Good morning:

As was intended and discussed at Wednesday's Parks Ad Hoc Committee meeting, City staff has prepared a proposed Resolution for the City Commission to "sunset" the Parks Ad Hoc Committee at next week's Regular City Commission Meeting.

Some recent exceptional news may warrant reconsideration of that effort: Ms. Caryn Miller has informally notified me that the City has received the grant funding for Wickline Park improvements. When matched by the City (specifically the Community Redevelopment Agency), the total funds now available are approximately \$300,000.

***If you are interested in continuing to play a leading role and assisting City staff in the redevelopment of Wickline Park, please let me know by no later than Tuesday, July 8.*** Several of you have expressed a variety of concepts and features for Wickline Park and I hope that you consider this continuing opportunity. If sufficient interest exists, I will advise the City Commission that the efforts and leadership of the Parks Ad Hoc Committee should continue for the final three or four months as originally "chartered." If you are not able or interested in continuing to serve, please know that your service to-date has been wonderfully appreciated and will be appropriately recognized when the Parks Ad Hoc Committee is formally disbanded.

Congratulations to Ms. Miller for her successful funding efforts.

I look forward to hearing of your possible interest in redeveloping a critical quality of life asset in our community.

**Mr. Dale L. Martin**
