Report Data

Report Date	06/09/2025
Title	Solution for Roof Section

The roof overall is in fair condition. Without knowing if the leaks are active, it is recommended to start with a maintenance. IF the has continuous leaks, a replacement can be done. A maintenance should be enough to get the flat roof section by for ~3-5 more. The tile section is in poor condition, multiple tiles are broken and cracked. Maintenance and replacement option have been prov for both roof sections.
