar and Paying Agent hereunder without any further action of the Council, as long as the successor otherwise is qualified to act as Registrar and Paying Agent pursuant to this Section. Any City officer, bank, trust company or national banking association into which the Registrar and/or Paying Agent or its successor may be converted, merged or with which it may be consolidated, or to which it may sell or otherwise transfer all or substantially all of its corporate trust business shall be the successor of the Registrar and/or Paying Agent under this Ordinance with the same rights, powers, duties and obligations and subject to the same restrictions, limitations, and liabilities as its predecessor, all without the execution or filing of any papers or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 45. Implied Repealer. All bylaws, orders, resolutions and ordinances, or parts thereof, in conflict with this Ordinance, are hereby repealed. This repealer shall not be construed to revive any bylaw, order, resolution or ordinance, or part thereof, heretofore repealed.

Section 46. Authentication. This Ordinance, immediately on its passage and adoption, shall be recorded in the official records of the City kept for that purpose, shall be authenticated by the signature of the Mayor of the City, shall be attested by the Clerk, and the seal of the City shall be affixed thereto.

Section 47. Publication and Effective Date. The Council has expressed in the preambles to this Ordinance that it pertains to the sale, issuance, or payment of the Bond, and that this instrument may accordingly be adopted as if an emergency now exists. This Ordinance shall become effective after its publication by its title only, together with a statement that typewritten copies of this Ordinance are available for inspection by interested parties at the office of the Clerk/Treasurer, such publication to be made in a newspaper or newspapers published in Churchill County and which is of general circulation in the City and such publication to be in substantially the following form:
