RECOMMENDED COUNCIL ACTION: Motion to approve the assignment, along with a resolution in support, of the City's entitlement to power as outlined in its Base Resource Agreement with the Western Area Power Administration to the Truckee Donner Public Utility District.

DISCUSSION: The City of Fallon assigns its allocation of Western Area Power Administration (WAPA) Sierra Nevada Region Base Resource power under the 2025 Power Marketing Plan to the Truckee Donner Public Utility District (TDPUD). The assignment reflects that neither entity has a practical means to physically receive the power allocation, and the agreement transfers Fallon's allocation rights to TDPUD subject to WAPA approval and the governing federal power marketing statutes and regulations.
