*This quotation is valid for 30 days. Due to the fluctuating costs associated with key materials such as steel, aluminum, and copper, and other manufacturer delays beyond Ring Power's control, we reserve the right to review quotation pricing at the time of order and again at time of equipment release. If material costs increase by greater than 2%, Ring Power will update our quotation accordingly. We appreciate your understanding during this volatile time and look forward to partnering with you as we work through it together*

**SALES TAX IS NOT INCLUDED**

#### **NOTE:**

1. Notice to Buyer:  
The Seller shall not be responsible for any failure to perform, or delay in performance of, its obligations resulting from or associated with the COVID-19 pandemic or any future epidemic, and the Buyer shall not be entitled to any damages including but not limited to liquidated, special, consequential, or punitive, resulting thereof. Furthermore, the Seller's product lead times are based upon the information provided to Seller from its suppliers at the time of quotation. The Buyer accepts that lead times for products can change and do so without notice and due to reasons, that are beyond any control of the Seller. As such, the Seller shall not be responsible for any failure to perform, or delay in performance of, its obligations resulting from lead times that extend past those originally quoted, and Buyer shall not be entitled to any damages resulting thereof."
2. The above price includes start-up, testing, and customer training (during normal business hours, Monday-Friday, 8 AM - 4PM). Equipment installation must complete and equipment ready to start-up. This includes all auxiliary power for generator/enclosure accessories, interconnect wiring, Remote Annunciators, etc. If there are questions regarding the locations for termination, our Project Manager will assist you. Return service calls due to incomplete installation (outside of Ring Power's control) may result in additional charges.
3. Training cannot be video recorded without approval in advance. Videographers would be by others if approved.
4. No installation (including shipped loose accessories), labor, conduit, wire, equipment off loading, anchor bolts, pad, fuel or fuel piping, DEF - Diesel Exhaust Fluid (when required), natural gas piping and gas flow meters is included (unless otherwise referenced above).
5. Third Party Testing provided by others (i.e. NETA, Infrared Scanning, Insulation Resistance, Ground Fault, etc...)
6. Generators provided with a Circuit Breaker(s) 800 Amps or larger are provided with Buss Bar only, Lugs are provided by others.
7. In some cases, based on the generator set package weights and dimensions, items may ship loose and must be re-assembled by the contractor on site. Those items might include the fuel tank, load frame & generator, generator enclosures, mufflers, stairs, platforms, etc...
8. For fuel tanks over 550 Gallons, it is the Contractor or Owners responsibility to notify the appropriate State, and/or local regulatory agencies prior to delivery of the fuel storage tank so that it can be inspected prior to fueling. The

FDEP Registration form can be found in the Ring Power Submittal or on-line in the link below. Per FDEP Breach of Integrity Testing Guidance, tanks will ship from the factory with a vacuum/gauge installed. On-site testing is not included.

Storage tank registration is available online through the DEP Business Portal in lieu of the paper form:

•DEP Business Portal can be found: <http://www.fldepportal.com/go/submit-registration>

•Instructions on how to navigate the DEP Business Portal can be found on the DEP Registration web page: <http://www.dep.state.fl.us/waste/categories/tanks/pages/registration.htm>

9. NO SALES TAX INCLUDED
10. Proposal is based on information supplied by the Customer.
11. No specifications or drawings were received and / or reviewed. General exception is taken to any other specifications and drawings not available at time of quotation. Equipment supplied will be limited to that described in this proposal.
12. Under no circumstances does Ring Power accept any flow down provisions without specific written agreement between Ring Power and Buyer
13. Ring Power will be supplying equipment as described in the attached documentation.
14. No equipment will be ordered without an approved Purchase Order.
15. Equipment ordered to meet a specific delivery date, that is then delayed once equipment is received by Ring Power may be billed as Stored Material. This applies when the project is delayed outside of Ring Power's control.
16. Equipment shipped will be invoiced for at the time of delivery.
17. **Ring Power will not release equipment for production until we have received the signed sales agreement and signed and approved submittal from our customer. This is done to insure that we are providing quality equipment that fits our customer's needs.** If you need any assistance, please contact your sales representative.

Thank you for considering Ring Power Systems for your generator needs.
