12. Summarize the objectives of this project:

Each year many high school rodeo clubs in the state of Nevada host a Jr. High and High School Rodeo in their community. Fallon has hosted a rodeo for many years and would like to continue to do so in 2027. The kids in the club are responsible for obtaining sponsors, and organizing and producing the event.

PROJECT BUDGET

13. EXPENSES: Please itemize all expenses including items on which grant monies will be expended.

The expenses for the rodeo include but are not limited to:

Rental of the 3 C Event Center, garbage, stock contractor, feed for the stock prizes and payout for contestants, advertising and promotion costs and general production expenses.

PROJECT BUDGET

14. REVENUE: Please itemize all revenue including requested grant monies.

Each club member is responsible for obtaining a minimum of \$650 in sponsorships and or advertising money. This year the club has 20 members.

PROJECT BUDGET

15. GRANT EXPENDITURES: Please list all items for which grant monies will be expended.

The expenses for the rodeo include but are not limited to:

Rental of the 3 C Event Center, garbage, stock contractor, feed for the stock prizes and payout for contestants, advertising and promotion costs and general production expenses.

16. Please define the long- and short-term goals of this project:

The goal for this project is to host a Jr. High and High School Rodeo in the Spring of 2027 and continue to produce a highly attended family event for the membership and our community.

17. Please estimate the total attendance you expect at your event and list your target market areas:

200 contestants and their family and friends. AI reports were not given to the club this year.

18. Local economic impact (complete the following as it pertains to your project):

(a) How many visitors, from outside a 60-mile radius, do you expect to draw to Fallon as a result of this project?

We expect 200 contestants and their family and friends. In the past the AI reports have indicated there were 1800 visitors, 1200 from out of town.

(b) How many total room nights do you expect out-of-area visitors will generate as a result of this project: (Number of visitors who stay in a motel) x (number of nights they stay in a motel)?

Approximately 75 visitors x 2-3 nights = approximately 200 rooms.

(c) Approximately how many people outside of Fallon (both in-state and out-of-state) will be exposed to the promotion of this project?

700 active members/families/friends and a limitless number who are engaged with social media.

(d) Approximately how many people from outside a 60-mile radius visited Fallon as a result of a similar project last year?

1200 out of town visitors were reported 2 years ago.

(e) How many locals will attend your event?

250 locals,

(f) What is the overall economic impact of this project: (Number of visitors x amount each visitor will spend in town—excluding what is spent at your event)?

$700 \times \$400$ (3 days) = \$280,000 minimum

19. Please provide creative ideas, plans or tentative outlines for advertising, promotions, marketing, and publicity and any proposed media schedules:

Fallon Post, banners, programs, website, social media, county marque and electronic mail outs.

20. Please describe how you intend to survey your attendees and gather information about room nights, economic impact, media source for attendees finding out about the event, length of stay, hometown, etc.:

We will use a survey to gather information regarding economic impact during contestant check in.
