There is no latch on the gate, the contractor building next-door is putting up a fence, but not right away, City Attorney stated it does not appear the property owners are receiving the notices and order, but it does appear they are avoiding Code Enforcement. The City Attorney hopes this will motivate the Respondents to comply. Magistrate Popp agreed. Magistrate Popp ordered a status hearing for June, a running fine of \$250.00 a day with retroactive fines from the April 2024 hearing date. Magistrate Popp advised Code Enforcement and
