P.O. Box 70 • 105 South Second Street
Flagler Beach, Florida 32136
Phone (386) 517-2000

July 15, 2024

Dear Mayor, City Commissioners, Residents, and Staff:

In accordance with the City of Flagler Beach City Charter,

Section 5.01.- Submission of budget and budget message. No later than fifteen (15) days after receipt of the last Certification of Taxable Value from the Flagler County Property Appraiser's office, the City Manager shall submit to the Commission a budget and an accompanying message for the ensuing year.

The State of Florida Department of Revenue indicated the Flagler County Property Appraiser certified the Taxable Value for the City of Flagler Beach on July 1, 2024. Please find attached my proposed budget for the 2024/2025 Fiscal Year (October 1, 2024- September 30, 2025).

The proposed budget is predicated upon maintaining the same millage rate as was levied last year in the City of Flagler Beach: 5.4500 mills.

Although the *tax rate* is proposed to remain the same, under State of Florida statutes, the proposed millage rate will be classified as a *tax increase* because more revenue will be generated due to rising property values.

The City's gross Taxable Value for 2024 is estimated to be \$1,210,818,731, an increase of \$143,516,411 (13.4%) over last year's \$1,067,302,320. When new Taxable Value (new construction, additions, annexations: \$41,429,509) are deducted, the City's adjusted Taxable Value for 2024 is \$1,169,389,222. When the proposed millage rate is applied to the adjusted Taxable Value, the tax levy is anticipated to generate approximately \$6.05 million of tax revenue. After transferring the appropriate funds to the Community Redevelopment Agency and budgeting at ninety-five percent of revenues, the funds available to the City's General Fund (primary operating fund) through ad valorem taxes is \$5,812,816. When additional revenues are added to the General Fund, the proposed General Fund budget is \$11,748,465.

As part of the transition and integration of new senior staff, the proposed budget (as well as the City's organizational structure) is being reconfigured. Some departments have been merged and others reclassified to and accurately reflect the operations of those departments. It has been the addition of senior staff (Finance Director, City Engineer, City Planner, and Information Technology Coordinator) that has brought a new perspective to government operations in Flagler Beach. The efforts to prepare and produce the proposed budget is truly reflective of this effort.

The proposed budget adds five new personnel to the City's employment roll: one patrol officer (General Fund, Police Department); a Building Official, Inspector, and Permit Tech (Building Inspection Fund); and an additional Operator (Utility Fund, Water Treatment Plant Department).

Mr. Dale L. Martin, City Manager; dmartin@cityofflaglerbeach; mobile (904) 557-5047

While the community has been experiencing high-profile projects over the course of the current fiscal year, none of those projects (downtown hotel, beach renourishment, and seawall construction) are specifically City projects. As reflected in the proposed budget, that changes remarkably next year.

The highlights of the proposed budget include beginning the construction of the City's long-anticipated new wastewater treatment plant (\$25,000,000), reconstruction of the City's historic Pier (approximately \$16,000,000), other wastewater improvements (approximately \$5,000,000), additional Pier improvements (\$3,500,000; Tourist Development Council), water system improvements (\$3,000,000; S. Central Avenue and Lambert Avenue [proposed] water mains), stormwater improvements (\$450,000), downtown lighting and parking improvements (\$300,000), and street paving (\$100,000).

With the adoption of the City's Fund Balance Policy (Res. 2024-10 [March, 14, 2024]), approximately \$2.3 million (25% of proposed expenditures) is included in the General Fund, but restricted for emergency uses (at the sole discretion of the City Commission). Funds (\$100,000) are also set aside to build a reserve to replace dune walkovers due to storm damage. The Fund Balance Policy also requires funding emergency reserves for the Utilities Fund, Stormwater Fund, and Sanitation Fund (each 10% of proposed expenditures).

It has been an insightful first year of service in Flagler Beach. While the addition of senior staff has been transformative, it is the efforts of the relatively unrecognized junior staff that has maintained the critical infrastructure and wonderful features of this community for much longer than I have served. I look forward to continuing to learn from those staff members the heritage and history of Flagler Beach, seeking their insight as to how we can all work together to make this city even more enjoyable, especially as the population continues to grow in our city, county, and state.

I would like to offer sincere thanks to the Flagler Beach Mayor and City Commissioners for the faith and confidence that you have placed in me to be part of this community. I look forward to serving you for many years.

Finally, I must specifically thank Ms. Rhonda Allen (Assistant Finance Director) and Ms. Hollie Harlan (Finance Director) for their supportive efforts to compile the proposed budget. Ms. Harlan has provided outstanding leadership and mentorship to the Finance Department staff, the work of which is mainly unseen by the residents of Flagler Beach. Those two will continue to play an unheralded, but remarkable, role in sustaining the City's financial stability.

I will formally present the budget to the community at the July 25 City Commission Regular Meeting and look forward to more detailed discussions regarding the proposed budget at the scheduled August budget workshops.

Sincerely,

Dale L. Martin
City Manager
