- 1. Connect pavilion 1 with a sidewalk or bridge to the Betty Steflik boardwalk access. The standing water/flooding would need to be mitigated. For this much needed work/survey to connect pavilion, parking, ? to the other park amenities,

Imagery ©2025 Airbus, Map data ©2025 20 ft

2. Community Bulletin board 1. and with the sign 2. sit out in a void area, Either relocate them along main sidewalk OR create an additional sidewalk that connects these 2 signs to pavilion 2, and the other 2 main sidewalks.
