

Folsom City Council Staff Report

MEETING DATE:	6/23/2026
AGENDA SECTION:	Consent Calendar
SUBJECT:	Receive Annual Report regarding Police Use of Military Type Equipment and Resolution No. 11649- A Resolution Renewing Ordinance No. 1326 and Determining that Specified "Military Equipment" Used by the Folsom Police Department has Complied with Standards for Approval Set Forth in State Law
FROM:	Police Department

RECOMMENDATION / CITY COUNCIL ACTION

Staff recommends that the City Council receive the annual report for use of ‘military’ type equipment and move to adopt Resolution No. 11649- A Resolution Renewing Ordinance No. 1326 and Determining that Specified "Military Equipment" Used by the Folsom Police Department has Complied with Standards for Approval Set Forth in State Law.

BACKGROUND / ISSUE

California Assembly Bill (AB) 481 requires law enforcement agencies to obtain governing body approval, through a military equipment use policy ordinance, before acquiring, using, or funding specified equipment. To comply with these state mandates, the Folsom City Council initially approved the city's military equipment policy on May 24, 2022. This action resulted in the enactment of City of Folsom Ordinance 1326 and the adoption of Folsom Police Department Policy 707. To maintain compliance with AB 481, the law requires both an annual report on each equipment type and an annual City Council review and renewal vote. In accordance with these ongoing statutory requirements, the Folsom City Council most recently renewed Ordinance 1326 on June 10, 2025.

POLICY / RULE

Annual Military Equipment Report (AB 481 Compliance)

Pursuant to Folsom Police Department Policy 707 and California Assembly Bill 481, the Department must submit an annual military equipment report to the City Council. To ensure transparency, this report will be made publicly available and will include the following components:

- **Operational Summary:** An overview detailing how the regulated equipment was used during the reporting period.
- **Public Accessibility:** Publication of the report to the public to satisfy statutory transparency mandates.
- **Accountability & Oversight:** Results of any internal audits, complaints, and subsequent corrective actions taken.
- **Fiscal Impact:** The total annual expenditure associated with all applicable equipment.
- **Inventory Control:** An itemized inventory of all regulated equipment currently possessed by the department.
- **Procurement Projections:** An outline of the types and quantities of any additional regulated equipment slated for acquisition in the upcoming fiscal year.

Ordinance Renewal

Pursuant to Assembly Bill 481, the City Council must conduct an annual review of Ordinance 1326 to determine its renewal. This evaluation relies on the Annual Military Equipment Report to verify that each equipment category satisfies the following compliance standards:

- **Necessity:** No reasonable alternative exists to achieve equivalent officer and civilian safety.
- **Public Safeguards:** The equipment use policy protects public welfare, safety, and civil liberties.
- **Fiscal Responsibility:** The equipment is reasonably cost-effective relative to alternative officer and civilian safety solutions.
- **Policy Compliance:** Past equipment deployment adhered to the military equipment use policy that was in effect at that time.

Renewal Actions and Determinations

- **Full Compliance:** The Council may vote to renew the ordinance if all standards are met.
- **Non-Compliance:** For any equipment failing to reach these standards, the Council must either terminate authorization for that specific equipment type or mandate policy modifications to rectify the non-compliance.

ANALYSIS

See attached Folsom Police Department annual report.

Complaints & Public Accessibility

- **Community Complaints:** The Folsom Police Department received zero citizen complaints regarding the deployment or authorization of regulated equipment during this reporting period.
- **Public Disclosure:** The annual report, inventory list, and Folsom Police Policy 707 are posted on the police department website.
- The Folsom Police Department held a community engagement meeting on 6/17/2026 at Folsom Police Department Headquarters regarding the Annual Military Equipment Report.

FINANCIAL IMPACT

The estimated annual financial impact of the listed items—including training, operations, maintenance, funding, and acquisition—was approximately \$138,173.86.

ATTACHMENTS

1. Resolution No. 11649- A Resolution Renewing Ordinance No. 1326 and Determining that Specified "Military Equipment" Used by the Folsom Police Department has Complied with Standards for Approval Set Forth in State Law

2. Updated Inventory List of Equipment
3. Folsom Police Policy 707 – Military Equipment
4. Annual Report - 2026

Submitted,

Adam Green, Chief of Police

Attachment 1

RESOLUTION NO. 11649

A RESOLUTION RENEWING ORDINANCE NO. 1326 AND DETERMINING THAT SPECIFIED “MILITARY EQUIPMENT” USED BY THE FOLSOM POLICE DEPARTMENT HAS COMPLIED WITH STANDARDS FOR APPROVAL SET FORTH IN STATE LAW

WHEREAS, on September 30, 2021, Governor Gavin Newsom signed into law Assembly Bill 481, relating to the use of “military equipment” by law enforcement agencies; and

WHEREAS, Assembly Bill 481, codified at Government Code section 7070 through 7075, requires law enforcement agencies to obtain approval from the applicable governing body, by an ordinance adopting a “military equipment” use policy, at a regular meeting held pursuant to open meeting law, before taking certain actions related to the funding, acquisition, or use of “military equipment”; and

WHEREAS, the term “military equipment” is defined in Government Code section 7070; and

WHEREAS, on May 24, 2022, the City Council adopted Ordinance No. 1326 approving the Folsom Police Department’s Military Equipment Use Policy in compliance with Assembly Bill 481; and

WHEREAS, Assembly Bill 481 requires law enforcement agencies to submit an annual military equipment report containing specified information to the applicable governing body; and

WHEREAS, Assembly Bill 481 requires the governing body of a law enforcement agency to review its “military equipment” ordinance at least annually and vote on whether to renew the ordinance at a regular meeting held pursuant to open meeting law; and

WHEREAS, Assembly Bill 481 requires the governing body to determine whether each type of military equipment identified in the annual military equipment report has complied with specified standards for approval in association with the annual renewal of the ordinance; and

WHEREAS, the annual military equipment report was submitted to the City Council at the June 23, 2024 meeting.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Folsom makes the following determinations after reviewing the annual military equipment report submitted by the Folsom Police Department:

1. Each type of military equipment identified in the report is necessary because there is no reasonable alternative that can achieve the same objective of officer and civilian safety.
2. Police Policy 707 will safeguard the public’s welfare, safety, civil rights, and civil

liberties.

3. No new military equipment is proposed for purchase at this time.

4. Prior military equipment use complied with Police Policy 707.

BE IT FURTHER RESOLVED that the City Council of the City of Folsom has reviewed and hereby renews Ordinance No. 1326 in accordance with Government Code section 7071.

PASSED AND ADOPTED this 23th day of June 2026, by the following roll-call vote:

AYES: Councilmember(s):

NOES: Councilmember(s):

ABSENT: Councilmember(s):

ABSTAIN: Councilmember(s):

Justin Raithel, MAYOR

ATTEST:

Christa Freemantle, CITY CLERK

Attachment 2

DJI Matrice 210	
Description	Commercial UAS
Quantity	1
Capability	Fly, Hover, broadcast video, record video, Photography, FLIR, carry payload up to approx. 7.5lbs.
Life Span	UAS devices need to be upgraded as software becomes obsolete by vendors.
Manufacturer's Description	Commercial grade UAV equipped with a thermal imaging camera and a 30x zoom camera. 38 mins. maximum flight time. Has live stream capabilities.
Purpose	Provide Aerial Support for L.E. operations
Authorized Usage	Investigative Used by SWAT, Patrol, Search and Rescue to locate persons.
Costs	\$30,000 approx. \$2,000 anticipated yearly maintenance & battery cost
Required Training	32-hr Basic Pilots Course (or equivalent), FAA Remote Pilot Certificate (Part 107)
Authority for Authorized Use	Certificate of Authority issued by FAA - #2020-WSA-7949-COA, FAA Part 107 holder and completion of Department Training, Folsom Police Department Policy – Section 391

DJI Phantom 4 Pro	
Description	Commercial UAS
Quantity	1
Capability	Fly, Hover, broadcast video, record video, Photography
Life Span	UAS devices need to be upgraded as software becomes obsolete by vendors.
Manufacturer's Description	Commercial grade UAS equipped with UHD capable camera. Has live stream capability and 28 min. flight time.
Purpose	Provide Aerial Support for L.E. operations
Authorized Usage	Investigative Used by SWAT, Patrol, Search and Rescue to locate persons.
Costs	\$2,500 approx. \$300 anticipated yearly maintenance & battery cost
Required Training	32-hr Basic Pilots Course (or equivalent), FAA Remote Pilot Certificate (Part 107)
Authority for Authorized Use	Certificate of Authority issued by FAA - #2020-WSA-7949-COA, FAA Part 107 holder and completion of Department Training, Folsom Police Department Policy – Section 391

DJI Matrice 4TD	
Description	Commercial UAS
Quantity	3
Capability	Fly, Hover, broadcast video, record video, Photography, broadcast instant and/or prerecorded notifications.
Life Span	UAS devices need to be upgraded as software becomes obsolete by vendors.
Manufacturer's Description	Commercial grade UAS equipped with Thermal camera with Zoom capabilities. Has live stream capability and 55 min. flight time.
Purpose	Provide Aerial Support for L.E. operations
Authorized Usage	Investigative Used by SWAT, Patrol, Search and Rescue to locate persons.
Costs	\$11,000 approx. \$500 anticipated yearly maintenance & battery cost
Required Training	32-hr Basic Pilots Course (or equivalent), FAA Remote Pilot Certificate (Part 107)

Lenco Bearcat G2	
Description	Armored personnel carrier
Quantity	1
Capability	The BearCat is a large mobile armored vehicle used to conduct rescues mission for both officers and the public, transport personnel and equipment, and provide security to the public.
Life Span	25 years
Manufacturer's Description	The Lenco Bearcat is an armored vehicle built on a Ford F550 frame and is manufactured for law enforcement purposes. The purpose of the Bearcat armored vehicle is to provide ballistic protection to officers and citizens from gunfire. The armored vehicle stops rifle rated rounds including .50 caliber which is commercially available and beyond the protection level of shield and personal body armor possessed by the department. The Bearcat is often deployed several times a month by SWAT personnel while serving high risk search warrants or assisting other agency. It can be utilized by trained patrol personnel to rescue downed officers and citizens. The Bearcat has been struck by gunfire several times and protected the officers inside, behind it, and the community. Protecting officers allows them to contain the suspect and reduce the immediacy of the threat while communicating and de-escalating. Crisis Negotiations Team (CNT) members have operated from inside the armored vehicles during search warrant and SWAT callouts where they communicate with the suspect and attempt to de-escalate.
Purpose	Regional asset and provides armored vehicle response to critical incidents.
Authorized Usage	To protect and safely transport Police personnel to active scenes. Provide security for officers and the public. It is used by the SWAT and officers.
Costs	\$275,000 approx. \$1,000 anticipated yearly maintenance cost
Required Training	All drivers/ operators shall attend formalized instruction and be trained in vehicle operations and practical driving instruction.
Authority for Authorized Use	Use is established under FPD Policy 705. It is the policy of the Department to utilize armored vehicles only for official law enforcement purposes, and pursuant to State and Federal law.

Mobile Command & Communications Unit (MCCU)	
Description	LDV Custom Specialty Vehicles Command Vehicle
Quantity	1
Capability	The MCCU can be utilized for SWAT/CINT and other critical incidents, preplanned large events, searching for missing persons, natural disasters, and community events
Life Span	20 years

Manufacturer's Description	The LDV Custom Specialty Vehicle is a mobile command center built on a 2006 Freightliner chassis and customized for law/fire command/communication purposes. The purpose of the LDV Mobile Command and Communication Unit (MCCU) is to provide an interior space for command staff to plan and organize responses to critical incidents and special events. The MCCU is specially equipped with an onboard dispatch center, a command area, and a radio interoperability system (RIOS) which allows radio communication between local, state, and federal law enforcement entities which currently operate under different radio systems/frequencies. The vehicle contains radios with varying frequencies including 800 megahertz, very high frequency (VHF), ultrahigh frequency (UHF), low band, and short-wave radio systems. The vehicle has internet capability and computer resources along with access to television channels allowing access to real time news/information. The vehicle is also equipped with a video downlink system allowing command staff to view live feeds from fire/law enforcement aircraft and UAS devices.
Purpose	To be used based on the specific circumstances of a given critical incident, large event, natural disaster or community event that is taking place.
Authorized Usage	Situations which the MCCU is authorized for use would include but not be limited to critical incidents, emergencies, and natural disasters.
Costs	\$750,000 approx. \$4,000 anticipated yearly maintenance cost
Required Training	The MCCU operators will receive training in the overall operation of the vehicle to include set up and break down procedures, and skills training in the computer, dispatch, and radio systems. The drivers will receive training in the safe handling of the vehicle with the assistance of an experienced driver. Drivers will undergo California Department of Motor Vehicles commercial vehicle testing. This training will occur on a bi-monthly basis
Authority for Authorized Use	It is the policy of the Department to use the MCCU for official fire and law enforcement purposes, and in accordance with California State law regarding operation of motor vehicles

Daniel Defense 11.5"	
Description	DDM4V7S
Quantity	14
Capability	These rifles fire an intermediate-power cartridge (.223) which is more powerful than a standard pistol but less powerful than a standard rifle. It's a short barreled rifle which allows SWAT Officers better control while inside of structures while still providing great accuracy.
Life Span	10-15 years
Manufacturer's Description	The Daniel Defense DDM4V7S is our latest short-barreled rifle (SBR) to feature the M-LOK® attachment technology with the Daniel Defense MFR 10.0 rail. Built around a free-floating, Cold Hammer Forged 11.5" barrel, the V7S delivers optimal maneuverability, reliability, accuracy, and terminal ballistics using a wide variety of ammunition.
Purpose	The AR-15 can stop threats of great bodily injury or death at close and intermediate ranges. The AR-15 platform is capable of firing more accurately and quicker than a pistol while holding more rounds in the magazine and having better ballistic qualities.
Authorized Usage	To defend against an imminent threat of serious bodily injury or death. Used by SWAT
Costs	\$1,472 anticipated yearly maintenance cost \$0
Required Training	Prior to using a rifle, officers must be certified by POST instructors in the operation of the rifle. Additionally, all members that operate any rifle are required to pass a range qualification once a year.
Authority for Authorized Use	Use is established under FPD Policy 300 and Policy 311. It is the policy of the FPD to utilize rifles only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Accuracy International AT-.308	
Description	Sniper Rifle
Quantity	4
Capability	This weapon shoots a heavier round. It is utilized when there is a potential need to engage a target further away than the capabilities of our issued rifles or to engage a target behind an intermediate barrier such as glass or metal. The weapon is often deployed in an overwatch capacity to protect the public during events such as the International Marathon.
Life Span	10-15 years
Manufacturer's Description	The AT (Accuracy Tactical) continues the legacy of the combat proven AW308 and takes the AW to new levels. The AIAT has a 20-inch quick change barrel and a folding stock. The AT is ideal for Law Enforcement and civilian users.
Purpose	The AIAT is an accurate rifle for precision shooting. These rifles are equipped with magnified optics and can be utilized to take precision shots at intermediate to long ranges. The .308 caliber bullet it shoots is also bigger and heavier than a typical .223 caliber bullet from an AR-15 which means it will penetrate barriers like glass with much less deflection.
Authorized Usage	To defend against an imminent threat of serious bodily injury or death. Used by SWAT
Costs	\$5,000 anticipated yearly maintenance cost \$0

Required Training	Prior to using a rifle, officers must be certified by POST instructors in the operation of the rifle. Additionally, all members that operate any rifle are required to pass a range qualification once a year.
Authority for Authorized Use	Use is established under FPD Policy 300 and Policy 311. It is the policy of the FPD to utilize rifles only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Benelli M3 Tactical Shotgun	
Description	SWAT Shotgun
Quantity	1
Capability	This is a 12-gauge semi-automatic pump shotgun used by SWAT officers. The semi-automatic capability reduces time between rounds versus a standard pump action shotgun. Not having to manipulate a fore-end gives SWAT officer the ability to get back on target faster increasing officer safety. The round is good for defeating barriers.
Life Span	10-15 years
Manufacturer's Description	Benelli's M3 Tactical Shotgun delivers fast cycling semi-auto fire with conventional loads or pump action for low energy loads. It is available in a 12 gauge, pistol grip model that satisfies a shooters need for both a semi-automatic and a pump action shotgun in one convertible weapon.
Purpose	SWAT
Authorized Usage	To defend against an imminent threat of serious bodily injury or death. Used by SWAT
Costs	\$800 anticipated yearly maintenance cost \$0
Required Training	Prior to using a shotgun, officers must be certified by POST instructors in the operation of the rifle. Additionally, all members that operate any shotgun are required to pass a range qualification once a year.
Authority for Authorized Use	Use is established under FPD Policy 300 and Policy 311. It is the policy of the FPD to utilize shotguns only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Colt (11.5-inch barrel) M4 Carbine – Enhanced Patrol Rifle	
Description	Enhanced Patrol Rifle
Quantity	65
Capability	Equipped with optical sight systems and mounted flashlights, the short-barreled rifle (SBR) fires an intermediate-power cartridge (.223/5.56) which is more powerful than a standard pistol but less powerful than a standard rifle. The SBR gives police officers better maneuverability in and out of patrol vehicles and motorcycles. The SBR is ideal for close quarter deployments inside of structures and provides improved accuracy for long distance engagements.
Life Span	10-15 years

Manufacturer's Description	Built for the demanding use of those who protect our communities every day, the Colt Enhanced Patrol Rifle (EPR) is the next evolution in the world's most dependable, thoroughly field-tested patrol rifle. Featuring an extended handguard that accepts modular rail segments for mounting a wide variety of pro-grade optics, lighting, and ergonomics-enhancing accessories, as well as the highly durable Magpul® MBUS® Pro Series front and rear back up sights and B5 Bravo buttstock. The Colt EPR reestablishes the Colt AR-15® as the finest tool for local, regional, and national law enforcement agencies
Purpose	The AR-15 can stop threats of great bodily injury or death at close and intermediate ranges. The AR-15 platform is capable of firing more accurately and quicker than a pistol while holding more rounds in the magazine and having better ballistic qualities.
Authorized Usage	To defend against an imminent threat of serious bodily injury or death. Used by the Officers
Costs	\$1,190 \$50 anticipated yearly maintenance cost
Required Training	Prior to using a rifle, officers must be certified by POST instructors in the operation of the rifle. Additionally, all members that operate any rifle are required to pass a range qualification once a year.
Authority for Authorized Use	Use is established under FPD Policy 300 and Policy 311. It is the policy of the FPD to utilize rifles only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Colt (16-inch barrel) M4 Carbine AR-15	
Description	Patrol Rifle
Quantity	6
Capability	Equipped with optical sight systems and mounted flashlights, these rifles fire an intermediate-power cartridge (.223/5.56) cartridge which is more powerful than a standard pistol but less powerful than a standard rifle. Provides improved accuracy for long distance engagements.
Life Span	10-15 years
Manufacturer's Description	The civilian model 6920 is the civilian version of the current Colt M4 Carbine used by our modern military war fighters. Throughout the world today Colt's reliability, performance and accuracy provide our armed Forces with the confidence required to accomplish any mission, and this rifle can do the same for you. Colt's 6920 series shares many of the same features as it's combat-proven brother the Colt M4. From the forged aluminum upper and lower receivers, to the chrome lined barrel, even through the gas operated semi automatic firing system. Don't settle for imitations, buy the real thing, buy a Colt
Purpose	The AR-15 can stop threats of great bodily injury or death at close and intermediate ranges. The AR-15 platform is capable of firing more accurately and quicker than a pistol while holding more rounds in the magazine and having better ballistic qualities.
Authorized Usage	To defend against an imminent threat of serious bodily injury or death. Used by the Officers
Costs	\$940 \$50 anticipated yearly maintenance cost

Required Training	Prior to using a rifle, officers must be certified by POST instructors in the operation of the rifle. Additionally, all members that operate any rifle are required to pass a range qualification once a year.
Authority for Authorized Use	Use is established under FPD Policy 300 and Policy 311. It is the policy of the FPD to utilize rifles only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Daniel Defense (16-inch barrel) M4 Carbine	
Description	Patrol Rifle
Quantity	2
Capability	Equipped with optical sight systems and mounted flashlights, these rifles fire an intermediate-power cartridge (.223/5.56) cartridge which is more powerful than a standard pistol but less powerful than a standard rifle. Provides improved accuracy for long distance engagements.
Life Span	10-15 years
Manufacturer's Description	Built around a Cold Hammer Forged, 16 inch barrel, the V7 has a DD improved Flash Suppressor to reduce flash signature. The mid-length gas system provides smooth and reliable cycling under any condition and reduces both perceived recoil and wear on moving parts. With the M-LOK attachment points that run along 7 positions and an uninterrupted 1913 Picatinny rail on top, the V7 has plenty of room for the sights, optics, and accessories the user may require. The independently ambi GRIP-N-RIP Charging Handle accommodates left- and right-handed shooters. This rifle also comes with the ergonomic Daniel Defense Buttstock and Pistol Grip.
Purpose	The AR-15 can stop threats of great bodily injury or death at close and intermediate ranges. The AR-15 platform is capable of firing more accurately and quicker than a pistol while holding more rounds in the magazine and having better ballistic qualities.
Authorized Usage	To defend against an imminent threat of serious bodily injury or death. Used by the Officers
Costs	\$1250 \$50 anticipated yearly maintenance cost
Required Training	Prior to using a rifle, officers must be certified by POST instructors in the operation of the rifle. Additionally, all members that operate any rifle are required to pass a range qualification once a year.
Authority for Authorized Use	Use is established under FPD Policy 300 and Policy 311. It is the policy of the FPD to utilize rifles only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Black Hills Gold .308 Winchester 180 Nosler AccuBond	
Description	Specialized ammunition
Quantity	450 Rounds
Capability	Penetrate Intermediate Barriers, Residential windows/Automotive Glass
Life Span	Indefinite

Manufacturer's Description	This round is loaded with a high quality Nosler AccuBond bullet for excellent down range performance. Through a proprietary bonding process that eliminates voids in the bullet core, AccuBond marries Nosler's traditional copper-alloy jacket with its special lead-alloy core. The result is a bullet that flies true, penetrates deep, won't cause extensive barrel fouling, and will retain 60-70% of its weight. The white polymer tip helps protect against deformation while initiating expansion upon impact. This round is used to penetrate intermediate barriers, residential windows, and automotive glass at 2,500 feet per second.
Purpose	To defend against an imminent threat of serious bodily injury or death. Used by SWAT
Authorized Usage	To defend against an imminent threat of serious bodily injury or death. Used by SWAT
Costs	\$45 per box approx. \$0 anticipated yearly maintenance cost
Required Training	Sworn members utilizing specialized ammunitions are trained by POST certified firearms instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, and Policy 311. It is the policy of the FPD to utilize specialized ammunition only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Hornaday .308 Winchester Tap 168 grain ELD Match Tap Precision	
Description	Specialized ammunition
Quantity	6700 Rounds
Capability	Precision Round, Limited Penetration
Life Span	Indefinite
Manufacturer's Description	Hornady .308 Winchester Tap 168 grain ELD Match Tap Precision bullet with Heat Shield tip delivers the excellent terminal performance TAP Precision is known for, but features a resilient, heat resistant polymer tip that improves the ballistic coefficient, resulting in higher impact velocities, less drop, less wind drift, and more energy on target. The round has a muzzle velocity of 2,672 feet per second.
Purpose	Precision round with limited Penetration
Authorized Usage	To defend against an imminent threat of serious bodily injury or death. Used by SWAT
Costs	\$25 per box approx. \$0 anticipated yearly maintenance cost
Required Training	Sworn members utilizing specialized ammunitions are trained by POST certified firearms instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, and Policy 311. It is the policy of the FPD to utilize specialized ammunition only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology Ferret 37mm CS 1192		
Description	Tear Gas	
Quantity	6	
Capability	Can be launched via the 37mm single launcher	
Life Span	5 years	
Manufacturer's Description	The Ferret® 37 mm CS Round is a frangible projectile filled with chemical agent. Upon impacting the barrier, the nose cone ruptures and instantaneously delivers the .16 oz. agent payload inside a structure. The munitions is 4.8 in. by 1.5 in. and travels at 650fps within an effective range of 50 yards.	
Purpose	To safely resolve critical situations such as violent civil unrest and highrisk tactical operations	
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT	
Costs	\$40 anticipated yearly maintenance cost	\$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.	
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.	

Defense Technology Ferret 37mm OC 1160	
Description	Tear Gas
Quantity	11
Capability	Can be launched via the 37mm single launcher
Life Span	5 years
Manufacturer's Description	The Ferret® 37 mm OC Round is a frangible projectile filled with chemical agent. Upon impacting the barrier, the nose cone ruptures and instantaneously delivers the .16 oz. agent payload inside a structure. These munitions are 4.8 in. by 1.5 in. and travels at 650fps within an effective range of 50 yards.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$40 anticipated yearly maintenance cost\$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology Ferret 40 mm powder barricade round, CS 2292	
Description	Tear Gas
Quantity	10

Capability	Can be launched via a 40mm launcher.	
Life Span	5 years	
Manufacturer's Description	The Ferret® 40 mm Barricade Penetrating Round is filled with a CS powder chemical agent. It is a frangible projectile that is spin stabilized utilizing barrel rifling. It is non-burning and designed to penetrate barriers. Primarily used to dislodge barricaded subjects, it can also be used for area denial. Primarily used by tactical teams, it is designed to penetrate barriers, such as windows, hollow core doors, wallboard and thin plywood. Upon impact the nose ruptures and instantaneously delivers the agent payload inside a structure or vehicle.	
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations	
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT	
Costs	\$10 anticipated yearly maintenance cost	\$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.	
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.	

Defense Technology Ferret 40 mm liquid barricade penetrator round, CS 2262		
Description	Tear Gas	
Quantity	6	
Capability	Can be launched via a 40mm launcher.	
Life Span	5 years	
Manufacturer's Description	The Ferret® 40mm Round is non-burning and suitable for indoor use. Used primarily by tactical teams, it is designed to penetrate barriers, such as windows, hollow core doors, wallboard and thin plywood. Upon impacting the barrier, the nose cone ruptures and instantaneously delivers a small chemical payload inside of a structure or vehicle. In a tactical deployment situation, the 40mm Ferret is primarily used to dislodge barricaded subjects from confined areas. Its purpose is to minimize the risks to all parties through pain compliance, temporary discomfort and/or incapacitation of potentially violent or dangerous subjects.	
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations	
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT	
Costs	\$10 anticipated yearly maintenance cost	\$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.	
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.	

Defense Technology Ferret 40 mm powder barricade round, OC 2290		
Description	Tear Gas	
Quantity	6	

Capability	Can be launched via a 40mm launcher.
Life Span	5 years
Manufacturer's Description	The Ferret® 40 mm Barricade Penetrating Round is filled with an OC powder chemical agent. It is a frangible projectile that is spin stabilized utilizing barrel rifling. It is non-burning and designed to penetrate barriers. Primarily used to dislodge barricaded subjects, it can also be used for area denial. Primarily used by tactical teams, it is designed to penetrate barriers, such as windows, hollow core doors, wallboard and thin plywood. Upon impact the nose ruptures and instantaneously delivers the agent payload inside a structure or vehicle.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$10 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology Triple-chaser separating canister, CS 1026	
Description	Tear Gas
Quantity	10
Capability	Can be hand thrown, launched, or placed into a munitions Pole
Life Span	5 years
Manufacturer's Description	The Triple-Chaser® CS consists of three separate canisters pressed together with separating charges between each. When deployed, the canisters separate and land approximately 20 feet apart allowing increased area coverage in a short period of time. This grenade can be hand thrown or launched from a fired delivery system. The grenade is 6.5 in. by 2.7 in. and holds an approximately 3.2 oz. of active agent payload. It has an approximate burn time of 20-30 seconds.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$32 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology Ferret 12-gauge liquid barricade round, CS 3012	
Description	Tear Gas
Quantity	10
Capability	Can be launched via a 12 gauge shotgun
Life Span	5 years

Manufacturer's Description	The Ferret® 12-Gauge Liquid CS non pyrotechnical properties also eliminate the fire hazard common with other products. The Ferret round is available with either liquid or powder carriers for the agent. These munitions are a 2.5 in. 12-Gauge round deploying .025 oz. of active agent.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$10 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology Ferret 12-gauge powder barricade round, CS 3092	
Description	Tear Gas
Quantity	15
Capability	Can be launched via a 12 gauge shotgun
Life Span	5 years
Manufacturer's Description	The Ferret® 12-Gauge Powder CS non pyrotechnic properties also eliminate the fire hazard common with other products. The Ferret round is available with either liquid or powder carriers for the agent. The powder carrier improves barricade penetration potential.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$10 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology Ferret 12-gauge powder barricade round, OC 3090	
Description	Tear Gas
Quantity	15
Capability	Can be launched via a 12 gauge shotgun
Life Span	5 years
Manufacturer's Description	The Ferret® 12-Gauge Powder OC non pyrotechnical properties also eliminate the fire hazard common with other products. The Ferret® round is available with either liquid or powder carriers for the agent. These munitions are a 2.5 in. 12-Gauge round deploying .002 oz. of active agent.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations

Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$8 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology Ferret 12-gauge liquid barricade round, OC 3010	
Description	Tear Gas
Quantity	10
Capability	Can be launched via a 12 gauge shotgun
Life Span	5 years
Manufacturer's Description	The Ferret® 12-Gauge Liquid OC non pyrotechnical properties also eliminate the fire hazard common with other products. The Ferret round is available with either liquid or powder carriers for the agent. These munitions are a 2.5 in. 12-Gauge round deploying .015 oz. of active agent.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$10 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology 12-gauge barricade projectile, CS 23	
Description	Tear Gas
Quantity	10
Capability	Can be launched via a 12 gauge shotgun
Life Span	5 years
Manufacturer's Description	
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$10 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology Aerosol OC/CS grenade 1050	
Description	Tear Gas
Quantity	7
Capability	Can be hand thrown, launched, or placed into a munitions Pole
Life Span	5 years
Manufacturer's Description	Designed for indoor use, this grenade contains no CFCs, is not a fire hazard and requires minimal decontamination by comparison to smoke, powders, or liquids. The Aerosol Grenade is most commonly used in tactical situations by Law Enforcement and Corrections and was designed with indoor operations in mind when a non fire-producing delivery system is desired. It is most effective when used in confined areas and close to the target area. Used to minimize the risks to all parties through pain compliance, temporary discomfort and/or incapacitation of potentially violent or dangerous subjects. The Aerosol Grenade is ideal for cell extractions or barricade situations where the use of pyrotechnic, powder, or liquid devices is not practical or desired. The OC and CS combination provide sufficient effects in confined areas of up to 1,500 square feet. The Aerosol Grenade is not recommended for outdoor use.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$35 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology Spede-Heat continuous discharge chemical grenade, OC 1070	
Description	Tear Gas
Quantity	7
Capability	Can be hand thrown, launched, or placed into a munitions Pole
Life Span	5 years
Manufacturer's Description	The Spede-Heat™ OC Grenade is a high volume, continuous burn it expels its payload in approximately 20-40 seconds. The payload is discharged through four gas ports on top of the canister, three on the side and one on the bottom. This launchable grenade is 6.12 in. by 2.62 in. and holds approximately 1.09 oz. of active agent.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$ anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.

Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.
------------------------------	---

Defense Technology Riot control continuous discharge grenade, OC 1080	
Description	Tear Gas
Quantity	2
Capability	Can be hand thrown, launched, or placed into a munitions Pole
Life Span	5 years
Manufacturer's Description	The Riot Control OC Grenade is designed specifically for outdoor use in crowd control situations with a high volume continuous burn that expels its payload in approximately 20-40 seconds through four gas ports located on the top of the canister. This grenade can be used to conceal tactical movement or to route a crowd. The volume of smoke and agent is vast and obtrusive. This launchable grenade is 6.0 in. by 2.35 in. and holds approximately 0.88 oz. of active agent.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$35 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology Instantaneous blast CS grenade 1042	
Description	Tear Gas
Quantity	2
Capability	Can be hand thrown, launched, or placed into a munitions Pole
Life Span	5 years
Manufacturer's Description	The Instantaneous Blast CS Grenade is designed for indoor or outdoor use; this grenade's powder is expelled upon initiation of a small internal detonator that has sufficient force to split the canister at six machined grooves on the outside surface. this device is well suited for affecting numerous subjects grouped within a contained portion of a prison yard or area, using wind to the advantage. This 6.12 in. by 2.62 in. grenade will deliver approximately 1.5 oz. of active agent.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$35 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology Spede-Heat continuous discharge chemical grenade, CS 1072	
Description	Tear Gas
Quantity	7
Capability	Can be hand thrown, launched, or placed into a munitions Pole
Life Span	5 years
Manufacturer's Description	The Spede-Heat™ CS Grenade is a high volume, continuous burn it expels its payload in approximately 20-40 seconds. The payload is discharged through four gas ports on top of the canister, three on the side and one on the bottom. This launchable grenade is 6.12 in. by 2.62 in. and holds approximately 2.9 oz. of active agent.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$35 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology Flameless tri-chamber CS grenade 1032	
Description	Tear Gas
Quantity	10
Capability	Can be hand thrown, launched, or placed into a munitions Pole
Life Span	5 years
Manufacturer's Description	The design of the Tri-Chamber Flameless CS Grenade allows the contents to burn within an internal can and disperse the agent safely with reduced risk of fire. The grenade is designed primarily for indoor tactical situations to detect and/or dislodge a barricaded subject. This grenade will deliver approximately .70 oz. of agent during its 20-25 seconds burn time. The Tri-Chamber Flameless Grenade can be used in crowd control as well as tactical deployment situations by Law Enforcement and Corrections, but was designed with the barricade situation in mind. Its applications in tactical situations are primarily to detect and/or dislodge barricaded subjects. The purpose of the Tri-Chamber Flameless Grenade is to minimize the risks to all parties through pain compliance, temporary discomfort, and/or incapacitation of potentially violent or dangerous subjects. The Tri-Chamber Flameless Grenade provides the option of delivering a pyrotechnic chemical device indoors, maximizing the chemicals' effectiveness via heat and vaporization, while minimizing or negating the chance of fire to the structure.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$35 anticipated yearly maintenance cost \$0

Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology Flameless tri-chamber OC grenade 1030	
Description	Tear Gas
Quantity	4
Capability	Can be hand thrown, launched, or placed into a munitions Pole
Life Span	5 years
Manufacturer's Description	Designed for law enforcement and corrections, the OC Flameless Tri-Chamber Pyrotechnic Grenade combines the effectiveness of Oleoresin Capsicum (OC) as an incapacitating agent with the flexible delivery methods, range and area coverage of pyrotechnic munitions. The OC Flameless Tri-Chamber Grenade can be used in crowd control, or barricade situations, as a less lethal solution to incapacitate subjects through temporary respiratory discomfort, while reducing or negating the chance of fire to structures. The Tri-Chamber Flameless Grenade can be used in crowd control as well as tactical deployment situations by Law Enforcement and Corrections, but was designed with the barricade situation in mind. Its applications in tactical situations are primarily to detect and/or dislodge barricaded subjects. The purpose of the Tri-Chamber Flameless Grenade is to minimize the risks to all parties through pain compliance, temporary discomfort, and/or incapacitation of potentially violent or dangerous subjects. The Tri-Chamber Flameless Grenade provides the option of delivering a pyrotechnic chemical device indoors, maximizing the chemicals' effectiveness via heat and vaporization, while minimizing or negating the chance of fire to the structure.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$35 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology Riot control continuous discharge grenade, CS 1082	
Description	Tear Gas
Quantity	10
Capability	Can be hand thrown, launched, or placed into a munitions Pole
Life Span	5 years

Manufacturer's Description	The Riot Control CS Grenade is designed specifically for outdoor use in crowd control situations with a high volume continuous burn that expels its payload in approximately 20-40 seconds through four gas ports located on the top of the canister. This grenade can be used to conceal tactical movement or to route a crowd. The volume of smoke and agent is vast and obtrusive. This launchable grenade is 6.0 in. by 2.35 in. and holds approximately 2.7 oz. of active agent.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$35 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology Pocket tactical grenade, CS 1016	
Description	Tear Gas
Quantity	12
Capability	Can be hand thrown, launched, or placed into a munitions Pole
Life Span	5 years
Manufacturer's Description	The Pocket Tactical CS Grenade is small, and lightweight. The 0.9 oz. of active agent will burn approximately 20-40 seconds. At 4.75 in. by 1.4 inches in size, it easily fits in most tactical pouches. This is a launchable grenade; however it is normally used as a signaling or covering device. Though this device is slightly over four inches in length, it produces a smoke cloud so fast it appears to be an enveloping screen produced by a full size tactical grenade.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$35 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology Pocket tactical grenade, OC 1019	
Description	Tear Gas
Quantity	15
Capability	Can be hand thrown, launched, or placed into a munitions Pole
Life Span	5 years

Manufacturer's Description	The Pocket Tactical OC Grenade is a quick burning, reduced volume, continuous discharge grenade. Pelletized chemical agent is discharged through one (1) gas port located on the bottom of the canister. The Pocket Tactical Grenade is a small, lightweight, easily carried device that provides a medium volume of chemical agent or smoke for certain situations. It was designed with the tactical team in mind for distraction, concealment, rescue, or signaling. The pocket grenade is not specifically intended as a crowd management device; however, it can be used in chemical configurations in conjunction with larger smoke canisters to "piggy back" chemical agent into a predominately smoke environment. This device should be deployed utilizing wind advantage.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$35 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology Smoke Maximum HC Smoke 1083	
Description	Smoke
Quantity	6
Capability	Can be hand thrown, launched, or placed into a munitions Pole
Life Span	5 years
Manufacturer's Description	The Military-Style Maximum Smoke Grenade comes from the Defense Technology® #3 smoke grenade. It is a slow burning, high volume, continuous discharge grenade designed for outdoor use in crowd management situations. Emits grey-white smoke only for approximately 1.5 to 2 minutes.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	
Costs	\$38 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology Triple-Chaser separating canister, SAF-Smoke 1027	
Description	Smoke
Quantity	9
Capability	Can be hand thrown, launched, or placed into a munitions Pole
Life Span	5 years

Manufacturer's Description	The Triple-Chaser® Saf-Smoke™ consists three separate canisters pressed together with separating charges between each. When deployed, the canisters separate and land approximately 20 feet apart allowing increased area coverage in a short period of time. This grenade can be hand thrown or launched from a fired delivery system and is an effective way to quickly deploy a wide blanket of agent. The grenade is 6.5 in. by 2.7 in. and delivers Saf-Smoke™. It has an approximate burn time of 20 seconds.
Purpose	To safely resolve critical situations such as violent civil unrest and high-risk tactical operations
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$38 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing chemical agents are trained by POST certified chemical agent instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize chemical agents only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology 8933 Low Roll Distraction Device	
Description	Diversiory Device (Flash Bang)
Quantity	13
Capability	This intermediate less lethal specialty munition allows for light sound diversion during tactical operations which allows for tactical advantage during high-risk situations.
Life Span	Reusable 25 times
Manufacturer's Description	The Non-Reloadable Distraction Device® unit incorporates an M201A1 type fuze with hex design gun steel body. This is compact version of the 8933 Low Roll® body Distraction Device is the newest version of the first reusable non-bursting canister that limits movement and rolling once deployed. The compact Distraction Device fits safely in your hand and packs all the power of the full-size Distraction Device. This is a smaller, lighter device with the same output.
Purpose	To safely resolve critical situations during high-risk tactical operations.
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$30 anticipated yearly maintenance cost \$0
Required Training	Prior to use, officers must attend inhouse training conducted by POST certified instructors or attend POST certified training.
Authority for Authorized Use	Use is established under FPD Policy 300. It is the policy of the FPD to utilize diversion devices only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology 8908CI Command Initiated Distraction Device	
Description	Diversiory Device (Flash Bang)
Quantity	8
Capability	This intermediate less lethal specialty munition allows for light sound diversion during tactical operations which allows for tactical advantage during high-risk situations.

Life Span	One time use
Manufacturer's Description	The Command Initiated Reload can be initiated on command from a remote point alleviating initiation delay when instantaneous results are desired. It is ideal for operations utilizing bang poles, deterring retreat and achieving space denial from predetermined areas. 12" of thermo tubing is included with the reload. Some assembly and accessories are required.
Purpose	To safely resolve critical situations during high-risk tactical operations.
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT
Costs	\$35 anticipated yearly maintenance cost \$0
Required Training	Prior to use, officers must attend inhouse training conducted by POST certified instructors or attend POST certified training.
Authority for Authorized Use	Use is established under FPD Policy 300. It is the policy of the FPD to utilize diversion devices only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Remington 870 Pump Action Shotgun – Less Lethal		
Description	Less Lethal Shotgun	
Quantity	10	
Capability	Deploying 12 gauge less lethal flexible baton munitions (Super sock)	
Life Span	15-20 years	
Manufacturer's Description	The Remington 870 barrel has a fixed cylinder choke for optimum performance with buckshot and slugs at close range. A myriad of aftermarket Remington 870 accessories enables owners to customize the 870 Express for specific purposes. 870 Remington is a receiver milled from a solid billet of steel for maximum strength, and twin action bars	
Purpose	Deploys 12 gauge less lethal flexible baton (Super sock) as impact munitions.	
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT and Patrol.	
Costs	\$500 anticipated yearly maintenance cost	\$50
Required Training	Sworn members utilizing less lethal shotguns are trained by POST certified instructors for 2 hours.	
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize impact munitions only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.	

Defense Technology 1440 40MM Tactical 4-Shot Launcher	
Description	40 MM Projectile Launcher
Quantity	2
Capability	Deploying 40mm less lethal impact projectiles and 40mm chemical agent rounds
Life Span	15 years
Manufacturer's Description	Designed for riot and tactical situations, the Defense Technology® 1440 40mm Tactical 4-Shot Launcher is low-profile and lightweight, providing multi-shot capability in an easy to carry launcher. It features the Rogers Super Stoc™ expandable gun stock, an adjustable Picatinny mounted front grip, and a unique direct-drive system to advance the magazine cylinder.
Purpose	Deploying 40mm less lethal impact projectiles and 40mm chemical agent rounds
Authorized Usage	De-escalation tool not likely to inflict serious injury Used by SWAT

Costs	\$300 anticipated yearly maintenance cost	\$0
Required Training	Sworn members utilizing munitions launchers are trained by POST certified chemical agents instructors and POST certified less lethal instructors.	
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4, and Policy 311. It is the policy of the FPD to utilize projectile launchers only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.	

Penn Arms L637-1 37MM Projectile Launcher		
Description	37 MM Projectile Launcher	
Quantity	1	
Capability	Deploying 37mm less lethal impact projectiles	
Life Span	25 years	
Manufacturer's Description	A spring-advance magazine drum launcher with a six-shot capacity and a smooth barrel.	
Purpose	Deploying 37mm less lethal impact projectiles	
Authorized Usage	De-escalation tool not likely to inflict serious injury. Used by SWAT and patrol	
Costs	\$300 anticipated yearly maintenance cost	\$0
Required Training	Sworn members utilizing munitions launchers are trained by POST certified chemical agents instructors and POST certified less lethal instructors.	
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4, and Policy 311. It is the policy of the FPD to utilize projectile launchers only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.	

Sage KO1/S Impact Baton 37MM Projectile		
Description	37 MM Projectile	
Quantity	8	
Capability	37mm launcher	
Life Span	25 years	
Manufacturer's Description	The KO1 is a direct fire modular impact baton round that is designed to be used in situations where kinetic energy is preferred for the incapacitation of hostile and/or non-compliant individuals.	
Purpose	To safely resolve critical situations such as high-risk tactical operations. These are necessary because there is no reasonable alternative that can achieve the same objective of officer and civilian safety/will safeguard the public's welfare, safety, civil rights, and civil liberties.	
Authorized Usage	De-escalation tool not likely to inflict serious injury. Used by SWAT and patrol.	
Costs	\$30 anticipated yearly maintenance cost	\$0
Required Training	Sworn members utilizing munitions launchers are trained by POST certified chemical agents instructors and POST certified less lethal instructors.	
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize impact munitions only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.	

Sage K03OC/S OC Impact Baton 37MM Projectile

Description	37 MM Projectile
Quantity	6
Capability	37mm launcher
Life Span	25 years
Manufacturer's Description	The KO3 is a direct fire crush nose chemical impact baton round that is designed to be used in situations where a combination of kinetic energy and chemical agents is preferred for the incapacitation of hostile and/or non-compliant individuals.
Purpose	To safely resolve critical situations such as high-risk tactical operations. These are necessary because there is no reasonable alternative that can achieve the same objective of officer and civilian safety/will safeguard the public's welfare, safety, civil rights, and civil liberties.
Authorized Usage	De-escalation tool not likely to inflict serious injury. Used by SWAT and patrol.
Costs	\$30 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing munitions launchers are trained by POST certified chemical agents instructors and POST certified less lethal instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize impact munitions only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Defense Technology 1370 12-Gauge TkO/ Launching Cup	
Description	12 Gauge Projectile Launcher
Quantity	1
Capability	These launching cups attach to 12 gauge less lethal shotguns and allow us to launch canisters of chemical agents or smoke.
Life Span	25 years
Manufacturer's Description	The launching cup will project the Pocket Tactical Grenade beyond the normal throwing distance. This will extended the ability and safety of the officers involved. Removable shotgun forend to ensure proper stand-off when using breaching rounds.
Purpose	To limit the escalation of conflict where employment of lethal force is prohibited or undesirable.
Authorized Usage	De-escalation tool not likely to inflict serious injury. Used by SWAT.
Costs	\$40 anticipated yearly maintenance cost \$0
Required Training	Sworn members utilizing munitions launchers are trained by POST certified chemical agents instructors and POST certified less lethal instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.4. It is the policy of the FPD to utilize impact munitions only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Combined Tactical Systems Super Sock Bean Bag	
Description	Less lethal munitions
Quantity	600
Capability	This intermediate less lethal specialty munition allows for direct impact from a minimum range and a maximum effective range of 75ft
Life Span	5 years

Manufacturer's Description	This 12-Gauge Round is a translucent 12-Gauge shell loaded with a 51-Gram tear shaped bag made from a cotton and ballistic material blend. . The 12-Gauge Drag Stabilized projectile does not require a minimum range to unfold or stabilize. This round has a velocity of 280 fps with a maximum effective range of 75 feet.
Purpose	To safely resolve critical situations such as crowd control during riotous situations and high-risk tactical operations. These are necessary because there is no reasonable alternative that can achieve the same objective of officer and civilian safety/will safeguard the public's welfare, safety, civil rights, and civil liberties.
Authorized Usage	De-escalation tool not likely to inflict serious injury. Used by SWAT and patrol.
Costs	\$6.75 per round approx. \$0 anticipated yearly maintenance cost
Required Training	Sworn members utilizing munitions launchers are trained by POST certified less lethal instructors.
Authority for Authorized Use	Use is established under the FPD Policy 300, subsection 308.7, and Policy 311. It is the policy of the FPD to utilize less lethal munition only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Long Range Acoustic Device (LRAD)	
Description	American Tech Cord 500
Quantity	1
Capability	Used to send messages over long range
Life Span	25 years
Manufacturer's Description	LRAD systems deliver live or recorded voice messages with exceptional clarity for any operational scenario. Optimized to the primary range of hearing, LRAD's Advanced Driver and Waveguide Technology ensure every broadcast is clearly heard and understood, even above crowd, engine, and background noise.
Purpose	Device used for public announcements.
Authorized Usage	Any critical situation to make public announcements: Critical incidents, civil unrest, search and rescue, public safety.
Costs	\$1,000 anticipated yearly maintenance cost \$0
Required Training	All operators receive training prior to operating the LRAD in the field.
Authority for Authorized Use	Use is established under FPD Policy 312. It is the policy of the FPD to utilize the LRAD only for official law enforcement purposes, and pursuant to State and Federal law.

Meridian Rapid Defense Group Archer 1200	
Description	Anti-vehicle Barrier
Quantity	16 barriers, 1 trailer, 2 haulers
Capability	The Archer 1200 Anti-Vehicle Barrier is a portable barrier which can protect closed areas from vehicle-ramming attacks. These barriers replace wooden, and water filled barricades during special events and are easily deployed when there is an increase in the level of threat to a specific location or crowded area. They allow for pedestrians to move between them but can stop vehicles from entering closed areas. These barriers will be used during special events and critical incidents where pedestrian safety is a concern. The Folsom Police Department has applied for a grant to obtain 16 barriers but have not taken possession yet.
Life Span	10 years
Manufacturer's Description	An unanchored, "drop-and-stop" barrier for a VSM (Vehicle Safety Mitigation) solution deployment on any surface. Archer 1200 barriers has the shortest stopping distance in its class, modular design, no heavy equipment required for deployment
Purpose	To be used based on the specific circumstances of a given critical incident, large event, natural disaster or community event that is taking place.
Authorized Usage	Authorized for use would include but not be limited to critical incidents, emergencies, and community events.
Costs	\$150,000 approx. \$0 anticipated yearly maintenance cost
Required Training	All officers deploying the vehicle barriers will receive training on how to properly load, unload, move, and deploy the barriers in the field.
Authority for Authorized Use	It will be the policy of the Department to use the vehicle barriers for official law enforcement purposes including road closures, and special events

Military Equipment

707.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the approval, acquisition, and reporting requirements of military equipment (Government Code § 7070; Government Code § 7071; Government Code § 7072).

707.1.1 DEFINITIONS

Definitions related to this policy include (Government Code § 7070):

Governing body – The elected or appointed body that oversees the Department.

Military equipment – Includes but is not limited to the following:

- Unmanned, remotely piloted, powered aerial or ground vehicles.
- Mine-resistant ambush-protected (MRAP) vehicles or armored personnel carriers.
- High mobility multipurpose wheeled vehicles (HMMWV), two-and-one-half-ton trucks, five-ton trucks, or wheeled vehicles that have a breaching or entry apparatus attached.
- Tracked armored vehicles that provide ballistic protection to their occupants.
- Command and control vehicles that are either built or modified to facilitate the operational control and direction of public safety units.
- Weaponized aircraft, vessels, or vehicles of any kind.
- Battering rams, slugs, and breaching apparatuses that are explosive in nature. This does not include a handheld, one-person ram.
- Firearms and ammunition of .50 caliber or greater, excluding standard-issue shotguns and standard-issue shotgun ammunition.
- Specialized firearms and ammunition of less than .50 caliber, including firearms and accessories identified as assault weapons in Penal Code § 30510 and Penal Code § 30515, with the exception of standard-issue firearms.
- Any firearm or firearm accessory that is designed to launch explosive projectiles.
- Noise-flash diversionary devices and explosive breaching tools.
- Munitions containing tear gas or OC, excluding standard, service-issued handheld pepper spray.
- Area denial electroshock devices, microwave weapons, water cannons, long-range acoustic devices (LRADs), acoustic hailing devices, and sound cannons.
- Kinetic energy weapons and munitions.
- Any other equipment as determined by a governing body or a state agency to require additional oversight.

Military Equipment

707.2 POLICY

It is the policy of the Folsom Police Department that members of this department comply with the provisions of Government Code § 7071 with respect to military equipment.

707.3 MILITARY EQUIPMENT COORDINATOR

The Chief of Police should designate a member of this department to act as the military equipment coordinator. The responsibilities of the military equipment coordinator include but are not limited to:

- (a) Acting as liaison to the City Council for matters related to the requirements of this Policy.
- (b) Identifying equipment that qualifies as Military Equipment, as defined in this Policy, whether the equipment is in the current possession of the Department or is equipment the Department intends to acquire.
- (c) Conducting an inventory of all Military Equipment, as defined in this Policy, at least annually.
- (d) Collaborating with any other law enforcement agency that may use Military Equipment within the jurisdiction of Folsom Police Department (Government Code § 7071).
- (e) Preparing for, scheduling, and coordinating the annual community engagement meeting, including:
 - 1. Publicizing the details of the meeting.
 - 2. Preparing for public questions regarding the Department's funding, acquisition, or use of Military Equipment.
- (f) Preparing the annual Military Equipment report for submission to the City Council and ensuring that the report is made available on the department website consistent with this Policy. (Government Code § 7072). Additionally, updating the ordinance, policy, and Military List as necessary.
- (g) Ensuring that this Policy is made available on the Department's website and that any newly proposed version of the Policy is also available on the website at least 30 days before any public hearing concerning the Policy or the associated ordinance.
- (h) Evaluating the procedures by which members of the public may register complaints or concerns or submit questions about the use of any Type of Military Equipment and updating those procedures as needed.
- (i) Ensuring that the Department responds in a timely manner to each complaint, concern, or question about Military Equipment

707.4 MILITARY EQUIPMENT INVENTORY

Attached is a list of the Folsom Police Department's qualifying Military Equipment, including the following information (Government Code § 7070):

- (a) A description of each Type of Military Equipment, including:

Folsom Police Department

Folsom PD Policy Manual

Military Equipment

1. Quantity
 2. Capabilities
 3. Expected lifespan
 4. Product description from the manufacturer.
- (b) The purposes and authorized uses of each Type of Military Equipment
- (c) The fiscal impact of each Type of Military Equipment, including:
1. Initial cost of obtaining the equipment
 2. Estimated annual cost of maintaining the equipment
- (d) Rules that govern each authorized use
- (e) Training that must be completed before any member of the Department is allowed to use each specific Type of Military Equipment

[Insert attachment here]

707.5 USE OF MILITARY EQUIPMENT

Military Equipment used by any member of this Department shall first be approved for use by the City Council. Once approved, Military Equipment must be used in accordance with all applicable Folsom Police Department policies and used only by those members trained and authorized for such use.

707.6 ACQUISITION OF NEW MILITARY EQUIPMENT

- (a) The acquisition of new Military Equipment shall be approved in advance by the City Council, in accordance with this Policy.
- (b) The Department is authorized to acquire additional stock of approved Military Equipment from other law enforcement agencies in the event of an emergency when approved in advance by the Chief of Police or authorized designee. If that occurs, the Department must obtain City Council approval as described in this Policy as soon as practicable.

707.7 FUNDING FOR MILITARY EQUIPMENT

Funding for Military Equipment shall be approved in advance by the City Council, in accordance with the City of Folsom budget process, the procurement requirements of the Folsom Municipal Code, and this Policy.

Military Equipment

707.8 APPROVAL BY CITY COUNCIL

- (a) The Chief of Police or the authorized designee shall obtain approval from the City Council for the acquisition and use of Military Equipment by way of an ordinance adopting the Military Equipment Use Policy. (Government Code § 7071.)
- (b) The City Council shall review the ordinance approving the Military Equipment Use Policy annually and vote on whether to renew the ordinance. (Government Code § 7071.)
- (c) As part of the initial and annual approval process, the Chief of Police or the authorized designee shall submit the proposed Military Equipment Use Policy to the City Council and make it available on the Department's website at least 30 days prior to any public hearing concerning the Military Equipment at issue (Government Code § 7071).
- (d) The ordinance approving the Military Equipment Use Policy must be adopted by the City Council before the Department engages in any of the following (Government Code § 7071):
 - 1. Requesting military equipment made available pursuant to 10 USC § 2576a.
 - 2. Seeking funds for military equipment, including but not limited to applying for a grant, soliciting or accepting private, local, state, or federal funds, in-kind donations, or other donations or transfers.
 - 3. Acquiring military equipment either permanently or temporarily, including by borrowing or leasing.
 - 4. Collaborating with another law enforcement agency in the deployment or other use of military equipment within the jurisdiction of this department.
 - 5. Using any new or existing military equipment for a purpose, in a manner, or by a person not previously approved by the governing body.
 - 6. Soliciting or responding to a proposal for, or entering into an agreement with, any other person or entity to seek funds for, apply to receive, acquire, use, or collaborate in the use of military equipment.
 - 7. Acquiring military equipment through any means not provided above.

707.9 PUBLIC AVAILABILITY OF POLICY

- (a) The Chief of Police or the authorized designee shall make any proposed Military Equipment Use Policy publicly available on the Department's website at least 30 days before any public hearing concerning the Military Equipment at issue. This includes any proposed changes to the Policy or the Military Equipment Inventory associated with the City Council's annual review of the ordinance. (Government Code § 7071.)
- (b) The Chief of Police or the authorized designee shall make any Military Equipment Use Policy publicly available on the Department's website for as long as the Military Equipment is available for use. (Government Code § 7071.)

Folsom Police Department

Folsom PD Policy Manual

Military Equipment

707.10 COORDINATION WITH OTHER LAW ENFORCEMENT AGENCIES

Military Equipment used by any other law enforcement agency that is providing mutual aid to or operating in conjunction with this Department or the City of Folsom in a law enforcement capacity, shall comply with the law enforcement agency's own Military Equipment use policy. Use of another law enforcement agency's Military Equipment by that agency in the City of Folsom is approved as long as the use complies with the other agency's Military Equipment use policy.

707.11 ANNUAL REPORT

- (a) Within one year after approval of the Military Equipment Use Policy, and annually thereafter, the Chief of Police or the authorized designee should submit to the City Council an annual Military Equipment report for each Type of approved Military Equipment. (Government Code § 7072).
- (b) The Chief of Police or the authorized designee should make each annual Military Equipment report publicly available on the Department's website for as long as the Military Equipment is available for use. (Government Code § 7072.)
- (c) The annual Military Equipment report shall include, at a minimum, all of the following information for the preceding calendar year for each Type of Military Equipment (Government Code § 7072):
 - 1. A summary of how the Military Equipment was used and the purpose of its use.
 - 2. A summary of any complaints or concerns received concerning the Military Equipment.
 - 3. The results of any internal audits, any information about violations of the Military Equipment Use Policy, and any actions taken in response.
 - 4. The total annual cost for each Type of Military Equipment, including acquisition, personnel, training, transportation, maintenance, storage, upgrade, and other ongoing costs, and from what source funds will be provided for the Military Equipment in the calendar year following submission of the annual Military Equipment report.
 - 5. The quantity possessed for each Type of Military Equipment.
 - 6. If the Department intends to acquire additional Military Equipment in the next year, the quantity sought for each Type of Military Equipment.

707.12 REPLACEMENT OF EXISTING MILITARY EQUIPMENT

To maintain the quantity of each Type of Military Equipment included in the Military Equipment Inventory attached to this Policy, the Department is authorized to replace any approved Military

Folsom Police Department

Folsom PD Policy Manual

Military Equipment

Equipment without amending this Policy or the associated ordinance, if the Military Equipment is destroyed or rendered inoperable as a result of authorized use.

707.13 COMPLIANCE

Mechanisms to ensure compliance with the Military Equipment Use Policy include, but are not limited to, the following:

- (a) The Chief of Police shall be considered the ultimate authority for the content and adoption of the provisions of this Policy and shall ensure compliance with the Policy.
- (b) Each Division Commander will ensure that members under his/her command are aware of this Policy.
- (c) Each member will be required to acknowledge that he/she reviewed the Policy and shall seek clarification from an appropriate supervisor as needed.
- (d) The Training Officer is responsible for developing, reviewing, updating, and maintaining the Department's training plan so that required training is completed.
- (e) The Military Equipment Coordinator is responsible for compliance with specific components of the Policy as described above.
- (f) Violations of this Policy shall form the basis for departmental administrative action, training, or discipline consistent with the Policy Manual, the City of Folsom Personnel Rules and Regulations, and the applicable collective bargaining agreement.
- (g) This Policy shall not be construed to create a higher standard of care for civil or criminal liability against the City of Folsom or its employees.

707.14 COMMUNITY ENGAGEMENT

- (a) Within 30 days of submitting and publicly releasing the annual Military Equipment report, the Department shall hold at least one well-publicized and conveniently located community engagement meeting, at which the Department should discuss the annual Military Equipment report and respond to public questions regarding the report and the Department's funding, acquisition, or use of Military Equipment. (Government Code § 7072.)
- (b) Members of the public may register complaints or concerns or submit questions about the use of each specific Type of Military Equipment in any form, including in writing, by email sent to the following email address: FPDmilitaryequipment@folsom.ca.us, in person, by telephone at (916) 461-6400, at pre-determined community engagement meetings related to Military Equipment, or at any City Council meeting. Complaints related to the use of Military Equipment will be handled in accordance with FPD Policy 1019- Personnel Complaints.
- (c) The Department will ensure that each complaint, concern, or question receives a response in a timely manner. The Military Equipment Coordinator is specifically tasked with ensuring that each complaint, concern, or question receives a response in a timely manner.

FOLSOM POLICE DEPARTMENT

46 Natoma Street
Folsom, California 95630
(916) 461-6400
www.folsom.ca.us/police

Date: June 6th 2026

Background

California Assembly Bill (AB) 481 requires law enforcement agencies to obtain governing body approval, through a military equipment use policy ordinance, before acquiring, using, or funding specified equipment. To comply with these state mandates, the Folsom City Council initially approved the city's military equipment policy on May 24, 2022. This action resulted in the enactment of City of Folsom Ordinance 1326 and the adoption of Folsom Police Department Policy 707. To maintain compliance with AB 481, the law requires both an annual report on each equipment type and an annual City Council review and renewal vote. In accordance with these ongoing statutory requirements, the Folsom City Council most recently renewed Ordinance 1326 on June 10, 2025.

Folsom Police Annual Report

During the past year, several of the items regulated under City Ordinance 1326 and Policy 707 were deployed and successfully used. These assets were imperative to enhance safety and operational efficiency across a diverse range of field operations, including:

High-Risk Operations: Resolving barricaded subject incidents, executing high-risk building entries, and managing complex critical incidents.

Tactical Interventions: Conducting felony vehicle stops and executing open area and building searches for suspects.

Public Safety & Mutual Aid: Conducting missing person searches and providing critical operational support to outside law enforcement agencies.

Readiness: Conducting routine, mandatory tactical training to ensure proficiency and compliance.

The Mission of the Folsom Police Department is to Serve with Purpose, Relentlessly Pursue Criminal Behavior, and Proactively Foster Positive Relationships within the Community.

**Rifle and Sniper Rifle Operational Deployments:*

Beginning in 2025, the Folsom Police Department revised its definition of an "operational deployment" for rifles. Deployment figures now reflect only instances in which a rifle was fired during an operational incident. In prior years, any instance of an officer removing a rifle from a vehicle was recorded as a deployment.

Complaints & Public Accessibility

Community Complaints: The Folsom Police Department received zero citizen complaints regarding the deployment or authorization of regulated equipment during this reporting period.

Public Disclosure: Upon submission to the City Council, this report will be published on the Department's public website to satisfy statutory transparency mandates.

Cost

The estimated annual financial impact of the listed items—including training, operations, maintenance, funding, and acquisition—was approximately \$138,173.86.
