Folsom City Council Staff Report

MEETING DATE:	1/25/2022
AGENDA SECTION:	Old Business
SUBJECT:	Appointment of At-Large Historic Preservation Member to the Folsom Historic District Commission
FROM:	City Clerk's Department

RECOMMENDATION / CITY COUNCIL ACTION

Staff requests that the Mayor, with approval from the City Council, appoint an at-large historic preservation member to the Folsom Historic District Commission for a two-year term ending in December 2023.

BACKGROUND / ISSUE

Folsom Municipal Code Chapter 17.52 establishes the Folsom Historic District Commission and defines the Committee's purpose of the Historic District Commission, in part, as to preserve and enhance the historic, small-town atmosphere of the Historic District; to encourage an active business climate which promotes the development of a diverse range of businesses compatible with the Historic District; to retain the residential areas within the Historic District; to ensure that new residential and commercial development is consistent with the historical character of the Historic District; and to increase the awareness, understanding, and appreciation of the history of the city.

The Commission is comprised of seven members consisting of one representative who is actively involved with historic preservation, one representative who is a resident of the Historic District, one representative who owns a business within the Sutter Street Subarea, two Planning Commissioners, one representative from a Historic District business outside the Sutter Street Subarea, and one architect, landscape architect, or other design professional with expertise in historic preservation.

Two members of the Planning Commission are designated by ordinance to serve on the Historic District Commission. Historically the Planning Commission has voted to recommend members of the Planning Commission to serve on the Historic District Commission.

At-Large Members

The current vacant position is for an applicant representing the Historical Society / Historic Preservation. The vacancy was created due to the expiration of a two-year terms that ended in December 2021.

A Notice of Vacancy was published in the City's newsletter, posted on the city's website, and on the bulletin boards located at City Hall and the Library. Correspondence was sent to current Historic District Commission members whose term expired in December 2021 inviting them to submit an application for reappointment.

POLICY / RULE

Folsom Municipal Code Section 2.35.030 states that at-large appointments to the Historic District Commission shall expire as follows:

December of even numbered years:

- Planning Commission Members (2 appointees)
- Representative from a Historic District Business outside the Sutter Street subarea
- Architect, Landscape architect, or other design profession

December of odd-numbered years:

- Historic Preservation
- Resident of the Historic District
- Business Owner within the Sutter Street subarea

Folsom Municipal Code Section 17.52.020 states that the mayor shall appoint each of the members, subject to the approval of the city council.

ANALYSIS

There is currently one vacancy for a representative of the Folsom Historic District Committee consisting of an applicant representing the Historical Society / Historic Preservation. The two-year term will end in December 2023.

The City has received four applications for the at-large seat:

1. Bob Delp*
2. John Lane
3. Jennifer Lane
4. Daron Bracht

*Applicant is currently serving on the Traffic Safety Committee and would have to step down from that committee if appointed due to the one-seat limitation (FMC §2.35.030).

ATTACHMENTS

Applications received from the following individuals:

1. Bob Delp
2. John Lane
3. Jennifer Lane
4. Daron Bracht

Respectfully Submitted,

Christa Freemantle, CMC
City Clerk

FOLSOM COMMISSION AND COMMITTEE APPLICATION

Applicant Name: Bob Delp

Informational Questions: (you must answer all four questions, for all commissions or committees you are applying for):

1. Why do you want to serve on this commission or committee:

My wife and I have lived in Folsom's Historic District since 2012. We own two properties here and have a vested interest in helping this important area of Folsom continue to thrive. But our lives in Folsom extend beyond the Historic District. The company I work for, the bike trails I ride, the gym I go to, the grocery stores I shop at, and the local entertainment I enjoy are spread throughout the City. All of these amenities and opportunities are important to my life here in Folsom.

I am interested in knowing that the issues and projects that come before the Planning Commission and the Historic District Commission are thoughtfully considered, and I would welcome the opportunity to provide my perspectives and opinions as a part of the Planning Commission and/or the Historic District Commission deliberation and decision making processes.

2. What do you think is(are) the top issue(s) facing this commission or committee:

Top issues facing the Planning Commission are:

- ongoing City-wide zoning code update
- review and approvals of projects in the Folsom Plan Area and other growth areas
- accomplishing affordable housing allocations
- reinvigoration of older business areas (e.g., northern East Bidwell Street corridor)

Top issues facing the Historic District Commission are:

- ongoing zoning code update as relates to the Historic District
- reviews of individual residential and commercial development proposals for Historic District and zoning code compliance and compatibly
- planning for future development/use of the Corporation Yard
- parking and traffic management addressing concerns of residents while ensuring access to businesses
- fire prevention, emergency response, and public safety

Applicant Name: Bob Delp

3. Briefly describe how your experiences qualify you to serve on the commission or committee:

I have been a land use/environmental consultant for over 25 years, and I understand land use planning, zoning, environmental review processes. I have been engaged at the local level in Folsom providing my perspectives on projects in the Historic District and other areas of the City. Through that involvement I have become familiar with the City zoning code and the City's project review process. I have been and am currently involved in historic preservation efforts both as an involved citizen in Folsom's Historic District (e.g., questioning the suitability of a faux prison in the Sutter Street commercial district, urging for evaluation of potentially historic residential structures prior to approving modifications) and in my career as an environmental professional (e.g., currently working with the State Department of Parks and Recreation as a consultant assisting in review of a water quality project while protecting historic resources at a State Historic Park).

My credentials include:

- B.A., Economics with emphasis on Energy and Environmental Issues, California State University, Chico, 1992
- Certificate in Land Use and Environmental Planning, University of California, Davis, 2010

4. Which commission or committee meetings have you attended?

Virtual or in-person attendance or participation in most Historic District Commission meetings in 2020 and 2021.

FOLSOM COMMISSION AND COMMITTEE APPLICATION

Applicant Name: John Lane

Informational Questions: (you must answer all four questions, for all commissions or committees you are applying for):

1. Why do you want to serve on this commission or committee:

My long-held belief is to engage and contribute to my community wherever possible. To this end, I have served my country and volunteered for veteran's support, youth mentorship and on non-profit boards and community organizations since I was a young person. I would like to continue now by serving my immediate community in the City of Folsom as the active historic preservation member of the Historic District Commission (HDC). In short, I want to serve on the HDC because I believe in giving back and feel that I have something substantive to offer in this specific role.

2. What do you think is(are) the top issue(s) facing this commission or committee:

1. Achieving continued growth and vibrancy of the historic district while continuing to address real and perceived parking availability issues.
2. Achieving continued preservation of the historic character of the Historic District while also recognizing and balancing continued new projects in both the residential and commercial areas.
3. Providing for continued support for continued opportunity and vibrancy for commercial business within the Historic District while maintaining support of interests of the residential stakeholders within the District.

Continue to next page

FOLSOM COMMISSION AND COMMITTEE APPLICATION

Applicant Name: John Lane

3. Briefly describe how your experiences qualify you to serve on the commission or committee:

Foremost, I bring the experience of 20+ years of architectural renovation and preservation of homes in the Sacramento area and, more recently, historical design and build of our home within the Historic District. I have worked closely with architects and engineers to understand and incorporate historical integrity in both design and construction. I am a current member of the Folsom Historical Society and the Murer House Foundation.

Secondly, I bring a strong working knowledge of CEQA and the land use entitlement process. I continue to develop my knowledge of local Folsom policy and ordinances related to the Historic District. I have worked primarily over the last 25 years on the applicant side CEQA/NEPA land use entitlements as a project manager, and more recently as the Environmental Manager, for a large local construction company. I also have experience working on the lead agency side of the entitlement process for SMUD as a CEQA/NEPA Project Manager.

Lastly, I have experience working with communities, non-profits, business organizations and people. In this capacity, I continue to work constructively and fairly with different groups of stakeholders with varying degrees of interest and needs. Among my experiences, I have been fortunate enough to be matched with five young men as a mentor through the Big Brothers/Big Sisters (BB/BS) program (beginning when I was 18 years old). I later served on the Sacramento region BB/BS Board of Directors. I currently serve on the Board of Directors for the Sacramento Tree Foundation. Finally, I serve as current Chair of the Cleaner Air Partnership which is a 30+ year old collaborative organization that includes regional leaders from business, industry, health groups, environmental groups and leadership and staff from the five regional Air Pollution Control Districts.

4. Which commission or committee meetings have you attended?

In Folsom:

- Historic District Commission
- Ad-hoc Parking Commission

In Sacramento City and County:

- Planning Commissions
- Community Planning Advisory Councils

Applicant Name: _____

Informational Questions: (you must answer all four questions, for all commissions or committees you are applying for):

1. Why do you want to serve on this commission or committee:

I want to serve on the HDC to be a part of making a difference in the Historic Area and improving its success as a residential neighborhood as well as a strong commercial entity. History can speak for itself, but needs a voice. I advocate to be that voice. While I have seen many changes in the historic district over the years, I believe that the residents and their voices have not been heard. I have lived in this district for over 40 years and have been an active participant. Some examples are setting up City Council Forums, participating in Historic Folsom Residents Assoc. which allowed me to set up the one and only meeting at Granite Center to invite residents to learn more about "Granny Flats." In 2001, I volunteered to represent the Historic District in finding locations for affordable housing. I am good at volunteering and have been available for my city time and again. I was on the Planning Commission for over 9 years only missing 2 meetings. I understand what commitment is and will take this position seriously.

2. What do you think is(are) the top issue(s) facing this commission or committee:

I think the top issues facing the historic district are parking, traffic and the increasing high density of housing. I bring up high density due to the increase enhancement of "granny flats." I understand the desire to own a rental on your property, as I have one. I am concerned about the increase of people buying a house, property and building a "granny flat." The standards have changed since I built mine, the residence no longer requires a homeowner to live in one of the properties, thus making high density more likely and allowing non-homeownership only complicates this problem. The historic district is becoming a rental community with residents not really connected or responsible to be a good neighbor. This can lead to many problems.

There are only so many parking spaces and this problem needs attention. Traffic will get worse population increases. I have been aware of this for many years, living on the corner of Sibley St. and Natoma St. Getting 4 way stop signs was a blessing that I am glad to say I was a part of. Consistency is important. The rule is to stop at every intersection. I have been candid about the districts' problems and I hope you trust my judgment.

Continue to next page

Applicant Name: _____

3. Briefly describe how your experiences qualify you to serve on the commission or committee:

My qualifications to be serving on this HDC commission are factual. I have served on the HDC for 2 years prior to this application and I have served on the Planning Commission for over 9 years. I was a member of the HDC when the city was looking at the "Revitalization" of Sutter St. We loaded a bus and took a fieldtrip to 4 locations to look for good ideas for our historic district, mainly Sutter St. We logged our ideas, took pictures and conversed at many meetings to "get it right." I am proud to say that I was the only commissioner who voted to keep the 700 block with the trees. In hind site, it would have worked out great for this period of time. I'm sure that my other answers tell the story of my experiences that have taken me on this journey to serve on the HDC.

4. Which commission or committee meetings have you attended?

I have attended a great many commission meetings. These include the Planning Commission, the HDC and the Parks a Recreation Commission as well as many City Council Meetings. I have also been a member of the Measure G Oversight Committee for 3 years. Although this committee has little to do with preservation, it does have to do with accountability. By speaking up, I was able to save the largest tree in the front parking lot.

Thank you for your time and consideration! With Gratitude,
Jennifer Lane

FOLSOM COMMISSION AND COMMITTEE APPLICATION

Applicant Name: Daron Bracht

Informational Questions: (you must answer all four questions, for all commissions or committees you are applying for):

1. Why do you want to serve on this commission or committee:

Our family is dedicated to the enhancement as well as the preservation of the Historic District and the welfare of our community as a whole.

The purpose of the Historic District Commission is to ensure the protection of the historic and cultural character of the City's Historic District and therefore I feel that the representative for the District should have passion for the nature of the position, they should understand their role as a Commissioner and who they are in service to.

The Commissioner should be well versed with the political aspect of the position as well as the legal requirements. I have the ability to be a conduit between the City, the residents the merchants and the community. I have experience working with people, business, historical preservation as well as growth. I understand that the position comes with the responsibility of making decisions that are in the best interest of the Historic District.

I believe the representative should have experience in some or all of the areas that I am qualified so they can best serve the community and its complexity.

I want to serve on the Historic District Commission because I believe in the importance of the position and understand the nature of the role.

2. What do you think is(are) the top issue(s) facing this commission or committee:

I feel our duty as a Commissioner is to be the eyes, ears and voice of the community it serves. I have been involved with the Historic District and the City of Folsom as a resident, Commissioner, Committee Member, Board Member, volunteer and patron for over 12 years and I keep in close contact with our residents, merchants, City Council, City Staff and community members to keep a pulse on the current issues that affect our community.

Our most recent top issues that face the Historic District Commission are the Zoning Code Updates for the 2035 General Plan and parking concerns. Both items are sensitive to the residents of the District and I have done my due-diligence to hear and consider the concerns so we as a Commission can understand the affect they have on our community.

Continue to next page

FOLSOM COMMISSION AND COMMITTEE APPLICATION

Applicant Name: Daron Bracht

3. Briefly describe how your experiences qualify you to serve on the commission or committee:

Areas where I feel my experience or expertise are a positive contribution:

- I have lived in the City of Folsom for 31 years, since 1988
- Resident of Historic District for 15 years, since 2004
- For over 14 years I have been active in the Historic District and served on multiple Commissions and Committees in Historic Folsom including the Historic District Commission, Murer House Foundation, Folsom Historical Society, Folsom Heritage Preservation League, HFRA, Folsom History Museum, Chan House Restoration Project, FHDA, American Planning Association Planning Commissioner Training Workshop, CA Preservation Foundation, Folsom Hometown Parade and Historic District Tree Lighting Event
- I have restored one of the Historic District's original Victorian homes, built in 1890, to its natural beauty
- I have over 20 years' experience working with Federal, State and Local Government and with the preservation of government historical documents
- I own a thriving business in Folsom that has been successful for over 20 years
- I have a degree in Public Administration and am experienced with Robert's Rules of Order and Parliamentary Procedure

Our family is highly involved in our community and support our representatives and their associated functions.

We are committed to our City, residents, merchants and the patrons of our community.

4. Which commission or committee meetings have you attended?

I have been a Commissioner and Chair of the Historic District Commission of which I have had the pleasure of working with the City on many residential and commercial projects as well as the Sutter Street Revitalization Project.

I am currently a board member of the Murer House Foundation and have served as a Board Member of the Folsom Historical Society, currently a Member. I am also a Member of the Folsom Heritage Preservation League and HFRA. My wife, Jamie Bracht and I currently volunteer for the Folsom Historical Museum, Chan House Restoration Project and FHDA. My wife is a Committee Member for the Folsom Hometown Parade for the last two years since inception of which two I served as a judge. My wife has also served on the Committee for the Historic District's Tree Lighting Event of which I was a volunteer.

I am a member of the CA Preservation Foundation and have attended the American Planning Association Planning Commissioner Training Workshop.

I have attending numerous City Council, Planning Commission, Traffic Safety Committee, AD-HOC parking Committee and Parks and Recreation Commission meetings.

My attendance and experience with the City of Folsom's associated Commissions and Committees span over 15 years.
