RE: Recommendation of Award  
FY 2025 Airport Improvements to the Fallon Municipal Airport  
FAA AIP 3-32-0008-030-2025 (Tentative)  
Reconstruct West Portion of Taxilanes and Relocate Taxiway G

Dear Mr. Byrd:

Sealed bids for FY 2025 Airport Improvements to the Fallon Municipal Airport were received and opened at 10:00 AM on May 2, 2025. The project consisted of two bid schedules, and both the Base Bid and Additive Option B are expected to be awarded. While only the Base Bid was used to determine the lowest bid, the low bidder on the Base Bid was also the low bidder on all bid schedules. In conformance of FAA AIP Handbook-Order 5100.38D, below is a “Price Analysis” for the total bid price.

**Price Analysis:**

Two sealed bids were received and are summarized in the following tables:

Contractor	Location	Total Bid	% Diff. from Estimate
Engineer’s Estimate		\$899,841.00	
A&K Earth Movers, Inc.	Fallon, NV	\$1,240,000.00	+31.8%

The overall low bidder, A&K Earth Movers, submitted a total bid that was 31.8% higher than the Engineer’s Estimate.

The Engineer’s Estimate was developed based on adjusting unit costs for a similar project from last year for inflation. While the unit prices were higher than expected, they should still be considered reasonable based on the current bidding environment as evidenced by several other similar projects in the area.

Enclosed is a copy of the bid package for your files. Based on several comparisons in the current market climate and the additional considerations listed above, J-U-B finds the apparent low bid submitted by A&K Earth Movers, Inc. to be competitive, fair and reasonable in accordance with FAA AIP Handbook-Order 5100.38D.

The bid submitted by A&K Earth Movers, Inc. was reviewed for bid submittal requirements and appears to be responsive. This company is a qualified licensed contractor in the State of Nevada and has a history of performing similar projects. Based on the bidding criteria, A&K Earth Mover's bid is considered responsive and responsible.

A&K Earth Movers is not a DBE contractor and they have listed DBE subcontractors.

Based on the current available funding, J-U-B recommends award of Base Bid Schedule A and Additive Option Schedule B to A&K Earth Movers.

If you have any questions regarding the bid, bid results and subsequent award process, please call me at 775-741-1437.

Sincerely,

**J-U-B ENGINEERS, INC.**

**CERTIFICATION OF OFFEROR/BIDDER REGARDING TAX  
DELINQUENCY AND FELONY CONVICTIONS**  
*(TO BE SUBMITTED WITH BID)*

The applicant must complete the following two certification statements. The applicant must indicate its current status as it relates to tax delinquency and felony conviction by inserting a checkmark (☐) in the space following the applicable response. The applicant agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification in all lower tier subcontracts.

**Certifications**

The applicant represents that it is (☐) is not (☒) a corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

The applicant represents that it is (☐) is not (☒) is not a corporation that was convicted of a criminal violation under any Federal law within the preceding 24 months.

**Note**

If an applicant responds in the affirmative to either of the above representations, the applicant is ineligible to receive an award unless the sponsor has received notification from the agency suspension and debarment official (SDO) that the SDO has considered suspension or debarment and determined that further action is not required to protect the government's interests. The applicant therefore must provide information to the owner about its tax liability or conviction to the owner, who will then notify the FAA airports district office, which will then notify the agency's SDO to facilitate completion of the required considerations before award decisions are made.

**Term definitions**

**Felony conviction:** felony conviction means a conviction within the preceding twenty four (24) months of a felony criminal violation under any Federal law and includes conviction of an offense defined in a section of the U.S. Code that specifically classifies the offense as a felony and conviction of an offense that is classified as a felony under 18 USC § 3559.

**Tax Delinquency:** a tax delinquency is any unpaid federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted, or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

- b) Listing of all manufactured products that are not comprised of 100 percent U.S. domestic content (excludes products listed on the FAA Nationwide Buy American Waivers Issued listing and products excluded by Federal Acquisition Regulation Subpart 25.108; products of unknown origin must be considered as non-domestic products in their entirety).
- c) Cost of non-domestic components and subcomponents, excluding labor costs associated with final assembly and installation at project location.
