RECOMMENDATION / CITY COUNCIL ACTION

The Public Works Department recommends that the City Council pass and adopt Resolution No. 11030 - A Resolution Adopting a List of Projects for Fiscal Year 2023-24 to be Funded by Senate Bill 1: The Road Repair and Accountability Act.

BACKGROUND / ISSUE

On April 28, 2017, California Governor Brown signed into law Senate Bill 1 (SB-1) which establishes the Road Maintenance and Rehabilitation Account (RMRA) to address deferred maintenance on the state highway and local street and road systems. The Bill states that funds shall be used for projects that include, but are not limited to, the following:

- Road maintenance and rehabilitation
- Safety projects
- Railroad grade separations
- Complete street components, including active transportation purposes, pedestrian and bicycle safety projects, transit facilities, and drainage and stormwater capture projects
- Traffic control devices
- Match for state/federal funds for eligible projects

The City of Folsom is estimated to receive approximately \$2.09 million of RMRA funds for Fiscal Year 2023-24.

The Fiscal Year 2022-23 SB-1 funds will be utilized for the On-Call Concrete and Asphalt Repair Project FY22-23 and the Pavement Resurfacing Project Fiscal Year 2022-23 which includes Blue Ravine Road between Prairie City Road and East Bidwell Street. The City of Folsom currently has an overall Pavement Condition Index (PCI) value of 70, which is described as “Good” according to StreetSaver, the software program that is utilized by the Public Works Department to manage the City’s Pavement Management Program. Future projections show that at the pre-SB-1 funding level, this PCI value would degrade to 42 (Poor) by year 2037, and the value 32 (Very Poor) by the year 2045. Due to this rapid, yet expected, degradation of the pavement system, this SB-1 funding source is valuable in helping to maintain the City of Folsom’s overall pavement network. Natoma Street Drainage Project (Phase 3) and Willow Creek Estates Storm Drain Lining are required to maintain the roads above the drainage systems due to the degradation of each drainage facility.

In order to receive SB-1 funds, local agencies are required by the California Transportation Commission (CTC) to annually submit a list of projects that may be constructed and funded with RMRA funds, and the list must be part of an approved Resolution. The list of projects allows the City to scope the Capital Improvements to meet the available funding.

The Public Works Capital Improvement Projects identified to utilize SB-1 funding are as follows:

Project	Project Completion	Estimated Useful Life
Pavement Resurfacing Project FY 23-24	June 2024	25 year life
<ul style="list-style-type: none"> • Blue Ravine Road (East Bidwell Street to Oak Avenue Parkway) • Willow Creek Estates East • Briggs Ranch • Rancho Diablo 		
On-Call Concrete & Asphalt Repair FY23-24	June 2024	50 year life
Natoma Street Drainage Project (Phase 3)	June 2024	50 year life
Willow Creek Estates Storm Drain Lining (Phase 3)	June 2024	50 year life

POLICY / RULE

The California Transportation Commission (CTC) requires any agency that will receive funding from SB-1 to submit a list of projects that is part of an adopted Resolution.

ANALYSIS

Staff has reviewed the most recent SB-1 reporting and spending requirements and found them to be reasonable and realistic to achieve.

FINANCIAL IMPACT

RMRA revenue for Fiscal Year 2023-24 is estimated to be \$2.09 million. Adopting this list of eligible projects authorizes staff to use the Fiscal Year 2023-24 funding for the projects on the list.

ENVIRONMENTAL REVIEW

This action is exempt from environmental review under the California Environmental Quality Act (CEQA).

WHEREAS, the City must pass a resolution adopting a list of eligible projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and
