

STAFF REPORT

City Commission Regular Meeting

February 13, 2025

To: Elected Officials

From: Dale L. Martin, City Manager

Date: February 7, 2025

Item Name: Resolution 2025-14. A Resolution by the City Commission of the City of Flagler Beach, to award a contract to Moffatt & Nichol (M&N) for the fee of \$ \$349,500 to provide construction support services in the capacity of Engineer of Record (EOR) overseeing the construction of the Flagler Beach Pier; providing for conflict and an effective date.

Background: Flagler Beach Pier is located at 215 South Ocean Shore Boulevard in Flagler Beach, Florida. The project consists of the demolition and reconstruction of the historic Flagler Beach Pier that was initially built in 1928. The pier has suffered significant damage due to several storms and hurricanes and was deemed inoperable in 2022.

The City has contracted with Moffatt & Nichol for design and permitting services for the demolition and reconstruction. The scope of this project is complicated and stringent reporting requirements will have to be met to ensure Federal and State funding is not jeopardized. The additional construction support services are part of the federal requirements to provide adequate on-site construction observation.

Fiscal Impact: The funds to support the additional construction support services will be drawn from the City's General Fund Unrestricted Reserve and then be reimbursed (87.5%) by Federal and State agencies.

Staff Recommendation: Staff recommends approval of Resolution 2025-14.
