POSSIBLE COUNCIL ACTION: Motion to approve an agreement with Precision Ice Rinks of Concord, NC, for a three-month rental of a 40' x 100' ice-skating rink, in the amount of One Hundred Sixty-One Thousand Three Hundred Fifty Dollars (\$161,350.00). **(For possible action)**

DISCUSSION: Upon approval, the agreement would allow Precision Ice Rinks to install a 40' x 100' portable ice-skating rink at the location of the City of Fallon's choosing. As described in the attached agreement, Precision Ice Rinks would be required to provide an operational rink from November 18th through January 7th. The skating surface would be authentic ice, with all components of the system being provided by Precision Ice. The ice-skating rink elements are designed in such a way that a rink can be installed in any conceivable location and in any weather conditions.

Precision Ice will also supply a ride-on "Zamboni", 400 pairs of rental skates, field technicians for setup/teardown and 24 hour on-call tech support. Precision Ice Rinks has been in business since 2011 and provides portable ice-rinks to customers all throughout the country.

The operation of this seasonal rink would allow for a unique recreational experience for our community while providing a destination for tourism during the holiday season.
