BACKGROUND / ISSUE

Community Facilities District No. 23 (Folsom Ranch) (CFD No. 23) is a community facilities district organized by the City Council under the Mello-Roos Act for the purpose of providing for the construction and acquisition of certain public improvements and the financing of certain services to serve property within CFD No. 23. The City established CFD No. 23 on May 26, 2020 and designated six separate improvement areas at that time, including Improvement Area No. 4. Improvement Area No. 4 consists of a gross area of approximately 150 acres and is located wholly within the City of Folsom, west of East Bidwell Street, north of Mangini Parkway and south of U.S. Highway 50.

Development within Improvement Area No. 4 is planned to include 648 single family homes. Property within Improvement Area No. 4 is in varying stages of development, including large lots, finished lots, home under construction, and completed homes. Folsom Real Estate South owns four large lot parcels expected to develop into 388 single family homes. Final maps have been approved and recorded for the other 260 single family lots that are owned by Taylor Morrison and the individual homeowners.

Proceeds from the bonds are expected to finance some, but not all, of the facilities eligible to be financed within Improvement Area No. 4, which includes backbone infrastructure, soft costs and subdivision infrastructure. Backbone facilities infrastructure improvements for

Improvement Area 4 are expected to include transportation improvements, water system improvements, recycled water system improvements, drainage system improvements, wastewater system improvements, and park, parkway and open space improvements. ANALYSIS

The Folsom Ranch Financing Authority City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 4 Special Tax Revenue Bonds, Series 2024 (Series 2024 Revenue Bonds) are being issued by the Folsom Ranch Financing Authority (FRFA) in a not to exceed amount of \$13,500,000 to finance the purchase of the limited obligation special tax bonds (Local Obligations), issued by CFD No. 23 (Folsom Ranch). The purchase price of the Local Obligations will be used to finance the acquisition and construction of certain public facilities, fund a debt service reserve account, and pay certain costs of issuance of the Local Obligations and Series 2024 Revenue Bonds.

A special tax will be levied and collected annually to service the Local Obligations. Every year, CFD No. 23 shall determine the annual special tax requirement relating to Improvement Area No. 4. The annual special tax requirement is that amount of special tax revenue required in any fiscal year for Improvement Area No. 4 to:

- Pay administrative expenses
- Pay annual debt service on all outstanding bonds for Improvement Area No. 4
- Pay other periodic costs on outstanding bonds, including credit enhancement or rebate payments, if applicable
- Pay any amounts required to replenish the reserve fund
- Pay for reasonably anticipated delinquent special taxes
- Fund Improvement Area No. 4 PAYGO costs
- Pay for authorized services

- Pay other associated costs as listed in the Rate and Method of Apportionment

The special tax shall be levied each fiscal year proportionately on each Sacramento County assessor's parcel of taxable property within Improvement Area No. 4 at a rate up to 100% of the applicable maximum special tax to satisfy the annual special tax requirement. The aggregate assessed and appraised value for taxable property within Improvement Area No. 4 is \$150,116,034 and the value-to-lien ratio is 10.5:1, which is in compliance with the City's CFD policy. The total projected property tax level for developed residential property within Improvement Area No. 4 ranges from approximately 1.73% to 1.77% and shall not exceed 2.0% of the estimated sales price of the respective homes to be constructed in Improvement Area No. 4.

Upon the conclusion of the noticed public hearing, and by adopting the proposed City Council Resolution, the City Council is taking the following actions in connection with the Local Obligations:

The City will receive reimbursement from the issuance of the Series 2024 Revenue Bonds for staff time and expenses and will receive an annual administrative fee throughout the term of CFD No. 23; these amounts are intended to offset expenses incurred by the City for administration and other items.

ENVIRONMENTAL REVIEW

On February 13, 2018, the City Council approved the Mangini Ranch Phase 2 Vesting Tentative Subdivision Map and determined that the Mangini Ranch Phase 2 Subdivision project is entirely consistent with the Folsom Plan Area Specific Plan (FPASP) and Westland Eagle Specific Plan Amendment and therefore exempt from review under the California Environmental Quality Act (CEQA) provided by Government Code section 65457 and CEQA Guidelines sections 15182. No additional environmental review is required.

* Maturity.

All such Minimum Sinking Fund Payments for the Term Authority Bonds shall be deposited in a separate account in the Principal Fund, which account is hereby established and shall be known as the Sinking Fund Account and which account the Authority hereby agrees and covenants to cause to be maintained by the Trustee so long as any Term Authority Bonds are Outstanding. All money in the Sinking Fund Account on September 1 of each year during the period beginning on September 1, 20[], and ending on September 1, 20[], both years inclusive, shall be used and withdrawn by the Authority on each such September 1 for the mandatory redemption or payment of the Term Authority Bonds maturing on September 1, 20[]; and all money in the Sinking Fund Account on September 1 of each year during the period beginning on September 1, 20[], and ending on September 1, 20[], both years inclusive, shall be used and withdrawn by the Authority on each such September 1 for the mandatory redemption or payment of the Term Authority Bonds maturing on September 1, 20[], and the Authority hereby agrees and covenants with the Owners of the respective Term Authority Bonds to call and redeem in accordance with Section 4.04 or pay the Term Authority Bonds from Minimum Sinking Fund

Payments deposited in the Sinking Fund Account pursuant to this paragraph whenever on September 1 of any year there is money in the Sinking Fund Account available for such purpose.

The interest on and principal of and redemption premiums, if any, on the Authority Bonds shall be payable in lawful money of the United States of America. The Authority Bonds shall be issued as fully registered bonds and shall be numbered from one (1) upward. The Authority Bonds shall bear interest from the Dated Date. Payment of the interest on any Authority Bond shall be made to the Person whose name appears on the Bond Register as the Owner thereof as of the close of business on the Record Date, such interest to be paid by check mailed by first class mail on each Interest Payment Date to the Owner at the address which appears on the Bond Register as of the Record Date for that purpose; except that in the case of an Owner of one million dollars (\$1,000,000) or more in aggregate principal amount of Authority Bonds, upon written request of such Owner to the Trustee received not later than such Record Date, such interest shall be paid on such Interest Payment Date in immediately available funds by wire transfer to an account in a bank or trust company or savings bank that is a member of the Federal Reserve System and that is located in the continental United States of America. The principal of and redemption premiums, if any, on the Authority Bonds shall be payable by the Trustee at its Corporate Trust Office upon presentation and surrender of such Authority Bonds. Interest shall be calculated on the basis of a 360-day year consisting of twelve (12) 30-day calendar months; provided, that notwithstanding any other provision herein contained, any interest not punctually paid or duly provided for, as a result of an Event of Default or otherwise, shall forthwith cease to be payable to the Owner on the Record Date and shall be paid to the Owner in whose name the Authority Bond is registered at the close of business on a Special Record Date for the payment of such defaulted interest to be fixed by the Trustee, notice of which shall be given to the Owner not less than ten (10) Business Days prior to such Special Record Date.

SECTION 2.02. Form of Authority Bonds. The Authority Bonds and the forms of the certificate of authentication, the assignment and the DTC endorsement to appear thereon shall be substantially as set forth in Exhibit A hereto, with such variations, insertions or omissions as are appropriate and not inconsistent herewith.

SECTION 2.03. Authority Bonds Mutilated, Destroyed, Stolen or Lost. In the event any Authority Bond is mutilated, lost, stolen or destroyed, the Authority may execute and, upon its request in writing, the Trustee shall authenticate and deliver a substitute Authority Bond of the same principal amount and maturity as the mutilated, lost, stolen or destroyed Authority Bond in exchange and substitution for such mutilated Authority Bond, or in lieu of and substitution for such lost, stolen or destroyed Authority Bond.

Application for exchange and substitution of mutilated, lost, stolen or destroyed Authority Bonds shall be made to the Trustee at its Corporate Trust Office. In every case the applicant for a substitute Authority Bond shall furnish to the Trustee indemnification to its satisfaction, and in every case of loss, theft or destruction of an Authority Bond, the applicant shall also furnish to the Authority and the Trustee evidence to their satisfaction of such loss, theft or destruction and of the identity of the applicant, and in every case of mutilation of an Authority Bond, the applicant shall surrender the mutilated Authority Bond to the Trustee.

Notwithstanding the foregoing provisions of this Section, in the event any such Authority Bond shall have matured, and no default has occurred which is then continuing in the payment of the interest on or principal of or redemption premiums, if any, on the Authority Bonds, the Trustee shall, upon written direction from the Authority, pay the same (without surrender thereof except in the case of a mutilated Authority Bond) instead of issuing a substitute Authority Bond so long as indemnification is furnished as above provided.

Upon the issuance of any substitute Authority Bond, the Trustee may charge the Owner of such Authority Bond for its reasonable fees and expenses in connection therewith. Every substitute Authority Bond issued pursuant to the provisions of this Section by virtue of the fact that any Authority Bond is lost, stolen or destroyed shall constitute an original additional contractual obligation of the Authority, whether or not the lost, stolen or destroyed Authority Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits hereof equally and proportionally with any and all other Authority Bonds duly issued hereunder to the same extent as the Authority Bonds in substitution for which such substitute Authority Bonds were issued.

SECTION 2.04. Execution of Authority Bonds. All Authority Bonds shall, from time to time, be executed on behalf of the Authority by the manual or facsimile signature of the Treasurer and attested by the manual or facsimile signature of the Secretary.

If any of the officers who shall have signed any Authority Bond shall cease to be such officer of the Authority before the Authority Bond so signed shall have been actually authenticated by the Trustee or delivered, such Authority Bond nevertheless may be authenticated, issued and delivered with the same force and effect as though the person or persons who signed such Authority Bond had not ceased to be such officer of the Authority, and any such Authority Bond may be signed on behalf of the Authority by those persons who, at the actual date of the execution of such Authority Bond, shall be the proper officers of the Authority, although on the date of such Authority Bond any such person shall not have been such officer of the Authority.

SECTION 2.05. Transfer and Registration of Authority Bonds. The Authority Bonds shall be transferred or exchanged and title thereto shall pass only in the manner provided herein, and the Trustee shall keep books constituting the Bond Register for the registration and transfer of the Authority Bonds as provided herein. All Authority Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and with guaranty of signature satisfactory to the Trustee, duly executed by the Owner or by his or her attorney duly authorized in writing, and all such Authority Bonds shall be surrendered to the Trustee and canceled by the Trustee pursuant to Section 2.08. The Authority and the Trustee shall be entitled to conclusively treat the Owner as the absolute owner of such Authority Bond for the purpose of receiving any payment of the interest on or principal of or redemption premium, if any, on such Authority Bond and for all other purposes hereof, whether such Authority Bond shall be overdue or not, and neither the Authority nor the Trustee shall be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Authority Bond to the extent of the sum or sums so paid.

SECTION 2.06. Regulations with Respect to Exchange or Transfer of Authority Bonds.

In all cases in which the privilege of exchanging or registering the transfer of Authority Bonds is exercised, the Authority shall execute and the Trustee shall authenticate and deliver Authority Bonds in accordance with the provisions hereof. There shall be no charge to the Owner for any such exchange or registration of transfer of Authority Bonds, but the Authority may require the payment of a sum sufficient to pay any tax or other governmental charge required to be paid with respect to any such exchange or registration of transfer. Neither the Authority nor the Trustee shall be required to register the transfer or exchange of any Authority Bond during the period established by the Trustee for selection of Authority Bonds for redemption or to register the transfer or exchange of any Authority Bond selected for redemption.

Upon surrender for exchange or transfer of any Authority Bond at the Corporate Trust Office of the Trustee, the Authority shall execute and the Trustee shall authenticate and deliver in the name of the Owner (in the case of transfers) a new Authority Bond or Authority Bonds, of Authorized Denominations, in the aggregate principal amount which the registered Owner is entitled to receive.

All new Authority Bonds delivered upon any transfer or exchange shall be valid obligations of the Authority, evidencing the same debt as the Authority Bonds surrendered, shall be secured hereby and shall be entitled to all of the security and benefits hereof to the same extent as the Authority Bonds surrendered.

SECTION 2.07. Authentication of Authority Bonds. No Authority Bond shall be secured hereby or entitled to the benefits hereof or shall be valid or obligatory for any purpose unless there shall be endorsed on such Authority Bond the Trustee's certificate of authentication, substantially in the form prescribed herein, executed by the manual signature of a duly authorized signatory of the Trustee; and such certificate on any Authority Bond issued by the Authority hereunder shall be conclusive evidence and the only competent evidence that such Authority Bond has been duly authenticated and delivered hereunder.

SECTION 2.08. Cancellation of Authority Bonds. Upon the surrender to the Trustee of any mutilated Authority Bond, or any Authority Bond surrendered for transfer or exchange, or any Authority Bond redeemed or paid at maturity, the same shall forthwith be canceled and the Trustee shall destroy such Authority Bonds and the Trustee shall deliver a certificate of destruction with respect thereto to the Authority.

SECTION 2.09. Authority Bonds as Special Obligations. The Authority Bonds are special, limited obligations of the Authority, payable from the Trust Estate and secured as to the payment of the interest on and principal of and redemption premiums, if any, thereon in accordance with their terms and the terms hereof, solely by the Trust Estate. The Authority Bonds do not constitute a charge against the general credit of the Authority or any of its members, and under no circumstances shall the Authority be obligated to pay the interest on or principal of or redemption premiums, if any, on the Authority Bonds except from the Trust Estate. None of the Community Facilities District, the City, the State, any public agency (other than the Authority) or any member of the Community Facilities District or the Authority is obligated to pay the interest on or principal

of or redemption premiums, if any, on the Authority Bonds, and neither the faith and credit nor the taxing power of the Community Facilities District, the City, the State or any public agency thereof or any member of the Authority or the Community Facilities District is pledged to the payment of the interest on or principal of or redemption premiums, if any, on the Authority Bonds. The payment of the interest on or principal of or redemption premiums, if any, on the Authority Bonds does not constitute a debt, liability or obligation of the Community Facilities District, the City, the State or any public agency (other than the Authority) or any member of the Authority.

No agreement or covenant contained in any Authority Bond or herein shall be deemed to be an agreement or covenant of any officer, member, agent or employee of the Authority in his or her individual capacity, and neither the members of the Authority nor any officer or employee thereof executing the Authority Bonds shall be liable personally on any Authority Bond or be subject to any personal liability or accountability by reason of the issuance of the Authority Bonds.

SECTION 2.10. Special Covenants as to Book-Entry Only System for Authority Bonds.

(a) Except as otherwise provided in subsections (b) and (c) of this Section, all of the Authority Bonds initially issued shall be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”), or such other nominee as DTC shall request pursuant to the Letter of Representation. Payment of the interest on any Authority Bond registered in the name of Cede & Co. shall be made on each Interest Payment Date for such Authority Bonds to the account, in the manner and at the address indicated in or pursuant to the Letter of Representation.

(b) The Authority Bonds initially shall be issued in the form of a single authenticated fully registered Authority Bond for each stated maturity of such Authority Bonds, representing the aggregate principal amount of the Authority Bonds of such maturity. Upon initial issuance, the ownership of all such Authority Bonds shall be registered in the registration records maintained by the Trustee pursuant to Section 2.05 in the name of Cede & Co., as nominee of DTC, or such other nominee as DTC shall request pursuant to the Letter of Representation. The Trustee and any paying agent may conclusively treat DTC (or its nominee) as the sole and exclusive owner of the Authority Bonds registered in its name for the purposes of payment of the principal or redemption price of and interest on such Authority Bonds, selecting the Authority Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Owners hereunder, registering the transfer of Authority Bonds, obtaining any consent or other action to be taken by Owners of the Authority Bonds and for all other purposes whatsoever; and neither the Authority nor the Trustee or any paying agent shall be affected by any notice to the contrary. Neither the Trustee nor any paying agent shall have any responsibility or obligation to any Participant (which shall mean, for purposes of this Section, securities brokers and dealers, banks, trust companies, clearing corporations and other entities, some of whom directly or indirectly own DTC), any person claiming a beneficial ownership interest in the Authority Bonds under or through DTC or any Participant, or any other person which is not shown on the registration records as being an Owner, with respect to (i) the accuracy of any records maintained by DTC or any Participant, (ii) the payment by DTC or any Participant of any amount in respect of the principal or redemption price of or interest on the Authority Bonds, (iii) any notice which is permitted or required to be

given to Owners of Authority Bonds hereunder, (iv) the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Authority Bonds, or (v) any consent given or other action taken by DTC as Owner of Authority Bonds. The Trustee shall pay all principal of and premium, if any, and interest on the Authority Bonds only at the times, to the accounts, at the addresses and otherwise in accordance with the Letter of Representation, and all such payments shall be valid and effective to satisfy fully and discharge the Trustee's obligations with respect to the principal of and premium, if any, and interest on the Authority Bonds to the extent of the sum or sums so paid. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of its then existing nominee, the Authority Bonds will be transferable to such new nominee in accordance with subsection (e) of this Section.

(c) In the event that the Authority determines that the beneficial owners of the Authority Bonds shall be able to obtain Authority Bond certificates, the Trustee shall, upon the written instruction from the Authority, so notify DTC, whereupon DTC shall notify the Participants of the availability through DTC of Authority Bond certificates. In such event, the Authority Bonds will be transferable in accordance with subsection (e) of this Section. DTC may determine to discontinue providing its services with respect to the Authority Bonds at any time by giving written notice of such discontinuance to the Trustee and discharging its responsibilities with respect thereto under applicable law. In such event, the Authority Bonds will be transferable in accordance with subsection (e) of this Section. Whenever DTC requests the Trustee to do so, the Trustee will cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of all certificates evidencing the Authority Bonds then Outstanding. In such event, the Authority Bonds will be transferable to such securities depository in accordance with subsection (e) of this Section, and thereafter, all references in this Trust Agreement to DTC or its nominee shall be deemed to refer to such successor securities depository and its nominee, as appropriate.

(d) Notwithstanding any other provision of this Trust Agreement to the contrary, so long as all Authority Bonds Outstanding are registered in the name of any nominee of DTC, all payments with respect to the principal of and premium, if any, and interest on each such Authority Bond and all notices with respect to each such Authority Bond shall be made and given, respectively, to DTC as provided in the Letter of Representation.

(e) In the event that any transfer or exchange of Authority Bonds is authorized under subsection (b) or (c) of this Section, such transfer or exchange shall be accomplished upon receipt by the Trustee from the registered owner thereof of the Authority Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee, all in accordance with the applicable provisions of Sections 2.05 and 2.06. In the event Authority Bond certificates are issued to Owners other than Cede & Co., its successor as nominee for DTC as Owner of all the Authority Bonds, another securities depository as Owner of all the Authority Bonds, or the nominee of such successor securities depository, the provisions of Sections 2.05 and 2.06 shall also apply to, among other things, the registration, exchange and transfer of the Authority Bonds and the method of payment of principal of, premium, if any, and interest on the Authority Bonds.

SECTION 2.11. CUSIP Numbers. The Authority in issuing the Authority Bonds may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers

in notices of redemption as a convenience to Owners; provided that the Trustee shall have no liability for any defect in the "CUSIP" numbers as they appear on any Authority Bond, notice or elsewhere, and, provided further that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Authority Bonds or as contained in any notice of redemption and that reliance may be placed only on the other identification numbers printed on the securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Authority shall promptly notify the Trustee in writing of any change in CUSIP numbers.

ARTICLE III

ISSUANCE OF AUTHORITY BONDS

SECTION 3.01. Provisions for the Issuance of Authority Bonds. The Authority Bonds shall be executed by the Authority and delivered to the Trustee for authentication, together with a Written Order authorizing and directing the Trustee to authenticate the Authority Bonds and containing instructions as to the delivery of the Authority Bonds. The Trustee shall authenticate and deliver the Authority Bonds upon receipt of such Written Order and upon the following having been made available to it:

- (a) A copy of the resolution adopted by the Authority approving this Trust Agreement and the execution and delivery by the Authority hereof, duly certified by the Secretary to have been duly adopted by the Authority and to be in full force and effect on the date of such certification;
- (b) The proceeds of sale of the Authority Bonds;
- (c) An Officer's Certificate stating that all conditions precedent to the authorization of the Authority Bonds have been satisfied and that the Authority is not in default in the performance of any of the agreements, conditions, covenants or terms contained herein;
- (d) An original executed counterpart hereof;
- (e) The Local Obligations to be purchased with the proceeds of the Authority Bonds, registered in the name of the Trustee; and
- (f) An Opinion or Opinions of Bond Counsel addressing the validity and, if applicable, the tax-exempt status of the Authority Bonds and the validity of the Local Obligations, subject to such exceptions as may be reasonable and appropriate.

SECTION 3.02. Parity and Subordinate Bonds. So long as any of the Authority Bonds remain Outstanding, the Authority shall not issue any bonds or obligations payable from Revenues.

ARTICLE IV

REDEMPTION OF AUTHORITY BONDS

SECTION 4.01. General Redemption Provisions. The Authority Bonds that are subject to redemption prior to maturity pursuant to this Trust Agreement shall be redeemable, upon mailed notice as provided in this Article, at such times and upon such terms as are contained in this Article.

SECTION 4.02. Optional Redemption. The Authority Bonds are subject to optional redemption by the Authority prior to their respective maturity dates as a whole or in part on any date on or after September 1, 20[], from any source of available funds other than Minimum Sinking Fund Payments and Special Tax Prepayments, upon mailed notice as provided herein, at the following redemption prices (computed upon the principal amount of the Authority Bonds or portions thereof called for redemption) together with accrued interest thereon to the date fixed for redemption:

103% if redeemed on any date on or after September 1, 20[], through August 31, 20[];

102% if redeemed on any date from September 1, 20[], through August 31, 20[];

101% if redeemed on any date from September 1, 20[], through August 31, 20[]; and

100% if redeemed on September 1, 20[], and any date thereafter.

SECTION 4.03. Extraordinary Redemption. The Authority Bonds are subject to extraordinary redemption by the Authority prior to their respective maturity dates, as a whole or in part on any Interest Payment Date on or after [March 1, 2025], solely from funds derived from extraordinary redemption of Local Obligations from Special Tax Prepayments, at the following redemption prices (computed upon the principal amount of the Authority Bonds or portions thereof called for redemption) together with accrued interest thereon to the date fixed for redemption:

103% if redeemed on any Interest Payment Date on or after March 1, 2025, through March 1, 20[];

102% if redeemed on an Interest Payment Date on September 1, 20[], and March 1, 20[];

101% if redeemed on an Interest Payment Date on September 1, 20[], and March 1, 20[]; and

100% if redeemed on September 1, 20[], and any Interest Payment Date thereafter.

SECTION 4.04. Mandatory Redemption. The Term Authority Bonds maturing on September 1, 20[___], are subject to mandatory redemption by the Authority prior to their maturity date in part on September 1 of each year on and after September 1, 20[___], to and including September 1, 20[___]; and the Term Authority Bonds maturing on September 1, 20[___], are subject to mandatory redemption by the Authority prior to their maturity date in part on September 1 of each year on and after September 1, 20[___], to and including September 1, 20[___] from (and in the amount of) the Minimum Sinking Fund Payments due and payable for the Term Authority Bonds on each such date, at a redemption price equal to the principal amount thereof plus accrued interest thereon to the date of redemption, without premium.

SECTION 4.05. Redemption Instructions. Upon any prepayment of a Local Obligation, the Authority shall deliver to the Trustee at least forty-five (45) days prior to the redemption date a Written Order of the Authority designating the amounts and maturities of the Authority Bonds to be redeemed, which shall be in the manner necessary to enable the Authority to deliver a Cash Flow Certificate satisfying the requirements described below. In the event only a portion of the Outstanding Authority Bonds of any maturity are to be redeemed at any one time, the Trustee shall select the particular Authority Bonds of each maturity date to be redeemed in accordance with DTC procedures (which, at the time of the issuance of the Authority Bonds, would be a redemption by lot) or, if the Authority Bonds are not then in book-entry, in a manner that it deems appropriate and fair. The Trustee shall redeem Authority Bonds in Authorized Denominations. The Trustee shall promptly notify the Authority in writing of the numbers of the Authority Bonds so selected for redemption on any date. Upon any redemption of a portion but not all of the Outstanding Authority Bonds, the Authority shall deliver to the Trustee a Cash Flow Certificate to the effect that, assuming all payments are made with respect to the Local Obligations, (i) the Revenues, together with moneys on deposit in other funds and account held under this Trust Agreement, will be sufficient to pay all Principal Installments, Minimum Sinking Fund Payments and interest payments on the Authority Bonds when due; and (ii) the redemption premiums, if any, on the Local Obligations, together with other Revenues available to the Trustee for such purpose, are sufficient to offset any difference between the interest to accrue on the Authority Bonds to be paid or redeemed with the proceeds of prepayment of such Local Obligations (plus any redemption premium payable upon redemption of such Authority Bonds) and the income to be earned on any investment of such proceeds (assured as of the date of payment thereof), in each case until the date of payment or redemption of Authority Bonds, such that in no event will the prepayment of Local Obligations cause the Trustee to have insufficient funds to pay debt service on the Authority Bonds when due. In no event shall Authority Bonds be redeemed if upon such redemption the principal amount of the Local Obligations remaining outstanding will be less than the total principal amount of Outstanding Authority Bonds. Such Written Order of the Authority may specify that optional redemption of the Authority Bonds will be conditioned upon receipt of funds or other events.

SECTION 4.06. Notice of Redemption. Subject to receipt of the Written Order of the Authority delivered pursuant to Section 4.05, the Trustee shall, at the sole cost and expense of the Authority, give notice of redemption as hereinafter provided in this Section; provided, that Authority Bonds, identified by CUSIP numbers, serial numbers and maturity date, have been called for redemption and, in the case of Authority Bonds to be redeemed in part only, the portion of the principal amount thereof that has been called for redemption (or if all the Outstanding Authority Bonds are to be redeemed, so stating, in which event such serial numbers may be omitted), that they will be due and payable on the date fixed for redemption (specifying such date)

upon surrender thereof to the Trustee at its Corporate Trust Office, subject to any conditions to such redemption specified in the Written Order of the Authority, at the redemption price (specifying such price), together with any accrued interest to such date, and that all interest on the Authority Bonds (or portions thereof) so to be redeemed will cease to accrue on and after such date and that from and after such date such Authority Bond (or such portion thereof) shall no longer be entitled to any lien, benefit or security hereunder, and the Owner thereof shall have no rights in respect of such redeemed Authority Bond or such portion except to receive payment from such money of such redemption price plus accrued interest to the date fixed for redemption. If sufficient monies for the payment of the redemption price of all Authority Bonds to be redeemed are not then on deposit with the Trustee, such notice shall also state that redemption is conditioned upon the timely deposit of sufficient funds therefor with the Trustee.

Such notice shall be mailed by first class mail, in a sealed envelope, postage prepaid, at least thirty (30) but not more than sixty (60) days before the date fixed for redemption, to the Owners of such Authority Bonds (or portions thereof) so called for redemption, at their respective addresses as the same shall last appear on the Bond Register; provided, that neither the failure of an Owner to receive notice of redemption of Authority Bonds hereunder nor any error in such notice shall affect the validity of the proceedings for the redemption of Authority Bonds.

Any notice of optional redemption hereunder may be rescinded by written notice given by the Authority to the Trustee no later than three (3) Business Days prior to the date specified for redemption, instructing the Trustee to send such notice of rescission. The Trustee shall give notice of rescission of the notice of optional redemption or non-satisfaction of any conditions specified in the notice of optional redemption as soon as practicable to the same parties and in the same manner as the notice of redemption was given pursuant to this Section.

SECTION 4.07. Payment of Redeemed Authority Bonds. If notice of redemption has been given and not rescinded and if the conditions to such redemption specified therein, if any, have been satisfied, each as provided in Section 4.06, the Authority Bonds (or the portions thereof) called for redemption shall become irrevocably due and payable on the date fixed for redemption at the redemption price thereof, together with accrued interest to the date fixed for redemption, upon presentation and surrender of the Authority Bonds to be redeemed at the Corporate Trust Office of the Trustee specified in the notice of redemption. If there shall be called for redemption less than the full principal amount of an Authority Bond, the Authority shall execute and deliver and the Trustee shall authenticate, upon surrender of such Authority Bond, and without charge to the Owner thereof, Authority Bonds of like interest rate and maturity in an aggregate principal amount equal to the unredeemed portion of the principal amount of the Authority Bonds so surrendered in such Authorized Denominations as shall be specified by the Owner thereof.

If any Authority Bond or any portion thereof shall have been duly called for redemption and payment of the redemption price, together with unpaid interest accrued to the date fixed for redemption, shall have been made or provided for by the Authority, then interest on such Authority Bond or such portion thereof shall cease to accrue from such date, and from and after such date such Authority Bond or such portion thereof shall no longer be entitled to any lien, benefit or security hereunder, and the Owner thereof shall have no rights in respect of such Authority Bond or such portion except to receive payment of such redemption price and unpaid interest accrued to the date fixed for redemption.

SECTION 4.08. Purchase in Lieu of Redemption. In lieu of redemption of any Authority Bond pursuant to the provisions of Section 4.02 or Section 4.03, and after complying with Section 4.05, amounts on deposit in the Proceeds Fund, the Principal Fund or in the Redemption Fund may be used and withdrawn by the Trustee at any time prior to a notice of redemption having been delivered, upon a Written Order for the purchase of such Authority Bonds at public or private sale as and when and at such prices as the Authority may in its discretion determine, but not in excess of the lower of the highest or then current redemption price thereof plus accrued interest to the purchase date; and all Authority Bonds so purchased shall be delivered to the Trustee for cancellation.

ARTICLE V

REVENUES AND FUNDS FOR AUTHORITY BONDS

SECTION 5.01. Establishment of Funds. There is hereby established with the Trustee, and the Trustee hereby agrees to maintain, the following special trust funds for the Authority Bonds, which the Trustee shall keep separate and apart from all other funds and moneys held by it: the Revenue Fund, the Interest Fund, the Principal Fund, the Redemption Fund, the Proceeds Fund, the Local Obligations Fund and the Rebate Fund.

SECTION 5.02. Deposit of Proceeds of Authority Bonds. The net proceeds received from the sale of the Authority Bonds (in the amount of \$[_____], consisting of the principal amount thereof, [plus/less] the [net] original issue [premium/discount] of \$[_____] and less an underwriter's discount of \$[_____]) shall be deposited by the Trustee in the Proceeds Fund.

SECTION 5.03. Proceeds Fund. The amounts in the Proceeds Fund shall be applied forthwith by the Trustee for the purchase of the Local Obligations pursuant to the Local Obligation Purchase Contract in accordance with a Written Order of the Authority whereupon the Proceeds Fund shall be closed. If any amount shall remain in the Proceeds Fund following such purchase, such amount shall be transferred to the Revenue Fund.

SECTION 5.04. Local Obligations Fund. All Local Obligations acquired by the Trustee pursuant to Section 5.03 shall be deposited in the Local Obligations Fund, which the Trustee shall establish and maintain.

SECTION 5.05. Revenue Fund. All Revenues received by the Trustee, other than Revenues derived from the early redemption of Local Obligations from Special Tax Prepayments (which shall be administered in accordance with Section 5.06), shall be deposited by the Trustee in the Revenue Fund. On each Interest Payment Date and Principal Payment Date, the Trustee shall transfer Revenues (to the extent that Revenues are available therein) from the Revenue Fund, in the amounts specified in Sections 5.07 and 5.08, for deposit into the respective Funds specified therein in the order of priority herein set forth, the requirements of each Fund to be fully satisfied, leaving no deficiencies therein, prior to any deposit into any Fund later in priority. On each Interest Payment Date and Principal Payment Date, after making the deposits required by Sections 5.07 and 5.08, the Trustee shall transfer all remaining money in the Revenue Fund to the Indenture Trustee for deposit pursuant to the Local Obligations Indenture.

SECTION 5.06. Revenues Derived from Special Tax Prepayments. The Community Facilities District and the Authority acknowledge that amounts received by the Community Facilities District on account of Special Tax Prepayments are to be utilized for the sole purpose of the prior redemption of Local Obligations pursuant to Section 4.03, and not to pay current, scheduled debt service payments on the Local Obligations. Correspondingly, in order to maintain a proper ratio between debt service payments on the Local Obligations and debt service payments on the Authority Bonds, all Revenues received by the Trustee which are derived from the early redemption of Local Obligations from Special Tax Prepayments when received by the Community Facilities District shall be deposited in the Redemption Fund and used to redeem the Authority Bonds pursuant to Section 4.03, in accordance with a Written Order of the Authority delivered pursuant to Section 4.05.

SECTION 5.07. Interest Fund. The Trustee shall deposit in the Interest Fund on each Interest Payment Date from the Revenue Fund an amount of Revenues which, together with any amounts then on deposit in the Interest Fund, is equal to the interest due on the Authority Bonds due on such date. On each Interest Payment Date, the Trustee shall pay the interest due and payable on the Authority Bonds on such date from the Interest Fund.

SECTION 5.08. Principal Fund. After satisfying the requirements of the foregoing Section 5.07 respecting deposits in the Interest Fund, the Trustee shall deposit in the Principal Fund (i) on each Principal Payment Date from the Revenue Fund an amount of Revenues which, together with any amounts then on deposit in the Principal Fund (other than amounts previously deposited on account of any Authority Bonds which have matured but which have not been presented for payment) is sufficient to pay the Principal Installments on the Authority Bonds due on such Principal Payment Date and (ii) on each September 1 on which a Minimum Sinking Fund Payment is required to be made (for deposit in the Sinking Fund Account) from the Revenue Fund an amount of Revenues which is equal to the Minimum Sinking Fund Payment due and payable on such date. On each Principal Payment Date, the Trustee shall pay the principal or redemption price due and payable on the Authority Bonds on such date from the Principal Fund.

SECTION 5.09. Redemption Fund. All money held in or transferred to the Redemption Fund pursuant to Section 5.06 shall be used for the purpose of redeeming or purchasing all or a portion of the Outstanding Authority Bonds pursuant to Section 4.03, and the Trustee shall use other moneys in the Redemption Fund for the payment of the redemption price of Authority Bonds called for redemption pursuant to Section 4.02, together with accrued interest to the redemption date.

SECTION 5.10. Rebate Fund. The Trustee agrees to establish and maintain when needed a fund separate from any other fund established and maintained hereunder designated the Rebate Fund. The Trustee shall deposit in the Rebate Fund, from funds made available by the Authority, the Rebate Requirement, all in accordance with the Rebate Instructions received from the Authority. The Trustee will apply money held in the Rebate Fund as provided in Section 7.04 and according to instructions provided by the Authority. Subject to the provisions of Section 7.04, all money held in the Rebate Fund is hereby pledged to secure payments to the United States of America, and the Authority and the Community Facilities District and the Owners will have no rights in or claim to such money. The Trustee will invest all money held in the Rebate Fund in Investment Securities as directed in writing by the Authority, such written direction to specify

which Investment Securities are to be invested in, and all investment earnings with respect thereto shall be deposited in the Rebate Fund.

Upon receipt of the Rebate Instructions required by the Tax Certificate to be delivered to the Trustee, the Trustee will remit part or all of the balance held in the Rebate Fund to the United States of America as so directed. In addition, if the Rebate Instructions so direct, the Trustee will deposit money into or transfer money out of the Rebate Fund from or into such Funds as the Rebate Instructions shall direct. The Trustee shall be deemed conclusively to have complied with such provisions if it follows the written directions of the Authority including supplying all necessary information in the manner provided in the Tax Certificate to the extent such information is reasonably available to the Trustee, and shall have no liability or responsibility to monitor or enforce compliance by the Authority with the terms of the Tax Certificate.

The Trustee shall have no obligation to rebate any amounts required to be rebated pursuant to this Section, other than from money held in the Rebate Fund or from other money provided to it by the Authority. The Trustee shall not be responsible for computing the Rebate Requirement, and computations of the Rebate Requirement shall be furnished to the Trustee or on behalf of the Authority in accordance with the Tax Certificate.

Notwithstanding any other provision hereof, including in particular Article XII pertaining to defeasance, the obligation to remit the rebate amounts to the United States of America and to comply with all other requirements of this Section and the Tax Certificate shall survive the defeasance or payment in full of the Authority Bonds.

ARTICLE VI

SECURITY FOR AND INVESTMENT OF MONEY

SECTION 6.01. Security. All money required to be deposited with or paid to the Trustee in any of the Funds (other than the Rebate Fund) referred to in any provision hereof shall be held by the Trustee in trust, and except for money held for the payment or redemption of Authority Bonds or the payment of interest on Authority Bonds pursuant to Section 12.03, shall, while held by the Trustee, constitute part of the Trust Estate and shall be subject to the lien and pledge created hereby.

SECTION 6.02. Investment of Money. So long as the Authority Bonds are Outstanding and there is no default hereunder, all money on deposit to the credit of the Revenue Fund, the Interest Fund, the Principal Fund and the Redemption Fund and all accounts within such Funds shall, at the written request of an Authorized Officer of the Authority specifying and directing that such investment of such money be made, be invested by the Trustee in Investment Securities having maturities not later than the date necessary to provide the availability of money when needed for purposes hereof, and all money held in the Rebate Fund shall, at the written request of an Authorized Officer specifying and directing that such investment of such money be made, be invested by the Trustee in Government Obligations having maturities not later than the date necessary to provide the availability of money when needed for purposes hereof, and the Trustee shall be entitled to conclusively rely on such instructions for purposes of this Section. The Trustee shall notify the Authority in writing prior to the date money held hereunder will be

available for investment, requesting that the Authority deliver to the Trustee written instructions specifying the Investment Securities to be acquired by the Trustee with such money. The Authority, in issuing such written instructions, shall comply with the provisions of the Tax Certificate. In the absence of written instructions from the Authority regarding investment, such money shall be held uninvested. The Trustee (or any affiliate thereof) may act as principal or agent in the acquisition or disposition of any investments.

Money on deposit in the Proceeds Fund, if any, shall be invested in Investment Securities pursuant to a Written Order specifying which Investment Securities to be invested in, and such money may not be reinvested in any other Investment Securities unless the Trustee receives, at the time of such reinvestment, a further written certification to the effect that, after such reinvestment, the Revenues will be sufficient to pay principal and interest on the Authority Bonds when due.

Notwithstanding anything to the contrary contained herein, an amount of interest received with respect to any Investment Security equal to the amount of accrued interest, if any, paid as part of the purchase price of such Investment Security shall be credited to the Fund from which such accrued interest was paid. The Trustee shall not be responsible for any losses, taxes, fees, charges or consequences of any investment, reinvestment or liquidation of investment if it follows such instructions. Notwithstanding anything to the contrary contained herein, the Trustee shall have no obligation or responsibility to determine whether investment in a security is permitted by the laws of the State and the City's Investment Policy, for and on behalf of the Community Facilities District, and shall be entitled to conclusively assume that any investment it is directed to make is so permitted.

The securities purchased with the money in each Fund shall be deemed a part of such Fund. If at any time it shall become necessary or appropriate that some or all of the securities purchased with the money in any Fund be redeemed or sold in order to raise money necessary to comply with the provisions hereof, the Trustee shall effect such redemption or sale, employing, in the case of a sale, any commercially reasonable method of effecting the same. The Trustee shall not be liable or responsible for any consequences, fees, taxes or other charges resulting from any such investment or resulting from the redemption, sale or maturity of any such investment as authorized pursuant to this Section.

Investments in the Revenue Fund, the Interest Fund, the Principal Fund and the Redemption Fund may be commingled for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in particular Funds amounts received or held by the Trustee; provided, that the Trustee shall at all times account for such investments strictly in accordance with the Funds to which they are credited and otherwise as provided herein.

All earnings on the investment of the money on deposit in any Fund shall remain a part of such Fund.

ARTICLE VII

COVENANTS OF THE AUTHORITY AND THE COMMUNITY FACILITIES DISTRICT

SECTION 7.01. Payment of Authority Bonds; No Encumbrances. The Authority shall cause the Trustee to promptly pay, from Revenues and other funds derived from the Trust Estate pledged hereunder, the interest on and principal of and redemption premium, if any, on every Authority Bond issued under and secured hereby at the place, on the dates and in the manner specified herein and in such Authority Bonds according to the true intent and meaning thereof. The Authority shall not issue any bonds, notes or other evidences of indebtedness or incur any obligations payable from or secured by the Trust Estate, other than the Authority Bonds.

SECTION 7.02. Enforcement and Amendment of Local Obligations. The Authority, the Community Facilities District and the Trustee (subject to Article IX hereof) shall enforce all of their rights with respect to the Local Obligations to the fullest extent necessary to preserve the rights and protect the security of the Owners hereunder.

The Authority, the Community Facilities District and the Trustee may, without the consent of or notice to the Owners of the Authority Bonds, consent to any amendment, change or modification of any Local Obligation that may be required (a) to conform to the provisions hereof (including any modifications or changes contained in any Supplemental Trust Agreement), (b) for the purpose of curing any ambiguity or inconsistency or formal defect or omission, (c) to add additional rights acquired in accordance with the provisions of such Local Obligation, (d) in connection with any other change therein that is not to the material prejudice of the Owners of the Authority Bonds, or (e) in the Opinion of Bond Counsel, to preserve or assure the exemption of interest on the Local Obligations or Authority Bonds from federal income taxes or the exemption of such interest from State personal income taxes.

Except for the amendments, changes or modifications provided for in the preceding paragraph, neither the Authority, the Community Facilities District nor the Trustee shall consent to any amendment, change or modification of any Local Obligation without the written approval or consent of the Owners of not less than a majority in aggregate principal amount of Authority Bonds at the time Outstanding given and procured as provided in this Section. If at any time the Authority and the Community Facilities District, as the case may be, shall request the consent of the Trustee to any such proposed amendment, change or modification of a Local Obligation, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice, prepared by the Authority, of such proposed amendment, change or modification to be mailed in the same manner as provided by Section 13.03. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file with the Trustee for inspection by all Owners.

SECTION 7.03. Further Documents. The Authority covenants that it will from time to time execute and deliver such further instruments and take such further action as may be reasonable and as may be required to carry out the purpose hereof; provided, that no such instruments or actions shall pledge the faith and credit or the taxing power of the State or any political subdivision of the State.

SECTION 7.04. Tax Covenants for the Authority Bonds.

(a) The Authority and the Community Facilities District will not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of interest on the Authority Bonds under Section 103 of the Code. The Authority and the Community Facilities District will not directly or indirectly use or permit the use of any proceeds of the Authority Bonds or any other funds of the Authority or take or omit to take any action that would cause the Authority Bonds to be “private activity bonds” within the meaning of Section 141(a) of the Code or obligations which are “federally guaranteed” within the meaning of Section 149(b) of the Code. The Authority will not allow ten percent (10%) or more of the proceeds of the Authority Bonds to be used in the trade or business of any nongovernmental units and will not lend five percent (5%) or more of the proceeds of the Authority Bonds to any nongovernmental units.

(b) The Authority and the Community Facilities District will not directly or indirectly use or permit the use of any proceeds of the Authority Bonds or any other funds of the Authority or take or omit to take any action that would cause the Authority Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code. To that end, the Authority and the Community Facilities District will comply with all requirements of Section 148 of the Code to the extent applicable to the Authority Bonds. In the event that at any time the Authority is of the opinion that for purposes of this Section it is necessary to restrict or to limit the yield on the investment of any money held by the Trustee hereunder, the Authority will so instruct the Trustee in writing, and the Trustee will take such actions as directed by such instructions.

(c) The Authority will pay or cause to be paid the Rebate Requirement as provided in the Tax Certificate. This covenant shall survive payment in full or defeasance of the Authority Bonds. The Authority will cause the Rebate Requirement to be deposited in the Rebate Fund as provided in the Tax Certificate (which is incorporated herein by reference).

(d) The Trustee will conclusively be deemed to have complied with the provisions of this Section and the provisions of the Tax Certificate and shall incur no liability if it follows the directions of the Authority set forth in the Tax Certificate and the Rebate Instructions and shall not be required to take any actions hereunder in the absence of Rebate Instructions from the Authority.

(e) Notwithstanding any provision of this Section, if the Authority shall provide to the Trustee an Opinion of Bond Counsel that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from gross income for federal income tax purposes of interest with respect to the Authority Bonds, the Trustee and the Authority and the Community Facilities District may conclusively rely on such opinion in complying with the requirements of this Section, and the covenants hereunder shall be deemed to be modified to that extent.

(f) The provisions of this Section shall survive the defeasance of the Authority Bonds.

SECTION 7.05. Maintenance of Existence. The Authority shall maintain the existence, powers and authority of the Authority as a joint exercise of powers authority under the laws of the State.

SECTION 7.06. Continuing Disclosure. The Community Facilities District has undertaken all responsibility for compliance with continuing disclosure requirements, and the Authority shall have no liability to the Owners of the Authority Bonds or any other person with respect to S.E.C. Rule 15c2-12. Notwithstanding any other provision hereof, failure of the Community Facilities District to comply with any continuing disclosure obligation shall not be considered an Event of Default; provided, that any Owners of the Authority Bonds or beneficial owner may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Community Facilities District to comply with its continuing disclosure obligations.

SECTION 7.07. Redemption Fund for the Local Obligations.

(a) The Community Facilities District expressly acknowledges that, pursuant to the Local Obligations Indenture, the Community Facilities District is to establish and maintain a separate redemption fund for the Local Obligations (the "Local Obligations Redemption Fund") and, so long as the Local Obligations remain outstanding, to deposit into such Local Obligations Redemption Fund, upon receipt, any and all Special Tax Revenues received by the Community Facilities District in connection with the Local Obligations. The Community Facilities District further acknowledges that no temporary loan or other use whatsoever may be made of Special Tax Revenues, and that the Local Obligations Redemption Fund constitutes a trust fund for the benefit of the owners of the Local Obligations.

(b) The Community Facilities District hereby covenants for the benefit of the Authority, as owner of the Local Obligations, the Trustee, as assignee of the Authority with respect to the Revenues, and the Owners from time to time of the Authority Bonds, that it will establish, maintain and administer the Local Obligations Redemption Fund and the Special Tax Revenues in accordance with their status as trust funds as prescribed by the Act, the Local Obligations Indenture and this Trust Agreement.

(c) The Community Facilities District further covenants that, no later than one (1) Business Day prior to each Interest Payment Date and Principal Payment Date of the Authority Bonds, the Community Facilities District will advance to the Trustee against payment on the Local Obligations, as assignee of the Authority with respect to the Local Obligations, the interest due on the Local Obligations on such Interest Payment Date and the principal of all Local Obligations maturing on such Principal Payment Date, respectively, and upon receipt by the Trustee, such amounts shall constitute Revenues. For so long as Authority Bonds remain Outstanding, the Trustee shall provide written notice to the Authority no later than fifteen (15) days prior to each Interest Payment Date specifying the amount required to be paid to the Trustee pursuant to this subsection in the month subsequent thereto.

SECTION 7.08. Concerning the Trust Estate. The Authority hereby represents and warrants as follows:

(a) This Trust Agreement creates a valid and binding pledge of and security interest in the Trust Estate in favor of the Trustee in order to secure the payment of the interest on and principal of and redemption premiums, if any, on all Authority Bonds Outstanding hereunder, enforceable by the Trustee in accordance with the terms hereof.

(b) Under the laws of the State of California, (1) such pledge of and security interest in the Trust Estate and (2) each pledge, assignment, lien, or other security interest made to secure any prior obligations of the Authority which, by the terms hereof, ranks on parity with or prior to the pledge of and security interest granted hereby, are and shall be prior to any judicial lien hereafter imposed on such collateral to enforce a judgment against the Authority on a simple contract.

(c) The Authority has not heretofore made a pledge of, granted a lien on or security interest in, or made an assignment or sale of the Trust Estate that ranks on parity with or prior to the pledge and security interest granted hereby, except for the pledge and security interest granted to secure the Authority Bonds. The Authority shall not hereafter make or suffer to exist any pledge or assignment of, lien on, or security interest in such collateral that ranks prior to or on parity with the pledge and security interest granted hereby, or file any financing statement describing any such pledge, assignment, lien or security interest, except as expressly permitted hereby.

ARTICLE VIII

DEFAULTS AND REMEDIES

SECTION 8.01. Events of Default. The following shall constitute “Events of Default” hereunder:

- (a) if payment of interest on the Authority Bonds shall not be made when due; or
- (b) if payment of any Principal Installment or Minimum Sinking Fund Payment shall not be made when due and payable, whether at maturity, by proceedings for redemption, or otherwise; or
- (c) if the Authority or the Community Facilities District shall fail to observe or perform in any material way any other agreement, condition, covenant or term contained herein on its part to be observed or performed, and such failure shall continue for thirty (30) days after written notice specifying such failure and requiring the same to be remedied shall have been given to the Authority or the Community Facilities District, as the case may be, by the Trustee or by the Owners of not less than fifty percent (50%) in aggregate principal amount of the Authority Bonds, provided, that if such default be such that it cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted by the Authority or the Community Facilities District within the applicable period and diligently pursued until the default is corrected; or
- (d) if there is an event of default under the Local Obligations Indenture.

SECTION 8.02. Proceedings by Trustee; No Acceleration. Upon the happening and continuance of any Event of Default the Trustee may, or at the written request of the Owners of not less than fifty percent (50%) in aggregate principal amount of Authority Bonds Outstanding, shall (but only if indemnified to its satisfaction from any liability, expense or cost), do the following:

- (a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Owners, including the right to receive and collect the Revenues;

- (b) bring suit upon or otherwise enforce any defaulting Local Obligation;
- (c) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Owners;
- (d) as a matter of right, have a receiver or receivers appointed for the Trust Estate and of the earnings, income, issues, products, profits and revenues thereof pending such proceedings, with such powers as the court making such appointment shall confer; and
- (e) take such action with respect to any and all Local Obligations or Investment Securities as shall be necessary and appropriate, subject to Section 8.04 and to the terms of such Local Obligations or Investment Securities.

The Trustee shall have no right to declare the principal of all of the Authority Bonds then Outstanding, or the interest accrued thereon, to be due and payable immediately.

SECTION 8.03. Effect of Discontinuance or Abandonment. In case any proceeding taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then and in every such case the Trustee and the Owners shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies and powers of the Trustee shall continue as though no such proceeding had been taken.

SECTION 8.04. Rights of Owners. Anything herein to the contrary notwithstanding, but subject to the limitations and restrictions as to the rights of the Owner contained in Sections 8.01, 8.02, and 8.05, upon the happening and continuance of any Event of Default, the Owners of not less than fifty percent (50%) in aggregate principal amount of the Authority Bonds then Outstanding shall have the right, upon providing the Trustee security and indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby, by an instrument in writing executed and delivered to the Trustee, have the right to direct the method and place of conducting all remedial proceedings to be taken by the Trustee hereunder.

The Trustee may refuse to follow any direction that conflicts with law or herewith or that the Trustee determines would subject the Trustee to personal liability without adequate indemnification therefor.

SECTION 8.05. Restriction on Owner's Action. In addition to the other restrictions on the rights of Owners to request action upon the occurrence of an Event of Default and to enforce remedies set forth in this Article, no Owner shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of any trust hereunder, or any other remedy hereunder or in the Authority Bonds, unless such Owner previously shall have given to the Trustee written notice of an Event of Default as hereinabove provided and unless the Owners of not less than fifty percent (50%) in aggregate principal amount of the Authority Bonds then Outstanding shall have made written request of the Trustee to institute any such suit, action, proceeding or other remedy, after the right to exercise such powers or rights of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted herein, or to institute such action, suit or proceeding in its or their name; nor unless there also shall have been offered to the Trustee security and indemnity reasonably

satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall not have complied with such request within a reasonable time; and such notification, request and offer of indemnity are hereby declared in every such case to be conditions precedent to the execution of the trusts hereof or for any other remedy hereunder, it being understood and intended that no one or more Owners of Authority Bonds secured hereby shall have any right in any manner whatever by his, her or their action to affect, disturb or prejudice the security hereof, or to enforce any rights hereunder or under the Authority Bonds, except in the manner provided herein, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner provided herein, and for the equal benefit of all Owners of Outstanding Authority Bonds; subject, however, to the provisions of this Section. Notwithstanding the foregoing provisions of this Section or any other provision hereof, the obligation of the Authority shall be absolute and unconditional to pay, but solely from the Trust Estate, the interest on and principal of and redemption premiums, if any, on the Authority Bonds to the respective Owners thereof at the respective due dates thereof, and nothing herein shall affect or impair the right of action, which is absolute and unconditional, of such Owners to enforce such payment.

SECTION 8.06. Power of Trustee to Enforce. All rights of action hereunder or under any of the Authority Bonds secured hereby which are enforceable by the Trustee may be enforced by it without the possession of any of the Authority Bonds, or the production thereof at the trial or other proceedings relative thereto, and any such suit, action or proceedings instituted by the Trustee shall be brought in its own name, as Trustee, for the equal and ratable benefit of the Owners subject to the provisions hereof.

SECTION 8.07. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the Owners is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 8.08. Waiver of Events of Default; Effect of Waiver. Upon the written request of the Owners of at least a majority in aggregate principal amount of all Outstanding Authority Bonds, the Trustee shall waive any Event of Default hereunder and its consequences. If any Event of Default shall have been waived as herein provided, the Trustee shall promptly give written notice of such waiver to the Authority and the Community Facilities District and shall give notice thereof by first class mail, postage prepaid, to all Owners of Outstanding Authority Bonds if such Owners had not previously been given notice of such Event of Default; but no such waiver, rescission and annulment shall extend to or affect any subsequent Event of Default, or impair any right or remedy consequent thereon.

No delay or omission of the Trustee or of any Owner to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default, or an acquiescence therein; and every power and remedy given by this Article to the Trustee and to the Owners may be exercised from time to time and as often as may be deemed expedient.

SECTION 8.09. Application of Money upon Event of Default. Any money received by the Trustee pursuant to this Article shall, after payment of all fees and expenses of the Trustee, and the fees and expenses of its counsel incurred in representing the Owners, be applied as follows:

(a) unless the principal of all of the Outstanding Authority Bonds shall be due and payable,

FIRST - To the payment of the Owners entitled thereto of all installments of interest then due on the Authority Bonds, in the order of the maturity of the installments of such interest, and if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or privilege;

SECOND - To the payment of the Owners entitled thereto of the unpaid principal of and redemption premiums, if any, on any of the Authority Bonds which shall have become due (other than Authority Bonds matured or called for redemption for the payment of which money is held pursuant to the provisions hereof) in the order of their due dates, and if the amount available shall not be sufficient to pay in full the principal of and redemption premiums, if any, on such Authority Bonds due on any particular date, then to the payment ratably, according to the amount due on such date, to the Owners entitled thereto without any discrimination or privilege; and

THIRD - To be held for the payment to the Owners entitled thereto as the same shall become due of the interest on and principal of and redemption premiums, if any, on the Authority Bonds which may thereafter become due, either at maturity or upon call for redemption prior to maturity, and if the amount available shall not be sufficient to pay in full such interest and principal and redemption premiums, if any, due on any particular date, payment shall be made in accordance with the FIRST and SECOND paragraphs hereof.

(b) if the principal of all of the Outstanding Authority Bonds shall be due and payable, to the payment of the interest on and principal of and redemption premiums, if any, due on all Outstanding Authority Bonds without preference or priority of or of any interest on any Outstanding Authority Bond over any other Outstanding Authority Bond, any principal of or the redemption premium, if any, on any Outstanding Authority Bond or of any other Outstanding Authority Bond, ratably, according to the amounts due respectively for interest and principal and redemption premiums, if any, to the Owners entitled thereto without any discrimination or preference except as to any difference in the respective amounts of interest specified in the Outstanding Authority Bonds.

ARTICLE IX

THE TRUSTEE

SECTION 9.01. Appointment and Acceptance of Duties. The Trustee hereby accepts and agrees to the trusts hereby created to all of which the Authority agrees and the respective Owners of the Authority Bonds, by purchase and acceptance thereof, agree.

SECTION 9.02. Duties, Immunities and Liability of Trustee. The Trustee shall, prior to an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth herein, and no implied duties or obligations shall be read herein against the Trustee. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it hereby and use the same degree of care and skill in their exercise as a prudent person would exercise under the circumstances in the conduct of his or her own affairs.

In the absence of an Event of Default, the Authority may remove the Trustee. The Authority shall remove the Trustee if (A) it receives an instrument or concurrent instruments in writing signed by the Owners of not less than a majority in aggregate principal amount of the Authority Bonds then Outstanding (or their attorneys duly authorized in writing) or (B) at any time the Trustee shall cease to be eligible in accordance with this Section, or (C) the Trustee shall become incapable of acting, or (D) the Trustee shall commence a case under any bankruptcy, insolvency or similar law, or (E) a receiver of the Trustee or of its property shall be appointed, or (F) any public officer shall take control or charge of the Trustee or its property or affairs for the purpose of rehabilitation, conservation or liquidation. To effect any such removal, the Authority shall give written notice thereof to the Trustee, and thereupon the Authority (with the concurrence of the Community Facilities District) shall promptly appoint a successor Trustee by an instrument in writing.

The Trustee may, subject to the next following paragraph of this Section, resign by giving written notice of such resignation by mail, first class postage prepaid, to the Authority, the Community Facilities District and the Owners at the respective addresses listed in the Bond Register. Upon receiving such notice of resignation, the Authority (with the concurrence of the Community Facilities District) shall promptly appoint, by an instrument in writing, a successor Trustee.

Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of the successor Trustee by the Authority and the Community Facilities District and acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed and shall have accepted appointment within thirty (30) days of giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or any Owner (on behalf of himself and all other Owners) may petition, at the expense of the Community Facilities District, any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Trust Agreement shall signify its acceptance of such appointment by executing and delivering to the Authority and the Community Facilities District and to its predecessor Trustee a written acceptance thereof, and

thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the money, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if it were originally named Trustee herein; but, nevertheless, at the written request of the Authority or the Community Facilities District or the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it hereunder and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the Authority and the Community Facilities District shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such money, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, such successor Trustee shall mail a notice of the succession of such successor Trustee to the trusts hereunder by first class mail, postage prepaid, to the Owners at their respective addresses listed in the Bond Register.

Any successor Trustee appointed under the provisions of this Section shall be a trust company or bank having the powers of a trust company, having a designated corporate trust office in California, and with a combined capital and surplus of at least one hundred million dollars (\$100,000,000) and being subject to supervision or examination by federal or state authority; and if such bank or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this subsection, the Trustee shall resign promptly in the manner and with the effect specified in this Section.

No provision herein shall require the Trustee to risk or expend its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder unless the Owners shall have offered to the Trustee indemnity it deems reasonable, against the costs, expenses and liabilities that may be incurred. The Trustee shall be entitled to interest on all money advanced by it hereunder at its prime rate then in effect plus two percent (2%), but not to exceed the maximum interest rate permitted by the laws of the State.

In accepting the trust hereby created, the Trustee is acting solely as Trustee for the Owners and not in its individual capacity, and under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Authority Bonds.

The Trustee makes no representation or warranty, express or implied, as to the compliance with legal requirements of the use contemplated by the Authority or the Community Facilities District of the funds hereunder including, without limitation, the purchase of the Local Obligations hereunder; provided, that the Trustee shall not acquire Local Obligations other than pursuant to the provisions of Sections 5.03 and 5.04.

In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

The Trustee shall not be responsible for the validity or effectiveness or value of any collateral or security securing any Local Obligation. The Trustee shall not be responsible for the recording or filing of any document relating hereto or any Local Obligation or of financing statements (or amendments or continuation statements in connection therewith) or mortgage or of any supplemental instruments or documents of further assurance as may be required by law in order to perfect the security interests or lien on or in any collateral or security securing any Local Obligation. The Trustee shall not be deemed to have made representations as to the security afforded thereby or as to the validity or sufficiency of any such document, collateral or security.

The Trustee shall not be deemed to have knowledge of any Event of Default hereunder unless and until a Responsible Officer of the Trustee shall have actual knowledge thereof at its Corporate Trust Office.

The Trustee shall not be accountable for the use or application by the Authority or the Community Facilities District or any other party of any funds which the Trustee has released hereunder.

The Trustee shall provide a monthly accounting of all funds held pursuant hereto to the Authority within fifteen (15) Business Days after the end of such month and shall provide statements of account for each annual period beginning July 1 and ending June 30, within ninety (90) days after the end of such period. Such accounting shall show in reasonable detail all financial transactions during the accounting period and the balance in any accounts and funds (including the Local Obligations Fund) created hereunder as of the beginning and the close of such accounting period.

The Trustee shall furnish the Authority periodic cash transaction statements which include detail for all investment transactions effected by the Trustee or brokers selected by the Authority. Upon the Authority's election, such statements will be delivered via the Trustee's online service and upon electing such service, paper statements will be provided only upon request. The Authority waives the right to receive brokerage confirmations of security transactions effected by the Trustee as they occur, to the extent permitted by law. The Authority further understands that trade confirmations for securities transactions effected by the Trustee will be available upon request and at no additional cost and other trade confirmations may be obtained from the applicable broker.

SECTION 9.03. Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business shall succeed to the rights and obligations of the Trustee without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding; provided, that such company shall be eligible under Section 9.02.

SECTION 9.04. Compensation and Indemnification. The Authority shall pay or cause the Community Facilities District to pay the Trustee such compensation, as shall be agreed in writing, for its services rendered hereunder and reimburse the Trustee for reasonable expenses, disbursements and advances, including attorneys' fees and expenses, incurred by the Trustee in the performance of its obligations hereunder and with respect to the Local Obligations.

The Authority agrees, to the extent permitted by law, to indemnify the Trustee and its officers, directors, employees, attorneys and agents for, and to hold it harmless against, any loss, liability, claim or expense incurred without negligence or willful misconduct on its part arising out of or in connection with (i) the acceptance or administration of the trusts imposed hereby, including performance of its duties hereunder, including the costs and expenses of defending itself against any claims (whether asserted by the City or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder (including this Section 9.04), (ii) the projects to be financed with the purchase of the Local Obligations; (iii) the sale of any Authority Bonds or the purchase of the Local Obligations and the carrying out of any of the transactions contemplated by the Authority Bonds or the Local Obligations; or (iv) any untrue statement of any material fact or omission to state a material fact necessary to make the statements made, in light of the circumstances under which they were made, not misleading in any official statement or other disclosure document utilized by the Authority or the Community Facilities District in connection with the sale of the Authority Bonds or the Local Obligations. The Authority's obligations hereunder with respect to indemnity of the Trustee and the provision for its compensation set forth in this Article shall survive and remain valid and binding notwithstanding the maturity and payment of the Authority Bonds, or the resignation or removal of the Trustee.

The Trustee shall have no responsibility for or liability in connection with assuring that all of the procedures or conditions to closing set forth in the contract of purchase for the sale of the Authority Bonds, that all documents required to be delivered on the closing date to the parties are actually delivered, except its own responsibility to receive or deliver the proceeds of the sale, deliver the Authority Bonds and other certificates expressly required to be delivered by it and its counsel.

The Trustee shall not be responsible for determining or investigating whether any Local Obligation purchased pursuant to Section 5.03 is a Local Obligation, as defined herein, and the Trustee may conclusively rely on the Authority's determination and direction in this regard; provided, that the Trustee shall not acquire the Local Obligations other than pursuant to the provisions of Section 5.03. The Trustee shall be entitled to rely conclusively on the covenants, representations and warranties of each obligor on any Local Obligation and in the documents and certificates delivered in connection therewith and each Written Order.

SECTION 9.05. Liability of Trustee. The recitals of facts herein and in the Authority Bonds contained shall be taken as statements of the Authority or the Community Facilities District, and the Trustee does not assume any responsibility for the correctness of the same, and does not make any representations as to the validity or sufficiency hereof or of the Authority Bonds, and shall not incur any responsibility in respect thereof, other than in connection with the duties or obligations herein or in the Authority Bonds assigned to or imposed upon it; provided, that the Trustee shall be responsible for its representations contained in its certificate of authentication on the Authority Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder except for its own negligence or willful misconduct. The Trustee (in its individual or any other capacity) may become the Owner of Authority Bonds with the same rights it would have if it were not Trustee hereunder, and, to the extent permitted by law, may act as depositary for and permit any of its officers, directors and employees to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the Authority Bonds then Outstanding. The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of a majority in principal amount of the Outstanding Authority Bonds relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee hereunder. Whether or not therein expressly so provided, every provision hereof or related documents relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article.

SECTION 9.06. Right to Rely on Documents; Adverse Effect Determinations. The Trustee may conclusively rely on and shall be protected in acting or refraining from acting upon any notice, resolution, requisition, request, consent, order, certificate, report, opinion, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel of its selection, who may be counsel of or to the Authority, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by it hereunder in good faith and in accordance therewith.

Whenever in the administration of the trusts imposed upon it hereby the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering or omitting any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by an Officer's Certificate, and such Officer's Certificate shall be full warrant to the Trustee for any action taken or suffered or omitted in good faith under the provisions hereof in reliance upon such Officer's Certificate, but the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

The Trustee shall be entitled to advice of counsel of its selection and other professionals or agents concerning all matters of trust and its duty hereunder, but the Trustee shall not be answerable or liable for the acts or omissions of any agent, attorney-at-law, certified public accountant, or other professional if such agent, attorney-at-law, certified public accountant or other professional was selected by the Trustee with due care.

SECTION 9.07. Preservation and Inspection of Documents. All documents received by the Trustee under the provisions hereof shall be retained in its possession in accordance with its record retention policies and shall be subject at all reasonable times upon prior written notice to the inspection of the Authority, the Owners of not less than a majority of the aggregate principal amount of the Outstanding Authority Bonds, and their agents and representatives duly authorized in writing, at reasonable hours and under reasonable conditions.

SECTION 9.08. Indemnity for Trustee. Before taking any action or exercising any rights or powers hereunder, the Trustee may require that satisfactory indemnity be furnished to it for the reimbursement of any and all costs, claims and expenses which it may incur and to indemnify it against any and all liability, except liability which may result from its negligence or willful misconduct, by reason of any action so taken.

ARTICLE X

EXECUTION OF INSTRUMENTS BY OWNERS AND PROOF OF OWNERSHIP OF AUTHORITY BONDS

SECTION 10.01. Execution of Instruments; Proof of Ownership. Any request, direction, consent or other instrument in writing required or permitted hereby to be signed or executed by Owners may be in any number of concurrent instruments of similar tenor by different parties and may be signed or executed by such Owners in person or by agent appointed by an instrument in writing. Proof of the execution of any such instrument and of the ownership of Authority Bonds shall be sufficient for any purpose hereof and shall be conclusive in favor of the Trustee with regard to any action taken, suffered or omitted by either of them under such instrument if made in the following manner:

(a) The fact and date of the execution by any Person of any such instrument may be proved by the certificate of any officer in any jurisdiction who, by the laws thereof, has power to take acknowledgments within such jurisdiction, to the effect that the Person signing such instrument acknowledged before him or her the execution thereof, or by an affidavit of a witness to such execution.

(b) The fact of the ownership of Authority Bonds hereunder by any Owner and the serial numbers of such Authority Bonds and the date of his ownership of the same shall be proved by the Bond Register.

Nothing contained in this Article shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters in this Article stated which shall be sufficient. Any request or consent of the Owner shall bind every future Owner of such Authority Bond and any Authority Bond or Authority Bonds issued in exchange or substitution therefor or upon the registration of transfer thereof in respect of anything done by the Trustee in pursuance of such request or consent.

ARTICLE XI

SUPPLEMENTAL TRUST AGREEMENTS

SECTION 11.01. Supplemental Trust Agreements with Consent of Owners. Any modification or alteration hereof or of the rights and obligations of the Authority, the Community Facilities District or the Owners may be made with the consent of the Owners of not less than a majority in aggregate principal amount of the Authority Bonds then Outstanding; provided, that no such modification or alteration shall be made which will reduce the percentage of aggregate principal amount of Authority Bonds the consent of the Owners of which is required for any such modification or alteration or permit the creation by the Authority or the Community Facilities District of any lien prior to or on parity with the lien hereof upon the Trust Estate or which will affect the times, amounts and currency of payment of the interest on or principal of or redemption premiums, if any, on the Authority Bonds or affect the rights, duties or obligations of the Trustee without the consent of the party affected thereby.

SECTION 11.02. Supplemental Trust Agreements Without Consent of Owners. The Authority and the Community Facilities District may, without the consent of the Owners, enter into a Supplemental Trust Agreement or Supplemental Trust Agreements, which thereafter shall form a part of this Trust Agreement, for any one or more of the following purposes:

(a) to add to the agreements and covenants of the Authority or the Community Facilities District contained herein other agreements and covenants thereafter to be observed, or to surrender any right or power herein reserved to or conferred upon the Authority or the Community Facilities District; provided, that no such agreement, covenant or surrender shall materially adversely affect the rights of any Owner;

(b) to cure any ambiguity, to supply any omission or to cure, correct or supplement any defect or inconsistent provisions contained herein or in any Supplemental Trust Agreement;

(c) to make any change which does not materially adversely affect the rights of any Owner;

(d) to grant to the Trustee for the benefit of the Owners additional rights, remedies, powers or authority;

(e) to subject hereto additional collateral or to add other agreements of the Authority or the Community Facilities District;

(f) to modify this Trust Agreement or the Authority Bonds to permit qualification hereof under the Trust Indenture Act of 1939, as amended, or any similar statute at the time in effect, or to permit the qualification of the Authority Bonds for sale under the securities laws of any state of the United States of America;

(g) to make any amendments or supplements necessary or appropriate to preserve or protect the exclusion from gross income for federal income tax purposes under the Code of the interest on the Authority Bonds or the exemption of interest on the Authority Bonds from State personal income taxes; or

- (h) to evidence the succession of a successor Trustee.

For all purposes of this Section, the Trustee shall be entitled to conclusively rely upon and shall be fully protected in relying upon an Opinion of Bond Counsel with respect to the extent, if any, to which any action affects the rights hereunder of any Owner.

SECTION 11.03. Trustee Authorized to Enter into Supplemental Trust Agreements. The Trustee is hereby authorized to enter into any Supplemental Trust Agreement with the Authority and the Community Facilities District authorized or permitted by the terms hereof, and to make the further agreements and stipulations which may be therein contained, and for all purposes of this Section the Trustee shall be entitled to conclusively rely upon and shall be fully protected in relying upon an Opinion of Bond Counsel to the effect that such Supplemental Trust Agreement is authorized or permitted by the provisions hereof.

ARTICLE XII

DEFEASANCE

SECTION 12.01. Defeasance. If and when the Authority Bonds secured hereby shall become due and payable in accordance with their terms or through redemption proceedings as provided herein, or otherwise, and the whole amount of the interest on and principal of redemption premiums, if any, so due and payable upon all of the Authority Bonds shall have been paid, or provision shall have been made for the payment of the same, together with all other sums payable hereunder by the Authority, including all fees and expenses of the Trustee, then and in that case, this Trust Agreement and the lien created hereby shall be completely discharged and satisfied and the Authority and the Community Facilities District shall be released from the respective agreements, conditions, covenants and terms of the Authority and the Community Facilities District contained herein, and the Trustee shall assign and transfer all property (in excess of the amounts required for the foregoing) then held by the Trustee free and clear of any encumbrances as provided in Section 12.04 and shall execute such documents as may be reasonably required by the Authority or the Community Facilities District in this regard.

Notwithstanding the satisfaction and discharge hereof, those provisions of this Trust Agreement relating to the maturity of the Authority Bonds, interest payments and dates thereof, exchange and transfer of Authority Bonds, replacement of mutilated, destroyed, lost or stolen Authority Bonds, the safekeeping and cancellation of Authority Bonds, nonpresentment of Authority Bonds, and the duties of the Trustee in connection with all of the foregoing, shall remain in effect and shall be binding upon the Trustee and the Owner, and the Trustee shall, subject to Section 13.06, continue to be obligated to hold in trust any money or investments then held by the Trustee for the payment of the interest on and principal of and redemption premiums, if any, on the Authority Bonds, to pay to the Owner of Authority Bonds the funds so held by the Trustee as and when such payments become due, and those provisions hereof contained in Section 9.04 relating to the compensation and indemnification of the Trustee and in Section 7.04 relating to the tax covenants of the Authority and the Community Facilities District shall remain in effect and shall be binding upon the Trustee, the Authority and the Community Facilities District.

SECTION 12.02. Authority Bonds Deemed to Have Been Paid. If any money shall have been set aside and held by the Trustee for the payment or redemption of any Authority Bonds and the interest installments therefor at the maturity thereof or date fixed for redemption, such Authority Bonds shall be deemed to be paid within the meaning and with the effect provided in Section 12.01. Any Outstanding Bond shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in Section 12.01 if (a) in case any Authority Bonds are to be redeemed on any date prior to their maturity, the Authority shall have given to the Trustee irrevocable instructions to mail notice of redemption of such Authority Bonds on such redemption date, such notice to be given in accordance with the provisions of Article IV, (b) there shall have been deposited with the Trustee in escrow either (i) money in an amount which shall be sufficient to pay when due the interest on and principal of and redemption premiums, if any, due and to become due on such Authority Bonds on and prior to the date scheduled for redemption or maturity date thereof, as the case may be, or (ii) noncallable Government Obligations the principal of and the interest on which when due, and without any reinvestment thereof, will provide money which, together with the money, if any, deposited with or held by the Trustee at the same time, shall be sufficient as verified by a report of a nationally recognized independent certified public accountant to pay when due the interest on and principal of and redemption premiums, if any, due and to become due on such Authority Bonds on and prior to the date fixed for redemption or maturity date thereof, as the case may be, and (c) in the event any of such Authority Bonds are not to be redeemed within the next succeeding sixty (60) days, the Authority shall have given the Trustee irrevocable instructions to mail, as soon as practicable in the same manner as a notice of redemption is mailed pursuant to Article IV, a notice to the Owners of such Authority Bonds that the deposit required by (b) above has been made with the Trustee and that such Authority Bonds are deemed to have been paid in accordance with this Section and stating the maturity dates or redemption dates upon which money is to be available for the payment of the interest on and principal of and redemption premiums, if any, on such Authority Bonds. Neither the securities nor money deposited with the Trustee pursuant to this Section nor interest or principal payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the interest on and principal of and redemption premiums, if any, on such Authority Bonds; provided, that any cash received from such interest or principal or interest payments on such obligations deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable and at the written direction of the Authority, be reinvested in Government Obligations, such written direction to specify which Government Obligations are to be invested in, maturing at times and in amounts, together with the other money and payments with respect to Government Obligations then held by the Trustee pursuant to this Section, sufficient to pay when due the interest on and principal of and redemption premiums, if any, to become due on such Authority Bonds on and prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall, upon receipt by the Trustee of a Written Order so directing, be paid over to the Authority as received by the Trustee free and clear of any trust, lien or pledge.

SECTION 12.03. Money Held for Particular Authority Bonds. Except as otherwise provided in Section 12.02 or 13.06, the amounts held by the Trustee for the payment of the interest on or principal of or the redemption premiums, if any, or the interest due on any date with respect to particular Authority Bonds shall, on and after such date and pending such payment, be set aside on its books and held in trust by it solely for the Owners entitled thereto.

SECTION 12.04. Effect of Defeasance of Authority Bonds. Notwithstanding any other provision hereof, in the event that the Authority Bonds are defeased and the obligations hereunder are discharged pursuant to this Article, the Trustee shall transfer all property and money held by the Trustee (including, without limitation, the Local Obligations), to or upon the written order of the Authority.

ARTICLE XIII

SECTION 13.01. Dissolution of Authority. In the event of the dissolution of the Authority, all the agreements, conditions, covenants and terms contained herein by or on behalf of, or for the benefit of, the Authority shall bind or inure to the benefit of the successors of the Authority from time to time and any officer, board, commission, agency or instrumentality to whom or to which any power or duty of the Authority shall be transferred.

SECTION 13.02. Parties Interested Herein. Except as otherwise specifically provided herein, nothing contained herein, expressed or implied, is intended or shall be construed to confer upon any Person other than the Authority, the Community Facilities District, the Trustee and the Owners any right, remedy or claim under or by reason hereof, this Trust Agreement being intended to be for the sole and exclusive benefit of the Authority, the Community Facilities District, the Trustee and the Owners.

Each such notice, statement, demand, consent, approval, authorization, offer, designation, request or other communication hereunder shall be deemed delivered to the party to whom it is addressed (a) if personally served or delivered, upon delivery, (b) if given by electronic communication, upon the sender's receipt of an appropriate answer back or other written acknowledgment or confirmation of receipt of the entire notice, approval, demand, report or other communication, (c) if given by first class mail deposited with the United States mail postage prepaid, seventy-two (72) hours after such notice is deposited with the United States mail, (d) if given by overnight courier, with courier charges prepaid, twenty-four (24) hours after delivery to said overnight courier, or (e) if given by any other means, upon delivery at the address specified in this Section.

In case, by reason of the suspension of or irregularities in regular mail service, it shall be impractical to mail to the Owners notice of any event when such notice is required to be given pursuant to any provision hereof, then any manner of giving such notice as the Authority shall direct and not objected to by the Trustee shall be deemed to be a sufficient giving of such notice.

The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("**Instructions**") given pursuant to this Trust Agreement and delivered using Electronic Means ("**Electronic Means**" shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder); provided, however, that the Authority shall provide to the Trustee an incumbency certificate listing officers with the Authority to provide such Instructions and containing specimen signatures of such officers, which incumbency certificate shall be amended by the Authority whenever a person is to be added or deleted from the listing. If the Authority elects to give the Trustee Instructions using Electronic Means and the Trustee in its reasonable judgment elects to act upon such Instructions, the Trustee's understanding of such Instructions shall be deemed controlling. The Community Facilities District understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall be entitled to conclusively presume without liability that directions that purport to have been sent by an officer listed on the incumbency certificate provided to the Trustee have been sent by such officer. The Authority shall be responsible for ensuring that only officers transmit such Instructions to the Trustee and that the Authority and all officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Authority. The Trustee shall not be liable for any losses, costs claims, or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding the fact that such directions conflict or are inconsistent with a subsequent written

instruction. The Authority agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Authority; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee in writing immediately upon learning of any compromise or unauthorized use of the security procedures.

SECTION 13.04. Holidays. If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided herein, shall not be a Business Day, such payment may be made or act performed or right exercised on the next succeeding Business Day with the same force and effect as if done on the nominal date provided in this Trust Agreement, and no interest shall accrue for the period from and after such nominal date.

SECTION 13.05. Limitation of Liability. The Authority shall not be obligated to make any payments required hereunder or under any Bond, or be deemed to incur any liability hereunder or by reason hereof or arising out of any of the transactions contemplated hereby, payable from any funds or assets other than the Trust Estate as provided herein.

SECTION 13.06. Unclaimed Money. Anything contained herein to the contrary notwithstanding, any money held by the Trustee in trust for the payment and discharge of the interest on or principal of or redemption premiums, if any, on any Bond which remains unclaimed for two (2) years after the date when such amounts have become payable, if such money was held by the Trustee on such date, or for two (2) years after the date of deposit of such money if deposited with the Trustee after the date such amounts have become payable, shall be paid by the Trustee to the Authority as its absolute property free from trust, and the Trustee shall thereupon be released and discharged with respect thereto and the Owners shall look only to the Authority for the payment of such amounts; provided, that before being required to make any such payment to the Authority, the Trustee shall, at the expense and written direction of the Authority, give notice by first class mail to the Owners that such money remains unclaimed and that after a date named in such notice, which date shall not be less than sixty (60) days after the date of giving such notice, the balance of such money then unclaimed will be returned to the Authority.

SECTION 13.08. Severability of Invalid Provisions. If any clause, provision or section hereof is held illegal or invalid by any court, the invalidity of such clause, provision or section shall not affect any of the remaining clauses, provisions or sections hereof, and this Trust Agreement shall be construed and enforced as if such illegal or invalid clause, provision or section had not been contained herein.

SECTION 13.09. Counterparts and Electronic Execution. This Trust Agreement may be executed in any number of counterparts, each of which, when so executed and delivered, shall

be an original; but all of which such counterparts shall together constitute but one and the same instrument. The exchange of copies of this Trust Agreement and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Trust Agreement as to the parties hereto and may be used in lieu of the original Trust Agreement and signature pages for all purposes. Each party agrees that the electronic signatures, whether digital or encrypted, of the parties included in this Trust Agreement are intended to authenticate this writing and to have the same force and effect as manual signatures. Electronic signature means any electronic sound, symbol, or process attached to or logically associated with a record and executed and adopted by a party with the intent to sign such record, including facsimile or email electronic signatures.

SECTION 13.10. U.S.A. Patriot Act. The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. Patriot Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Trust Agreement agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the U.S.A. Patriot Act.

SECTION 13.11. Force Majeure. In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, pandemics, epidemics, quarantine restrictions, recognized public emergencies, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 2.11. Registration of the Bonds. The Bonds shall be registered in the name of the Authority and delivered to the Authority Trustee upon the issuance thereof in accordance with the provisions of the Local Obligation Purchase Contract.

Section 2.12. CUSIP Numbers. The Community Facilities District in issuing the Bonds may, but shall not be required to, use "CUSIP" numbers (if then generally in use), and, if

used, the Trustee shall use “CUSIP” numbers in notices of redemption as a convenience to Holders; provided that the Trustee shall have no liability for any defect in the “CUSIP” numbers as they appear on any Bond, notice or elsewhere, and, provided further that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Bonds, and any such redemption shall not be affected by any defect in or omission of such numbers. The Community Facilities District shall promptly notify the Trustee in writing of any change in “CUSIP” numbers, if any. The Community Facilities District does not expect to use “CUSIP” numbers for the 2024 Bonds.

Section 2.13. Application of Proceeds of Sale of 2024 Bonds. Upon the receipt of payment of the purchase price of the 2024 Bonds when the 2024 Bonds shall have been duly sold by the Community Facilities District, the Trustee shall deposit such proceeds of sale of the 2024 Bonds into a temporary account called the Proceeds Fund which the Trustee shall establish, maintain and hold in trust, and which shall be disbursed in full on the date of receipt (whereupon said temporary account shall be closed) in the following order:

(a) The Trustee shall deposit in the Series 2024 Bond Reserve Account the amount of \$[_____], being a sum equal to the Required Bond Reserve, which such account is hereby created in the Bond Reserve Fund;

(b) The Trustee shall deposit in the Acquisition and Construction Fund the amount of \$[_____]; and

There is hereby established a fund to be known as the City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 4 Special Tax Bonds Acquisition and Construction Fund, to be held and administered by the Trustee. All money in the Acquisition and Construction Fund shall be used by the Trustee for payment of the costs of the acquisition and construction of the Facilities, including the repayment of funds advanced by the City for the Community Facilities District and the repayment under any agreement of advances of funds or reimbursement for the lesser of the value or cost of work in-kind provided by any person for the Community Facilities District, upon receipt of a Written Request of the Community Facilities District filed with the Trustee, each of which shall be sequentially numbered and shall state the person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against such fund; provided, that any remaining amount therein after the completion of such purpose (as set forth in a Certificate of the Community Facilities District so determining filed with the Trustee) shall be transferred by the Trustee to the Redemption Account. The Acquisition and Construction Fund will be closed following the last date of transfer.

Section 2.16. Costs of Issuance Fund. There is hereby established a fund to be known as the City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement

(b) Optional Redemption of the 2024 Bonds. The 2024 Bonds are subject to optional redemption by the Community Facilities District prior to their respective maturity dates as a whole or in part on any date on or after September 1, 20[___], from funds derived by the Community Facilities District from any source other than such Minimum Sinking Fund Account Payments deposited in the Sinking Fund Subaccount or such prepayments of the Special Tax, upon mailed notice as provided herein, at the following redemption prices (computed upon the principal amount of the 2024 Bonds or portions thereof called for redemption) together with accrued interest thereon to the date fixed for redemption:

103% if redeemed on any date on or after September 1, 20[___],
through August 31, 20[___];

102% if redeemed on any date from September 1, 20[___], through

The 2024 Bonds are subject to extraordinary redemption by the Community Facilities District prior to their respective maturity dates, as a whole or in part on any interest payment date on and after March 1, 2025, from funds derived by the Community Facilities District from prepayments of the Special Tax, upon mailed notice as provided herein, at the following redemption prices (computed upon the principal amount of the 2024 Bonds or portions thereof called for redemption) together with accrued interest thereon to the date fixed for redemption, to wit:

101% if redeemed on an interest payment date on September 1, 20[], or March 1, 20[]; and

100% if redeemed on September 1, 20[], or any interest payment date thereafter.

Section 3.02. Selection of Bonds for Redemption. If less than all the Outstanding Bonds are to be redeemed as a result of prepayments of the Special Tax at any one time, the Bonds shall be redeemed pro rata by maturity. If less than all the Outstanding Bonds are to be redeemed at the option of the Community Facilities District at any one time, the Bonds of the latest maturity date or dates shall be redeemed prior to or simultaneously with the redemption of the Bonds maturing prior thereto, and if less than all the Outstanding Bonds of any one maturity date are to be redeemed at any one time, the Trustee shall select the Bonds or the portions thereof of such maturity date to be redeemed in integral multiples of five thousand dollars (\$5,000) in a manner that it deems appropriate and fair.

Section 3.03. Notice of Redemption of Bonds. At the Written Request of and at the sole cost and expense of the Community Facilities District, received by the Trustee at least ten (10) days in advance of so sending, such Written Request to contain the information to be contained in the notice of redemption to be sent to Holders, as set forth below, the Trustee shall mail at least twenty (20) and not more than sixty (60) days prior to the date fixed for redemption, notice of redemption pursuant to Section 10.14 to the respective Holders of all Bonds selected for redemption in whole or in part and to all securities depositories and securities information services selected by the Community Facilities District to comply with custom or the rules of any securities exchange or commission or brokerage board or otherwise as may be determined by the Community Facilities District in its sole discretion, but neither failure to receive any such mailed notice nor any immaterial defect contained therein shall affect the sufficiency or the validity of such proceedings for redemption; provided, that no notice of redemption need be given to the Authority

for any Bonds for which the Authority is the Holder. Such notice shall state the date of such notice, the Bonds to be redeemed, the date of issue of such Bonds, the redemption date, the redemption price, the place of redemption (including the name and appropriate address of the Trustee), and, if less than all of any such maturity, the numbers of the Bonds of such maturity to be redeemed and, in the case of Bonds to be redeemed in part only, the respective portions of the principal amount thereof to be redeemed, and shall give notice that further interest on such Bonds or the portions thereof to be redeemed will not accrue from and after the redemption date, and shall require that such Bonds be then surrendered for redemption at the address of the Trustee so designated. If any Bond so chosen for redemption shall not be redeemable in whole, such notice shall also state that such Bond is to be redeemed in part only and that upon presentation of such Bond for redemption there will be issued in lieu of the unredeemed portion of principal thereof a new Bond or Bonds of the same series and maturity date equal in aggregate principal amount to such unredeemed portion.

In the event of an optional redemption of Bonds, the Trustee shall mail a notice of redemption, in the same manner as aforesaid, only after receipt of a Written Request of the Community Facilities District at least 10 days prior to the date on which the Trustee must send notice to the Holders of the Bonds; provided, however, if sufficient monies for the payment of the redemption price of all Bonds to be redeemed are not then on deposit with the Trustee, such notice shall state that such redemption shall be conditioned upon the timely deposit of sufficient funds therefor with the Trustee.

Any notice of optional redemption may be rescinded by written notice given by the Community Facilities District to the Trustee no later than three (3) Business Days prior to the date specified for redemption. The Trustee shall give notice of rescission of the notice of optional redemption or non-satisfaction of any conditions specified in the notice of optional redemption as soon as practicable to the same parties and in the same manner as the notice of redemption was given pursuant to this Section.

Section 3.04. Partial Redemption of Bonds. Upon surrender of any Bond redeemed in part only, the Community Facilities District shall execute and the Trustee shall authenticate and deliver to the registered owner thereof at the expense of the Community Facilities District a new Bond or Bonds of the same series and maturity date equal in aggregate principal amount to the unredeemed portion of the Bond surrendered.

Section 3.05. Effect of Redemption of Bonds. If notice of redemption has been duly given and not rescinded as aforesaid and money sufficient for the payment of the principal of and redemption premiums, if any, on, together with interest to the redemption date on, the Bonds or portions thereof so called for redemption has been irrevocably deposited with the Trustee, then on the redemption date designated in such notice such Bonds or such portions thereof shall become irrevocably due and payable, and from and after the date so designated interest on the Bonds or such portions thereof so called for redemption shall cease to accrue and the Holders of such Bonds shall have no rights in respect thereof except to receive payment of the principal of such Bonds or such portions thereof and the redemption premiums, if any, thereon and the interest accrued thereon to the redemption date; provided, that redemption of Bonds other than from Minimum Sinking Fund Account Payments shall be made only from and to the extent of funds on deposit with the Trustee and available for such purpose on the date of redemption.

ARTICLE IV

SPECIAL TAX

Section 4.01. Deposit of Proceeds of the Special Tax in the Community Facilities Fund and Transfer to the Special Tax Fund. The Community Facilities District agrees and covenants that it will deposit the Special Tax proceeds in the City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 4 Community Facilities Fund (the "Community Facilities Fund"), which fund is hereby established in the treasury of the City, for and on behalf of the Community Facilities District, and which fund the Community Facilities District hereby agrees and covenants to maintain so long as any Bonds are Outstanding hereunder. All money in the Community Facilities Fund shall be used and withdrawn by the Community Facilities District solely for the benefit of the Community Facilities District in accordance with the Law, including payment of Expenses and Services. The Community Facilities District agrees and covenants that, after payment of its Priority Administrative Expenses, it will transfer to the Trustee from the Community Facilities Fund amounts sufficient and in sufficient time for the Trustee to make the transfers required by Section 4.02 (less any amounts to be transferred pursuant to Section 2.14), and the Trustee shall deposit such proceeds as and when received in the City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 4 Special Tax Fund, which fund the Trustee shall establish and maintain so long as Bonds remain Outstanding hereunder, and all money in such fund shall be held by the Trustee in trust hereunder and shall be disbursed, allocated and applied solely to the uses and purposes hereinafter set forth in this Article.

Section 4.02. Allocation of Money in the Special Tax Fund. All money in the Special Tax Fund shall be set aside by the Trustee in the following respective special accounts and fund within the Special Tax Fund (each of which accounts and fund is hereby created) in the following order of priority, and all money in each of such accounts and fund shall be applied, used and withdrawn only for the purposes hereinafter authorized in this Section, namely:

- (1) Redemption Account; and
- (2) Bond Reserve Fund.

(a) Redemption Account. On or before September 1 and March 1 in each year, beginning on March 1, 2025, the Trustee shall, from the money in the Special Tax Fund, transfer to and deposit in the Redemption Account an amount of money equal to the aggregate amount of interest becoming due and payable on all Outstanding Bonds on such March 1 or September 1, as the case may be, and on or before September 1 in each year, beginning on September 1, 2025, the Trustee shall, from the then remaining money in the Special Tax Fund, transfer to and deposit in the Redemption Account an amount of money equal to the aggregate amount of principal becoming due and payable on all Outstanding Serial Bonds on such September 1 plus all Minimum Sinking Fund Account Payments required to be made on such September 1 into the Sinking Fund Subaccount; provided, that all of the aforesaid payments shall be made without priority of any payment over any other payment, and in the event that money in the Special Tax Fund on any March 1 or September 1 is not equal to the amount of interest becoming due on all Bonds on such date, or in the event that the money in the Special Tax Fund on any September 1 is not

equal to the amount of principal of the Bonds becoming due on such date, as the case may be, then such money shall be applied pro rata in such proportion as such interest and principal and Minimum Sinking Fund Account Payments bear to each other.

No deposit need be made into the Redemption Account if the amount of money contained therein is at least equal to the amount required by the terms of the preceding paragraph to be deposited therein at the times and in the amounts herein provided.

All money in the Redemption Account shall be used and withdrawn by the Trustee to pay the interest on the Bonds as it shall become due and payable (including accrued interest on any Bonds purchased or redeemed prior to maturity) plus the principal of and redemption premiums, if any, on the Bonds as they shall mature or upon the prior redemption thereof, except that any money in the Sinking Fund Subaccount shall be used only to purchase or redeem or retire the Term Bonds as provided herein.

(b) Bond Reserve Fund. On or before March 1 and September 1 in each year, beginning on March 1, 2025, the Trustee shall, from the then remaining money in the Special Tax Fund, transfer to and deposit in each Bond Reserve Account within the Bond Reserve Fund such amount of money as shall be required to restore each such Bond Reserve Account to a sum equal to the Required Bond Reserve for the applicable series of Bonds, *pro rata*, to the extent that amounts are available in the Special Tax Fund for such purpose; and for this purpose all investments in each Bond Reserve Account shall (beginning on March 1, 2025) be valued on March 1 and September 1 of each year at the face value thereof if such investments mature within twelve (12) months from the date of valuation, or if such investments mature more than twelve (12) months after the date of valuation, at the price at which such investments are redeemable by the Holder at his or her option, if so redeemable, or if not so redeemable, at the lesser of (i) the cost of such investments plus the amortization of any premium or minus the amortization of any discount, or (ii) the market value of such investments. For purposes of allocating remaining money in the Special Tax Fund between more than one Bond Reserve Account, any such transfers to and deposits in each Bond Reserve Account shall be made equally and ratably in proportion to the Required Bond Reserve for each series of Bonds.

No deposit need be made into a Bond Reserve Account if the value of the investments contained therein is at least equal to the Required Bond Reserve for the applicable series of Bonds.

All money in each Bond Reserve Account shall be used and withdrawn by the Trustee solely for the purpose of paying the interest on or principal of the corresponding series of Bonds in the event there is insufficient money in the Redemption Account available for this purpose; provided, that if as a result of any of the foregoing valuations or as a result of any property owner prepayment it is determined that the amount of money in a Bond Reserve Account exceeds or will exceed the Required Bond Reserve for the applicable series of Bonds, the Trustee shall withdraw the amount of money representing such excess from such fund and shall deposit such amount of money in the Redemption Account as provided in the last paragraph of Section 10.05. For the avoidance of doubt, amounts in a Bond Reserve Account are not available to make up a deficiency for the

payment of principal and interest on any Bonds other than the specific series of Bonds to which the Bond Reserve Account relates.

(c) Surplus Amounts. On or before March 1 and September 1 in each year, beginning on March 1, 2025, the Trustee shall, from the then remaining money in the Special Tax Fund, transfer all amounts remaining in the Special Tax Fund after the transfers specified in subsections (a) and (b) above to the City for deposit in the Community Facilities Fund.

ARTICLE V

COVENANTS OF THE COMMUNITY FACILITIES DISTRICT

Section 5.01. Punctual Payment and Performance. The Community Facilities District will punctually pay the interest on and principal of and redemption premium, if any, to become due on every Bond issued hereunder in strict conformity with the terms of the Law and hereof and of the Bonds, and will faithfully observe and perform all the agreements, conditions, covenants and terms contained herein and in the Bonds required to be observed and performed by it.

Section 5.02. Against Indebtedness and Encumbrances. The Community Facilities District will not issue any evidences of indebtedness payable from the proceeds of the Special Tax except as provided herein, and will not create, nor permit the creation of, any pledge, lien, charge or other encumbrance upon any money in the Special Tax Fund other than as provided herein; provided, that the Community Facilities District may at any time, or from time to time, issue evidences of indebtedness for any lawful purpose of the Community Facilities District which are payable from any money in the Community Facilities Fund as may from time to time be deposited therein so long as any payments due thereunder shall be subordinate in all respects to the use of the proceeds of the Special Tax as provided herein.

Section 5.03. Against Federal Income Taxation.

(a) To the extent a series of Bonds (the “Tax-Exempt Bonds”) are acquired by the Authority using the proceeds of a series of Authority Bonds for which the Authority has obtained an opinion of Bond Counsel that interest on such Authority Bonds is excluded from gross income for federal income tax purposes (the “Tax-Exempt Authority Bonds”), the Community Facilities District will not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest on the Tax-Exempt Authority Bonds pursuant to Section 103 of the Code, and specifically the Community Facilities District will not directly or indirectly use or make any use of the proceeds of the Tax-Exempt Bonds or any other funds of the Community Facilities District or take or omit to take any action that would cause the Tax-Exempt Authority Bonds to be “arbitrage bonds” subject to federal income taxation by reason of Section 148 of the Code or “private activity bonds” subject to federal income taxation by reason of Section 141(a) of the Code or obligations subject to federal income taxation because they are “federally guaranteed” as provided in Section 149(b) of the Code; and to that end the Community Facilities District, with respect to the

proceeds of the Tax-Exempt Bonds and such other funds, will comply with all requirements of such sections of the Code and all regulations of the United States Department of the Treasury issued thereunder to the extent that such regulations are, at the time, applicable and in effect; provided, that if the Community Facilities District shall obtain an opinion of nationally recognized bond counsel to the effect that any action required under the provisions of the Indenture described in this subsection is no longer required, or to the effect that some further action is required, to maintain the exclusion from gross income of the interest on the Tax-Exempt Authority Bonds pursuant to Section 103 of the Code, the Community Facilities District may rely conclusively on such opinion in complying with the provisions of the Indenture. In the event that at any time the Community Facilities District is of the opinion that for purposes of the provisions of the Indenture described in this subsection it is necessary to restrict or limit the yield on the investment of any money held by the Finance Director, for and on behalf of the Community Facilities District, under the Indenture or otherwise, the Community Facilities District shall so instruct the Finance Director or the Trustee, as the case may be, in writing, and the Finance Director or the Trustee, as the case may be, shall take such action as may be necessary in accordance with such instructions.

(b) Without limiting the generality of the foregoing, the Community Facilities District will pay from time to time all amounts required to be rebated to the United States of America pursuant to Section 148(f) of the Code and all regulations of the United States Department of the Treasury issued thereunder to the extent that such regulations are, at the time, applicable and in effect, which obligation shall survive payment in full or defeasance of the Bonds, and to that end, there is hereby established in the treasury of the City, for and on behalf of the Community Facilities District, a fund to be known as the City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 4 Special Tax Bonds Rebate Fund to be held in trust and administered by the Finance Director for and on behalf of the Community Facilities District. The Community Facilities District will comply with the provisions of the Tax Certificate with respect to making deposits in the Rebate Fund, and all money held in the Rebate Fund is pledged to provide payments to the United States of America as provided herein and in the Tax Certificate and no other person shall have claim to such money except as provided in the Tax Certificate.

Section 5.04. Payment of Claims. The Community Facilities District will pay and discharge any and all lawful claims which, if unpaid, might become payable from the proceeds of the Special Tax or any part thereof or upon any funds in the hands of the Community Facilities District or the Trustee allocated to the payment of the interest on or principal of or redemption premiums, if any, on the Bonds, or which might impair the security of the Bonds.

Section 5.05. Expense and Services Budgets. The City Council, as legislative body of the Community Facilities District, will, on or before July 1 in each year, adopt a budget setting forth the costs of the estimated Expenses and Services for the period from such July 1 through the next succeeding June 30; provided, that any budget adopted in accordance with this Section may be amended by the City Council at any time.

Section 5.06. Accounting Records; Financial Statements and Other Reports.

(a) The Community Facilities District will keep, or in the case of transactions made by the Trustee it will cause the Trustee to keep, appropriate accounting records in which complete and correct entries shall be made of all transactions relating to the receipt, investment, disbursement, allocation and application of the proceeds of the Special Tax and of the proceeds of the Bonds, which accounting records shall at all times during business hours with reasonable prior written notice be subject to the inspection of any Holder (or his or her representative authorized in writing). The Trustee shall furnish the Community Facilities District periodic cash transaction statements which include detail for all investment transactions effected by the Trustee or brokers selected by the Community Facilities District. Upon the Community Facilities District's election, such statements will be delivered via the Trustee's online service and upon electing such service, paper statements will be provided only upon request. The Community Facilities District waives the right to receive brokerage confirmations of security transactions effected by the Trustee as they occur, to the extent permitted by law. The Community Facilities District further understands that trade confirmations for securities transactions effected by the Trustee will be available upon written request and at no additional cost and other trade confirmations may be obtained from the applicable broker.

(b) The Community Facilities District will prepare annually not more than two hundred seventy (270) days after the close of each Fiscal Year (commencing with the Fiscal Year ending June 30, 2025) a summary report showing in reasonable detail the proceeds of the Special Tax levied and collected and the costs of the Expenses and Services for the preceding Fiscal Year and containing a general statement of the physical condition of the Facilities. The Community Facilities District will furnish a copy of such summary report without charge to any Holder (or his or her representative authorized in writing) and to any investment banker, security dealer or other person interested in the Bonds requesting a copy thereof.

(c) The Community Facilities District will prepare annually not later than October 30 of each year (beginning in 2025) and file with the California Debt and Investment Advisory Commission by mail, postage prepaid, all necessary information required to be filed under the Law, including:

- (1) The principal amount of the Bonds Outstanding;
- (2) The balance in each Bond Reserve Account;
- (3) The balance in the Redemption Account constituting capitalized interest, if any;
- (4) The number of parcels securing the Bonds which are delinquent with respect to their Special Tax payments, the amount that each delinquent parcel is delinquent, the length of time that each delinquent parcel has been delinquent and when foreclosure was commenced for each delinquent parcel; and

(5) The assessed value of all parcels subject to the levy of the Special Tax to repay the Bonds, as shown on the most equalized assessment roll of the County of Sacramento.

Additionally, the Community Facilities District will notify the California Debt and Investment Advisory Commission by mail, postage prepaid, within ten (10) days if the Community Facilities District or the Trustee fails to pay any interest on or principal of any of the Bonds on any scheduled payment date, or if funds are withdrawn from a Bond Reserve Account to pay any interest on or principal of a series of the Bonds.

Section 5.07. Protection of Security and Rights of Holders. The Community Facilities District will preserve and protect the security of the Bonds and the rights of the Holders and will warrant and defend their rights against all claims and demands of all persons.

Section 5.08. Payment of Governmental Charges and Compliance with Governmental Regulations. The Community Facilities District will pay and discharge all taxes or payments in lieu of taxes, assessments and other governmental charges or liens that may be levied, assessed or charged upon the Facilities or any part thereof promptly as and when the same shall become due and payable, except that the Community Facilities District shall not be required to pay any such governmental charges so long as the application or validity thereof shall be contested in good faith and the Community Facilities District shall have set aside reserves to cover such charges. The Community Facilities District will duly observe and conform with all valid regulations and requirements of any governmental authority relative to the operation of the Facilities or any part thereof, except that the Community Facilities District shall not be required to comply with any such regulations or requirements so long as the application or validity thereof shall be contested in good faith.

Section 5.09. Levy and Collection of the Special Tax. The Community Facilities District, so long as any Bonds are Outstanding, will annually levy the Special Tax against all Taxable Property in the Improvement Area and make provision for the collection of the Special Tax in amounts which will be sufficient, together with the money then on deposit in the Redemption Account, after making reasonable allowances for contingencies and errors in the estimates, to yield proceeds equal to the amounts required for compliance with the agreements, conditions, covenants and terms contained herein, and which in any event will be sufficient to pay the interest on and principal of and Minimum Sinking Fund Account Payments for and redemption premiums, if any, on the Bonds as they become due and payable and to replenish each Bond Reserve Account and to pay all current Expenses and Services as they become due and payable in accordance with the provisions and terms hereof. The Special Tax shall be collected in the same manner as ordinary ad valorem property taxes are collected and, except as otherwise provided in Section 5.10 or by the Law, shall be subject to the same penalties and the same collection procedure, sale, and lien priority in case of delinquency as is provided for ad valorem property taxes.

Section 5.10. Foreclosure of Special Tax Liens. The Community Facilities District shall annually on or before September 1 of each year review the public records of the County of Sacramento relating to the collection of the Special Tax in order to determine the amount of the Special Tax collected in the prior Fiscal Year, and if the Community Facilities District

determines on the basis of such review that (1) the amount so collected is deficient by more than five percent (5%) of the total amount of the Special Tax levied in such Fiscal Year or (2) any individual lot or parcel in the Improvement Area is then delinquent on four or more installments of the Special Tax, then in each case the Community Facilities District shall within sixty (60) days thereafter institute foreclosure proceedings as authorized by the Law in order to enforce the lien of the delinquent installments of the Special Tax against (i) in the case of clause (1) above, each delinquent lot or parcel in the Improvement Area or (ii) in the case of clause (2) above, such delinquent lot or parcel, respectively, which it shall diligently prosecute and pursue such foreclosure proceedings to judgment and sale; provided, that the Community Facilities District shall not be obligated to enforce the lien of any delinquent installment of the Special Tax for any Fiscal Year in which the Community Facilities District has received one hundred percent (100%) of the amount of such installment from the County of Sacramento pursuant to the so-called "Teeter Plan." Any actions taken to enforce delinquent Special Tax liens shall be taken only consistent with Sections 53356.1 through 53356.7, both inclusive, of the Government Code of the State of California.

Section 5.11. Further Assurances. The Community Facilities District will adopt, deliver, execute, make and file any and all further assurances, instruments and resolutions as may be reasonably necessary or proper to carry out the intention or to facilitate the performance hereof and for the better assuring and confirming unto the Holders of the rights and benefits provided herein, including without limitation the filing of all financing statements, agreements, instruments or other documents in the forms and in the locations necessary to perfect and protect, and to continue the perfection of, the pledge of the Special Taxes provided herein to the fullest extent possible under applicable law of the State of California. Further, the Community Facilities District covenants to not approve any amendments, changes or modifications relating to development of the property within the Improvement Area that would reduce the amount of the Maximum Facilities Special Tax less Priority Administrative Expenses to equal less than one hundred ten percent (110%) of the sum of the Annual Debt Service on the Bonds in any year until the maturity date for the Bonds.

ARTICLE VI

THE TRUSTEE

Section 6.01. The Trustee. U.S. Bank Trust Company, National Association at its Corporate Trust Office in San Francisco, California, is hereby appointed Trustee for the purpose of receiving all money which the Community Facilities District is required to transfer to it hereunder and for applying and using such money as provided herein for the purpose of paying the interest on and principal of and redemption premiums, if any, on the Bonds. The Community Facilities District agrees that it will at all times maintain a Trustee having a designated corporate trust office in Los Angeles or San Francisco, California.

The Trustee and the Community Facilities District shall, prior to an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in this Indenture. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in

their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

The Community Facilities District may remove the Trustee initially appointed and any successor thereto and may appoint a successor or successors thereto by an instrument in writing; provided, that any such successor shall be a bank or trust company doing business and having a designated corporate trust office in Los Angeles or San Francisco, California, having a combined capital (exclusive of borrowed capital) and surplus of at least one hundred million dollars (\$100,000,000) and subject to supervision or examination by a federal or state banking authority. If such bank or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this Section the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. The Trustee may at any time resign by giving written notice of such resignation to the Community Facilities District and by giving notice of such resignation by mail pursuant to Section 10.14 to the Holders, and upon receiving such notice of resignation, the Community Facilities District shall promptly appoint a successor Trustee by an instrument in writing having the qualifications required hereby. Any resignation or removal of a Trustee and appointment of a successor Trustee shall become effective only upon the acceptance of appointment by the successor Trustee. If within thirty (30) days after notice of the removal or resignation of the Trustee no successor Trustee shall have been appointed by the Community Facilities District and shall have accepted such appointment, the removed or resigning Trustee may petition, at the expense of the Community Facilities District, any court of competent jurisdiction for the appointment of a successor Trustee, which court may thereupon, after such notice, if any, as it may deem proper and prescribe and as may be required by law, appoint a successor Trustee having the qualifications required hereby.

Any company into which the Trustee shall be merged or converted or with which it may be consolidated or any company resulting from any merger, conversation or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, so long as such company shall meet the requirements set forth in this Section, shall be the successor to the Trustee and shall be vested with all of the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any paper or further act, anything herein to the contrary notwithstanding.

Section 6.02. Liability of the Trustee. The recitals of facts, agreements and covenants contained herein and in the Bonds shall be taken as statements, agreements and covenants of the Community Facilities District, and the Trustee shall not assume any responsibility for the correctness of the same and does not make any representation as to the sufficiency or validity hereof or of the Bonds or of the Special Tax, or as to the financial or technical feasibility of the acquisition and construction of any of the Facilities, and shall not incur any responsibility in respect thereof other than in connection with the rights and obligations expressly assigned to or imposed upon it herein or in the Bonds, and shall not be liable in connection with the performance of its duties hereunder except for its own negligence or willful misconduct. The Trustee shall not be liable for any error of judgment made in good faith, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts, and no provision hereof shall require the Trustee

to expend or risk its own funds or otherwise incur any liability for the performance of its duties hereunder, or in the exercise of any of its rights or powers hereunder.

The Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts, and the Trustee shall be entitled to advice of counsel of its selection concerning all matters of trust and its duties hereunder and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon. The Trustee may execute any of the trusts or powers set forth herein and perform the duties required of it hereunder by or through attorneys, agents or attorneys, and the Trustee shall not be liable for the negligence or misconduct of any agent, attorney or certified public accountant selected by it with due care.

The Trustee shall, at all times, perform such duties and only such duties as are specifically set forth herein, and no implied duties or obligations shall be read herein against the Trustee. At no time shall the Trustee be a fiduciary or have fiduciary duties hereunder.

The Trustee shall not be bound to recognize any person as the Holder of a Bond unless and until such Bond is submitted for inspection, if required, and such Holder's title thereto is certified to the Trustee in a written instrument, upon which the Trustee shall be entitled to conclusively rely.

The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a majority in aggregate principal amount of the Bonds exercising any trust or power conferred upon the Trustee hereunder.

The Trustee has no obligation to the Holders and shall incur no liability for the payment of the interest on, principal of or redemption premiums, if any, with respect to the Bonds from its own funds. The duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, and the Trustee shall perform such duties and obligations as are specifically set forth in this Indenture and shall not be liable except for its negligence or willful misconduct, and no implied covenants or obligations shall be read into this Indenture against the Trustee.

The Trustee shall not be deemed to have knowledge of any Event of Default hereunder unless and until a Responsible Officer at the Trustee's Corporate Trust Office responsible for the administration of the Trustee's duties and obligations hereunder shall have actual knowledge thereof or the Trustee shall have received written notice thereof at its Corporate Trust Office. The Trustee shall not be bound to ascertain or to inquire as to the performance or observance of any of the agreements, conditions, covenants or terms herein or of any of the documents executed in connection with the Bonds, or as to the existence of an Event of Default hereunder.

No provision hereof shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance or exercise of any of its duties hereunder, or in the exercise of its rights or powers. The Trustee shall be entitled to interest on all amounts

advanced to it hereunder at its prime rate plus two percent (2%), but not greater than twelve percent (12%) per annum.

The Trustee shall have no responsibility, opinion or liability with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of the Bonds.

All rights, privileges, immunities, indemnifications and releases from liability granted herein to the Trustee shall extend to the directors, employees, officers and agents thereof.

In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

Section 6.03. Compensation and Indemnification of the Trustee. The Community Facilities District agrees to pay to the Trustee from time to time, and the Trustee shall receive compensation for all services rendered by it in the exercise and performance of any of the duties and obligations of the Trustee hereunder, as mutually and previously agreed upon in writing, and the Community Facilities District will pay or reimburse the Trustee upon its request for all expenses, disbursements and advances incurred or made by the Trustee and its affiliates, directors, employees or agents in accordance with any of the provisions hereof (including the reasonable compensation and the expenses and disbursements of its counsel and of all persons not regularly in its employ) except any such expense, disbursement or advance as may arise from its negligence or willful misconduct. The Community Facilities District, to the extent permitted by law, agrees to indemnify, defend and hold harmless the Trustee against any and all loss, damages, claims, liability or expense incurred without negligence or willful misconduct on the part of the Trustee arising out of or in connection with (i) the exercise or performance of any of its duties or obligations hereunder, or (ii) any untrue statement or alleged untrue statement of any material fact or omission or alleged omission to state a material fact necessary to make the statements made, in the light of the circumstances under which they were made, not misleading in any official statement or other offering circular utilized in connection with the sale of any of the Bonds, including costs and expenses (including attorneys' fees and expenses) of defending itself against any claim or liability in connection with the exercise or performance of any of its duties and obligations hereunder. The rights of the Trustee and the obligations of the Community Facilities District under this Section shall survive the discharge of the Bonds and the resignation or removal of the Trustee.

Section 6.04. Notice to the Trustee. The Trustee shall be protected in acting upon any Bond, certificate, consent, notice, opinion, report, request, resolution or other document or paper believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel of its selection, including, without limitation, counsel to the Community Facilities District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection with respect to any action taken or suffered hereunder in good faith and in accordance therewith.

Whenever in the administration of its rights and obligations hereunder the Trustee shall deem it necessary or desirable that a matter be established or proved prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of negligence or willful misconduct on the part of the Trustee, be deemed to be conclusively established or proved by a Certificate of the Community Facilities District or an Accountant's Report, which shall be full warrant to the Trustee for any action taken or suffered under the provisions hereof upon the faith thereof, and on which the Trustee may conclusively rely, but in its reasonable judgment the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as it may deem reasonable.

ARTICLE VII

AMENDMENT OF OR SUPPLEMENT TO THE INDENTURE

Section 7.01. Procedure for Amendment of or Supplement to the Indenture.

(a) Amendment or Supplement With Consent of Holders. The Indenture and the rights and obligations of the Community Facilities District and of the Holders may be amended or supplemented at any time by the execution and delivery of a Supplemental Indenture by the Community Facilities District and the Trustee, which Supplemental Indenture shall become binding when the written consents of the Holders of sixty percent (60%) or more in aggregate principal amount of the Bonds then Outstanding, exclusive of Bonds disqualified as provided in Section 7.02, shall have been filed with the Trustee; provided, that no such amendment or supplement shall (1) extend the maturity of or reduce the interest rate on or otherwise alter or impair the obligation of the Community Facilities District to pay the interest on or principal of or Minimum Sinking Fund Account Payment for or redemption premium, if any, on any Bond at the time and place and at the rate and in the currency and from the funds provided herein without the express written consent of the Holder of such Bond, or (2) permit the issuance by the Community Facilities District of any obligations payable from the proceeds of the Special Tax other than the Bonds as provided herein, or jeopardize the ability of the Community Facilities District to levy and collect the Special Tax, or (3) reduce the percentage of Bonds required for the written consent to any such amendment or supplement, or (4) modify any rights or obligations of the Trustee without its prior written assent thereto.

(b) Amendment or Supplement Without Consent of Holders. The Indenture and the rights and obligations of the Community Facilities District and of the Holders may also be amended or supplemented at any time by the execution and delivery of a Supplemental Indenture by the Community Facilities District and the Trustee, which Supplemental Indenture shall become binding upon execution without the prior written consent of any Holders, but only to the extent permitted by law and after receiving an Opinion of Counsel, stating that the Supplemental Indenture is the valid and binding obligation of the Community Facilities District, and only for any one or more of the following purposes:

(i) To add to the agreements and covenants required herein to be performed by the Community Facilities District other agreements and covenants thereafter to be performed by the Community Facilities District which shall not (in the opinion of the Community Facilities District) adversely affect the interests of the Holders, or to surrender any right or power reserved herein to or conferred herein upon the Community Facilities District which shall not (in the opinion of the Community Facilities District) adversely affect the interests of the Holders;

(ii) To make such provisions for the purpose of curing any ambiguity or of curing, correcting or supplementing any defective provision contained herein or in regard to questions arising hereunder which the Community Facilities District may deem desirable or necessary and not inconsistent herewith and which shall not (in the opinion of the Community Facilities District) adversely affect the interests of the Holders;

(iii) To authorize the issuance of Additional Bonds and to provide the conditions and terms under which the Additional Bonds may be issued;

(iv) To authorize the issuance under and subject to the Law of any refunding bonds for any of the Bonds and to provide the conditions and terms under which such refunding bonds may be issued;

(v) To make such additions, deletions or modifications as may be necessary or appropriate to ensure compliance with Section 148(f) of the Code relating to the required rebate of excess investment earnings to the United States of America, or otherwise as may be necessary to ensure the exclusion from gross income for purposes of federal income taxation of the interest on the Bonds or the exemption of such interest from State of California personal income taxes; or

(vi) To make such additions, deletions or modifications as may be necessary or appropriate to maintain any then current rating on the Bonds.

Section 7.02. Disqualified Bonds. Bonds owned or held for the account of the Community Facilities District shall not be deemed Outstanding for the purpose of any consent or other action or any calculation of Outstanding Bonds provided for in this Article or in Article VIII, and shall not be entitled to consent to or take any other action provided for in this Article or in Article VIII.

Section 7.03. Endorsement or Replacement of Bonds After Amendment or Supplement. After the effective date of any action taken as hereinabove provided, the Community Facilities District may determine that the Bonds may bear a notation by endorsement in form approved by it as to such action, and in that case upon demand of the Holder of any Bond Outstanding on such effective date and presentation of his or her Bond for such purpose at the

Corporate Trust Office of the Trustee a suitable notation as to such action shall be made on such Bond. If the Community Facilities District shall so determine, new Bonds so modified as, in the opinion of the Community Facilities District, shall be necessary to conform to such action shall be prepared and executed, and in that case upon demand of the Holder of any Bond Outstanding on such effective date such new Bonds shall, upon surrender of such Outstanding Bonds, be exchanged at the Corporate Trust Office of the Trustee, without cost to each Holder, for Bonds then Outstanding.

Section 7.04. Amendment or Supplement by Mutual Consent. The provisions of this Article shall not prevent any Holder from accepting any amendment or supplement as to any particular Bonds held by him or her; provided, that due notation thereof is made on such Bonds.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES OF HOLDERS

Section 8.01. Events of Default and Remedies of Holders. If one or more of the following events (herein "Events of Default") shall happen, that is to say:

- (a) if default shall be made by the Community Facilities District in the due and punctual payment of any interest on or principal of or Minimum Sinking Fund Account Payment for any of the Bonds when and as the same shall become due and payable;
- (b) if default shall be made by the Community Facilities District in the observance or performance of any of the other agreements or covenants contained herein required to be observed or performed by it, and such default shall have continued for a period of thirty (30) days after the Community Facilities District shall have been given notice in writing of such default by the Trustee;
- (c) if default shall be made by the Community Facilities District in the due and punctual payment of any indebtedness on a parity with or senior to the Bonds; or
- (d) if the Community Facilities District shall file a petition or answer seeking arrangement or reorganization under the federal bankruptcy laws or any other applicable law of the United States of America or any state therein, or if a court of competent jurisdiction shall approve a petition filed with or without the consent of the Community Facilities District seeking arrangement or reorganization under the federal bankruptcy laws or any other applicable law of the United States of America or any state therein, or if under the provisions of any other law for the relief or aid of debtors any court of competent jurisdiction shall assume custody or control of the Community Facilities District or of the whole or any substantial part of its property;

then in each and every such case during the continuance of such Event of Default any Holder shall have the right for the equal benefit and protection of all Holders similarly situated:

- (a) by mandamus or other suit or proceeding at law or in equity to enforce his rights against the City Council or the Community Facilities District or any of

the officers or employees of the Community Facilities District, and to compel the City Council or the Community Facilities District or any such officers or employees to perform and carry out their duties under the Law and the agreements and covenants with the Holders contained herein;

(b) by suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Holders; or

(c) by suit in equity upon the nonpayment of the Bonds to require the City Council or the Community Facilities District or its officers and employees to account as the trustee of an express trust.

Section 8.02. Non-Waiver. Nothing in this Article or in any other provision herein or in the Bonds shall affect or impair the obligation of the Community Facilities District, which is absolute and unconditional, to pay the interest on and principal of and redemption premiums, if any, on the Bonds to the respective Holders of the Bonds at the respective dates of maturity or upon redemption prior to maturity as provided herein from the proceeds of the Special Tax and the other funds as provided herein, or shall affect or impair the right of such Holders, which is also absolute and unconditional, to institute suit to enforce such payment by virtue of the contract embodied herein and in the Bonds.

A waiver of any Event of Default or breach of duty or contract by any Holder shall not affect any subsequent Event of Default or breach of duty or contract and shall not impair any rights or remedies on any such subsequent Event of Default or breach of duty or contract. No delay or omission by any Holder to exercise any right or remedy accruing upon any Event of Default or breach of duty or contract shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or breach of duty or contract or an acquiescence therein, and every right and remedy conferred upon the Holders by the Law or hereby may be enforced and exercised from time to time and as often as shall be deemed expedient by the Holders.

If any action, proceeding or suit to enforce any right or exercise any remedy is abandoned or determined adversely to any Holder, the Community Facilities District and such Holder shall be restored to their former positions, rights and remedies as if such action, proceeding or suit had not been brought or taken.

Section 8.03. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Holders is intended to be exclusive of any other remedy, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Law or any other law.

ARTICLE IX

DEFEASANCE

Section 9.01. Discharge of the Bonds.

(a) If the Community Facilities District shall pay or cause to be paid or there shall otherwise be paid to the Holders of all Outstanding Bonds the interest thereon and the principal thereof and the redemption premiums, if any, thereon at the times and in the manner stipulated therein and herein, then all agreements, covenants and other obligations of the Community Facilities District to the Holders of such Bonds hereunder shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall execute and deliver to the Community Facilities District all such instruments as may be necessary or desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver to the Community Facilities District for deposit in the Community Facilities Fund all money or securities held by it pursuant hereto which are not required for the payment of the interest on and principal of and redemption premiums, if any, on such Bonds.

(b) Any Outstanding Bonds shall on the maturity date or redemption date thereof be deemed to have been paid within the meaning of and with the effect expressed in subsection (a) of this Section if there shall have been irrevocably deposited with the Trustee money which is sufficient to pay the interest due on such Bonds on such date and the principal and redemption premiums, if any, due on such Bonds on such date.

(c) Any Outstanding Bonds shall prior to the maturity date or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section if (1) in case any of such Bonds are to be redeemed on any date prior to their maturity date, the Community Facilities District shall have agreed to mail a notice of redemption pursuant to Section 10.14 to the respective Holders of all such Outstanding Bonds and to the securities depositories or securities information services selected by it pursuant to Section 3.03, (2) there shall have been filed with the Community Facilities District and the Trustee an Opinion of Counsel to the effect that the payment of such Bonds has been provided for in the manner set forth herein and that all obligations of the Community Facilities District with respect to such Bonds have been discharged and satisfied and there shall have been deposited with an escrow agent meeting the requirements of a successor trustee set forth in Section 6.01 or the Trustee either (i) money in an amount which shall be sufficient to pay when due the interest on and principal of and redemption premiums, if any, due and to become due on such Bonds on and prior to the date scheduled for redemption or maturity date thereof, as the case may be and/or (ii) Federal Securities which are not subject to redemption except by the holder thereof prior to maturity (including any Federal Securities issued or held in book-entry form on the books of the Department of the Treasury of the United States of America), the interest on and principal of which when paid will provide money which, together with the money, if any, deposited with such escrow agent meeting the requirements of a successor trustee set forth in Section 6.01 or the Trustee at the same time, shall be sufficient to pay when due the interest on and principal of and redemption premiums, if any, due and to

become due on such Bonds on and prior to the date scheduled for redemption or maturity date thereof, as the case may be, as evidenced by an Accountant's Report on file with the Community Facilities District and the Trustee, and (3) in the event such Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Community Facilities District shall have agreed to mail pursuant to Section 10.14 a notice to the Holders of such Bonds and to the securities depositories and securities information services selected by it pursuant to Section 3.03 that the deposit required by clause (2) above has been made with such escrow agent meeting the requirements of a successor trustee set forth in Section 6.01 or the Trustee and that such Bonds are deemed to have been paid in accordance with this Section and stating the maturity dates or redemption dates, as the case may be, upon which money will be available for the payment of the principal of and redemption premiums, if any, on such Bonds.

Section 9.02. Unclaimed Money. Anything contained herein to the contrary notwithstanding, any money held by the Trustee in trust for the payment and discharge of any of the Bonds or any interest thereon which remains unclaimed for two (2) years after the date when such Bonds or interest thereon have become due and payable, either at their stated maturity dates or by call for redemption prior to maturity, if such money was held by the Trustee on such date, or for two (2) years after the date of deposit of such money if deposited with the Trustee after the date when such Bonds or interest thereon became due and payable, shall be repaid by the Trustee to the Community Facilities District as its absolute property free from trust for deposit in the Community Facilities Fund and for use in accordance with the Law, and the Trustee shall thereupon be released and discharged with respect thereto and the Holders shall look only to the Community Facilities District for the payment of such Bonds and interest thereon; provided, that before the Trustee shall be required to make any such repayment the Community Facilities District shall mail pursuant to Section 10.14 a notice to the Holders of all Outstanding Bonds and to such securities depositories and securities information services selected by it pursuant to Section 3.03 that such money remains unclaimed and that after a date named in such notice, which date shall not be less than thirty (30) days after the date of the mailing of such notice, the balance of such money then unclaimed will be returned to the Community Facilities District for deposit in the Community Facilities Fund.

ARTICLE X

MISCELLANEOUS

Section 10.01. Liability of Community Facilities District Limited to Proceeds of the Special Tax and Certain Other Funds. Notwithstanding anything contained herein, the Community Facilities District shall not be required to advance any money derived from any source of income other than the proceeds of the Special Tax net of Priority Administrative Expenses and the other funds provided herein for the payment of the interest on or principal of or redemption premiums, if any, on the Bonds.

The Bonds are special tax obligations of the Community Facilities District and the interest on and principal of and redemption premiums, if any, on the Bonds are payable solely from the proceeds of the Special Tax (including any prepayments thereof and proceeds from the sale of property collected pursuant to the foreclosure provisions of the Indenture for the

delinquency of the Special Tax), net of Priority Administrative Expenses, and amounts in certain funds and accounts established in the Indenture, and the Community Facilities District is not obligated to pay the Bonds except from such funds. The General Fund of the City and the funds of the Community Facilities District are not liable, and neither the full faith and credit of the Community Facilities District nor the City are pledged for the payment of the interest on or principal of or redemption premiums, if any, on the Bonds, and no tax or assessment other than the Special Tax shall ever be levied or collected to pay the interest on or principal of or redemption premiums, if any, on the Bonds. The Bonds are not secured by a legal or equitable pledge of or charge, lien or encumbrance upon any property of the Community Facilities District or any of its income or receipts except the proceeds of the Special Tax (including any prepayments thereof and proceeds from the sale of property collected pursuant to the foreclosure provisions of the Indenture for the delinquency of the Special Tax), net of Priority Administrative Expenses, and amounts in certain funds and accounts established in the Indenture, and neither the payment of the interest on or principal of or redemption premiums, if any, on the Bonds is a general debt, liability or obligation of the Community Facilities District. The Bonds do not constitute an indebtedness of the Community Facilities District within the meaning of any constitutional or statutory debt limitation or restriction, and neither the City Council nor the Community Facilities District nor any officer or employee thereof shall be liable for the payment of the interest on or principal of or redemption premiums, if any, on the Bonds otherwise than from the proceeds of the Special Tax, net of Priority Administrative Expenses, and such other funds as provided in the Indenture.

Section 10.02. Benefits of the Indenture Limited to Certain Parties. Nothing contained herein, express or implied, is intended to give to any entity or person other than the City Council, the Community Facilities District, the Trustee, and the Holders any right, remedy or claim under or by reason hereof, and any agreement or covenant required herein to be performed by or on behalf of the City Council or the Community Facilities District or any officer or employee thereof shall be for the sole and exclusive benefit of the Trustee and the Holders.

Section 10.03. Successor Is Deemed Included in All References to Predecessor. Whenever either the City Council or the Community Facilities District or any officer or employee thereof or of the City is named or referred to herein, such reference shall be deemed to include the successor to the powers, duties and functions with respect to the administration, control and management of the Community Facilities District that are presently vested in the City Council or the Community Facilities District or such officer or employee, and all agreements and covenants required herein to be performed by or on behalf of the City Council or the Community Facilities District or any officer or employee thereof shall bind and inure to the benefit of the respective successors thereof whether so expressed or not.

Section 10.04. Execution of Documents by Holders. Any declaration, request or other instrument which is permitted or required herein to be executed by Holders may be in one or more instruments of similar tenor, and may be executed by Holders in person or by their attorneys duly authorized in writing. The fact and date of the execution by any Holder or his attorney of any declaration, request or other instrument or of any writing appointing such attorney may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state or territory in which he or she purports to act that the person signing such declaration, request or other instrument or writing acknowledged to him or her the execution thereof, or by an affidavit of a witness to such execution duly sworn to before such notary public

or other officer. The ownership of Bonds and the amount, maturity, number and date of holding the same shall be provided by the registration books required to be kept by the Trustee pursuant to Section 2.09.

Any declaration, request or other instrument or writing of the Holder of any Bond shall bind all future Holders of such Bond with respect to anything done or suffered to be done by the Community Facilities District in good faith and in accordance therewith.

Section 10.05. Deposit and Investment of Money in Accounts and Funds. All money held by the Trustee in any accounts and funds established herein shall be deposited in time or demand deposits in any state or nationally chartered bank or trust company, including the Trustee, or any state or federal savings and loan association, and shall be secured at all times by such obligations as are required by law and to the fullest extent required by law, except such money that is at the time invested in accordance with this Section. Any money in the Acquisition and Construction Fund and in the Special Tax Fund and in the Redemption Account shall be invested by the Trustee pursuant to a Written Request of the Community Facilities District received by the Trustee at least three (3) days before making any such investment in those Permitted Investments specified in such Written Request of the Community Facilities District that mature not later than the date on which it is estimated that such money will be required to be paid out hereunder, and any money in a Bond Reserve Account shall be invested by the Trustee pursuant to a Written Request of the Community Facilities District received by the Trustee at least three (3) days before making any such investment in those Permitted Investments specified in such Written Request of the Community Facilities District that mature not more than five (5) years from the date of purchase by the Trustee, or the final maturity date of any Outstanding Bonds, whichever is earlier; and the Trustee may conclusively rely and determine that any investment specified in any such Written Request of the Community Facilities District is a Permitted Investment or a Federal Security, as the case may be, hereunder; provided, that in the absence of written instructions from the Community Facilities District regarding such investments, such money shall be held uninvested. The Trustee (or any affiliate thereof) may act as principal or agent in the making of any investment hereunder and may impose its customary charges therefor, and shall not be responsible for any losses, taxes, fees or other charge suffered in connection with any investment, reinvestment or liquidation of investments made in accordance herewith. Notwithstanding anything in the Indenture to the contrary, for purposes of any time limitation on the maturity of an investment of moneys in the funds and accounts held thereunder, such investment shall be deemed to satisfy such time limitation if, by its terms and within such time limitation, the Community Facilities District or the Trustee has the right, for any purpose permitted or required under the Indenture, to demand the repurchase, redemption, withdrawal or termination of such investment and to receive at least the outstanding par amount thereof plus accrued interest, without penalty.

All interest received on any such money so deposited or invested which exceeds the requirements of the account or fund from which such money was deposited or invested shall (as specified in a Written Request of the Community Facilities District filed with the Trustee) (subject to the requirements of Section 5.03) be deposited in the Redemption Account, and all losses on any such money so deposited or invested shall be borne by the account or fund from which the deposit or investment was made.

Section 10.06. Waiver of Personal Liability. No member of the City Council or officer or employee of the City, acting for and on behalf of the Community Facilities District, shall be individually or personally liable for the payment of the interest on or principal of or redemption premiums, if any, on the Bonds, but nothing herein contained shall relieve any member of the City Council or officer or employee of the City from the performance of any official duty provided hereby or by the Law or by any other applicable provisions of law.

Section 10.07. Acquisition of Bonds by Community Facilities District. All Bonds acquired by the Community Facilities District, whether by purchase or gift or otherwise, shall be surrendered to the Trustee for cancellation and destruction by it, and the Trustee shall send the Community Facilities District a certificate of such destruction.

Section 10.08. Content of Certificates and Reports. Every certificate or report with respect to compliance with an agreement, condition, covenant or term provided herein shall include (a) a statement that the person or persons making or giving such certificate or report have read such agreement, condition, covenant or term and the definitions herein relating thereto; (b) a brief statement as to the nature and scope of the examination or investigation upon which the opinion contained in such certificate or report is based; (c) a statement that, in the opinion of the signers, they have made or caused to be made such examination or investigation as is necessary to enable them to express an informed opinion as to whether or not such agreement, condition, covenant or term has been complied with; and (d) a statement as to whether, in the opinion of the signers, such agreement, condition, covenant or term has been complied with.

Any such certificate made or given by an officer of the City, for and on behalf of the Community Facilities District, may be based, insofar as it relates to legal matters, upon a representation made in an Opinion of Counsel unless such officer knows that the representation with respect to the matters upon which his certificate may be based, as aforesaid, is erroneous, or in the exercise of reasonable care should have known that the same was erroneous. Any such Opinion of Counsel may be based, insofar as it relates to factual matters information with respect to which is in the possession of the Community Facilities District, upon a representation by an officer or officers of the City unless the counsel giving such Opinion of Counsel knows that the representation with respect to the matters upon which his representation may be based, as aforesaid, is erroneous, or in the exercise of reasonable care should have known that the same was erroneous.

Section 10.09. Maintenance of Accounts and Funds. Any account or fund required herein to be established and maintained by the Trustee may be maintained by the Trustee in its accounting records in its customary manner either as an account or a fund, and may, for the purposes of such accounting records, any audits thereof and any financial reports or statements with respect thereto, be treated either as an account or as a fund; but all such accounting records with respect to all such accounts and funds shall at all times be maintained by the Trustee in accordance with trust industry standards.

Section 10.10. Article and Section Headings, Gender and References. The headings or titles of the several articles and sections hereof and the table of contents appended hereto shall be solely for convenience of reference and shall not affect the construction, effect or meaning hereof, and words of any gender shall be deemed and construed to include all genders.

All references herein to “Articles,” “Sections” and other subdivisions are to the corresponding articles, sections or subdivisions hereof; and the words “hereby,” “herein,” “hereof,” “hereto,” “herewith” and “hereunder” and other words of similar import refer to the Indenture as a whole and not to any particular article, section or subdivision hereof.

Section 10.11. Partial Invalidity. If any one or more of the agreements, conditions, covenants or terms or portions thereof required hereby to be observed or performed by the Community Facilities District or the Trustee should be contrary to law, then such agreement or agreements, such condition or conditions, such covenant or covenants or such term or terms or such portions thereof shall be null and void and shall be deemed separable from the remaining agreements, conditions, covenants or terms or portions thereof and shall in no way affect the validity hereof or of the Bonds; and the Holders shall retain all the rights and benefits accorded to them under the Law or any other applicable provisions of law. The Community Facilities District hereby declares that it would have executed the Indenture and each and every other article, section, paragraph, subdivision, sentence, clause and phrase hereof and would have authorized the issuance of the Bonds pursuant hereto irrespective of the fact that any one or more of the articles, sections, paragraphs, subdivisions, sentences, clauses or phrases hereof or the application thereof to any person or circumstance may be held to be unconstitutional, unenforceable or invalid.

Section 10.12. Execution in Counterparts and Electronic Execution. The Indenture may be executed in several counterparts, each of which shall be deemed an original, and all of which shall constitute but one and the same instrument. The exchange of copies of the Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of the Indenture as to the parties hereto and may be used in lieu of the original Indenture and signature pages for all purposes. Each party agrees that the electronic signatures, whether digital or encrypted, of the parties included in this Indenture are intended to authenticate this writing and to have the same force and effect as manual signatures. This Bond is one of a duly authorized issue of Bonds in the aggregate principal amount of [_____] dollars (\$[_____]) issued by the Community Facilities District located in the City of Folsom (the "City"), designated the "City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 4 Special Tax Bonds, Series 2024" (the "Bonds"), which Bonds are issued under and pursuant to the Mello-Roos Community Facilities Act of 1982, as amended (being Sections 53311 et seq. of the Government Code of the State of California), and all laws amendatory thereof or supplemental thereto (the "Law") and under and

pursuant to the provisions of an Indenture dated as of December 1, 2024 (the “Indenture”) between the Community Facilities District and U.S. Bank Trust Company, National Association, as Trustee, all of like tenor and date (except for such variations, if any, as may be required to designate varying numbers, maturities, interest rates or redemption provisions), and all capitalized terms used herein not otherwise defined shall have the meanings contained in the Indenture. All the Bonds are equally and ratably secured in accordance with the terms and conditions of the Indenture (copies of which are on file at the office of the City Clerk of the City and at the Corporate Trust Office of the Trustee), and reference is hereby made to the Law and to the Indenture and any and all amendments thereof and supplements thereto for a description of the terms on which the Bonds are issued and for the rights of the registered owners of the Bonds; and all the terms of the Law and the Indenture are hereby incorporated herein and constitute a contract between the Community Facilities District and the registered owner from time to time of this Bond, to all the provisions of which the registered owner of this Bond, by his or her acceptance hereof, agrees and consents; and each taker and subsequent registered owner hereof shall have recourse to all the provisions of the Law and the Indenture and shall be bound by all the terms and conditions thereof.

The Bonds are issued to provide funds to pay costs of the acquisition and construction of the Facilities. The Bonds are special tax obligations of the Community Facilities District and the interest on and principal of and redemption premiums, if any, on the Bonds are payable solely from the proceeds of the Special Tax, net of Priority Administrative Expenses, and certain other funds, as provided in the Indenture, and the Community Facilities District is not obligated to pay them except from the proceeds of the Special Tax, net of Priority Administrative Expenses, and such other funds. The General Fund of the City and the funds of the Community Facilities District are not liable and neither the full faith and credit of the Community Facilities District nor the City are pledged for the payment of the interest on or principal of or redemption premiums, if any, on the Bonds, and no tax or assessment other than the Special Tax shall ever be levied or collected to pay the interest on or principal of or redemption premiums, if any, on the Bonds. The Bonds are not secured by a legal or equitable pledge of or charge, lien or encumbrance upon any property of the Community Facilities District or any of its income or receipts except the proceeds of the Special Tax, net of Priority Administrative Expenses, and such other funds, and neither the payment of the interest on or principal of or redemption premiums, if any, on the Bonds is a general debt, liability or obligation of the Community Facilities District.

The Bonds maturing on September 1, 20[___], are subject to mandatory redemption by the Community Facilities District prior to their maturity date in part on September 1 in each of the years 20[___] through 20[___], both years inclusive; and the Bonds maturing on September 1, 20[___], are subject to mandatory redemption by the Community Facilities District prior to their maturity date in part on September 1 in each of the years 20[___] through 20[___], both years inclusive, in each case solely from Minimum Sinking Fund Account Payments deposited in the Sinking Fund Subaccount, upon mailed notice as hereinafter provided, at a redemption price of one hundred percent (100%) of the principal amount thereof called for redemption together with accrued interest thereon to the date of redemption.

The Bonds are subject to optional redemption by the Community Facilities District prior to their respective maturity dates as a whole or in part on any date on or after September 1, 20[___], from funds derived by the Community Facilities District from any source other than such Minimum Sinking Fund Account Payments deposited in the Sinking Fund Subaccount or such

prepayments of the Special Tax, upon mailed notice as hereinafter provided, at the following redemption prices (computed upon the principal amount of the Bonds or portions thereof called for redemption) together with accrued interest thereon to the date fixed for redemption, to wit:

103% if redeemed on any date on or after September 1, 20[___], through August 31, 20[___];

102% if redeemed on any date from September 1, 20[___], through August 31, 20[___];

101% if redeemed on any date from September 1, 20[___], through August 31, 20[___]; and

100% if redeemed on September 1, 20[___], and any date thereafter.

The Bonds are subject to extraordinary redemption by the Community Facilities District prior to their respective maturity dates, as a whole or in part on any interest payment date on and after March 1, 2025, from funds derived by the Community Facilities District from prepayments of the Special Tax, upon mailed notice as hereinafter provided, at the following redemption prices (computed upon the principal amount of the Bonds or portions thereof called for redemption) together with accrued interest thereon to the date fixed for redemption, to wit:

103% if redeemed on any interest payment date on or after March 1, 2025, through March 1, 20[___];

102% if redeemed on an interest payment date on September 1, 20[___], or March 1, 20[___];

101% if redeemed on an interest payment date on September 1, 20[___], or March 1, 20[___]; and

100% if redeemed on September 1, 20[___], or any interest payment date thereafter.

If less than all the Outstanding Bonds are to be redeemed as a result of prepayments of the Special Tax at any one time, the Bonds shall be redeemed pro rata by maturity. If less than all the Outstanding Bonds are to be redeemed at the option of the Community Facilities District at any one time, the Bonds of the latest maturity date or dates shall be redeemed prior to or simultaneously with the redemption of the Bonds maturing prior thereto, and if less than all the Outstanding Bonds of any one maturity date are to be redeemed at any one time, the Trustee shall select the Bonds or the portions thereof of such maturity date to be redeemed in integral multiples of five thousand dollars (\$5,000) in a manner that it deems appropriate and fair.

Notice of redemption of this Bond or any portion hereof shall be mailed by the Trustee to the registered owner hereof and to those securities depositories and securities information services selected by the Community Facilities District in accordance with the Indenture, but neither failure to receive any such mailed notice nor any immaterial defect contained therein shall affect the sufficiency or validity of such proceedings for redemption. Any notice of

optional redemption may be rescinded by written notice given by the Community Facilities District to the Trustee no later than three (3) Business Days prior to the date specified for redemption. The Trustee shall give notice of rescission of the notice of optional redemption or non-satisfaction of any conditions specified in the notice of optional redemption as soon as practicable to the same parties and in the same manner as the notice of redemption was given pursuant to the Indenture.

If notice of redemption has been duly given and not rescinded as aforesaid and money sufficient for the payment of the principal of and redemption premiums, if any, on, together with interest to the redemption date on, this Bond or portion thereof so called for redemption has been irrevocably deposited with the Trustee, then this Bond or the portion thereof to be redeemed shall, on the redemption date designated in such notice, become due and payable at the above-described redemption price; and from and after the date so designated interest on this Bond or the portion thereof to be redeemed shall cease to accrue and the registered owner of this Bond shall have no rights in respect hereof except to receive payment of the redemption price of this Bond or the portion thereof to be redeemed, and upon surrender of this Bond if redeemed in part only, the Community Facilities District shall execute and the Trustee shall authenticate and deliver to the registered owner hereof at the expense of the Community Facilities District a new Bond or Bonds equal in aggregate principal amount to the unredeemed portion of this Bond so surrendered.

The Community Facilities District has covenanted that, so long as any Bonds are Outstanding, it will annually levy the Special Tax against all Taxable Property in the Improvement Area and make provision for the collection of the Special Tax in amounts which will be sufficient, together with the money then on deposit in the Redemption Account, after making reasonable allowances for contingencies and errors in the estimates, to yield proceeds equal to the amounts required for compliance with the agreements, conditions, covenants and terms contained in the Indenture, and which in any event will be sufficient to pay the interest on and principal of and Minimum Sinking Fund Account Payments for and redemption premiums, if any, on the Bonds as they become due and payable and to replenish each Bond Reserve Account established under the Indenture and to pay all current Expenses and Services as they become due and payable in accordance with the provisions and terms of the Indenture.

The Bonds are issuable in the form of fully registered bonds. The registered owner of any Bond or Bonds may surrender the same (together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his or her duly authorized attorney) in exchange for an equal aggregate principal amount of Bonds of the same series and maturity date in the manner, subject to the conditions and upon payment of the charges provided in the Indenture.

The registration of this Bond is transferable on the registration books kept by the Trustee by the registered owner hereof or by his or her duly authorized attorney upon surrender of this Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his or her duly authorized attorney, and thereupon a new Bond or Bonds of the same series and maturity date in the same aggregate principal amount will be issued to the transferee in exchange therefor in the manner, subject to the conditions and terms and upon payment of the charges provided in the Indenture. The Community Facilities District and the Trustee shall be entitled to conclusively treat the person in whose name this Bond is registered as

the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal hereof and redemption premium, if any, hereon and for all other purposes.

The rights and obligations of the Community Facilities District and of the registered owners of the Bonds may be amended at any time in the manner, to the extent and upon the terms provided in the Indenture, and in certain circumstances without the consent of such registered owners, but no such amendment shall (1) extend the maturity of this Bond or reduce the interest rate hereon or otherwise alter or impair the obligation of the Community Facilities District to pay the interest hereon or principal hereof or Minimum Sinking Fund Account Payment herefor or redemption premium, if any, hereon at the time and place and at the rate and in the currency and from the funds provided herein without the express written consent of the registered owner of this Bond, or (2) permit the issuance by the Community Facilities District of any obligations payable from the proceeds of the Special Tax other than as provided in the Indenture, or jeopardize the ability of the Community Facilities District to levy and collect the Special Tax, or (3) reduce the percentage of Bonds required for the written consent to an amendment of the Indenture, or (4) modify any rights or obligations of the Trustee without its prior written assent thereto; all as more fully set forth in the Indenture.

The Bonds do not constitute an indebtedness of the Community Facilities District within the meaning of any constitutional or statutory debt limitation or restriction, and neither the City Council of the City nor the Community Facilities District nor any officer or employee thereof or of the City shall be liable for the payment of the interest on or principal of or redemption premiums, if any, on the Bonds otherwise than from the proceeds of the Special Tax, net of Priority Administrative Expenses, and such other funds, as provided in the Indenture.

This Bond shall not be entitled to any benefits under the Indenture or become valid or obligatory for any purpose until the certificate of authentication and registration hereon endorsed shall have been manually signed by an authorized signatory of the Trustee.

It is hereby certified that all acts, conditions and things required by law to exist, to have happened and to have been performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law and that the amount of this Bond, together with all other obligations of the Community Facilities District, does not exceed any limit prescribed by the laws of the State of California and is not in excess of the principal amount of the Bonds permitted to be issued under the Indenture.

IN WITNESS WHEREOF, the City of Folsom Community Facilities District No. 23 (Folsom Ranch) has caused this Bond to be executed in its name and on its behalf by the manual or facsimile signature of the Mayor of the City and countersigned by the manual or facsimile signature of the City Clerk of the City, and has caused this Bond to be dated December [], 2024.

PRELIMINARY OFFICIAL STATEMENT DATED NOVEMBER [__], 2024

NOT RATED

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Authority, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and is exempt from State of California personal income taxes. In the further opinion of Bond Counsel, interest on the Bonds is not a specific preference item for purposes of the federal individual alternative minimum tax. Bond Counsel observes that interest on the Bonds included in adjusted financial statement income of certain corporations is not excluded from the federal corporate alternative minimum tax. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Bonds. See "TAX MATTERS."

The Folsom Ranch Financing Authority City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 4 Special Tax Revenue Bonds, Series 2024 (the "Bonds") are being issued by the Folsom Ranch Financing Authority (the "Authority") to provide funds to finance the purchase of limited obligation special tax bonds (the "Local Obligations"), issued by the City of Folsom Community Facilities District No. 23 (Folsom Ranch) (the "District"). The purchase price of the Local Obligations will be used to finance the acquisition of certain public facilities, fund a debt service reserve account, and pay certain costs of issuance of the Local Obligations and the Bonds.

The Bonds are being issued by the Authority pursuant to a Trust Agreement (the "Trust Agreement") among the District, the Authority, and U.S. Bank Trust Company, National Association, as trustee (the "Trustee") and will be secured by a pledge of the Trust Estate, as defined herein. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS."

The Bonds are special, limited obligations of the Authority. The Bonds are payable solely from and secured by the Trust Estate of the Authority pledged under the Trust Agreement, consisting primarily of payments received by the Authority from the District under the Local Obligations, which payments are secured by a lien of the Special Taxes (defined herein) levied upon property within Improvement Area No. 4 of the District (the "Improvement Area"), as more fully described herein. Payments under the Local Obligations are calculated to be sufficient to permit the Authority to pay the principal of, and interest on, the Bonds when due.

The Local Obligations Indenture (defined herein) for the Local Obligations establishes a debt service reserve fund (the "Local Obligations Reserve Fund") with a debt service reserve account therein for the Local Obligations (the "Local Obligations Reserve Account"). Pursuant to the Local Obligations Indenture, a deposit is being made to the Local Obligations Reserve Account for the Local Obligations. **Amounts available from the Local Obligations Reserve Account are not available to make up a deficiency for the payment of principal of and interest on the Bonds.** See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Terms of the Local Obligations—*Local Obligations Reserve Account.*"

The Bonds are being issued only as fully registered bonds registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC") and interest thereon is payable on March 1 and September 1 of each year, commencing March 1, 2025, by the Trustee to DTC. DTC will in turn remit principal or redemption price and interest to the DTC participants, which will in turn remit such principal or redemption price and interest to the Beneficial Owners of the Bonds, as described herein. DTC will act as securities depository for the Bonds. Individual purchases will be made in book-entry only form in the principal amount of \$5,000 or integral multiple thereof. Purchasers of the Bonds will not receive instruments representing their interest in the Bonds purchased. See APPENDIX F—"DTC AND THE BOOK-ENTRY ONLY SYSTEM."

The Bonds are subject to optional, extraordinary and mandatory redemption as described herein. * See "THE BONDS—Redemption Provisions."

NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE CITY OF FOLSOM (THE "CITY"), THE AUTHORITY, THE STATE OF CALIFORNIA OR ANY OTHER POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE BONDS. THE AUTHORITY HAS NO TAXING POWER. EXCEPT FOR THE TRUST ESTATE, NO OTHER REVENUES OR TAXES ARE PLEDGED TO THE PAYMENT OF THE BONDS. THE BONDS ARE NOT GENERAL OBLIGATIONS OF THE AUTHORITY, THE DISTRICT OR THE CITY, BUT ARE LIMITED OBLIGATIONS OF THE AUTHORITY PAYABLE SOLELY FROM THE TRUST ESTATE, DERIVED PRIMARILY FROM

* Preliminary, subject to change.

SPECIAL TAX REVENUE BONDS
SERIES 2024

INTRODUCTION

The description and summaries of various documents hereinafter set forth do not purport to be comprehensive or definitive, and reference is made to each document for the complete details of all terms and conditions. All statements herein are qualified in their entirety by reference to each document. All capitalized terms used in this Official Statement and not otherwise defined herein have the same meaning as in the Trust Agreement (defined below) or the Local Obligations Indenture (defined below), as applicable.

General

This Official Statement, including the cover page, the inside cover page and the Appendices hereto, is provided to furnish certain information in connection with the issuance and sale by the Folsom Ranch Financing Authority (the “Authority”) of \$10,705,000* aggregate principal amount of Folsom Ranch Financing Authority City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 4 Special Tax Revenue Bonds, Series 2024 (the “Bonds”).

Authority for Issuance

The Bonds will be issued pursuant to the provisions of the Trust Agreement (the “Trust Agreement”) among the Authority, the City of Folsom Community Facilities District No. 23 (Folsom Ranch) (the “District”), and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”), as authorized pursuant to a resolution of the Authority. The Bonds will be issued pursuant to the Marks-Roos Local Bond Pooling Act of 1985, as amended, constituting Article 4 of Chapter 5, Division 7, Title 1 of the Government Code of the State of California. The Bonds will be issued as fully registered bonds in book-entry form, in denominations of \$5,000 each or any integral multiple thereof and will be dated the date of delivery thereof and bear interest at the rates set forth on the inside front cover page hereof. See “THE BONDS—Description of the Bonds.”

Purpose

The Bonds are being issued to finance the purchase of the limited obligation special tax bonds (the “Local Obligations”), issued by the District pursuant to an Indenture (the “Local Obligations Indenture”) between the District and U.S. Bank Trust Company, National Association, as trustee (the “Local Obligations Trustee”). The purchase price of the Local Obligations will be used to finance the acquisition of certain public facilities, fund a debt service reserve account, and pay certain costs of issuance of the Local Obligations and Bonds. See “PLAN OF FINANCE” and “THE IMPROVEMENT AREA.”

* Preliminary, subject to change.

The Local Obligations are authorized pursuant to (i) the provisions of the Mello-Roos Community Facilities Act of 1982, as amended, constituting Section 53311, *et seq.* of the California Government Code (the “Mello-Roos Act”), (ii) a resolution of the City Council of the City of Folsom (the “City”) as legislative body of the District adopted on November 12, 2024, and (iii) the Local Obligations Indenture. The Local Obligations are payable from the special taxes authorized to be levied and collected annually upon taxable real property within Improvement Area No. 4 of the District (the “Improvement Area”). See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—General.”

Security for the Bonds and the Local Obligations

The Bonds are special, limited obligations of the Authority, payable from and secured by the Trust Estate (as defined herein) pledged under the Trust Agreement, consisting primarily of payments received from the District as debt service payments on the Local Obligations.

The Local Obligations will be issued with an annual scheduled debt service that results in at least 110% annual debt service coverage for the Local Obligations from Effective Tax Rate Evaluation Maximum Facilities Special Tax revenues for Developed Property and Small Lot Final Map Property as of August 31, 2024, net of Priority Administrative Expenses (each as defined below), beginning with the levy for Fiscal Year 2025-26. The debt service on the Local Obligations is expected to increase approximately 2% annually through 2044 and then be level through the final maturity. [The Local Obligations are sized so that, beginning with Fiscal Year 2025-26, the Special Tax is expected to only need to be levied on Developed Property to provide sufficient funds to pay the debt service on the Local Obligations. However, if needed, the Special Tax may be levied on other, less-developed categories of property pursuant to the Rate and Method (as defined herein) and, as the Improvement Area continues to develop, the expected Special Tax levy on Developed Property will be allocated across a greater number of parcels.] Although the scheduled payments under the Local Obligations are sufficient, in the aggregate, to provide the Authority with moneys to pay the principal of, premium, if any, and interest on the Bonds when due (see “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS”), investment in the Bonds involves a substantial degree of risk that may not be appropriate for some investors. See “CERTAIN RISKS TO BONDHOLDERS” below.

The Local Obligations are secured by a pledge of special taxes (including both the Facilities Special Tax and the Services Special Tax for the Improvement Area, each as defined herein) received by the District (the “Special Tax” or the “Special Taxes,” as the context requires) (including any prepayment thereof and proceeds from foreclosure sales pursuant to the Local Obligations Indenture), net of Priority Administrative Expenses, and the Local Obligations Reserve Account established for the Local Obligations under the Local Obligations Indenture. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS.” The Special Taxes are included on the regular property tax bill sent to the record owners of taxable properties within the Improvement Area. The District has covenanted in the Local Obligations Indenture to commence judicial foreclosure proceedings against property with delinquent Special Taxes and to diligently pursue such proceedings to completion; provided, however, that the District is not obligated under the Local Obligations Indenture to commence such judicial foreclosure proceedings on any delinquent installment of the Special Tax for any Fiscal Year in which the District has received one hundred percent (100%) of the amount of such installment from the County of Sacramento (the “County”) pursuant to the Teeter Plan (described below). See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Payment of the Local Obligations,” “—Special Tax Authorization,” “—Covenant for Foreclosure” and “—The Teeter Plan.”

The Special Taxes secure only the Local Obligations. For this reason, a delinquency or default in the payment of Special Taxes could cause a default in the payments of principal and interest on the Bonds

if moneys in the Local Obligations Reserve Account are insufficient to make up the deficit in debt service for the Local Obligations caused by such delinquency or nonpayment.

NEITHER THE FULL FAITH AND CREDIT NOR THE TAXING POWER OF THE CITY, THE DISTRICT, THE AUTHORITY, THE STATE OF CALIFORNIA (THE "STATE") OR ANY OTHER POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE BONDS. THE AUTHORITY HAS NO TAXING POWER. EXCEPT FOR THE TRUST ESTATE, NO OTHER REVENUES OR TAXES ARE PLEDGED TO THE PAYMENT OF THE BONDS. THE BONDS ARE NOT GENERAL OBLIGATIONS OF THE AUTHORITY, THE DISTRICT OR THE CITY, BUT ARE LIMITED OBLIGATIONS OF THE AUTHORITY PAYABLE SOLELY FROM THE TRUST ESTATE, DERIVED PRIMARILY FROM DEBT SERVICE PAYMENTS ON THE LOCAL OBLIGATIONS FROM THE PAYMENT OF THE SPECIAL TAXES LEVIED WITHIN THE IMPROVEMENT AREA AS MORE FULLY DESCRIBED HEREIN.

The Improvement Area

General. The Improvement Area is located in the southern portion of the City, west of East Bidwell Street, north of Mangini Parkway and south of U.S. Highway 50 and consists of over 150 total gross acres (excluding non-parcel areas, such as roadways), of which approximately 95 acres are subject to the Special Tax. Presently, the Improvement Area includes properties in varying stages of development, including unimproved lots, finished lots, homes under construction, and completed homes. Collectively, these properties are planned to include 648 single family homes.

Formation Proceedings. The District was formed by the City pursuant to the Mello-Roos Act. The Mello-Roos Act was enacted by the California legislature to provide an alternative method of financing certain public capital facilities and services, especially in developing areas of the State. Any local agency (as defined in the Mello-Roos Act) may establish a community facilities district to provide for and finance the cost of eligible public facilities, development-related fees, and services. Subject to approval by two-thirds of the votes cast at an election and compliance with the other provisions of the Mello-Roos Act, a legislative body of a local agency may issue bonds for a community facilities district and may levy and collect a special tax within such district to repay such indebtedness.

Pursuant to the Mello-Roos Act, the City Council undertook proceedings to form the District, initially designating six separate improvement areas therein, including the Improvement Area, and called an election to authorize the incurring of bonded indebtedness and authorize the levy of special taxes within the District. On May 26, 2020, elections were held within the District for each improvement area therein at which the eligible voters in each improvement area approved the levy of special taxes in accordance with the respective Rate and Method of Apportionment of Special Tax for such improvement area (the "Rate and Method" for the Improvement Area). In addition, the eligible voters in the Improvement Area authorized the issuance of bonds in an amount not to exceed \$64,000,000 for the Improvement Area. In December 2021, a seventh improvement area was designated within the District. Pursuant to the Rate and Method, an Effective Tax Rate Evaluation was conducted in early 2023 to determine the Total Effective Tax Rate for Residential Property within the Improvement Area (each as defined in the Rate and Method). In connection with that Effective Tax Rate Evaluation, the Rate and Method was updated to include the Effective Tax Rate Evaluation Maximum Facilities Special Tax Rates and the Effective Tax Rate Evaluation Minimum Facilities Revenue amounts for all Taxable Property for Fiscal Year 2022-23. The Rate and Method is included as APPENDIX A hereto and summarized herein under "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Special Tax Analysis."

Property Ownership and Development Status

The property within the Improvement Area is under development, with homes completed and sold to individual homeowners, homes under construction and being marketed to individual homeowners, finished lots, and unimproved land. As of November 1, 2024, the Taxable Property within the Improvement Area was owned by Taylor Morrison of California, LLC, a California limited liability company (“Taylor Morrison”); Folsom Real Estate South, LLC, a Delaware limited liability company (“Folsom Real Estate South”); and individual homeowners. As of that date, Taylor Morrison owned 114 single family lots, Folsom Real Estate South owned four large lot parcels that it expects will ultimately be developed by a separate developer to include 388 single family homes, and individuals owned 146 single family homes. See “PROPOSED PROPERTY DEVELOPMENT—Property Ownership.” At full buildout, the Improvement Area is expected to include a total of 648 detached single-family homes.

To date, a final map has been approved and recorded for the 260 single family lots that are owned by Taylor Morrison and the individual homeowners. This portion of the Improvement Area contains the lots that have been, and are currently being, developed by Taylor Morrison for home sales to individual homebuyers. Taylor Morrison’s lots in the Improvement Area are being developed and sold across three separate product lines: Debut at Folsom Ranch, Encore at Folsom Ranch, and Legends at Folsom Ranch. Construction and sale of these 260 single family homes is well underway, with 146 having sold and closed to individual homebuyers as of November 1, 2024. As of that same date, Taylor Morrison had pulled 217 building permits and expects to complete construction of its final home within the Improvement Area by the first quarter of 2026.

Other than the 260 lots owned by Taylor Morrison and the individual homeowners, Folsom Real Estate South owns the remainder of the Taxable Property (as defined herein) within the Improvement Area (the “Four Large Lots”). Currently, the Four Large Lots are unimproved land. There are several remaining discretionary and non-discretionary approvals required before the Four Large Lots can be fully developed, including the approval of tentative and final small lot maps and satisfaction of City requirements relating to inclusionary housing and habitat mitigation. See “PROPOSED PROPERTY DEVELOPMENT—Folsom Real Estate South Development—Development Status – Folsom Real Estate South.” Additionally, a deviation in the development of the Four Large Lots from the current development entitlements may require additional governmental approvals and could delay the expected development timing.

Folsom Real Estate South is in the process of selling the Four Large Lots and has entered into letters of intent with multiple nationally recognized homebuilders to negotiate the sale of the Four Large Lots and other properties within the Folsom Plan Area (but outside of the Improvement Area). Folsom Real Estate South is actively negotiating a purchase and sale agreement with one of these homebuilders for the Four Large Lots, which it expects to ultimately be developed to include 388 single family homes. Folsom Real Estate South expects that the sale of these lots to the builder would close upon the satisfaction of various conditions, including the buyer’s prior payment of one or more non-refundable deposits and City approval of a small lot tentative map. Folsom Real Estate South is in the process of preparing the small lot tentative map for the Four Large Lots, which it anticipates being approved by the City during the second quarter of 2025. The anticipated purchase and sale agreement would obligate the builder to complete the infrastructure improvements and site development required for the construction of the homes on the Four Large Lots, which includes mass grading work, utilities and roadway improvements, and subdivision improvements. Folsom Real Estate South anticipates construction of the required infrastructure relating to the Four Large Lots to commence during the third quarter of 2025 and continue through 2026.

As of August 31, 2024 (the date of value of the Appraisal), the Improvement Area included 139 completed homes that had closed escrow to individual homeowners, 53 homes under construction, 68 finished lots without vertical home construction, and the unimproved Four Large Lots (which are expected to ultimately be developed into 388 single family homes). Since that date, development within the Improvement Area has continued. As of November 1, 2024, the Improvement Area included 146 completed homes that had closed escrow to individual homeowners, 4 completed model homes, an additional 10 completed homes that had not yet closed escrow to individual homeowners, 47 homes under construction, 53 finished lots without vertical home construction, and the unimproved Four Large Lots. As of November 1, 2024, Taylor Morrison was under contract for the sale of 8 homes (3 in Encore at Folsom Ranch and 5 in Legends at Folsom Ranch) to individual homeowners. Homes under contract may not result in closed escrows as sales contracts are subject to cancellation.

The following table summarizes, as of November 1, 2024, the ownership and development status of the residential lots and homes proposed to be constructed within the Improvement Area.

Property Values and Value to Lien

As of August 31, 2024, 114 parcels of Taxable Property within the Improvement Area with assessed structural improvements values of \$300,000 or more (the “Unappraised Property”) had, in aggregate, an assessed land and improvements value of \$80,841,034.

Integra Realty Resources, Sacramento, California (the “Appraiser”) prepared an appraisal (the “Appraisal”) for the remaining portion of the Taxable Property within the Improvement Area (the “Appraised Property”). The purpose of the Appraisal was to estimate the market value, subject to the special tax and based upon a hypothetical condition, for the Appraised Property. Subject to the

assumptions, hypothetical condition and limiting conditions contained in the Appraisal, the Appraiser estimated that the Appraised Property within the Improvement Area had an estimated not-less-than aggregate market value of \$69,275,000 as of August 31, 2024.

Based on a principal amount of \$10,705,000* for the Local Obligations (and the Bonds) and the aggregate appraised and assessed values for Taxable Property within the Improvement Area of \$150,116,034 (including both the Unappraised Property and the Appraised Property), the value-to-lien ratio for the Improvement Area is 14.0*:1.0. The overall value to overlapping debt ratio, including certain overlapping general obligation tax and assessment debt and CFD 17 and CFD 18 (each as defined herein) special tax debt, is 10.5*:1.0. See “THE IMPROVEMENT AREA—Value-to-Lien Analysis” and “THE IMPROVEMENT AREA—Overlapping Debt.” The Appraisal is attached to this Official Statement as APPENDIX G.

Bondholders Risks

Investment in the Bonds involves a substantial degree of risk that may not be appropriate for some investors. For a discussion of certain considerations relevant to an investment in the Bonds, in addition to the other matters set forth herein, see “CERTAIN RISKS TO BONDHOLDERS.” Investors should read the entire Official Statement to obtain information essential to the making of an informed investment decision.

Continuing Disclosure

The District will agree to provide certain annual financial information and operating data by not later than April 1 in each year, commencing April 1, 2025 (the “Annual Report”), and to provide notices of the occurrence of certain enumerated events. The Annual Report and notices will be filed with the Municipal Securities Rulemaking Board’s Electronic Municipal Market Access database (“EMMA”). The specific nature of the information to be contained in the Annual Report or the notices of enumerated events is set forth in APPENDIX D—“FORMS OF CONTINUING DISCLOSURE UNDERTAKINGS.” These covenants have been made in order to assist the Underwriter in complying with S.E.C. Rule 15c2-12.

Taylor Morrison and Folsom Real Estate South will each covenant for the benefit of the Bondholders to provide certain information relating to it and its development within the Improvement Area no later than June 1 and December 1 in each year, commencing June 1, 2025 (collectively, the “Disclosure Reports”), and to provide notices of the occurrence of certain enumerated events. The Disclosure Reports and notices will be filed with EMMA. The specific nature of the information to be contained in the Disclosure Reports or the notices of enumerated events is set forth in APPENDIX D—“FORMS OF CONTINUING DISCLOSURE UNDERTAKINGS.” The obligations of Taylor Morrison and Folsom Real Estate South will terminate upon the occurrence of certain events as set forth in the applicable Continuing Disclosure Certificate, including at such time as Taylor Morrison and Folsom Real Estate South (and each of their Affiliates (as defined in the applicable Continuing Disclosure Agreement)) own property that is (i) entitled to include less than 137 of the residential lots within the Improvement Area subject to the Special Taxes and (ii) obligated to pay less than 20% of the Special Taxes levied on all of the Taxable Property within the Improvement Area for the then current Fiscal Year.

* Preliminary, subject to change.

Summaries Not Definitive

Brief descriptions of the Bonds; the Local Obligations; the security for the Bonds and the Local Obligations; the City, the District, the Improvement Area; and the status of development within the Improvement Area are included in this Official Statement together with summaries of certain provisions of the Bonds, the Trust Agreement, and the Local Obligations Indenture. Such descriptions do not purport to be comprehensive or definitive. All references herein to the Trust Agreement and the Local Obligations Indenture are qualified in their entirety by reference to such documents, copies of which are available for inspection at the office of Trustee.

FOLSOM PLAN AREA

General Folsom Plan Area Plan of Finance

In 2001, the City commenced plans to expand its sphere of influence area to include an area south of US Route 50. The area, known as the Folsom Plan Area is bordered to the west by Prairie City Road, the east by the Sacramento/El Dorado County boundary line, the north by US Route 50, and the south by White Rock Road. In November 2004, the citizens of the City adopted Measure W (“Measure W”), which specified certain requirements for annexing the Folsom Plan Area into the City. In June 2011, the City adopted its Folsom Plan Area Specific Plan (the “Specific Plan”). The Local Agency Formation Commission approved the City’s plan to annex the Folsom Plan Area on January 18, 2012.

As described below, the Folsom Plan Area is an area of approximately 3,500 acres in the southern portion of the City that has been approved for development of approximately 11,461 units of residential development, plus 274.5 acres of commercial/industrial development (including mixed use development). Over the build out of the property, the City has used and anticipates continuing to use community facilities districts under the Mello-Roos Act to finance a large portion of the public infrastructure required for the development, plus certain maintenance obligations of public improvements and facilities.

Two community facilities districts formed by the City to finance public infrastructure, maintenance and services benefiting the Folsom Plan Area include Community Facilities District No. 17 (Willow Hill Pipeline) (“CFD 17”) and Community Facilities District No. 18 (Folsom Plan Area – Area-Wide Improvements and Services) (“CFD 18”). CFD 17 encompasses nearly all of the property within the Folsom Plan Area, excluding approximately 190 acres bordering El Dorado County in the eastern portion of the City south of US Route 50. CFD 18 encompasses all of the property within the Folsom Plan Area, overlapping all of CFD 17 and the additional 190 acres bordering El Dorado County. The City has issued bonds for CFD 17 in the principal amount of \$6,675,000, of which \$5,415,000 are currently outstanding. CFD 18 is authorized to issue up to \$200,000,000 in bonds. In October 2024, CFD 18 issued bonds in the aggregate principal amount of \$26,735,000 to help finance the Phase 2 Water Transmission Facilities (as defined herein). See “PROPOSED PROPERTY DEVELOPMENT—Development Entitlements—*Water Supply Infrastructure*.” The Improvement Area represents approximately 4.9% by acres of CFD 17 and approximately 4.6% by acres of CFD 18, however any overlapping debt issued by CFD 17 or CFD 18 will not be allocated to the properties in the Improvement Area based on their acreage, and the amount of overlapping debt allocated may vary over time. Based on the development status within CFD 18 as of August 31, 2024, the Improvement Area would generate approximately 5.6% of the maximum CFD 18 special tax levy for bonds. This share of the maximum CFD 18 special tax levy for bonds is expected to decrease over time as undeveloped properties within CFD 18 become approved with final maps or developed. The allocable portion of bonds previously issued for CFD 17 and any bonds to be issued for CFD 18 constitute overlapping debt. See “THE IMPROVEMENT AREA—Overlapping Debt.”

Public Facilities Financing Plan

Measure W, adopted by City residents in November 2004, required, among other things, that residents north of US Route 50 not bear the cost for infrastructure and public facilities serving the Folsom Plan Area. The City adopted a Public Facilities Financing Plan (“PFFP”) for the Folsom Plan Area on January 14, 2014. The PFFP provides an overview of how the infrastructure required for the development of the Folsom Plan Area will be financed and constructed and how various public facilities will be financed and maintained to ensure that public facilities and infrastructure will be available for the orderly development of the Folsom Plan Area without cost to the residents of the City north of US Route 50 and without an adverse impact on the service levels provided to future residents of the Folsom Plan Area.

The PFFP contemplates that the primary sources of funding for the construction of the public infrastructure and facilities in the Folsom Plan Area are community facilities districts, development impact fees collected upon permit issuance (including development impact fees of the Folsom Cordova Unified School District), direct developer financing, and matching state school grants and other school funding (including the school facilities improvement district described under “THE IMPROVEMENT AREA—Overlapping Debt”). Subdivision improvements are not included as part of the PFFP.

On September 8, 2015, the City implemented its Specific Plan Infrastructure Fees (the “SPIF”) to be collected for the Specific Plan. The SPIF has been updated from time to time and new nexus studies performed periodically to evaluate the costs of improvements and the appropriate fee rates.

As of the date of the Nexus Study Fiscal Year 2020-21 Update, the estimated remaining cost of the backbone infrastructure and public facilities for the Folsom Plan Area at build-out was \$403,482,461. This estimate is subject to a variety of construction and market risks. The City and the District can provide no assurances that the overall costs will not increase, even significantly, in the future. The City has used, and intends to continue to use, multiple funding sources for the Folsom Plan Area infrastructure as development progresses and has continued to progress, including SPIF and the issuance of bonds for the District and other community facilities districts within the Folsom Plan Area.

The SPIF is administered by the City for the purposes of collecting impact fees for plan area wide improvements for the construction of roadways, water, sewer, drainage, dry utilities, recycled water and habitat mitigation in the Folsom Plan Area. The purpose of the SPIF is to require each landowner to pay its fair share of Folsom Plan Area area-wide improvements and to be reimbursed for any amount expended in excess of a landowner’s fair share requirement. Under the terms of an Ordinance for the SPIF adopted by the City (the “SPIF Ordinance”), property owners in the Folsom Plan Area will be eligible to enter into an agreement with the City and receive future reimbursements (that are convertible to fee credits for use within the owner’s property) in exchange for the construction of eligible SPIF improvements. Based on the amount of improvements eligible for SPIF reimbursement, a number of properties within the District are anticipated to fully cover their SPIF obligations through the conversion of these SPIF reimbursements to SPIF fee credits. After applying the SPIF reimbursements as SPIF fee credits to all properties in the District, amounts expended by landowners in excess of a project’s SPIF obligation are expected to be reimbursed from the City as other SPIF fees are collected in the Folsom Plan Area.

Within the Folsom Plan Area, initial development will be required to pay a “SPIF Set-Aside” component to address initial water and sewer facility costs. This is a loan of SPIF collections to help the cash flow for the initial water and sewer costs. It will be repaid or equalized to all properties through the SPIF program as well as through the District. The SPIF Set-Aside will apply to the first 2,500 Folsom Plan Area dwelling units that would be subject to the SPIF. A portion of the SPIF will be required to be paid regardless of whether a developer/property owner has advance-funded eligible SPIF infrastructure

and has executed a Fee Reimbursement Agreement through the City. An exception to this rule is that a property owner who constructs certain water or sewer infrastructure for which the SPIF Set-Aside is being collected may take a credit against the SPIF Set-Aside.

In addition, in August 2020, the City approved an ordinance amending certain provisions of the SPIF Ordinance to include a new SPIF – Offsite Water Set-Aside. This new SPIF – “Offsite Water Set-Aside” will be payable at the building permit stage and will not be eligible to be offset by fee credits.

In connection with the Specific Plan amendments adopted in August 2024, the City will conduct an update to the Public Facilities Financing Plan.

Phasing of Development. For purposes of setting the PFFP costs, the City projected single family units would be sold and occupied within 13 years, multi-family low density units within 15 years, and multi-family medium and high density units within 18 years.

Backbone Infrastructure. The PFFP provides for the financing or collection of impact fees for and the construction of the backbone infrastructure required before construction in the Folsom Plan Area can proceed. Specifically, the PFFP recognizes the need for roadway improvements, on-site water system improvements, off-site water system improvements, recycled water system improvements, sanitary sewer system improvements, storm drainage system improvements, habitat mitigation, and construction of two freeway interchanges and improvements to an existing freeway interchange.

Public Facilities – the Folsom Plan Area. The PFFP describes plans for the financing of public schools, parks, transit services, trails, police and fire facilities and equipment, municipal service center, a corporation yard, solid waste facilities, a library, general capital improvements, transportation, and a community and aquatic center. The PFFP anticipates that the land for the public facilities will be dedicated to the City without cost to the City.

The Folsom Plan Area is currently being served by the existing fire resources of the City as well as other County, El Dorado County and Placer County fire agencies through mutual aid agreements with the City. As noted in the PFFP, the City’s goal is to maintain a level of service that represents a rate of 1 station per 12,000 population. The City’s first fire station within the Folsom Plan Area opened on September 26, 2024.

Development within the Folsom Plan Area, including within the Improvement Area, is dependent upon completion of certain of the above-described infrastructure. For more information on status of construction of improvements and development necessary for development to occur within the Improvement Area, see “PROPOSED PROPERTY DEVELOPMENT.” See also “THE IMPROVEMENT AREA—Overlapping Debt.”

Folsom Plan Area Development

The Folsom Plan Area is an area of approximately 3,520 acres in the southern portion of the City that has been approved for development of approximately 13,343 units of residential development, plus 274.5 acres (equating to 2.5 million square feet) of commercial/industrial development (including mixed use development). Through multiple acquisitions beginning in 2012, affiliates of WestLand Capital Partners, L.P. (“WestLand”) acquired nearly 2,400 acres within the Folsom Plan Area, including property planned for development of approximately 8,350 dwelling units, 1.2 million square feet of commercial, office and industrial space, as well as several sites for elementary, middle, and high schools.

Since development began in May 2017, WestLand affiliates have invested more than \$250 million into backbone infrastructure and subdivision improvements. WestLand affiliates' remaining land holdings include land planned for development of nearly 3,500 dwelling units and 1.2 million square feet of commercial and office uses.

Many of the region's largest public and private homebuilders have been actively building in the Folsom Plan Area, including Toll Brothers, Lennar Homes, Tri Pointe Homes, Taylor Morrison, KB HOME Sacramento, Beazer Homes, Woodside Homes and Richmond American in more than ten separate development communities. Multifamily developers undertaking high density projects include Van Daele Homes, A.G. Spanos Company, and St. Anton Communities.

Dignity Health and UC Davis Medical, two of the region's major healthcare providers, own a total of approximately 70 acres within the Folsom Plan Area that are being developed into hospital and medical campus facilities. Development for the Dignity Health campus began in 2021, and significant land development has progressed. The UC Davis Medical property commenced development in August 2023.

The Folsom Plan Area, including Folsom Ranch and Russell Ranch, is widely considered to be the premier master-planned community in the Sacramento region. As of September 30, 2024, final maps had been approved and recorded for 4,603 dwelling units. In addition, as of September 30, 2024, building permits for 3,871 residential units and 3,491 certificates of occupancy had been issued in the Folsom Plan Area for projects underway. Based on ownership data as of June 30, 2024, 3,110 homes had been conveyed to individual homeowners.

PLAN OF FINANCE

Facilities to be Financed

The Bonds are issued for the purpose of providing funds to purchase the Local Obligations. The Local Obligations are being issued to finance the acquisition of certain public capital improvements more particularly described in the Resolution of Formation adopted by the City Council of the City on May 26, 2020. The City and TCS Improvement Company, LLC, a California limited liability company (the "Original Developer") have entered into an acquisition and shortfall agreement (the "Acquisition Agreement") wherein the City has agreed to use a portion of the proceeds of the Local Obligations to finance the acquisition from the Original Developer of those facilities set forth in the Acquisition Agreement. Such facilities are expected to consist of certain transportation improvements, water system improvements, recycled water system improvements, drainage system improvements, wastewater system improvements, park, parkway and open space improvements, Specific Plan Infrastructure Fee program improvements and certain Specific Plan Infrastructure Fee obligations (collectively, the "Facilities").

Proceeds from the Local Obligations are expected to finance some, but not all, of the Facilities eligible to be financed within the District, and the District expects to issue one or more series of bonds to finance the acquisition of additional facilities in the future. See "PROPOSED PROPERTY DEVELOPMENT—Development Plan and Status of Development—*Status of Development.*"

THE BONDS

General

The Bonds are secured by a pledge of amounts paid with respect to the Local Obligations. The Local Obligations are secured by a pledge of Special Taxes (including both the Facilities Special Tax and the Services Special Tax, each as defined herein), levied against Taxable Property within the

Improvement Area, net of Priority Administrative Expenses. See “DEBT SERVICE SCHEDULE” and “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS.” The Local Obligations are secured by a pledge of Special Taxes (net of Priority Administrative Expenses) on parity with any Additional Local Obligations (defined below).

The Local Obligations Indenture establishes a Local Obligation Reserve Fund and a Local Obligations Reserve Account therein with respect to the Local Obligations. Amounts available from the Local Obligations Reserve Account are available to pay debt service on the Local Obligations. The Local Obligations Indenture requires the funding of separate debt service reserve accounts for the Local Obligations and any Additional Local Obligations, each of which may be used only to pay the principal of and interest on the related series of special tax bonds issued under the Local Obligations Indenture. There is no reserve fund with respect to the Bonds. Amounts available from the Local Obligations Reserve Account are not available to cure a deficiency generally in the Trust Estate to make debt service payments on the Bonds.

Description of the Bonds

General. The Bonds will be dated their date of delivery and mature on September 1, as set forth on the inside front cover page hereof (each, a “Principal Payment Date”). Interest is payable semiannually on March 1 and September 1 of each year, commencing March 1, 2025 (each, an “Interest Payment Date”).

The Bonds will be issued as fully registered bonds, without coupons, in denominations of \$5,000, or any integral multiple thereof. The Bonds will be issued in book-entry only form and will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”). DTC will act as securities depository for the Bonds. So long as the Bonds are in book-entry only form, principal of and redemption premium, if any, on the Bonds will be payable to DTC or its nominee, who will in turn remit such payments to DTC Participants for subsequent disbursement to the Beneficial Owners. See APPENDIX F—“DTC AND THE BOOK-ENTRY ONLY SYSTEM.”

Principal of, and redemption premium, if any, on the Bonds is payable at the corporate trust office of the Trustee. Interest on the Bonds will be paid only to the registered owners as shown on the Trustee’s books as of the fifteenth day of the calendar month next preceding each Interest Payment Date (the “Record Date”), except that in the case of an owner of \$1,000,000 or more in aggregate principal amount of Bonds outstanding, payment will be made at the owner’s option by wire transfer of immediately available funds to an account in a bank or trust company or savings bank that is a member of the Federal Reserve System and that is located in the continental United States of America according to instructions provided by such owner to the Trustee and received no later than the Record Date for such Interest Payment Date.

The Bonds are special, limited obligations of the Authority. The Bonds are payable solely from and secured by the Trust Estate of the Authority pledged under the Trust Agreement, consisting primarily of payments received by the Authority from the District under the Local Obligations, which payments are secured by a lien of the Special Taxes (defined herein) (net of Priority Administrative Expenses) levied upon property within the Improvement Area, as more fully described herein. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS.”

Payments under the Local Obligations are calculated to be sufficient to permit the Authority to pay the principal of, and interest on, the Bonds when due. Pursuant to the Local Obligations Indenture, a Local Obligations Reserve Account is established for the Local Obligations. Amounts available from the Local Obligations Reserve Account are *not* available to cure a deficiency in the Trust Estate available to

pay debt service of the Bonds. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Terms of the Local Obligations—*Local Obligations Reserve Account.*”

No Additional Bonds under the Trust Agreement. The Trust Agreement does not permit the Authority to issue any additional bonds on parity with the Bonds. However, subject to certain conditions contained in the Local Obligations Indenture, the District may at any time issue bonds (the “Additional Local Obligations”) payable from the net proceeds of the Special Tax (after payment of Priority Administrative Expenses) on parity with the Local Obligations. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Terms of the Local Obligations—*Additional Local Obligations.*”

Redemption Provisions*

Optional Redemption. The Bonds are subject to optional redemption by the Authority prior to their respective maturity dates as a whole or in part on any date on or after _____, 20__ , from any source of available funds other than Minimum Sinking Fund Payments and Special Tax Prepayments, at the following redemption prices (computed upon the principal amount of the Bonds or portions thereof called for redemption) together with accrued interest thereon to the date fixed for redemption:

103% if redeemed on any date on or after _____, 20__
through _____, 20__ ;

102% if redeemed on any date from _____, 20__
through _____, 20__ ;

101% if redeemed on any date from _____, 20__
through _____, 20__ ; and

100% if redeemed on _____, 20__ and any date thereafter.

Extraordinary Redemption from Prepayment of Special Taxes. The Bonds are subject to extraordinary redemption by the Authority prior to their respective maturity dates, as a whole or in part on any Interest Payment Date on or after _____, 20__ , solely from funds derived from the extraordinary redemption of Local Obligations from Special Tax Prepayments, at the following redemption prices (computed upon the principal amount of the Bonds or portions thereof called for redemption) together with accrued interest thereon to the date fixed for redemption:

103% if redeemed on any Interest Payment Date on or after
_____, 20__ through _____, 20__ ;

102% if redeemed on an Interest Payment Date on _____, 20__
and _____, 20__ ;

101% if redeemed on an Interest Payment Date on _____, 20__
and _____, 20__ ; and

100% if redeemed on _____, 20__ and any Interest Payment
Date thereafter.

* Preliminary, subject to change.

Prepayments from prepaid Special Taxes could be made by any of the owners of any of the property within the Improvement Area, including Taylor Morrison, Folsom Real Estate South, any other developers or homebuilders owning Taxable Property in the Improvement Area, or any individual owner; and they could also be made from the proceeds of bonds issued by or on behalf of an overlapping special assessment district or community facilities district. The resulting redemption of Bonds that were purchased at a price greater than the applicable redemption price could reduce the otherwise expected yield on such Bonds. See "CERTAIN RISKS TO BONDHOLDERS—Potential Early Redemption of Bonds from Prepaid Special Taxes."

Mandatory Sinking Fund Redemption of Bonds. The Bonds maturing on September 1, 20__, are subject to mandatory redemption in part on September 1 of each year commencing September 1, 20__, at a redemption price equal to one hundred percent (100%) of the principal amount thereof called for redemption together with accrued interest thereon to the date fixed for redemption:

Minimum Sinking Fund Payment Date (September 1)	Bonds Minimum Sinking Fund Payment

↑ Maturity.	

The Bonds maturing on September 1, 20__ are subject to mandatory redemption in part on September 1 of each year commencing September 1, 20__, at a redemption price equal to one hundred percent (100%) of the principal amount thereof called for redemption together with accrued interest thereon to the date fixed for redemption:

Minimum Sinking Fund Payment Date (September 1)	Bonds Minimum Sinking Fund Payment

↑	
↑ Maturity.	

If the Bonds subject to mandatory redemption are redeemed in part prior to their stated maturity date other than from Minimum Sinking Fund Payments, the Minimum Sinking Fund Payments for such Bonds shall be reduced proportionately by the principal amount of such Bonds so redeemed.

Redemption Instructions. Upon any prepayment of a Local Obligation, the Authority shall deliver to the Trustee a Written Order of the Authority designating the amounts and maturities of the Bonds to be redeemed, which shall be in the manner necessary to enable the Authority to deliver a Cash Flow Certificate satisfying the requirements described below. In the event only a portion of the Outstanding Bonds of any maturity are to be redeemed at any one time, the Trustee shall select the

particular Bonds of each maturity date to be redeemed in accordance with DTC procedures (which, at the time of the issuance of the Bonds, would be a redemption by lot) or, if the Bonds are not then in book-entry, in a manner that it deems appropriate and fair. The Trustee shall redeem Bonds in Authorized Denominations.

Upon any redemption of a portion but not all of the Outstanding Bonds, the Authority shall deliver to the Trustee a Cash Flow Certificate to the effect that, assuming all payments are made with respect to the Local Obligations, (i) the Revenues, together with moneys on deposit in other funds and accounts held under the Trust Agreement, will be sufficient to pay all Principal Installments, Minimum Sinking Fund Payments and interest payments on the Bonds when due; and (ii) the redemption premiums, if any, on the Local Obligations, together with other Revenues available to the Trustee for such purpose, are sufficient to offset any difference between the interest to accrue on the Bonds to be paid or redeemed with the proceeds of prepayment of such Local Obligations (plus any redemption premium payable upon redemption of such Bonds) and the income to be earned on any investment of such proceeds (assured as of the date of payment thereof), in each case until the date of payment or redemption of Bonds, such that in no event will the prepayment of Local Obligations cause the Trustee to have insufficient funds to pay debt service on the Bonds when due.

In no event shall Bonds be redeemed if upon such redemption the principal amount of the Local Obligations remaining outstanding will be less than the total principal amount of Outstanding Bonds. Such Written Order of the Authority may specify that optional redemption of the Bonds will be conditioned upon receipt of funds or other events.

Notice of Redemption. Subject to receipt of the Written Order of the Authority described under “—Redemption Instructions,” the Trustee shall give notice of redemption; provided, that Bonds, identified by CUSIP numbers, serial numbers and maturity date, have been called for redemption and, in the case of Bonds to be redeemed in part only, the portion of the principal amount thereof that has been called for redemption (or if all the Outstanding Bonds are to be redeemed, so stating, in which event such serial numbers may be omitted), that they will be due and payable on the date fixed for redemption (specifying such date) upon surrender thereof to the Trustee at its Corporate Trust Office, subject to any conditions to such redemption specified in the Written Order of the Authority, at the redemption price (specifying such price), together with any accrued interest to such date, and that all interest on the Bonds (or portions thereof) so to be redeemed will cease to accrue on and after such date and that from and after such date such Bond (or such portion thereof) shall no longer be entitled to any lien, benefit or security under the Trust Agreement, and the Owner thereof shall have no rights in respect of such redeemed Bond or such portion except to receive payment from such money of such redemption price plus accrued interest to the date fixed for redemption. If sufficient monies for the payment of the redemption price of all Bonds to be redeemed are not then on deposit with the Trustee, such notice shall also state that redemption is conditioned upon the timely deposit of sufficient funds therefor with the Trustee.

Such notice shall be mailed by first class mail, in a sealed envelope, postage prepaid, at least thirty (30) but not more than sixty (60) days before the date fixed for redemption, to the Owners of such Bonds (or portions thereof) so called for redemption, at their respective addresses as the same shall last appear on the Bond Register; provided, that neither the failure of an Owner to receive notice of redemption of Bonds nor any error in such notice shall affect the validity of the proceedings for the redemption of Bonds.

Any notice of optional redemption may be rescinded by written notice given by the Authority to the Trustee no later than three Business Days prior to the date specified for redemption. The Trustee shall give notice of rescission of the notice of optional redemption or non-satisfaction of any conditions

specified in the notice of optional redemption as soon as practicable to the same parties and in the same manner as the notice of redemption was given.

So long as the Bonds are in book-entry only form, notices of redemption will be given directly by the Trustee to DTC and not to the Beneficial Owners of the Bonds. See APPENDIX F—“DTC AND THE BOOK-ENTRY ONLY SYSTEM.”

Purchase in Lieu of Redemption. In lieu of redemption of any Bond, amounts on deposit in the Proceeds Fund, the Principal Fund or in the Redemption Fund may be used and withdrawn by the Trustee at any time prior to a notice of redemption having been delivered, upon a Written Order for the purchase of such Bonds at public or private sale as and when and at such prices as the Authority may in its discretion determine, but not in excess of the lower of the highest or then current redemption price thereof plus accrued interest to the purchase date; and all Bonds so purchased shall be delivered to the Trustee for cancellation.

Payment of Redeemed Bonds. If notice of redemption has been given and not rescinded and if the conditions to such redemption specified therein, if any, have been satisfied, each as provided in the Trust Agreement, the Bonds or portions thereof called for redemption will become irrevocably due and payable on the date fixed for redemption at the redemption price thereof, together with accrued interest to the date fixed for redemption, upon presentation and surrender of the Bonds to be redeemed at the office specified in the notice of redemption. If less than the full principal amount of a Bond is called for redemption, the Authority is required to execute and deliver and the Trustee is required to authenticate, upon surrender of such Bond, and without charge to the Owner thereof, Bonds of like interest rate and maturity in an aggregate principal amount equal to the unredeemed portion of the principal amount of the Bonds so surrendered in such Authorized Denominations as specified by the Owner.

If any Bond or any portion thereof has been duly called for redemption and payment of the redemption price, together with unpaid interest accrued to the date fixed for redemption, has been made or provided for by the Authority, then interest on such Bond or such portion will cease to accrue from such date, and from and after such date such Bond or such portion will no longer be entitled to any lien, benefit or security under the Trust Agreement, and the Owner thereof will have no rights in respect of such Bond or such portion except to receive payment of such redemption price, and unpaid interest accrued to the date fixed for redemption.

ESTIMATED SOURCES AND USES OF FUNDS

The proceeds from the sale of the Bonds will be used to purchase the Local Obligations. The proceeds of the Local Obligations in turn will be used to finance construction and acquisition of the Facilities and pay costs of issuance of the Local Obligations and Bonds. The following table sets forth the sources and uses of the funds as allocated to the Bonds:

DEBT SERVICE SCHEDULE

The annual scheduled debt service for the Bonds, assuming no early redemption other than from mandatory sinking fund installments, is set forth in Table 1 below. The Local Obligations are sized to provide 100% of the debt service on the Bonds when due and have the same principal amortization as the Bonds. The Local Obligations will be issued with an annual scheduled debt service that results in at least 110% annual debt service coverage for the Local Obligations from the revenues of the Effective Tax Rate Evaluation Maximum Facilities Special Tax (as defined herein) for Developed Property and Small Lot Final Map Property as of August 31, 2024, net of Priority Administrative Expenses, beginning with the levy for Fiscal Year 2025-26. The debt service on the Bonds is expected to increase approximately 2% annually through 2044 and then be level through the final maturity. The District expects that Additional Local Obligations will be issued on parity with the Local Obligations as the Improvement Area develops. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Terms of the Local Obligations—*Additional Local Obligations*.”

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

The Bonds are secured by a lien on and pledge of the Trust Estate, consisting primarily of payments received by the Authority from the District under the Local Obligations, which payments are secured by Special Taxes (net of Priority Administrative Expenses) levied upon property within the Improvement Area and received by the District.

NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE CITY, THE DISTRICT, THE AUTHORITY, THE STATE OF CALIFORNIA OR ANY OTHER POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE BONDS. THE AUTHORITY HAS NO TAXING POWER. EXCEPT FOR THE TRUST ESTATE, NO OTHER REVENUES OR TAXES ARE PLEDGED TO THE PAYMENT OF THE BONDS. THE BONDS ARE NOT GENERAL OBLIGATIONS OF THE AUTHORITY, THE DISTRICT OR CITY, BUT ARE LIMITED OBLIGATIONS OF THE AUTHORITY PAYABLE SOLELY FROM THE TRUST ESTATE, DERIVED PRIMARILY FROM PAYMENTS ON THE LOCAL OBLIGATIONS FROM THE PAYMENT OF THE SPECIAL TAXES LEVIED WITHIN THE IMPROVEMENT AREA AS MORE FULLY DESCRIBED HEREIN.

The Trust Agreement does not permit the Authority to issue any additional bonds on parity with the Bonds. However, subject to certain conditions contained in the Local Obligations Indenture, the District may at any time issue Additional Local Obligations payable from the net proceeds of the Special Tax (after payment of Priority Administrative Expenses) on parity with the Local Obligations. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Terms of the Local Obligations—*Additional Local Obligations.*”

General

The Trust Estate consists of the Revenues, the amounts in certain of the funds established and held under the Trust Agreement, and the Local Obligations. The Revenues consist of amounts received by the Trustee as the payment of interest on, or the equivalent thereof, and the payment or return of principal of, or redemption premiums, if any, on, or the equivalent thereof, the Local Obligations, whether as a result of scheduled payments, or redemption premiums, Special Tax Prepayments or remedial proceedings taken in the event of a default thereon, and all investment earnings on any money held in the Funds held under the Trust Agreement (except the Rebate Fund).

The principal of and the interest on the Local Obligations are payable from the annual Special Taxes levied and to be collected on all real property within the Improvement Area subject to the Special Taxes and the proceeds, if any, from the sale of such property for delinquency of such Special Taxes, after payment of Priority Administrative Expenses. The Special Taxes securing the Local Obligations include both the Facilities Special Tax and the Services Special Tax (each as defined herein) levied within the Improvement Area. The Local Obligations are secured by a pledge on the Special Taxes (net of Priority Administrative Expenses) on parity with the pledge of such Special Taxes for any Additional Local Obligations issued under the Local Obligations Indenture. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Payment of the Local Obligations" and "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Terms of the Local Obligations."

The District may not issue indebtedness payable from the Special Taxes except as provided in the Local Obligations Indenture. See APPENDIX C—"SUMMARY OF PRINCIPAL DOCUMENTS—SUMMARY OF THE LOCAL OBLIGATIONS INDENTURE—Authorization and Issuance of Bonds—*Additional Bonds; Subordinate Bonds.*" The City has, however, formed CFD 17 and CFD 18, each of which has issued bonds secured by special taxes with a co-equal lien on property within the Improvement Area. See "FOLSOM PLAN AREA." The Authority, the District and the City have no control over the amount of additional debt payable from taxes or assessments on all or any portion of the property within the Improvement Area that may be issued in the future by other governmental entities or districts having jurisdiction over all or a portion of the land within the Improvement Area, including CFD 17 and CFD 18. To the extent such debt is payable from other assessments or special taxes levied pursuant to the applicable law, such assessments or special taxes may have a lien on the property within the Improvement Area on parity with the lien of the Special Taxes.

Flow of Funds

Receipt and Deposit of Revenues. As noted above, Revenues consist of amounts received by the Trustee as the payment of interest on, or the equivalent thereof, and the payment or return of principal of, or redemption premiums, if any, on, or the equivalent thereof, all Local Obligations, whether as a result of scheduled payments, or redemption premiums, Special Tax Prepayments or remedial proceedings taken in the event of a default thereon, and all investment earnings on any money held under the Trust Agreement (except the Rebate Fund). All Revenues, other than Revenues derived from the early redemption of Local Obligations from Special Tax Prepayments received by the Trustee from the Authority, will be deposited into the Revenue Fund. On each Interest Payment Date and each Principal Payment Date, the Trustee will transfer Revenues from the Revenue Fund, in the amounts required in the order of priority as set forth below, with the requirements of each fund being fully satisfied, leaving no deficiencies therein, prior to any deposit into any fund later in priority:

- First:* To the Interest Fund, an amount of Revenues which together with amounts on deposit therein, is equal to the interest due and payable on the Bonds due on such Interest Payment Date;

Second: To the Principal Fund (i) on each Principal Payment Date from the Revenue Fund an amount of Revenues which, together with any amounts then on deposit in the Principal Fund (other than amounts previously deposited on account of any Bonds which have matured but which have not been presented for payment) is sufficient to pay the Principal Installments on the Bonds due on such Principal Payment Date and (ii) on each September 1 on which a Minimum Sinking Fund Payment is required to be made (for deposit in the Sinking Fund Account) from the Revenue Fund an amount of Revenues which is equal to the Minimum Sinking Fund Payment due and payable on such date. On each Principal Payment Date, the Trustee shall pay the principal or redemption price due and payable on the Bonds on such date from the Principal Fund.

Following such deposits, any remaining money in the Revenue Fund is required to be transferred to the Local Obligations Trustee for application under the Local Obligations Indenture. For additional information regarding the Flow of Funds, see “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Local Obligations Flow of Funds.”

Revenues Derived from Special Tax Prepayments. All Revenues derived from early redemption of Local Obligations from Special Tax Prepayments received by the Trustee will be immediately deposited into the Redemption Fund to be applied to the extraordinary redemption of Bonds. See “THE BONDS—Redemption Provisions—*Extraordinary Redemption from Prepayment of Special Taxes.*”

Description of Local Obligations

The District will issue the Local Obligations in the principal amount of \$10,705,000.* The Local Obligations are secured solely by the Special Taxes (net of Priority Administrative Expenses) levied upon certain real property within the Improvement Area and proceeds of foreclosure sales in the Improvement Area. [The Local Obligations are sized so that, beginning with Fiscal Year 2025-26, the Special Tax is expected to only need to be levied on Developed Property to provide sufficient funds to pay the debt service on the Local Obligations. However, if needed, the Special Tax may be levied on other, less-developed categories of property pursuant to the Rate and Method (as defined herein) and, as the Improvement Area continues to develop, the expected Special Tax levy on Developed Property will be allocated across a greater number of parcels.]

The pledge of Special Taxes (net of Priority Administrative Expenses) levied within the Improvement Area is on parity with the pledge thereof securing any Additional Local Obligations issued under the Local Obligations Indenture. The District may issue Additional Local Obligations secured on parity with the pledge of the Special Taxes (net of Priority Administrative Expenses) within the Improvement Area only in accordance with the Local Obligations Indenture. See APPENDIX C—“SUMMARY OF PRINCIPAL DOCUMENTS—SUMMARY OF THE LOCAL OBLIGATIONS INDENTURE—Authorization and Issuance of Bonds—*Additional Bonds; Subordinate Bonds.*”

A description of the Improvement Area is set forth under the caption, “THE IMPROVEMENT AREA.”

Issuance of Local Obligations

The Local Obligations are authorized pursuant to the Mello-Roos Act and are issued under a resolution of the City Council of the City, as legislative body of the District and the Local Obligations Indenture. The Mello-Roos Act was enacted by the State Legislature to provide an alternate method of

* Preliminary, subject to change.

financing certain essential public capital facilities and services, especially in developing areas of the State. Subject to approval by a two-thirds vote of qualified electors and compliance with the provisions of the Mello-Roos Act, a legislative body of a local agency may issue bonds for a community facilities district and may levy and collect a special tax within such district to repay such indebtedness.

The Local Obligations constitute special tax obligations of the District payable as to both principal and interest from the annual Special Tax (after payment of the District's Priority Administrative Expenses) to be levied by the District on land within the Improvement Area, including proceeds from the sale of property within the Improvement Area collected as a result of foreclosure of the lien of the Special Taxes and certain funds and accounts held under the Local Obligations Indenture. The District's sole recourse in the event of a delinquency or failure to pay Special Taxes on a particular parcel is to institute foreclosure proceedings with respect to that parcel. However, the District is not obligated under the Local Obligations Indenture to enforce the lien of any delinquent installment of the Special Tax for any Fiscal Year in which the District has received one hundred percent (100%) of the amount of such installment from the County pursuant to the Teeter Plan. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Covenant for Foreclosure" and "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—The Teeter Plan" herein.

Payment of the Local Obligations

The Local Obligations constitute the limited obligations of the District payable as to both principal and interest from the annual Special Tax (net of Priority Administrative Expenses) levied by the District on Taxable Property within the Improvement Area, including proceeds from the sale of property within the Improvement Area collected as a result of foreclosure of the lien on the Special Taxes and certain funds and accounts held under the Local Obligations Indenture. The District's sole recourse in the event of a delinquency or failure to pay Special Taxes on a particular parcel is to institute foreclosure proceedings with respect to that parcel.

The term "Priority Administrative Expenses" means an amount equal to (a) for Fiscal Year 2024-25, \$20,000, and (b) for any subsequent Fiscal Year, the amount resulting from increasing the Priority Administrative Expenses on each July 1, from and including the July 1 immediately following the end of the then current Fiscal Year to and including the July 1 in such Fiscal Year by 2% of the amount in effect for the previous Fiscal Year.

THE LOCAL OBLIGATIONS ARE SPECIAL TAX OBLIGATIONS OF THE DISTRICT, AND THE INTEREST ON AND PRINCIPAL OF AND REDEMPTION PREMIUMS, IF ANY, ON THE LOCAL OBLIGATIONS ARE PAYABLE SOLELY FROM THE PROCEEDS OF THE SPECIAL TAX (INCLUDING ANY PREPAYMENTS THEREOF AND PROCEEDS FROM THE SALE OF PROPERTY COLLECTED PURSUANT TO THE FORECLOSURE PROVISIONS OF THE LOCAL OBLIGATIONS INDENTURE FOR THE DELINQUENCY OF THE SPECIAL TAX), NET OF PRIORITY ADMINISTRATIVE EXPENSES, AND AMOUNTS IN CERTAIN FUNDS AND ACCOUNTS ESTABLISHED IN THE LOCAL OBLIGATIONS INDENTURE, AND THE DISTRICT IS NOT OBLIGATED TO PAY THE LOCAL OBLIGATIONS EXCEPT FROM SUCH FUNDS. THE GENERAL FUND OF THE CITY AND THE FUNDS OF THE DISTRICT ARE NOT LIABLE, AND NEITHER THE FULL FAITH AND CREDIT OF THE DISTRICT NOR THE CITY ARE PLEDGED FOR THE PAYMENT OF THE INTEREST ON OR PRINCIPAL OF OR REDEMPTION PREMIUMS, IF ANY, ON THE LOCAL OBLIGATIONS. NO TAX OR ASSESSMENT OTHER THAN THE SPECIAL TAX SHALL EVER BE LEVIED OR COLLECTED TO PAY THE INTEREST ON OR PRINCIPAL OF OR REDEMPTION PREMIUMS, IF ANY, ON THE LOCAL OBLIGATIONS. THE LOCAL OBLIGATIONS ARE NOT SECURED BY A LEGAL OR EQUITABLE PLEDGE OF OR CHARGE, LIEN OR ENCUMBRANCE UPON ANY PROPERTY OF THE DISTRICT OR ANY OF

ITS INCOME OR RECEIPTS EXCEPT THE PROCEEDS OF THE SPECIAL TAX (INCLUDING ANY PREPAYMENTS THEREOF AND PROCEEDS FROM THE SALE OF PROPERTY COLLECTED PURSUANT TO THE FORECLOSURE PROVISIONS OF THE LOCAL OBLIGATIONS INDENTURE FOR THE DELINQUENCY OF THE SPECIAL TAX), NET OF PRIORITY ADMINISTRATIVE EXPENSES, AND AMOUNTS IN CERTAIN FUNDS AND ACCOUNTS ESTABLISHED IN THE LOCAL OBLIGATIONS INDENTURE, AND NEITHER THE PAYMENT OF THE INTEREST ON OR PRINCIPAL OF OR REDEMPTION PREMIUMS, IF ANY, ON THE LOCAL OBLIGATIONS IS A GENERAL DEBT, LIABILITY OR OBLIGATION OF THE CITY OR THE DISTRICT. THE LOCAL OBLIGATIONS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE CITY OR THE DISTRICT WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION OR RESTRICTION, AND NEITHER THE CITY COUNCIL NOR THE DISTRICT NOR ANY OFFICER OR EMPLOYEE THEREOF SHALL BE LIABLE FOR THE PAYMENT OF THE INTEREST ON OR PRINCIPAL OF OR REDEMPTION PREMIUMS, IF ANY, ON THE LOCAL OBLIGATIONS OTHERWISE THAN FROM THE PROCEEDS OF THE SPECIAL TAX (INCLUDING ANY PREPAYMENTS THEREOF AND PROCEEDS FROM THE SALE OF PROPERTY COLLECTED PURSUANT TO THE FORECLOSURE PROVISIONS OF THE LOCAL OBLIGATIONS INDENTURE FOR THE DELINQUENCY OF THE SPECIAL TAX), NET OF PRIORITY ADMINISTRATIVE EXPENSES, AND AMOUNTS IN CERTAIN FUNDS AND ACCOUNTS ESTABLISHED IN THE LOCAL OBLIGATIONS INDENTURE.

Although the Special Tax will constitute a lien on property subject to taxation in the Improvement Area, it will not constitute a personal indebtedness of the owners of such property. There is no assurance that the owners will be financially able to pay the annual Special Tax or that they will pay such tax even if financially able to do so. The risk of nonpayment by property owners is more fully described in “CERTAIN RISKS TO BONDHOLDERS—Collection of Special Tax.”

Local Obligations Flow of Funds

Application of Special Tax Fund. Pursuant to the Local Obligations Indenture, the District agrees and covenants that it will deposit the Special Tax proceeds in the Community Facilities Fund, which fund is established in the treasury of the City. All money in the Community Facilities Fund shall be used and withdrawn by the District solely for the benefit of the District in accordance with the Mello-Roos Act, including payment of Expenses and Services. Pursuant to the Local Obligations Indenture, the District further agrees and covenants that, after payment of Priority Administrative Expenses, it will transfer to the Local Obligations Trustee from the Community Facilities Fund amounts sufficient and in sufficient time for the Local Obligations Trustee to make the transfers required by it, and the Local Obligations Trustee shall deposit such proceeds as and when received in the Special Tax Fund. All money in the Special Tax Fund is required to be set aside by the Local Obligations Trustee in the following respective special account and fund within the Special Tax Fund in the following order of priority, and all money in each such account and fund shall be applied, used and withdrawn only for the purposes specified in the Local Obligations Indenture:

- (1) Redemption Account; and
- (2) Local Obligations Reserve Fund.

Redemption Account. On or before March 1 and September 1 in each year, the Local Obligations Trustee shall, from the money in the Special Tax Fund, transfer to and deposit in the Redemption Account an amount of money equal to the aggregate amount of interest becoming due and payable on all Outstanding Local Obligations and any Additional Local Obligations on such March 1 or September 1, as

the case may be, and on or before September 1 in each year, the Local Obligations Trustee shall, from the then remaining money in the Special Tax Fund, transfer to and deposit in the Redemption Account an amount of money equal to the aggregate amount of principal becoming due and payable on all Outstanding serial Local Obligations and any Additional Local Obligations on such September 1 plus all Minimum Sinking Fund Account Payments required to be made on such September 1 into the Sinking Fund Subaccount; provided, that all of the aforesaid payments shall be made without priority of any payment over any other payment, and in the event that money in the Special Tax Fund on any March 1 or September 1 is not equal to the amount of interest becoming due on all Local Obligations and any Additional Local Obligations on such date, or in the event that the money in the Special Tax Fund on any September 1 is not equal to the amount of principal of the Local Obligations and Additional Local Obligations becoming due on such date, as the case may be, then such money shall be applied pro rata in such proportion as such interest and principal and Minimum Sinking Fund Account Payments bear to each other.

No deposit need be made into the Redemption Account if the amount of money contained therein is at least equal to the amount required by the terms of the preceding paragraph to be deposited therein at the times and in the amounts provided in the Local Obligations Indenture.

All money in the Redemption Account shall be used and withdrawn by the Local Obligations Trustee to pay the interest on the Local Obligations and any Additional Local Obligations as it shall become due and payable (including accrued interest on any Local Obligations or any Additional Local Obligations purchased or redeemed prior to maturity) plus the principal of and redemption premiums, if any, on the Local Obligations and any Additional Local Obligations as they shall mature or upon the prior redemption thereof, except that any money in the Sinking Fund Subaccount shall be used only to purchase or redeem or retire the term Local Obligations and any Additional Local Obligations as provided in the Local Obligations Indenture.

Local Obligations Reserve Fund. On or before March 1 and September 1 in each year, the Local Obligations Trustee shall, from the then remaining money in the Special Tax Fund, transfer to and deposit in each Local Obligations Reserve Account within the Local Obligations Reserve Fund such amount of money as shall be required to restore each such Local Obligations Reserve Account to a sum equal to the Required Bond Reserve (as defined herein) for the applicable series of Local Obligations or Additional Local Obligations, *pro rata*, to the extent that amounts are available in the Special Tax Fund for such purpose; and for this purpose all investments in each Local Obligations Reserve Account shall be valued on March 1 and September 1 of each year at the face value thereof if such investments mature within twelve (12) months from the date of valuation, or if such investments mature more than twelve (12) months after the date of valuation, at the price at which such investments are redeemable by the holder at his option, if so redeemable, or if not so redeemable, at the lesser of (i) the cost of such investments plus the amortization of any premium or minus the amortization of any discount, or (ii) the market value of such investments. For purposes of allocating remaining money in the Special Tax Fund between more than one Local Obligations Reserve Account, any such transfers to and deposits in each Local Obligations Reserve Account shall be made equally and ratably.

No deposit need be made into a Local Obligations Reserve Account if the value of the investments contained therein is at least equal to the Required Bond Reserve for the applicable series of Local Obligations or Additional Local Obligations.

All money in each Local Obligations Reserve Account shall be used and withdrawn by the Local Obligations Trustee solely for the purpose of paying the interest on or principal of the corresponding series of Local Obligations or Additional Local Obligations in the event there is insufficient money in the Redemption Account available for this purpose; provided, that if as a result of any of the foregoing

valuations or due to redemption as a result of property owner prepayments it is determined that the amount of money in a Local Obligations Reserve Account exceeds or will exceed the Required Bond Reserve for the applicable series of Local Obligations or Additional Local Obligations, the Local Obligations Trustee shall withdraw the amount of money representing such excess from such fund and shall deposit such amount of money in the Redemption Account. For the avoidance of doubt, amounts in a Local Obligations Reserve Account are not available to make up a deficiency for the payment of principal and interest on any series of Local Obligations or Additional Local Obligations, other than the specific series of Local Obligations or Additional Local Obligations to which that Local Obligations Reserve Account relates.

Surplus Amounts. On or before March 1 and September 1 in each year, the Local Obligations Trustee shall, from the then remaining money in the Special Tax Fund, transfer all amounts remaining in the Special Tax Fund after the transfers specified in the immediately preceding paragraphs to the City for deposit in the Community Facilities Fund.

Special Tax Authorization

The Special Tax is to be levied and collected against all Taxable Property within the Improvement Area in accordance with the Rate and Method. See APPENDIX A—"RATE AND METHOD." The Special Tax is to be collected in the same manner as ordinary *ad valorem* property taxes are collected, and, except as otherwise provided in the covenant for foreclosure and in the Mello-Roos Act, is to be subject to the same penalties and the same procedure, sale and lien priority in case of delinquency as is provided for *ad valorem* property taxes. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Covenant for Foreclosure" and "CERTAIN RISKS TO BONDHOLDERS—Collection of Special Tax."

The Rate and Method, subject to the maximum rates set forth therein, apportions the total debt service requirement (principal, interest, and mandatory sinking fund payments), restoration of the Required Bond Reserve, current annual expenses, pay as you go improvement costs and other costs each year among the Taxable Property in the Improvement Area. See APPENDIX A—"RATE AND METHOD."

Pursuant to the Local Obligations Indenture, so long as any Local Obligations or Additional Local Obligations are Outstanding, the District is required annually to levy the Special Tax against all Taxable Property in the Improvement Area and make provision for the collection of such Special Tax in amounts which will be sufficient, after making reasonable allowances for contingencies and errors in the estimates, to yield proceeds equal to the amounts required for compliance with the agreements, conditions, covenants and terms contained in the Local Obligations Indenture, and which in any event will be sufficient to pay the interest on and principal of and Minimum Sinking Fund Account Payments for and redemption premiums, if any, on the Local Obligations and any Additional Local Obligations as they become due and payable, to replenish each reserve account within the Local Obligations Reserve Fund to the Required Bond Reserve and to pay all current Expenses as they become due and payable.

Under the Rate and Method, the Facilities Special Tax (as defined herein) levied in any fiscal year against any Assessor's Parcel (as defined in the Rate and Method) of Developed Property classified as Residential Property may not be increased as a consequence of delinquency or default by the owner or owners of any other parcel or parcels within the Improvement Area by more than 10% above the amount that would have been levied against such Assessor's Parcel in that fiscal year had there never been any such delinquencies or defaults. Pursuant to the Rate and Method, property is considered "Residential Property" once a building permit could be issued for the purposes of constructing one or more Residential Units, including either single family detached homes or multi-family attached properties, such as

apartments, and property is considered “Developed Property” if a building permit for new construction was issued prior to June 30 of the previous fiscal year. See “CERTAIN RISKS TO BONDHOLDERS—Maximum Special Tax.”

Covenant for Foreclosure

The Local Obligations Indenture provides that the Special Tax is to be collected in the same manner as ordinary *ad valorem* property taxes are collected and, except as provided in the special covenant for foreclosure described below and in the Mello-Roos Act, is subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for *ad valorem* property taxes.

Pursuant to Section 53356.1 of the Mello-Roos Act, in the event of any delinquency in the payment of the Special Tax, the District may order the institution of a Superior Court action to foreclose the lien therefor within specified time limits. In such an action, the real property subject to the unpaid amount may be sold at a judicial foreclosure sale. Such judicial foreclosure action is not mandatory. However, the District has covenanted in the Local Obligations Indenture that it will annually on or before September 1 of each year review the public records of the County relating to the collection of the Special Tax in order to determine the amount of the Special Tax collected in the prior Fiscal Year, and if it determines on the basis of such review that (1) the amount so collected is deficient by more than five percent (5%) of the total amount of the Special Tax levied in such Fiscal Year or (2) any individual lot or parcel is then delinquent on four or more installments of the Special Tax, then in each case the District agrees to, within sixty (60) days thereafter, institute foreclosure proceedings as authorized by the Mello-Roos Act in order to enforce the lien of the delinquent installments of the Special Tax against (i) in the case of clause (1) above, each delinquent lot or parcel in the Improvement Area or (ii) in the case of clause (2) above, such delinquent lot or parcel, respectively, which it agrees to diligently prosecute and pursue such foreclosure proceedings to judgment and sale; provided, that the District is not obligated to enforce the lien of any delinquent installment of the Special Tax for any Fiscal Year in which the District has received one hundred percent (100%) of the amount of such installment from the County pursuant to the Teeter Plan (described herein). Any actions taken to enforce delinquent Special Tax liens shall be taken only consistent with Sections 53356.1 through 53356.7, both inclusive, of the Government Code of the State of California.

In the event that sales or foreclosures of property are necessary, there could be a delay in payments to Owners of the Bonds (if the Local Obligations Reserve Account has been depleted) pending such sales or the prosecution of such foreclosure proceedings and receipt by the District of the proceeds of sale. However, within the limits of the Special Tax, the District may adjust the Special Tax levied on Taxable Property in the Improvement Area (subject to the limitation on the Maximum Facilities Special Tax, defined herein), to provide an amount required to pay interest on and principal of the Local Obligations and any additional obligations payable from the Special Tax, and the amount, if any, necessary to replenish each subaccount of the Local Obligations Reserve Fund to an amount equal to the Required Bond Reserve and to pay all current Expenses for the Improvement Area. There is, however, no assurance that the total amount of the Special Tax that could be levied and collected against Taxable Property (as defined in the Rate and Method) in the Improvement Area will be at all times sufficient to pay the amounts required to be paid by the Local Obligations Indenture, even if the Special Tax is levied at the Maximum Facilities Special Tax rates. See “CERTAIN RISKS TO BONDHOLDERS—Maximum Special Tax.”

No assurance can be given that the real property subject to sale or foreclosure will be sold, or if sold, that the proceeds of sale will be sufficient to pay any delinquent installments of the Special Tax. The Mello-Roos Act does not require the District to purchase or otherwise acquire any lot or parcel of property to be sold if there is no other purchaser at such sale. The Mello-Roos Act and the Local Obligations Indenture do specify that the Special Tax will have the same lien priority as for *ad valorem* property taxes in the case of delinquency. Section 53356.6 of the Mello-Roos Act requires that property within the Improvement Area that is sold pursuant to foreclosure under the Mello-Roos Act be sold for not less than the amount of judgment in the foreclosure action, plus post judgment interest and authorized costs, unless the consent of the owners of at least 75% of the Local Obligations and any Additional Local Obligations issued under the Local Obligations Indenture is obtained.

No Required Advances from Available Surplus Funds

Neither the City nor the District is obligated to advance available surplus funds available from the City treasury to pay debt service on the Local Obligations or to replenish the Local Obligations Reserve Account; provided, that nothing shall affect the right of the District under the Mello-Roos Act to make advances to cure any deficiencies.

Terms of the Local Obligations

General. The City Council of the City established the District and designated the Improvement Area therein on May 26, 2020. On that same date, the qualified electors of the District in the Improvement Area authorized the issuance of bonds in an amount not to exceed \$64,000,000 for the Improvement Area.

The Local Obligations will be the first issuance of bonds for the Improvement Area. The Local Obligations will be issued in the aggregate principal amount of \$10,705,000* pursuant to the Mello-Roos Act and the Local Obligations Indenture. The Local Obligations will be dated the date of delivery of the Bonds. The Local Obligations are secured by a pledge of the Special Taxes (net of Priority Administrative Expenses) levied within the Improvement Area. The District may issue Additional Local Obligations on parity with the Local Obligations in accordance with the Local Obligations Indenture. Based on the expected Special Tax revenues at build-out, the District expects that, following the issuance of the Local Obligations, Additional Local Obligations will be issued to finance the Facilities in the Improvement Area in a total amount of approximately \$28,000,000.* This amount may vary depending on the timing of the issuance of the Additional Local Obligations, the size of the homes built and resulting Special Tax revenues, and the applicable interest rates at the time of any such issuance.

Local Obligations Reserve Account. The Local Obligations Indenture establishes, for this series of the Local Obligations specifically, a Local Obligations Reserve Account within the Local Obligations Reserve Fund to be held by the Local Obligations Trustee. The Local Obligations Indenture requires that there be maintained in the Local Obligations Reserve Account an amount equal to the Required Bond Reserve. "Required Bond Reserve" is defined to mean, for the Local Obligations specifically, as of any date of calculation, the least of: (a) the Maximum Annual Debt Service, (b) one hundred twenty-five percent (125%) of the Average Annual Debt Service or (c) ten (10%) percent of the original principal amount of the Local Obligations; provided that the Required Bond Reserve shall be calculated on the date of issuance of the Local Obligations issued under the Local Obligations Indenture and shall not increase thereafter; and provided further that such requirement (or any portion thereof) may be satisfied by the provision of one or more policies of municipal bond insurance or surety bonds issued by a municipal bond insurer or by a letter of credit issued by a bank, the obligations insured by which insurer or issued by

* Preliminary, subject to change.

which bank, as the case may be, have ratings at the time of issuance of such policy or surety bond or letter of credit equal to "AA" or higher (without regard to qualifier) assigned by Fitch or "Aa" or higher (without regard to qualifier) assigned by Moody's or "AA" or higher (without regard to qualifier) assigned by S&P.

The Local Obligations Reserve Account is established specifically for the Local Obligations, and amounts in the Local Obligations Reserve Account are not available to make up a deficiency for the payment of principal and interest on any Additional Local Obligations. Pursuant to the Local Obligations Indenture, each reserve account within the Local Obligations Reserve Fund is only available for paying the interest on or principal of the corresponding series of Local Obligations or any Additional Local Obligations for which it was created.

The Required Bond Reserve with respect to the Local Obligations upon their date of issuance will be \$ _____.

All money in the Local Obligations Reserve Account will be used and withdrawn by the Local Obligations Trustee solely for the purpose of paying the interest on and principal of the Local Obligations in the event there is insufficient money available for the purpose; provided, that if as a result of any of the valuation of a Required Bond Reserve or as a result of any property owner prepayment it is determined that the amount of money in the Local Obligations Reserve Account exceeds the Required Bond Reserve, the Local Obligations Trustee shall withdraw the amount of money representing such excess from such fund and shall deposit such amount of money in the Redemption Account. Amounts on deposit in the Local Obligations Reserve Account are not available to cure a deficiency in Revenues available to pay debt service on the Bonds.

Additional Local Obligations. The District may at any time, by a supplement to the Local Obligations Indenture, issue Additional Local Obligations that are payable from the proceeds of the Special Tax (after payment of Priority Administrative Expenses) on parity with the Local Obligations, subject to the following conditions, which conditions are precedent to the issuance of such Additional Local Obligations:

(i) The District shall be in compliance with all agreements, conditions, covenants and terms contained in the Local Obligations Indenture and in all Supplemental Indentures required to be observed or performed by it, and no Event of Default under the Local Obligations Indenture or under any Supplemental Indenture shall have occurred and shall be then continuing;

(ii) The District shall establish a separate subaccount of the Local Obligations Reserve Fund for the payment of such Additional Local Obligations in an amount equal to the Required Bond Reserve; and

(iii) (a) In each year until the maturity date for the Additional Local Obligations, the Maximum Facilities Special Tax for Taxable Property classified as Developed Property, plus the Effective Tax Rate Evaluation Minimum Facilities Revenue (as defined in the Rate and Method) for Taxable Property not classified as Developed Property less Priority Administrative Expenses is estimated to cover at least one hundred ten percent (110%) of the sum of the Annual Debt Service for each year on the Local Obligations and all Additional Local Obligations, including such Additional Local Obligations to be issued, and (b) the Value of all Taxable Property, in aggregate, is at least three (3) times the aggregate Lien on such Taxable Property.

“Developed Property” means, for purposes of the requirement described above relating to the issuance of Additional Local Obligations, Taxable Property for which a building permit for new construction has been issued as of the date of calculation.

“Effective Tax Rate Evaluation Minimum Facilities Revenue” means the total minimum amount of the Effective Tax Rate Evaluation Maximum Facilities Special Tax, as adjusted annually by the Facilities Special Tax Escalation Factor after the Fiscal Year in which the Effective Tax Rate Evaluation occurred, less any Effective Tax Rate Evaluation Maximum Facilities Special Tax amounts prepaid and permanently satisfied pursuant to the provisions of Section K of the Rate and Method.

“Maximum Facilities Special Tax” is the total maximum annual Facilities Special Tax, determined in accordance with the provisions of Section C of the Rate and Method, which may be levied in any Fiscal Year on any Assessor’s Parcel of Taxable Property (each as defined in the Rate and Method).

“Value” is defined as the current assessed valuation of the Taxable Property and/or the appraised value of the Taxable Property determined by a MAI appraiser. “Lien” is defined in the Local Obligations Indenture as the aggregate principal amount of all overlapping debt and bonds (including the Local Obligations and any Additional Local Obligations) outstanding that are secured by a special tax levied pursuant to the Mello-Roos Act or a special assessment levied on property within the Improvement Area, including any overlapping debt or bonds for community facilities districts or special assessment districts that is reasonably allocated to property within the Improvement Area.

Notwithstanding the foregoing, the District may issue one or more series of Additional Local Obligations (the “Refunding Local Obligations”) without meeting the requirements summarized in paragraph (iii) above if, after the issuance and delivery of such Refunding Local Obligations, either (i) none of the Local Obligations and Additional Local Obligations theretofore issued under the Local Obligations Indenture will be Outstanding or (ii) the Debt Service in each Bond Year that begins after the issuance of such Refunding Local Obligations is not increased by reason of the issuance of such Refunding Local Obligations.

Redemption of the Local Obligations. The Local Obligations are subject to extraordinary redemption by the District from funds derived by the District from prepayments of the Special Tax. The Local Obligations are also subject to optional and mandatory redemption by the District. A description of the redemption prices and terms of the Local Obligations is set forth under APPENDIX C—“SUMMARY OF PRINCIPAL DOCUMENTS—SUMMARY OF THE LOCAL OBLIGATIONS INDENTURE—Redemption of 2024 Bonds.”

Selection of Local Obligations for Redemption. If less than all the outstanding Local Obligations and any Additional Local Obligations are to be redeemed as a result of prepayments of the Special Tax at any one time, the Local Obligations and any Additional Local Obligations shall be redeemed pro rata by maturity. If less than all the outstanding Local Obligations and any Additional Local Obligations are to be redeemed at the option of the District at any one time, the Local Obligations and any Additional Local Obligations of the latest maturity date or dates shall be redeemed prior to or simultaneously with the redemption of the Local Obligations and any Additional Local Obligations maturing prior thereto, and if less than all the outstanding Local Obligations and any Additional Local Obligations of any one maturity date are to be redeemed at any one time, the Trustee shall select the Local Obligations and any Additional Local Obligations or the portions thereof of such maturity date to be redeemed in integral multiples of five thousand dollars (\$5,000) in a manner that it deems appropriate and fair.

Special Tax Analysis

The following is a synopsis of the provisions of the Rate and Method, which should be read in conjunction with the complete text of the Rate and Method which is attached as APPENDIX A. The definitions of the capitalized terms used under this caption “—Special Tax Analysis” are as set forth in APPENDIX A. This section provides only a summary of the Rate and Method, and is qualified by more complete and detailed information contained in the entire Rate and Method attached as APPENDIX A.

The Special Tax is to be levied and collected against all Taxable Property within the Improvement Area in accordance with the Rate and Method approved by the landowner electors of the Improvement Area. The total annual levy of the Special Tax is calculated to satisfy the annual debt service during the ensuing Fiscal Year, to replenish the reserve fund for the Local Obligations, the allocable portion of administrative expenses, the amount necessary to cure any delinquencies or to fund any deficiency of the amount to be available for the payment of principal or interest on bonds which are expected to occur in the ensuing Fiscal Year, to fund authorized facilities funded on a pay-as-you-go basis, to fund authorized services expenses and to pay amounts required to establish or replenish certain funds related to authorized services, less any available capitalized interest and earnings on the funds that may be used to fund the aforementioned costs.

Assignment to Land Use Categories. Each Fiscal Year, all Assessor’s Parcels within the Improvement Area will be classified as either Taxable Property or Exempt Property. Taxable Property will be further classified as Developed Property, Small Lot Final Map Property, Permit Ready Multi-Family/Non-Residential Property, Large Lot Property, or Undeveloped Property and shall be subject to the levy of the annual Special Tax.

“*Developed Property*” means, for each Fiscal Year, all Taxable Property for which a building permit for new construction was issued prior to June 30 of the previous Fiscal Year.

“*Small Lot Final Map Property*” means, for each Fiscal Year, all Taxable Property for which a Small Lot Final Subdivision Map was recorded prior to June 30 of the previous Fiscal Year.

“*Permit Ready Multi-Family/Non-Residential Property*” means an Assessor’s Parcel of Taxable Property zoned for multi-family or non-residential land use for which all discretionary entitlements have been obtained, including without limitation, development plan review and improvement plan approval, such that building permits may be issued without further approvals for the construction of multi-family Residential Units or non-residential buildings within such Assessor’s Parcel. The City shall have sole discretion, based upon available development information, in classifying an Assessor’s Parcel as Permit Ready Multi-Family/Non-Residential Property.

“*Large Lot Property*” means, for each Fiscal Year, all Taxable Property for which a Large Lot Map was recorded prior to June 30 of the previous Fiscal Year, excluding any portion(s) thereof classified as Developed Property, Small Lot Final Map Property or Permit Ready Multi-Family/Non-Residential Property. Large Lot Property also means, for each Fiscal Year, all Taxable Property classified as Small Lot Final Map Remainder Property as of June 30 of the previous Fiscal Year.

“*Small Lot Final Map Remainder Property*” means an Assessor’s Parcel that is created from the subdivision of Large Lot Property by the recordation of a Small Lot Final Subdivision Map that has not yet been mapped for final development approval. Small Lot Final Map Remainder Property is that portion of property for which the Small Lot Final Subdivision Map definition does not apply (i.e., does not contain individual lots for which building permits may be issued for Residential Units without further subdivision of such property). Each Fiscal Year, all Taxable Property classified as Small Lot Final Map Remainder Property, as of June 30 of the previous Fiscal Year, will be considered Large Lot Property.

“*Undeveloped Property*” means, for each Fiscal Year, all Taxable Property not classified as Developed Property, Small Lot Final Map Property, Permit Ready Multi-Family/Non-Residential Property or Large Lot Property.

“*Single-Family Detached Property – MLD Zoning*” means, for each Fiscal Year, all Taxable Property for which a building permit could be issued for purposes of constructing one or more detached or attached Residential Units with a permitted density range of 7-12 Residential Units per Acre, which is more fully described in the Folsom Plan Area Specific Plan adopted on June 28, 2011 and as amended by the City Council.

“*Single-Family Detached Property – SF/SFHD Zoning*” means, for each Fiscal Year, all Taxable Property for which a building permit could be issued for purposes of constructing one or more Residential Units. Single-Family Detached Property – SF/SFHD Zoning shall consist of either single-family property with a permitted density range of 1-4 Residential Units per Acre or single-family high-density property with a permitted density range of 4-7 Residential Units per Acre, which is more fully described in the Folsom Plan Area Specific Plan adopted on June 28, 2011 and as amended by the City Council.

“*MMD Multi-Family Attached Property*” means all Assessor’s Parcels for which a building permit could be issued for purposes of constructing one or more attached Residential Units per Assessor’s Parcel with a permitted density range of 12-20 Residential Units per Acre, which is more fully described in the Folsom Plan Area Specific Plan adopted on June 28, 2011 and as amended by the City Council.

“*MHD Multi-Family Attached Property*” means all Assessor’s Parcels for which a building permit could be issued for purposes of constructing one or more attached Residential Units per Assessor’s Parcel with a permitted density range of greater than 20 Residential Units per Acre, which is more fully described in the Folsom Plan Area Specific Plan adopted on June 28, 2011 and as amended by the City Council. MHD Multi-Family Attached Property shall also include an Assessor’s Parcel or that portion of an Assessor’s Parcel designated as a Mixed Use Residential Parcel.

“*Mixed Use Residential Parcel*” means a mixed use Assessor’s Parcel that is designated for residential land use. If the mixed use Assessor’s Parcel contains a combination of residential land use and non-residential land use, only that portion of an Assessor’s Parcel designated for residential land use shall be classified as a Mixed Use Residential Parcel and the remaining non-residential land use of the Assessor’s Parcel shall be classified as Non-Residential Property.

“*Non-Residential Property*” means, for each Fiscal Year, all Taxable Property for which a building permit could be issued for purposes of constructing non-residential buildings.

Maximum Special Tax. The Rate and Method is used to allocate the amount of the Special Tax required among the Taxable Property, based upon land use categories, subject to the Maximum Facilities Special Tax rate that may be levied against each land use category.

The following table shows the Effective Tax Rate Evaluation Maximum Facilities Special Tax rates both with and without applying the Effective Tax Rate Evaluation Minimum Facilities Revenue calculation and the Maximum Services Special Tax rates within the Improvement Area for all allocable land use categories in Fiscal Year 2024-25. If changes are made to development plans for the Improvement Area, the projected Effective Tax Rate Evaluation Maximum Facilities Special Tax revenues may decrease, but in no event will the Effective Tax Rate Evaluation Maximum Facilities Special Tax revenues decrease below the amounts derived from application of the Effective Tax Rate Evaluation Minimum Facilities Revenue.

The total Special Tax generated by the Improvement Area may change from time to time if there are amendments or modifications to the development plan. The District covenants in the Local Obligations Indenture to not approve any amendments, changes or modifications relating to development of the property within the Improvement Area that would reduce the amount of the Maximum Facilities Special Tax less Priority Administrative Expenses to equal less than one hundred ten percent (110%) of the sum of the Annual Debt Service on the Local Obligations and any Additional Local Obligations in any year until the maturity date for the Local Obligations and any Additional Local Obligations.

Table 4 under “—Special Tax Calculation” below shows the estimated Effective Tax Rate Evaluation Maximum Facilities Special Tax revenue and the estimated Effective Tax Rate Evaluation Minimum Facilities Revenue for Fiscal Year 2025-26, based on the development status of the properties as of August 31, 2024 (unless otherwise noted). If changes are made to development plans for the Improvement Area, the projected Effective Tax Rate Evaluation Maximum Facilities Special Tax revenues may decrease from the amounts shown in that table, but in no event will the Effective Tax Rate Evaluation Maximum Facilities Special Tax revenues decrease below the Effective Tax Rate Evaluation Minimum Facilities Revenue. Table 5 under “—Special Tax Calculation” below shows the actual total Special Tax levy for Fiscal Year 2024-25 based on the properties’ development status as of June 30, 2024, including both the actual Facilities Special Tax levy and the actual Services Special Tax levy for Fiscal Year 2024-25, and the percentage of the actual Special Tax levy allocable to each of the projected property owners.

Included below are additional relevant defined terms used in the Rate and Method.

“*Effective Tax Rate Evaluation Minimum Facilities Revenue*” means, following the Effective Tax Rate Evaluation, the total minimum amount of CFD No. 23 IA4 Effective Tax Rate Evaluation Maximum Facilities Special Tax, as adjusted annually by the Facilities Special Tax Escalation Factor after the Fiscal Year in which the Effective Tax Rate Evaluation occurs, less any Effective Tax Rate Evaluation Maximum Facilities Special Tax amounts prepaid and permanently satisfied pursuant to Section K of the Rate and Method. The Effective Tax Rate Evaluation Minimum Facilities Revenue, based on Planned Development, is set forth in Attachment D of the Rate and Method.

“*Effective Tax Rate Evaluation Maximum Facilities Special Tax*” means the total maximum annual Facilities Special Tax, as determined during the Effective Tax Rate Evaluation, which may be levied in any Fiscal Year on any Assessor’s Parcel of Taxable Property.

“*Effective Tax Rate Evaluation*” means an evaluation of the Total Effective Tax Rate of Residential Property at the time of such evaluation. The Effective Tax Rate Evaluation will be based upon a prepared Price Point Study to determine the Total Effective Tax Rate for Residential Property, based upon the calculated Total Estimated Tax Burden.

“*Total Effective Tax Rate*” means the percentage of the Total Estimated Tax Burden as compared to the estimated average sales price identified in the Price Point Study for each land use category of Residential Property.

“*Total Estimated Tax Burden*” means the total amount of overlapping property taxes anticipated to be levied upon a Residential Unit, based upon the estimated average sales price identified in the Price Point Study and existing property tax rates for the current Fiscal Year. Existing property tax rates shall reflect the actual property tax rates levied upon Taxable Property in the Fiscal Year that the Effective Tax Rate Evaluation is completed.

Future Assessor's Parcel Changes – After an Effective Tax Rate Evaluation. The Effective Tax Rate Evaluation Maximum Facilities Special Tax shall be assigned to all future Assessor's Parcel(s) created from a subdivision, lot line adjustment, or merger of one or more Assessor's Parcels so that the revised sum of the total Effective Tax Rate Evaluation Maximum Facilities Special Tax revenue is not less than the total Effective Tax Rate Evaluation Minimum Facilities Revenue amount described in the Rate and Method.

Method of Apportionment – Facilities Special Tax – After an Effective Tax Rate Evaluation. The CFD No. 23 IA4 Administrator shall determine the Facilities Special Tax Requirement and levy the Facilities Special Tax until the amount of Facilities Special Taxes equals the Facilities Special Tax Requirement. The Facilities Special Tax shall be levied each Fiscal Year as follows:

- First:* The Facilities Special Tax shall be levied Proportionately on all Developed Property at a rate up to 100% of the Effective Tax Rate Evaluation Maximum Facilities Special Tax in order to satisfy the Facilities Special Tax Requirement.
- Second:* If additional monies are needed to satisfy the Facilities Special Tax Requirement after the first step has been completed, the Facilities Special Tax shall be levied Proportionately on all Small Lot Final Map Property at a rate up to 100% of the Effective Tax Rate Evaluation Maximum Facilities Special Tax. The Facilities Special Tax shall be levied on Small Lot Final Map Property for the entire portion of the Facilities Special Tax Requirement, excluding only Pay As You Go Costs.
- Third:* If additional monies are needed to satisfy the Facilities Special Tax Requirement after the first two steps have been completed, the Facilities Special Tax shall be levied Proportionately on all Permit Ready Multi-Family/Non-Residential Property at a rate up to 100% of the Effective Tax Rate Evaluation Maximum Facilities Special Tax. The Facilities Special Tax shall be levied on Permit Ready Multi-Family/Non-Residential Property for the entire portion of the Facilities Special Tax Requirement, excluding only Pay As You Go Costs.
- Fourth:* If additional monies are needed to satisfy the Facilities Special Tax Requirement after the first three steps have been completed, the Facilities Special Tax shall be levied Proportionately on all Large Lot Property at a rate up to 100% of the Effective Tax Rate Evaluation Maximum Facilities Special Tax. The Facilities Special Tax shall be levied on Large Lot Property for the entire portion of the Facilities Special Tax Requirement, excluding only Pay As You Go Costs.
- Fifth:* If additional monies are needed to satisfy the Facilities Special Tax Requirement after the first four steps have been completed, the Facilities Special Tax shall be levied Proportionately on all Undeveloped Property at a rate up to 100% of the Effective Tax Rate Evaluation Maximum Facilities Special Tax. The Facilities Special Tax shall be levied on Undeveloped Property for the entire portion of the Facilities Special Tax Requirement, excluding only Pay As You Go Costs.

Method of Apportionment – Services Special Tax. The CFD No. 23 IA4 Administrator shall determine the Services Special Tax Requirement and levy the Services Special Tax until the amount of Services Special Taxes equals the Services Special Tax Requirement. The Services Special Tax shall be levied each Fiscal Year as follows:

- First:* The Services Special Tax shall be levied Proportionately on all Developed Property at a rate up to 100% of the Maximum Services Special Tax in order to satisfy the Services Special Tax Requirement.
- Second:* If additional monies are needed to satisfy the Services Special Tax Requirement after the first step has been completed, the Services Special Tax shall be levied Proportionately on all Small Lot Final Map Property at a rate up to 100% of the Maximum Services Special Tax in order to satisfy the Services Special Tax Requirement.
- Third:* If additional monies are needed to satisfy the Services Special Tax Requirement after the first two steps have been completed, the Services Special Tax shall be levied Proportionately on all Permit Ready Multi-Family/Non-Residential Property at a rate up to 100% of the Maximum Services Special Tax in order to satisfy the Services Special Tax Requirement.
- Fourth:* If additional monies are needed to satisfy the Services Special Tax Requirement after the first three steps have been completed, the Services Special Tax shall be levied Proportionately on all Large Lot Property at a rate up to 100% of the Maximum Services Special Tax in order to satisfy the Services Special Tax Requirement.

“*Special Tax*” means the annual Facilities Special Tax and Services Special Tax to be levied in each Fiscal Year on each Assessor’s Parcel of Taxable Property to fund the Facilities Special Tax Requirement and the Services Special Tax Requirement.

“*Facilities Special Tax Requirement*” means that amount of Special Tax revenue required in any Fiscal Year for the Improvement Area to: (i) Pay Facilities Administrative Expenses in an amount designated by the City; (ii) pay annual debt service on all Outstanding Bonds due in the Bond Year beginning in such Fiscal Year; (iii) pay other periodic costs on Outstanding Bonds, including but not limited to, credit enhancement and rebate payments on Outstanding Bonds; (iv) pay any amounts required to establish or replenish any reserve funds for all Outstanding Bonds in accordance with the Local Obligations Indenture; (v) pay for reasonably anticipated delinquent Special Taxes based on the delinquency rate for Special Taxes levied in the previous Fiscal Year and known upcoming delinquencies; and (vi) pay for Pay As You Go Costs; less (vii) a credit for funds available to reduce the annual Facilities Special Tax levy as determined by the CFD No. 23 IA4 Administrator pursuant to the Local Obligations Indenture.

“*Authorized Services*” means the landscape corridor, enhanced open space and street light maintenance, services, and expenses authorized to be financed by the Improvement Area.

“*Services Special Tax*” means the annual Special Tax to be levied in each Fiscal Year on each Assessor’s Parcel of Taxable Property to fund the Services Special Tax Requirement.

“*Services Special Tax Requirement*” means the amount of Services Special Tax revenue required in any Fiscal Year for the Improvement Area to: (i) Pay Services Administrative Expenses in an amount designated by the City; (ii) pay Authorized Services expenses; (iii) pay any amounts required to establish

or replenish any repair and contingency funds, capital improvement funds, or reserve funds related to the Authorized Services expenses; (iv) cover any shortfalls that exist if, in any Fiscal Year, the levy of the Facilities Special Tax on each Assessor's Parcel of Taxable Property is insufficient to pay the Facilities Special Tax Requirement in that Fiscal Year (Facilities Special Tax Requirement shortfalls shall not include Pay As You Go Costs), and (v) pay for reasonably anticipated delinquent Services Special Taxes based on the delinquency rate for Services Special Taxes levied in the previous Fiscal Year; less (vi) a credit for funds available to reduce the annual Services Special Tax levy as determined by the CFD No. 23 IA4 Administrator.

In accordance with the flow of Special Tax proceeds under the Local Obligations Indenture, in the event of a shortfall in the Facilities Special Tax to pay the Facilities Special Tax Requirement, the proceeds of the Services Special Tax will be applied to help cover the Facilities Special Tax shortfall before being applied to fund Authorized Services. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Local Obligations Flow of Funds."

Term of Special Tax. Pursuant to the Rate and Method, the Facilities Special Tax is authorized to be levied for a period not to exceed 50 years, commencing with Fiscal Year 2023-24. The Services Special Tax is authorized, pursuant to the Rate and Method, to be levied in perpetuity, unless and until such time the City determines that revenues are no longer needed to pay the Services Special Tax Requirement.

Residential Property Limitation. Under no circumstances will the Facilities Special Tax levied in any fiscal year against any Assessor's Parcel of Developed Property classified as Residential Property be increased as a consequence of delinquency or default by the owner or owners of any other parcel or parcels within the Improvement Area by more than 10% above the amount that would have been levied against such Assessor's Parcel in that fiscal year had there never been any such delinquencies or defaults. Pursuant to the Rate and Method, property is considered "Residential Property" once a building permit could be issued for the purposes of constructing one or more Residential Units, including either single family detached homes or multi-family attached properties, such as apartments, and property is considered "Developed Property" if a building permit for new construction was issued prior to June 30 of the previous fiscal year. See "CERTAIN RISKS TO BONDHOLDERS—Maximum Special Tax."

The Teeter Plan

In July 1993, the Board of Supervisors of the County approved the implementation of the Alternative Method of Distribution of Tax Levies and Collections and of Tax Sale Proceeds (the “Teeter Plan”), as provided for in Section 4701 et seq. of the California Revenue and Taxation Code. Under the Teeter Plan, the County apportions secured property taxes on an accrual basis (irrespective of actual collections) to local political subdivisions for which the County acts as the tax-levying or tax-collecting agency.

Under the Teeter Plan, the County distributes tax collections on a cash basis to taxing entities during the fiscal year and shortly after year-end, and also distributes 100% of any taxes delinquent as of June 30th to the taxing entities and those special assessment districts and community facilities districts (and individual parcels within each district) that the County determines are eligible to participate in the Teeter Plan by the end of the calendar year. The County may make eligibility determinations on an annual basis and may exclude a district or an individual parcel that had previously been included in the plan. The County has the discretion to determine which delinquent special taxes will be paid through the Teeter Plan on a case-by-case basis.

The County’s policy includes the following criteria for delinquent parcels to be excluded from the County’s Teeter Plan: (1) tax bills belonging to a governmental/public agency; (2) common area parcels; (3) tax bills on the unitary assessed values or pipeline assessed values; (4) special assessments (subject to judiciary foreclosure) to be stripped from the tax bill; (5) bankruptcy; (6) demolition of the property; (7) vacant buildings (due to a risk of possible demolition); (8) contamination of the property; (9) property that is subjected to the “sealed bid”; (10) the delinquent amount is greater than or equal to assessed value of the property; (11) property that is de-enrolled from the Teeter Plan in previous years under the same owner and (12) the amount of code enforcement liens, other delinquent abatement liens, and delinquent utilities abatement liens, and delinquent utilities levied on the property is equal to or greater than 5% of the assessed value of the property. Such policy may be amended by the County at any time and could impact the inclusion of certain delinquent parcels in the Teeter Plan in future years.

The County’s policy is that any new taxing entity or special assessment district that includes its levy on the County tax roll is qualified to be under the County’s Teeter Plan. The District is included in the County’s Teeter Plan. See, however “CERTAIN RISKS TO BONDHOLDERS—Teeter Plan Termination.” The District can provide no assurance that the County will continue to include the District in the Teeter Plan.

THE AUTHORITY

The Authority was created by a Joint Exercise of Powers Agreement, effective April 20, 2015 (the “JPA Agreement”), between the City and the City of Folsom South of 50 Parking Authority. The JPA Agreement was entered into pursuant to the Joint Exercise of Powers Act, Chapter 5 of Division 7 of Title 1 of the Government Code of the State. The Authority was created for the purpose of facilitating financing of public improvement facilities within the City south of US Route 50.

THE CITY

The Improvement Area is located in the City, which is located in the easterly section of the Sacramento metropolitan area approximately 22 miles east of the central business district of the City of Sacramento.

Certain economic and demographic information with respect to the City is contained in APPENDIX B. This information is presented solely as background information. The Local Obligations are not general obligations of the City but, rather, are special tax obligations of the District secured solely by the Special Taxes to be paid by the owners of property in the Improvement Area and funds held pursuant to the Local Obligations Indenture.

THE IMPROVEMENT AREA

General Description and Location

The District is a community facilities district organized by the City Council as the legislative body of the District under the Mello-Roos Act for the purpose of providing for the acquisition and construction of certain public improvements and the financing of certain services to serve property within the District. The City established the District on May 26, 2020, and designated six separate improvement areas therein, including the Improvement Area. On May 26, 2020, elections were held within the District for each improvement area therein at which the eligible voters in each improvement area approved the levy of special taxes in accordance with the respective Rate and Method of Apportionment of Special Tax for such improvement area. In addition, the eligible voters in the Improvement Area authorized the issuance of bonds in an amount not to exceed \$64,000,000 for the Improvement Area. Pursuant to the Mello-Roos Act, the qualified electors were the landowners of Taxable Property within each Improvement Area. In connection with the landowner election, all electors delivered customary waivers to certain matters relating to the conduct of the election. In December 2021, a seventh improvement area was designated within the District.

The District expects that such bonds and any bonds issued for the other improvement areas within the District from time to time will be issued to finance the authorized public facilities for the benefit of the District. With respect to the Improvement Area, such bonds will be issued only in accordance with the provisions of the Local Obligations Indenture. The total bonded indebtedness authorized in the Improvement Area will be limited by the requirements of the Local Obligations Indenture, including the following requirements relating to any Additional Local Obligations: a 3:1 overlapping value to lien ratio on all land projected to be subject to the levy of the Special Tax and 110% annual coverage from the Maximum Facilities Special Tax for Taxable Property classified as Developed Property (as defined in the Local Obligations Indenture), plus the Effective Tax Rate Evaluation Minimum Facilities Revenue for Taxable Property not classified as Developed Property (as defined in the Local Obligations Indenture) less Priority Administrative Expenses. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Terms of the Local Obligations—*Additional Local Obligations*.”

The Improvement Area is located in the southern portion of the City, west of East Bidwell Street, north of Mangini Parkway and south of U.S. Highway 50 and consists of over 150 total gross acres (excluding non-parcel areas, such as roadways), of which approximately 95 acres are subject to the Special Tax. The maps appearing on the inside cover pages show the general location of the District and the Improvement Area.

Presently, the Improvement Area includes properties in varying stages of development, including unimproved land, finished lots, homes under construction, and completed and sold homes. Collectively, these properties are planned to include 648 single family homes. In the portion of the Improvement Area being developed by Taylor Morrison, home construction and sales are well underway. This portion of the Improvement Area will ultimately contain 260 of the 648 single family homes.

The remainder of the Taxable Property within the Improvement Area (referred to herein as the Four Large Lots) is owned by Folsom Real Estate South, which is actively negotiating with a nationally-

recognized homebuilder that it expects to develop that land to include 388 single family homes. Currently, the Four Large Lots are in the very early stages of development and do not yet have an approved small lot tentative map. Construction of these additional 388 homes will also require the builder to complete the necessary infrastructure improvements, including mass grading, utilities and roadway improvements, and subdivision improvements. Construction of the public improvements and backbone infrastructure in the Improvement Area is nearly complete, as more particularly described “PROPOSED PROPERTY DEVELOPMENT—Development Plan of Finance.”

Property Values

Parcels of Taxable Property within the Improvement Area with assessed structural improvements values of \$300,000 or more as reported by the County of Sacramento Assessor (the “Unappraised Property”) had, in aggregate, an assessed land and improvements value of \$80,841,034 as of January 1, 2024, as such value was reported by the County Assessor on July 1, 2024. Assessed values are opinions of property value determined by the County Assessor’s office for property tax purposes. Such assessed value determinations may be subject to appeal by property owners. The resolution of an appeal may result in a reduction to the County Assessor’s original taxable value. Although such a result would not reduce the Special Tax on the property, any reduction in the assessed values of property would have an adverse impact on the value-to-debt ratios discussed herein and could lessen the ability or willingness of the owners of such property to pay their assessments. Moreover, assessed values do not necessarily represent the current market value for any parcel.

An appraisal of the remainder of the Taxable Property within the Improvement Area has been prepared by the Appraiser in connection with the issuance of the Bonds. The purpose of the appraisal was to estimate the market value, subject to the Special Tax and based upon a hypothetical condition, for each parcel of Taxable Property within the Improvement that, as of July 1, 2024, (i) was not reported by the County of Sacramento Assessor to have any assessed structural improvements value or (ii) was reported by the County of Sacramento Assessor to have an assessed structural improvements value of less than \$300,000 (such portion, the “Appraised Property”). The appraisal estimates the market value of the Appraised Property as of August 31, 2024 (the “Appraisal”). The Appraisal is attached to this Official Statement as APPENDIX G.

As of the date of inspection, the Appraiser notes that development of portions of the property is underway. The subject property was valued based on the hypothetical conditions that the public improvements to be financed with the proceeds of the Local Obligations have been paid. The Appraisal is based on property values at the time of inspection.

Subject to the assumptions, hypothetical condition and limiting conditions, the Appraiser estimated that the value of the Appraised Property within the Improvement Area had an estimated not-less-than aggregate land value of \$69,275,000 as of August 31, 2024. See APPENDIX G—“APPRAISAL.”

Collectively, the aggregate value of the Taxable Property within the Improvement Area (including both the Unappraised Property and the Appraised Property) is \$150,116,034.

Value-to-Lien Analysis

The following table sets forth the ratios of the property values of the Taxable Property to the total liens on the property in the Improvement Area based on the development status of the property as of August 31, 2024. The following table shows the value-to-lien ratios for the Improvement Area based on the development status of the Taxable Property as of August 31, 2024, for (i) Developed Property, Small Lot Final Map Property, and Large Lot Property and (ii) the owners of the Taxable Property. See

“PROPOSED PROPERTY DEVELOPMENT—Development Entitlements.” The following table also shows the estimated Facilities Special Tax levy for Fiscal Year 2025-26 based on the properties’ current map status as Developed Property, Small Lot Final Map Property, and Large Lot Property. The value-to-lien ratio for the Improvement Area based solely on the Local Obligations and the appraised value of the land within the Improvement Area is 14.0*:1.0. The overall value to overlapping debt ratio, including certain overlapping general obligation tax and assessment debt, CFD 17 special tax debt, and CFD 18 special tax debt, is 10.5*:1.0 (see “—Overlapping Debt”). Any bonds secured by special assessments or special taxes issued from time to time may have the effect of reducing the value to lien ratio on property within the Improvement Area.

Overlapping Debt

Set forth below is an overlapping debt table showing the existing authorized indebtedness payable with respect to property within the Improvement Area. Additional indebtedness could be authorized by other public agencies at any time. Further, a portion of the overlapping debt shown in the table below is based on the assessed value of the underlying property, which can be expected to increase over time as development occurs and the assessed value grows. This table (excluding the footnotes) has been prepared by California Municipal Statistics, Inc. as of September 1, 2024, and is included for general information purposes only. The overlapping debt table below does not reflect the \$26,735,000 aggregate principal amount of CFD 18 bonds that were issued in October 2024. Other than with respect to CFD 17, the table below allocates overlapping debt based on the assessed value of property and not on taxes paid. The District and the Authority have not reviewed the data for completeness or accuracy and make no representations in connection therewith.

The City authorized the issuance of up to \$8,000,000 of bonds for CFD 17, of which \$6,675,000 has been issued. Further, the City authorized the issuance of up to \$200,000,000 in bonds for CFD 18. In October 2024, CFD 18 issued bonds in the aggregate principal amount of \$26,735,000 to help finance the Phase 2 Water Transmission Facilities (as defined herein). A portion of any bonds issued for CFD 18 constitutes overlapping debt. The Improvement Area constitutes approximately 4.6% by acres of CFD 18, however any overlapping debt issued by CFD 17 or CFD 18 will not be allocated to the properties in the Improvement Area based on their acreage, and the amount of overlapping debt allocated may vary over time. Based on the development status within CFD 18 as of August 31, 2024, the Improvement Area would generate approximately 5.6% of the maximum CFD 18 special tax levy for bonds. This share of the maximum CFD 18 special tax levy for bonds is expected to decrease over time as undeveloped properties within CFD 18 become approved with final maps or developed. Other community facilities districts formed in the Folsom Ranch area will overlap CFD 18 and potentially CFD 17 but are not expected to overlap the Improvement Area. The lien of the Special Taxes for the Improvement Area is on parity with the lien of the special taxes for CFD 17 and CFD 18.

Direct assessments and levies payable with respect to property within the Improvement Area could potentially include up to \$750 million of general obligation bonds for the School Facilities Improvement District No. 3 of the Folsom Cordova Unified School District (“SFID 3”), approved by voters on March 27, 2007. SFID 3 encompasses approximately 52.6 square miles of land including the District and additional territory outside of the District, including territory in the City of Rancho Cordova and unincorporated Sacramento County. As of October 2, 2024, general obligation bonds in the aggregate principal amount of approximately \$195.6 million had been issued and approximately \$178.7 million were outstanding for SFID 3. At the time of the election approving the SFID 3 general obligation bonds, the ballot summary indicated the average tax rate per \$100,000 assessed valuation would be \$73.61. For 2023-24, the actual SFID 3 tax rate per \$100,000 was approximately \$206.30. The following table sets forth the ad valorem tax rates for SFID 3 over the past five years. The future tax levy per property owner in SFID 3 may vary depending on future bond issuance and/or changes in assessed value.

Historical Special Tax Levy

The Special Tax (including both the Facilities Special Tax and the Services Special Tax) was first levied in the Improvement Area for Fiscal Year 2023-24 in the total amount of \$366,462.62. This total Special Tax levy for Fiscal Year 2023-24 was comprised of \$235,077.63 for the Facilities Special Tax and \$131,384.99 for the Services Special Tax. The Fiscal Year 2023-24 Special Tax was levied upon 264 parcels and, as of June 30, 2024, no parcels in the Improvement Area were delinquent.

PROPOSED PROPERTY DEVELOPMENT

Development Entitlements

Specific Plan. On June 28, 2011, the City Council approved the original Specific Plan for the development of the Folsom Plan Area. Various property owners have submitted and received approvals of Specific Plan amendments since the 2011 City Council adoption. Most recently, the City revised its Specific Plan to provide for an increase in housing density in order to provide for more affordable housing options. Such Specific Plan amendments were approved by the City Council on August 27, 2024.

The Specific Plan provides for 13,343 total dwelling units and 2.5 million square feet of commercial, office/industrial and mixed use. The Specific Plan also provides for 275.7 acres of public and quasi-public use (public and private schools, parks and infrastructure); 182 acres of major roads and 1,114.5 acres of open space.

The Specific Plan is designed to guide and regulate the development for the area within the City south of US Route 50.

Tentative and Final Mapping. To date, final maps have been approved and recorded for the 260 lots within the Improvement Area owned by Taylor Morrison or individual homeowners. No tentative or final maps have been approved or recorded for the remainder of the Taxable Property within the Improvement Area. Design review approval, which provides for City review of the home plans, architecture and conformance to certain development standards, has been completed for all 260 homes constructed by, or being constructed by, Taylor Morrison within the Improvement Area.

Site Access. External access to the project site will be provided via East Bidwell Street to the east, Savannah Parkway to the north, and Mangini Parkway to the south. Pedestrian circulation is provided by a combination of street-separated sidewalks, open space trails, park trails and pathway connections. Proposed on-site improvements include: underground utilities, drainage improvements, retaining walls, driveways, on-street parking, curbs/gutters, sidewalks, pathways, trails, fencing, site lighting, site landscaping, and park enhancements.

Design Guidelines. The Folsom Ranch Central District Design Guidelines (of which the Improvement Area is a part) were approved by the City concurrent with certain Tentative Map approvals on June 23, 2015. The design guidelines provide for the orderly development of the proposed single family residential subdivision. The primary purpose of these design guidelines is to articulate the general architectural and design expectations for the proposed residential neighborhood, the landscapes, hardscapes, open spaces, fencing, entry features and site lighting. The goal of the design guidelines is to establish a regulatory framework for the design of individual homes on the residential lots. The final design details of the homes are subject to review and approval by the City's Planning Commission as part of future Design Review applications for each applicable development.

Development Conditions/Building Permit Limitations. Certain provisions of the PFFP for the Folsom Plan Area, as implemented through tentative subdivision map conditions, require certain infrastructure be installed or place other limits on the number of building permits that can be issued before certain facilities and/or backbone infrastructure is in place.

For example, certain tentative maps require a fire station to be operational prior to the occupancy of the 1,500th home in the Folsom Plan Area. The City's first fire station within the Folsom Plan Area opened on September 26, 2024.

Phase 2 Water Infrastructure. The City estimates the Phase 1 Water Facilities (as defined herein) have a sustained maximum day demand of up to 2.0 million gallons. A study prepared by Peterson Brustad, Inc. in April 2019 then estimated that water usage would equal or exceed a sustained maximum day demand of up to 2.0 million gallons when approximately 2,800 to 3,300 dwelling units within the Folsom Plan Area had been occupied.

Certain additional water backbone facilities (collectively, the "Phase 2 Water Facilities") will be constructed to provide expanded water transmission conveyance capabilities to deliver water from the City's water treatment plant to the Folsom Plan Area.

The Phase 2 Water Facilities include (i) a water transmission pipeline (the "Phase 2 Water Transmission Facilities") to be constructed with the proceeds of CFD 18 bonds issued in October 2024, (ii) the Zone 4 Water Facilities (consisting of a zone-specific water tank and booster pump station), and (iii) the remaining Phase 2 Water Facilities (consisting of another zone-specific water tanks and booster pump station) (the "Remaining Phase 2 Water Facilities"), which will be constructed at a later date. The City expects that the Zone 4 Water Facilities and the Remaining Phase 2 Water Facilities would need to be constructed after the completion of the Phase 2 Water Transmission Facilities to maintain the City's standards for delivering water to its customers.

See "PROPOSED PROPERTY DEVELOPMENT – Development Entitlements – *Water Supply Infrastructure*" below for a more detailed discussion of the Phase 2 Water Facilities and their expected timing and cost.

Developers within the Folsom Plan Area have requested that the Phase 2 Water Facilities be funded in whole or in part through bonds issued for CFD 18 and certain pay-go proceeds from CFD 17 and CFD 18 special taxes. See "FOLSOM PLAN AREA—Folsom Plan Area Development" for a discussion of certain development and investment that has already occurred within the Folsom Plan Area and additional future development and investment that is anticipated as the Folsom Plan Area continues to be developed. The timing of issuance of bonds for CFD 18 is dependent upon market conditions and development within the Folsom Plan Area, and additional development within CFD 18 may be required to generate CFD 18 special tax revenues sufficient for funding all of the Phase 2 Water Facilities. There can be no assurance that bond proceeds will be available when needed to construct the Phase 2 Water Facilities or to reimburse the developers for costs expended therefor. See "PROPOSED PROPERTY DEVELOPMENT – Development Entitlements – *Water Supply Infrastructure*" below for a more detailed discussion of the amount and timing of the issuance of CFD 18 bonds to finance the Phase 2 Water Transmission Facilities.

Based on the current stage of planning for the Phase 2 Water Transmission Facilities, the development stage and planned development timeline for the Improvement Area as described in this Official Statement, and the available water facilities servicing the Improvement Area, Taylor Morrison, Folsom Real Estate South, the City, and the District do not believe that these conditions will materially impede development of the Improvement Area as currently planned. However, multiple other

development projects are underway in the Folsom Plan Area, and if there were an unforeseen and significant delay in construction in the Improvement Area it is possible that other development within the Folsom Plan Area will overtake development of the Improvement Area, resulting in the need for completion of the Phase 2 Water Transmission Facilities before all development could be completed within the Improvement Area.

Army Corps of Engineers Wetland Permitting, Biological Opinion, Streambed Alteration Agreements and Section 106 Compliance. On May 22, 2014, the U.S. Army Corps of Engineers (the “USACOE”) issued a Record of Decision (“ROD”) for the Folsom South of U.S. Highway 50 Specific Plan Project - City of Folsom Backbone Infrastructure. This wetland permit covered the wetland permitting requirements for the entire backbone infrastructure necessary to serve the Folsom Plan Area. To the extent backbone infrastructure was required within a property owner’s land, the backbone wetland permit authorized the filling of waters of the U.S. necessary for such construction. Each landowner thereafter is required to obtain their own wetland permit for the fill of jurisdictional wetlands not included in the footprint of the backbone wetland permit. As discussed in greater detail below, the Folsom Plan Area has received all required environmental permits.

Development Agreement. Through City Ordinance No. 1149, the City approved a Tier 1 Development Agreement between the City and the property owners within the Folsom Plan Area on July 12, 2011. The effective date of the ordinance was August 11, 2011. The Tier 1 Development Agreement vests certain rights of the property owners and of the City and commits each party to the agreements to subsequent actions before development may proceed within the Folsom Plan Area. Separate First Amended and Restated Tier 1 Development Agreements (the “ARDAs”) were entered into among certain property owners and the City for their applicable properties, as approved by the City through City Ordinance No. 1211. The ARDAs for the property owners comprising the property within the Improvement Area were recorded in the official records of the County of Sacramento in July 2014. The City entered into Amendment No. 1 to the ARDA with Carpenter East, which was recorded in the official records of the County of Sacramento in January 2016. The City also entered into Amendment Nos. 1 and 2 to the ARDA with Folsom Real Estate South, which were each recorded in the official records of the County of Sacramento in January 2016. See “PROPOSED PROPERTY DEVELOPMENT—Property Ownership.”

Article 2.5 (commencing with Section 65864), of Chapter 4, Division 1, Title 7 of the State Government Code, pertaining to development agreements, has the general effect of authorizing development to continue in accordance with then existing General Plan, Specific Plan, zoning and subdivision regulations notwithstanding any subsequently enacted conflicting regulations, except for regulations the failure of which to enact would place the residents in a condition which is dangerous to their health or safety or both.

Environmental Permits and Approvals. The California Environmental Quality Act (“CEQA”), constituting Division 13 of the State Public Resources Code (commencing with Section 21000) requires that an Environmental Impact Report (an “EIR”), detailing the significant environmental effects of the project and proposed mitigation measures, be prepared, considered and certified as complete by a public agency prior to its taking discretionary action on any project which may have a significant effect on the environment.

In June 2011, after statutorily required public notice, hearing and comment, the City Council certified as adequate and complete a final EIR/EIS for the Specific Plan for the development of the Folsom Plan Area. The EIR/EIS satisfied both CEQA and the National Environmental Policy Act for the entirety of the Folsom Plan Area. In February 2015, the City Council of the City adopted the South of Highway 50 Backbone Infrastructure Project Initial Study/Mitigated Negative Declaration (Backbone

Infrastructure MND), dated December 9, 2014. In addition, in connection with amendments to the Specific Plan, after statutorily required public notice, hearing and comment, the City Council certified as adequate and complete a final subsequent environmental impact report addressing increased density in light of the impact analysis provided in the EIR/EIS for the Specific Plan.

The Folsom Plan Area has received all required environmental permits, including a Section 404 Permit for the entire Folsom Plan Area pursuant to Section 404 of the federal Clean Water Act. This permit allows for any necessary fill of jurisdictional wetlands and streambed alterations for the construction of backbone infrastructure to serve the entire Folsom Plan Area at build-out. In addition, a Biological Opinion has been obtained from the US Fish and Wildlife Service for the entire Folsom Plan Area, together with a California Department of Fish and Wildlife Master Streambed Alteration Permit with conditions for the whole of the Folsom Plan Area. All of the property in the Improvement Area subject to the Special Tax has received its Section 404 Permit and a subnotification approval from the California Department of Fish and Wildlife.

Water Supply. The City entered into an agreement (the “Water Supply Agreement”) with the property owners in the Folsom Plan Area providing for a water supply for new development south of US Route 50. The Water Supply Agreement was supported by an addendum to the EIR. The Water Supply Agreement provides adequate water supply for full build out of the Improvement Area and the rest of the Folsom Plan Area (except the portion of the Folsom Plan Area serviced by the El Dorado Irrigation District). The amount of water provided in the Water Supply Agreement to meet the build-out demands of the Folsom Plan Area project is projected to be 5,600 acre-feet annually.

Water Supply in Folsom Generally. The primary water supply source for the City is Folsom Reservoir, which provides the water supply for all of the City south of the American River. The City has water rights and contracts for up to 34,000 acre-feet annually (“afa”) through three different contracts with the United States Bureau of Reclamation (“Reclamation”). The surface water supplies were developed through different circumstances and, as such, are subject to unique conditions and limitations. These attributes and issues affect the volume of water available under certain conditions. Surface water supply for the portions of the City north of the American River is obtained through a contract with the San Juan Water District, and therefore is not a directly owned City supply. The surface water supplies for the City’s water service area are listed below.

- A pre-1914 appropriative water right for 22,000 acre-feet per year (Agreement with Reclamation)
- A pre-1914 appropriative water right for 5,000 acre-feet per year (Co-Tenancy agreement with Golden State Water Company)
- A Central Valley Project (“CVP”) repayment contract for 7,000 acre-feet per year

The City’s 22,000 acre-foot entitlement is based on a pre-1914 appropriative right from the South Fork of the American River established by the Natoma Water Company (“Natoma”) in 1851. Natoma’s original pre-1914 water right established a maximum diversion rate “to fill a Canal Eight feet wide and Four feet deep with a current running Ten miles per hour.” This correlates to a diversion rate of 60 cubic feet per second and a maximum allocation of 32,000 afa. This right is held with Golden State Water Company pursuant to a co-tenancy agreement. The City’s 5,000 acre-foot entitlement is also based on Natoma’s pre-1914 appropriative right from the South Fork of the American River. In November 1994, the City executed a contract with Southern California Water Company-Folsom Division (“SCWC”) under which the City acquired the right to lease 5,000 afa (of SCWC’s remaining 10,000 afa under the original Natoma purchase) for an indefinite period. This right is held with Golden State Water Company pursuant

to a co-tenancy agreement. This water right was also formally recognized in the settlement agreement between Reclamation and the City. As authorized by Public Law No. 101-514, the City was a subcontractor under Sacramento County Water Agency's (SCWA) CVP water-service contract for 7,000 afa. In 2016, the United States, the City and SCWA completed an assignment of this portion of SCWA's CVP water-service contract from SCWA to the City. In February 2020, the City and Reclamation executed a contract that converted the CVP water-service contract into a CVP repayment contract as authorized under the Water Infrastructure Improvements for the Nation Act.

Under the agreements with Reclamation for 22,000 afa and 5,000 afa, Reclamation delivers this entire water supply without reduction on a permanent basis. Under the agreement with Reclamation for 7,000 afa of CVP water, this water supply faces possible reductions pursuant to Reclamation's Municipal and Industrial Water Shortage Policy. In 1994, the City entered into an agreement with Golden State Water Company (f/k/a Southern California Water Company, herein "GSWC") to acquire the right to divert up to 5,000 acre feet of pre-1914 water rights annually (the "GSWC Agreement"), subject to the terms and conditions of that agreement. Under the GSWC Agreement, the City is required to pay for the entire 5,000 acre-feet annual water supply regardless of whether the City is able to divert and use that quantity of water. The City uses the supplies provided in the GSWC Agreement to serve the Folsom Plan Area. The cost of water under the GSWC Agreement is paid for by Folsom Plan Area landowners and water customers.

Source of Water for the Folsom Plan Area. The City has determined that its Water Systems Optimization Review Program and implementation of metered rates will provide additional water supplies in an estimated amount of 6,450 acre-feet per year, which is in addition to the present and forecasted demands of the City's existing water users. The City intends to use a portion of this 6,450 acre-feet per year of available water to meet present and future water demand in the East Area in order to make the 5,000 acre-feet per year of GSWC Agreement water supply available for use in the Folsom Plan Area, on the terms and conditions of that Agreement. To meet this intent, the City converted the East Area water supply from the GSWC Agreement to the less expensive CVP repayment contract. The City would meet the additional build-out water demand of the Folsom Plan Area with approximately 600 acre-feet per year of water produced by the Water Systems Optimization Review Program that is in excess of the water demand in the East Area. The water made available under the GSWC Agreement and Water Systems Optimization Review Program will be sufficient to supply the projected water demand in the Folsom Plan Area. Pursuant to the provisions of Sections 860 *et seq.* of the State Code of Civil Procedure and Government Code Sections 53511 and 53589.5, the City filed a complaint in the Superior Court of the State for the County of Sacramento to validate the agreement. The Superior Court determined that the agreement: (a) is lawful, valid, enforceable and in the best interests of the City and all persons in any way interested therein and (b) is consistent with all applicable laws and obligations, including the Measure W water supply requirement.

The City's Community Facilities District No. 2013-1 (Water Facilities and Supply) (the "Water CFD") was formed by the City in 2014. The cost of the GSWC Agreement water will initially be paid for by the Folsom Plan Area through special taxes collected for the Water CFD on certain property in the Folsom Plan Area, including the Improvement Area. When a building permit has been issued and a customer billing account has been established, the developed parcel is no longer subject to the levy of the special tax for the Water CFD and thereafter pays for water through water rates.

Water Conservation. The City maintains a five-stage water conservation program with conservation goals and water use restrictions. The City Manager is authorized to implement and enforce whatever conservation measures are deemed necessary to achieve the water reduction requirements of the declared conservation stage.

Water Supply Infrastructure. For the first phase of development to occur within the Folsom Plan Area, the developers of the Folsom Plan Area constructed improvements to connect water supply from the north of US Route 50 and extend water infrastructure pipelines (the “Phase 1 Water Facilities”).

The Phase 1 Water Facilities were completed in August 2018. The City estimates the Phase 1 Water Facilities are adequate for a sustained maximum day demand of up to 2.0 million gallons. A study prepared by Peterson Brustad, Inc. in April 2019 then estimated that water usage would equal or exceed a sustained maximum day demand of up to 2 million gallons when approximately 2,800 to 3,300 dwelling units within the Folsom Plan Area had been occupied. During summer 2021 as a result of high levels of construction activity, the maximum day water demand exceeded 2 million gallons for several days with no service interruption to the water system.

The Phase 2 Water Facilities are required to be constructed to provide expanded water transmission conveyance capabilities to deliver water from the water treatment plant to the Folsom Plan Area. The Phase 2 Water Facilities include (i) the Phase 2 Water Transmission Facilities to be constructed with the proceeds of CFD 18 bonds issued in October 2024, (ii) the Zone 4 Water Facilities (consisting of a zone-specific water tank and booster pump station), and (iii) the Remaining Phase 2 Water Facilities (consisting of another zone-specific water tanks and booster pump station), which will be constructed at a later date.

The City solicited bids for the construction of the Phase 2 Water Transmission Facilities in August 2024 and, in October 2024, approved the award of a construction contract to the contractor submitting the lowest responsive responsible bid based upon a guaranteed maximum price procurement approach. Also in October 2024, CFD 18 issued bonds in the aggregate principal amount of \$26,735,000 to help finance the Phase 2 Water Transmission Facilities. The City expects to formally enter into the construction contract for the Phase 2 Water Transmission Facilities by the end of November 2024 and that construction of the Phase 2 Water Transmission Facilities will commence in the first quarter of 2025 and last approximately 18 months.

The Phase 2 Water Transmission Facilities, when complete, are expected to increase capacity to up a 3.0 million gallon sustained maximum day demand in the Folsom Plan Area (which the City expects will occur when approximately 4,100 dwelling units within the Folsom Plan Area have been occupied). Following completion of the Phase 2 Water Transmission Facilities, the City anticipates that the Zone 4 Water Facilities will need to be built to provide water to zones 4, 5 and 6 of the Folsom Plan Area when the water facilities for the Folsom Plan Area approach a sustained maximum day demand of 3.0 million gallons. The City expects that an additional series of CFD 18 bonds will be issued to help finance the Zone 4 Water Facilities, although the City has not yet determined the timing and amount of this expected issuance.

The timing by which the Remaining Phase 2 Water Facilities will be needed will depend on a variety of factors, including water demand amounts within the Folsom Plan Area, the amount of additional water transmission conveyance capability generated by the Phase 2 Water Transmission Facilities and the Zone 4 Water Facilities, any events impacting the capacity of the existing water infrastructure, and any other factors that increase water demand or decrease water transmission capacity. As a result, despite the occupancy and water capacity estimates included herein, which are based on water system modeling and analysis conducted by or prepared for the City, the City cannot yet fully predict by when the Remaining Phase 2 Water Facilities will be needed. The City expects to use the proceeds of one or more additional series of CFD 18 bonds to finance all or a portion of the Remaining Phase 2 Water Facilities. However, the timing of issuance of future obligations is dependent upon market conditions and development within the Folsom Plan Area and there can be no assurance that proceeds will be available when needed to timely construct the Remaining Phase 2 Water Facilities.

As of September 30, 2024, final maps had been approved and recorded for 4,603 dwelling units within the Folsom Plan Area. Also as of September 30, 2024, building permits for 3,871 units and 3,491 certificates of occupancy had been issued in the Folsom Plan Area for projects underway.

The City continues to evaluate water usage and needs within the Folsom Plan Area but there can be no assurance that the construction of the Phase 2 Water Facilities will be completed in time to prevent delays to residential and commercial development in the Folsom Plan Area. If the Phase 2 Water Facilities are not constructed in a timely manner, future development in portions of the Folsom Plan Area may be metered, stopped, or the City may take other remedial actions, such as implementing water conservation measures to the existing residents, halting discretionary approvals, or taking other actions. If the Phase 2 Water Facilities are not constructed in a timely manner, water pressure to portions of the Folsom Plan Area could be impacted for existing water connections, which could have a negative impact on property values, including within the Improvement Area. Additionally, increased residential water usage approaching the maximum capacity of the current water facilities (including if exacerbated by the Phase 2 Water Facilities not being constructed in a timely fashion) or a reduction in the capacity of the current water facilities could cause the City to consider restricting the continued development of the Folsom Plan Area, including within the Improvement Area. See “CERTAIN RISKS TO BONDHOLDERS—Failure to Develop.”

Based on the current stage of planning for the Phase 2 Water Transmission Facilities, the development stage and planned development timeline for the Improvement Area as described in this Official Statement, and the available water facilities servicing the Improvement Area, the City does not expect to impose restrictions on continued development of the Improvement Area. However, multiple other development projects are underway in the Folsom Plan Area, and if there were an unforeseen and significant delay in construction in the Improvement Area it is possible that other development within the Folsom Plan Area will overtake development of the Improvement Area, resulting in the need for the City to take some or all of the actions described in the preceding paragraph.

To help alleviate the demand on the current water facilities, certain developers within the Folsom Plan Area have made arrangements to obtain construction water from the El Dorado Irrigation District (“EID”), an alternative water provider that has existing facilities adjacent to the Folsom Plan Area. For instance, Lennar Homes has previously received construction water from EID for portions of its Russell Ranch project. Such arrangements augment, but do not replace, the need for and the use of City water, which is currently provided through the Phase 1 Water Facilities. Due to such alternative arrangements for construction water and the amount of development that has already occurred in the Folsom Plan Area, the City does not expect that the demand for construction water will reach 2021 levels in coming years.

Wastewater Treatment. The Sacramento Area Sewer District has an existing wastewater treatment plant with its ongoing and permitted improvement projects projected to accommodate all wastewater from development in the Folsom Plan Area. Existing sewer transmission mains are capable of conveying wastewater from the Folsom Plan Area and initial development sites (including the Improvement Area) to the existing treatment plant. Developers of property within the Folsom Plan Area will need to extend infrastructure to their sites and pay appropriate connection fees for access to the existing wastewater infrastructure.

Flood Zones. According to the Federal Emergency Management Agency flood map, the Improvement Area is in Zone X, which consists of areas determined to be outside of the 500-year flood plain.

Fire Zones. The Improvement Area is located within an area identified as a moderate fire hazard severity zone. More information regarding Fire Hazard Severity Zones can be found at the California

Department of Forestry and Fire Protection website at <https://frap.fire.ca.gov>, though such website is not incorporated herein by reference. The development within the Improvement Area is subject to mitigation measures set forth in a fuel modification plan approved by the City Fire Department. The mitigation measures include, among others, limitations on the type of vegetation that may be planted within fuel modification zones established in open space areas along certain portions of the perimeter of the Improvement Area, minimum setback of structures and irrigation requirements of the fuel modification zones. Maintenance of such zones is expected to initially be the responsibility of the property owners but upon build-out of the Improvement Area and dedication of the open space to the City will be maintained by the City from funds provided through CFD 18. Homeowner's insurance is expected to be available to property owners within the Improvement Area, and the coverage provided by such insurance typically insures against fire damage, although there is no assurance that homeowners within the Improvement Area will purchase or maintain such insurance.

Drought Conditions and Construction Water Usage. In response to drought conditions in 2021, the City imposed a state mandated 20% reduction in water use on its water customers. In addition, use of City water for construction purposes required City approval. At the time, the City allowed construction within the Folsom Plan Area to proceed, including the use of City water. The City rescinded this requirement in June 2023. However, if prolonged drought conditions return, this could result in mandatory reductions in water usage that may adversely impact the ability of builders within the Improvement Area to develop the Improvement Area in the timeline described in this Official Statement.

To help alleviate the demand on the current water facilities, certain developers within the Folsom Plan Area have made arrangements to obtain construction water from the El Dorado Irrigation District ("EID"), an alternative water provider that has existing facilities adjacent to the Folsom Plan Area. For instance, Lennar Homes has previously received construction water from EID for portions of its Russell Ranch project. Such arrangements augment, but do not replace, the need for and the use of City water, which is currently provided through the Phase 1 Water Facilities. Due to such alternative arrangements for construction water and the amount of development that has already occurred in the Folsom Plan Area, the City does not expect that the demand for construction water will reach 2021 levels in coming years.

Affordable Housing. All residential projects receiving funding assistance from the City or otherwise with ten or more units within the Folsom Plan Area must comply with the City's inclusionary housing ordinance, which requires that ten percent of the units built consist of inclusionary housing units. Residential project developers may satisfy this requirement by the payment of an in-lieu fee. In addition, the City entered into a memorandum of understanding with landowners within the Folsom Plan Area whereby the landowners committed to deed-restrict certain lots for the development of 890 units affordable to lower-income households.

Taylor Morrison is satisfying the City's inclusionary housing requirement for its properties within the Improvement Area by payment of an in-lieu fee to the City concurrent with their pulling of building permits. The remaining portion of the Taxable Property within the Improvement Area owned by Folsom Real Estate South is also subject to the City's inclusionary housing requirement, which has not yet been satisfied.

Utilities. All typical urban utility services for finished lots will be extended to the lots. These utilities include electric power, natural gas, telephone, cable television, water, refuse, and sanitary sewer and storm water facilities. The City provides water, sewer, refuse and storm water facilities, and police and fire services. Pacific Gas & Electric provides natural gas and the Sacramento Municipal Utility District (SMUD) provides electric service. Comcast provides cable service.

Specific Plan Infrastructure Fee Credits and Improvements. The SPIF is administered by the City for the purposes of collecting impact fees for plan area wide improvements for the construction of roadways, water, sewer, drainage, dry utilities, recycled water and habitat mitigation in the Folsom Plan Area. The purpose of the SPIF is to require each landowner to pay its fair share of Folsom Plan Area area-wide improvements and to be reimbursed for any amount expended in excess of a landowner's fair share requirement. Under the terms of the SPIF Ordinance adopted by the City, property owners in the Folsom Plan Area will be eligible to enter into an agreement with the City and receive future reimbursements (that are convertible to fee credits for use within the owner's property) in exchange for the construction of eligible SPIF improvements. Based on the amount of improvements eligible for SPIF reimbursement, all of the properties within the Improvement Area are anticipated to fully cover their SPIF obligations through the conversion of these SPIF reimbursements to SPIF fee credits. After applying the SPIF reimbursements as SPIF fee credits to all properties in the Improvement Area, all amounts expended in excess of the project's SPIF obligation are expected to be reimbursed from the City as other SPIF fees are collected in the Folsom Plan Area.

Within the Folsom Plan Area, initial development will be required to pay a "SPIF Set-Aside" component to address initial water and sewer facility costs. This is a loan of SPIF collections to help the cash flow for the initial water and sewer costs. It will be repaid or equalized to all properties through the SPIF program as well as through CFD 18. The SPIF Set-Aside will apply to the first 2,500 Folsom Plan Area dwelling units that would be subject to the SPIF. A portion of the SPIF will be required to be paid regardless of whether a developer/property owner has advance-funded eligible SPIF infrastructure and has executed a Fee Reimbursement Agreement through the City. An exception to this rule is that a property owner who constructs certain water or sewer infrastructure for which the SPIF Set-Aside is being collected may take a credit against the SPIF Set-Aside.

In addition, in August 2020, the City approved an ordinance amending certain provisions of the SPIF ordinance to include a new SPIF – Offsite Water Set-Aside. This new SPIF – Offsite Water Set-Aside will be payable at the building permit stage and will not be eligible to be offset by fee credits.

Taylor Morrison Development

The information in this section has been provided by Taylor Morrison or other sources that the District believes to be reliable. The District and the Underwriter believe this information to be reliable, but can give no assurances that it is accurate or complete. There may be material adverse changes in this information after the date of this Official Statement.

Information in this section is included because it may be considered relevant to some investors to an informed evaluation and analysis of the taxable property within the Improvement Area and any existing or future improvements thereon as security for the Bonds. The information contained in this section does not guarantee that property ownership will not change or that the current or any subsequent property owners will pay the Special Tax when due. In fact, as described herein, ownership of much of the Taxable Property in the Improvement Area will change prior to, or in connection with, development thereof. The Special Tax will constitute a lien on parcels subject to taxation within the Improvement Area and not a personal indebtedness of the owners of property within the Improvement Area. There is no assurance that Taylor Morrison or any subsequent owners will have the ability to pay the Special Taxes or that, even if they have the ability, they will choose to pay the Special Taxes. An owner may elect to not pay the Special Taxes when due and cannot be legally compelled to do so. Neither the District nor any Bond Owner will have the ability at any time to seek payment directly from Taylor Morrison or any subsequent owners of property within the Improvement Area of the Special Tax or the principal or interest on the Local Obligations, or the ability to control who becomes a subsequent owner of any property within the Improvement Area.

Property Ownership – Taylor Morrison. As previously defined, “Taylor Morrison” refers to Taylor Morrison of California, LLC, a California limited liability company. As of November 1, 2024, a portion of the Taxable Property within the Improvement Area was owned by Taylor Morrison and individual homeowners. At full buildout, the portion of the Improvement Area that has been, and is being, developed by Taylor Morrison is expected to include 260 single family homes.

Taylor Morrison’s sole shareholder is Taylor Morrison Services, Inc., a Delaware corporation qualified in California (“TMSI”). TMSI’s ultimate parent is Taylor Morrison Home Corporation, a Delaware corporation (“TMHC”), which is traded on the New York Stock Exchange as “TMHC.” TMHC’s principal executive offices are located in Scottsdale, Arizona. TMHC was created as a result of the July 2007 merger of two United Kingdom-based, publicly listed homebuilders, Taylor Woodrow plc and George Wimpey plc, the predecessor entities of which commenced homebuilding operations in the United States in 1936. The subsequent integration of Taylor Woodrow, Inc. and Morrison Homes, Inc. in the U.S. formed TMHC and Monarch Corporation in Canada, respectively.

TMHC is a leading national homebuilder and developer and serves a broad range of consumers across 12 states, including first-time, move-up, luxury and resort lifestyle homebuyers and renters. TMHC operates under various brand names including Taylor Morrison, Esplanade, Darling Homes Collection by Taylor Morrison and Yardly. TMHC’s financial services segment provides mortgage financing, title insurance and close services, and homeowners’ insurance.

TMHC is subject to the informational requirements of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and in accordance therewith files reports, proxy statements and other information, including financial statements, with the Securities and Exchange Commission (the “SEC”). Such filings, particularly TMHC’s most recent Annual Report on Form 10-K, and TMHC’s most recent Quarterly Report on Form 10-Q, each as filed by TMHC with the SEC, set forth certain data relative to the consolidated results of operations and financial position of TMHC and its subsidiaries, including Taylor Morrison, as of such dates.

The SEC maintains an internet website that contains reports, proxy and information statements and other information regarding registrants that file electronically with the SEC, including TMHC. The address of such website is www.sec.gov. All documents subsequently filed by TMHC pursuant to the requirements of the Exchange Act after the date of this Official Statement will be available for inspection in such manner as the SEC prescribes.

Copies of TMHC’s Annual Report and each of its other quarterly and current reports, including any amendments, are available under the investors relations tab at its website at www.taylormorrison.com.

No representation is made in this Official Statement as to the accuracy or adequacy of the information contained on such websites. Taylor Morrison and TMHC are not obligated to advance funds for construction or development or to pay ad valorem property taxes or the Special Tax, and investors should not rely on the information and financial statements contained on such websites in evaluating whether to buy, hold or sell the Bonds. Development Plan – Taylor Morrison. To date, final maps have been approved and recorded for all of the Taxable Property being developed by Taylor Morrison within the Improvement Area.

Development within this portion of the Improvement Area is entitled for a total of 260 single family homes at full buildout.

As of November 1, 2024, Taylor Morrison owned 114 lots within the Improvement Area and had sold and closed 146 completed single family homes within the Improvement Area to individual homebuyers. Taylor Morrison’s lots in the Improvement Area are being developed and sold across three separate product lines: Debut at Folsom Ranch (“Debut”), Encore at Folsom Ranch (“Encore”), and Legends at Folsom Ranch (“Legends”). Taylor Morrison has completed the construction and sale of its 42 homes within the Debut product line and is actively constructing and selling the remaining units within the Encore and Legends product lines, which are expected to ultimately include 104 and 114 total homes, respectively. The following table is a summary of home types within the Encore and Legends product lines currently being constructed and sold by Taylor Morrison within the Improvement Area.

Financing Plan - Taylor Morrison. To date, Taylor Morrison has financed its land acquisition and home construction costs related to its property in the Improvement Area through internally generated funds (which may include home sales revenues and funding from its parent company). As of November

1, 2024, Taylor Morrison had expended approximately \$[121.1] million on land acquisition, homebuilding, marketing and sales costs within the Improvement Area. As of such date, Taylor Morrison expected to incur approximately \$[34.2] million on remaining homebuilding, marketing, and sales costs for its property in the Improvement Area.

Taylor Morrison expects to use internally generated funding (which may include home sales revenues and funding from its parent company) to complete its development in the Improvement Area. Taylor Morrison believes that it will have sufficient funds available to complete its planned development in the Improvement Area in accordance with the development schedule described in this Official Statement.

Notwithstanding the belief of Taylor Morrison that it will have sufficient funds to complete its planned development in the Improvement Area, no assurance can be given that sources of financing available to Taylor Morrison will be sufficient to complete the development and home construction as currently anticipated. While Taylor Morrison has made such internal financing available in the past, there can be no assurance whatsoever of its willingness or ability to do so in the future. Neither Taylor Morrison nor any of its affiliates has any legal obligation of any kind to make any such funds available or to obtain loans. Other than pointing out the willingness of Taylor Morrison to provide internal financing in the past, Taylor Morrison has not represented in any way that it will do so in the future.

If and to the extent that internal financing and home sales revenues are inadequate to pay the costs to complete Taylor Morrison's planned development and home construction in the Improvement Area as currently anticipated and other financing by Taylor Morrison is not put into place, there could be a shortfall in the funds required to complete the proposed land acquisition, development and home construction by Taylor Morrison and portions of the project may not be developed.

Folsom Real Estate South Development

The information in this section has been provided by Folsom Real Estate South or other sources that the District believes to be reliable. The District and the Underwriter believe this information to be reliable, but can give no assurances that it is accurate or complete. There may be material adverse changes in this information after the date of this Official Statement.

Information in this section is included because it may be considered relevant to some investors to an informed evaluation and analysis of the taxable property within the Improvement Area and any existing or future improvements thereon as security for the Bonds. The information contained in this section does not guarantee that property ownership will not change or that the current or any subsequent property owners will pay the Special Tax when due. In fact, as described herein, ownership of much of the Taxable Property in the Improvement Area will change prior to, or in connection with, development thereof. The Special Tax will constitute a lien on parcels subject to taxation within the Improvement Area and not a personal indebtedness of the owners of property within the Improvement Area. There is no assurance that Folsom Real Estate South or any subsequent owners will have the ability to pay the Special Taxes or that, even if they have the ability, they will choose to pay the Special Taxes. An owner may elect to not pay the Special Taxes when due and cannot be legally compelled to do so. Neither the District nor any Bond Owner will have the ability at any time to seek payment directly from Folsom Real Estate South or any subsequent owners of property within the Improvement Area of the Special Tax or the principal or interest on the Local Obligations, or the ability to control who becomes a subsequent owner of any property within the Improvement Area.

Property Ownership – Folsom Real Estate South. Other than the 260 lots owned by Taylor Morrison and individual homeowners, Folsom Real Estate South owns the remainder of the Taxable

Property within the Improvement Area, which is referred to herein as the Four Large Lots. Folsom Real Estate South is in the process of selling the Four Large Lots and has entered into letters of intent with multiple nationally recognized homebuilders to negotiate the sale of the Four Large Lots and other properties within the Folsom Plan Area (but outside of the Improvement Area). Folsom Real Estate South is actively negotiating with one of these homebuilders to acquire and develop its Taxable Property within the Improvement Area. In addition to the Four Large Lots, Folsom Real Estate South also owns an 11-acre elementary school site within the Improvement Area, which it anticipates selling to the Folsom Cordova Unified School District.

As previously defined, “Folsom Real Estate South” refers to Folsom Real Estate South, LLC, a Delaware limited liability company. Folsom Real Estate South is a land investment company that expects to transfer its Taxable Property within the Improvement Area to an affiliate that will then sell the property to a nationally recognized homebuilder that will develop the land and construct and sell homes to individual homebuyers.

HBT Mangini, LLC (“HBT Mangini”), a Delaware limited liability company, is the managing member of Folsom Real Estate South and an affiliate of WestLand. All decisions of HBT Mangini are made by the three officers and directors who are William Bunce, John Hagenbuch and John Telischak, whom are also principals in projects adjacent to the Improvement Area where they (through WestLand and its affiliated entities) control land holdings that are planned for the development of nearly 3,500 dwelling units and 1.2 million square feet of commercial and office uses. Messrs. Bunce, Hagenbuch and Telischak also serve as the President, Chairman and Managing Director of WestLand, respectively. The three officers are supported by other staff of WestLand, including Rick Jordan and Rob Aragon, and Kim Harms, the CFO and a CPA. Mr. Bunce, as President, is responsible for all operating decisions but consults regularly with the Board on most operating decisions and all strategic decisions.

Development Plan – Folsom Real Estate South. Folsom Real Estate South is actively negotiating with a builder to acquire and develop its Taxable Property within the Improvement Area. Folsom Real Estate South expects the Four Large Lots to ultimately include 388 detached single-family homes at full development and is in the process of preparing the small lot tentative maps for these units, which it anticipates being approved by the City during the second quarter of 2025. Folsom Real Estate South intends to sell the Four Large Lots in an “as-is” condition to a nationally recognized homebuilder. If the currently anticipated sale of the Four Large Lots should not close, Folsom Real Estate South expects that it would seek one or more separate additional buyers to develop the Four Large Lots.

Pursuant to the expected purchase and sale agreement, Folsom Real Estate South anticipates the sale of the Four Large Lots to the anticipated homebuilder closing upon the satisfaction of various conditions, including the buyer’s prior payment of one or more non-refundable deposits and City approval of a small lot tentative map.

There are several conditions in the purchase and sale agreement that must be met before the Four Large Lots may close escrow to the buyer, and no assurance can be given that the sale of the Four Large Lots to the buyer will close at the time anticipated and described in this Official Statement, or at all. See “CERTAIN RISKS TO BONDHOLDERS – Failure to Develop,” “– Current Challenges to the Homebuilding Industry” and “– Increasing Mortgage Interest Rates.”

Development Status – Folsom Real Estate South. Folsom Real Estate South’s Taxable Property within the Improvement Area, referred to herein as the Four Large Lots, is entitled to include up to 388 residential units at full development but is currently unimproved land that will require significant additional infrastructure and site development work to become fully developed. Additionally, as described more below, there are several remaining discretionary and non-discretionary approvals required

before the Four Large Lots can be fully developed, including the approval of tentative and final small lot maps and satisfaction of City requirements relating to inclusionary housing and habitat mitigation. The actual number of lots ultimately included on the approved tentative and final small lot maps may change from the 388 lots current anticipated by Folsom Real Estate South. A deviation from the expected 388 lots would require City approval of a minor administrative modification and could delay the expected timing of development of the Four Large Lots.

The Four Large Lots have received all required environmental permits and approvals for the development of up to 388 residential units. However, additional habitat mitigation credits will be required for the planned development within the Four Large Lots. Also, the Four Large Lots are subject to the City's inclusionary housing requirement. In conjunction with the process of obtaining tentative small lot map approval, Folsom Real Estate South anticipates confirming with the City the specific manner in which the requirements relating to additional habitat mitigation and inclusionary housing will be satisfied. Additionally, any changes to the development plans for the Four Large Lots by Folsom Real Estate South or any subsequent owner may require additional governmental review and approval. See "PROPOSED PROPERTY DEVELOPMENT – Folsom Real Estate South Development – Backbone and Offsite Infrastructure and Subdivision Improvements" herein for additional information relating to the required infrastructure and site development work for the Four Large Lots.

Backbone and Offsite Infrastructure and Subdivision Improvements. The Original Developer has completed all required backbone infrastructure, offsite improvements, and subdivision improvements serving the portion of the Improvement Area owned by Taylor Morrison and individual owners (totaling 260 lots). As of August 31, 2024, the Original Developer had expended approximately \$35 million for the various infrastructure and site development costs within that portion of the Improvement Area.

The remaining portion of the Taxable Property within the Improvement Area (totaling an expected 388 lots) will require significant additional infrastructure and site development work to become fully developed. This work includes, but is not limited to, mass grading (including implementation of an asbestos dust control plan), utilities and roadway improvements, and subdivision improvements. Pursuant to the expected purchase and sale agreement, Folsom Real Estate South anticipates selling the Four Large Lots in an "as-is" condition, and the buyer of that property would be required to complete the necessary infrastructure and site development. As of September 2024, Folsom Real Estate South estimated the required infrastructure and site development costs of the Four Large Lots to be approximately \$60 million.

[The Original Developer undertook an asbestos dust control plan with respect to the grading of the 260 lots owned by Taylor Morrison and individual homeowners. Folsom Real Estate South expects that the buyer and developer of the Four Large Lots will need to implement a similar asbestos dust control plan for the grading of that property.]

The Original Developer, an affiliate of Westland, completed the infrastructure and subdivision improvements relating to the 260 lots owned by Taylor Morrison and individual owners. The Original Developer anticipates seeking reimbursement from the proceeds of the sale of the Local Obligations for these completed Facilities, which generally include improvements relating to the undergrounding of utilities designed to meet the needs of development within the District. Specifically, to the extent there are available proceeds, the Original Developer anticipates these Facilities including: (i) various internal subdivision streets and related underground utilities, and (ii) roadway improvements relating to East Bidwell Street, Savannah Parkway, and Mangini Parkway. The Facilities for which the Original Developer anticipates seeking reimbursement from the proceeds of the sale of the Local Obligations have all been completed and accepted by the City.

CERTAIN RISKS TO BONDHOLDERS

This section provides a general overview of certain risk factors which should be considered, in addition to the other matters set forth in this Official Statement, in evaluating an investment in the Bonds. This section is not meant to be a comprehensive or definitive discussion of the risks associated with an investment in the Bonds, and the order in which this information is presented does not necessarily reflect the relative importance of various risks. Potential investors in the Bonds are advised to consider the following factors, among others, and to review this entire Official Statement to obtain information essential to the making of an informed investment decision. Any one or more of the risk factors discussed below, among others, could lead to a decrease in the market value and/or in the marketability of the Bonds. There can be no assurance that other risk factors not discussed herein will not become material in the future.

Levy of the Special Tax

The principal source of payment of debt service on the Local Obligations, from which funds for the payment of the Bonds are derived, is the proceeds of the annual levy and collection of the Special Tax against property in the Improvement Area. The annual levy of the Special Tax is subject to the Maximum Facilities Special Tax rates authorized within the Improvement Area. The levies cannot be made at higher rates even if the failure to do so means that the estimated proceeds of the levy and collection of the Special Tax, together with other available moneys, will not be sufficient to pay debt service on the Local Obligations. Other funds which might be available include funds derived from the payment of delinquent Special Tax and funds derived from the tax sale or foreclosure and sale of related Taxable Property on which levies of the Special Tax are delinquent.

The levy of the Special Tax will rarely, if ever, result in a uniform relationship between the value of particular Taxable Property and the amount of the levy of the Special Tax against such parcels. Thus, there will rarely, if ever, be a uniform relationship between the value of such parcels and the proportionate share of debt service on the Local Obligations, and certainly not a direct relationship.

The Special Tax levied in any particular tax year on a Taxable Property is based upon the revenue needs and application of the Rate and Method. Application of the Rate and Method will, in turn, be dependent upon certain development factors with respect to each parcel of Taxable Property by comparison with similar development factors with respect to the other Taxable Property in the Improvement Area. Thus, in addition to annual variations of the revenue needs from the Special Tax, the following are some of the factors which might cause the levy of the Special Tax on any particular Taxable Property to vary from the Special Tax that might otherwise be expected:

- Reduction in the amount of Taxable Property for such reasons as acquisition of Taxable Property by the federal government or an agency thereof, asserting immunity (however, see “Exempt Properties” below) from taxation, thereby resulting in an increased tax burden on the remaining Taxable Property.
- Failure of the related owners of Taxable Property to pay the Special Tax and delays in the collection of or inability to collect the Special Tax by tax sale or foreclosure and sale of the delinquent parcels, thereby resulting in an increased tax burden on the remaining parcels, subject to the related Maximum Facilities Special Tax.

Collection of Special Tax

In order for the District to pay debt service on the Local Obligations, from which funds for the payment of the Bonds are derived, it is necessary that the Special Tax levied against land in the Improvement Area be paid in a timely manner. The District has established the Local Obligations Reserve Account under the Local Obligations Indenture in the amount of the Required Bond Reserve to pay debt service on the Local Obligations, in the event that a portion of the Special Taxes for the Local Obligations are not paid on time.

The Local Obligations Indenture provides that the Special Tax is to be collected in the same manner as ordinary *ad valorem* property taxes are collected and, except as provided in the special covenant for foreclosure described below and in the Mello-Roos Act, is to be subject to the same penalties and the same procedure, sale and lien priority in case of delinquency as is provided for *ad valorem* property taxes. Pursuant to these procedures, if taxes are unpaid for a period of five years or more, the property is deeded to the State and then is subject to sale by the County.

Pursuant to the Mello-Roos Act, in the event of any delinquency in the payment of the Special Tax, the District may order the institution of a Superior Court action to foreclose the lien therefor within specified time limits. In such an action, the real property subject to the unpaid amount may be sold at judicial foreclosure sale. Such judicial foreclosure action is not mandatory. However, the District has covenanted that it will conduct foreclosure proceedings against delinquent installment payments when there is a greater than 5% deficiency in the amount of the Special Tax levied or any single property owner is then delinquent on four or more installments of the Special Tax, except where the District has received 100% of such installment from the County pursuant to the Teeter Plan. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Covenant for Foreclosure."

In the event that sales or foreclosures of property are necessary, there could be a delay in payments to Owners of the Bonds pending such sales or the prosecution of foreclosure proceedings and receipt by the District of the proceeds of sale if the Local Obligations Reserve Account with respect to the Local Obligations is depleted.

The District may be unable to make full or timely payment of debt service on the Local Obligations if property owners in the Improvement Area fail to pay installments of the Special Tax when due, if the Local Obligations Reserve Account is depleted, or if the District is unable to sell related foreclosed parcels for amounts sufficient to cover the delinquent installments of the Special Tax.

Concentration of Ownership

Currently, a large portion of the Taxable Property in the Improvement Area is owned by Taylor Morrison and Folsom Real Estate South, and consequently, a large portion of the Special Tax within the Improvement Area will be paid by Taylor Morrison (and Folsom Real Estate South to the extent that the Special Tax is levied on Undeveloped Property or Folsom Real Estate South retains ownership of its Taxable Property as it becomes developed) until the homes are completed and sold. See "PROPOSED PROPERTY DEVELOPMENT—Property Ownership."

Taylor Morrison is in the process of building and selling completed homes to individual homeowners, and Folsom Real Estate South is actively negotiating with a buyer for its Taxable Property within the Improvement Area. No assurance can be given that the property sales will close when anticipated. See "PROPOSED PROPERTY DEVELOPMENT—Property Ownership." Generally, the risk of delinquency or nonpayment of Special Taxes at levels which do not permit the timely payment of principal of and interest on the Bonds is inversely correlated to the diversity of ownership of Taxable

Property within the Improvement Area. The fact that a substantial portion of the property providing the ultimate security for the payment of Local Obligations is controlled by only a few owners means that timely payment of the respective Special Tax and, therefore, the Bonds, will depend initially upon the willingness and ability of these few owners to pay the Special Tax when due. The only assets of Taylor Morrison and Folsom Real Estate South that constitute security for the Local Obligations are their real property holdings located within the Improvement Area.

There can be no assurance that the remaining partially developed property within the Improvement Area will be fully developed and that property ownership will be further diversified as a result. See "CERTAIN RISKS TO BONDHOLDERS—Failure to Develop."

Payment of the Special Tax is Not a Personal Obligation of a Property Owner

A PROPERTY OWNER IS NOT PERSONALLY OBLIGATED TO PAY THE SPECIAL TAX. RATHER, THE SPECIAL TAXES ARE OBLIGATIONS ONLY AGAINST THE PROPERTY. IF THE VALUE OF THE PARCELS OF PROPERTY IS NOT SUFFICIENT, TAKING INTO ACCOUNT OTHER OBLIGATIONS ALSO PAYABLE THEREBY, TO FULLY DISCHARGE THE SPECIAL TAX, THE DISTRICT WILL HAVE NO RECOURSE AGAINST THE PROPERTY OWNER.

Potential Early Redemption of Bonds from Prepaid Special Taxes

Property owners within the Improvement Area are permitted to prepay their Special Taxes at any time. Such prepayments could also be made from the proceeds of bonds issued by or on behalf of an overlapping special assessment district or community facilities district. Such payments will result in a redemption of the Bonds on the Interest Payment Date for which timely notice may be given under the Trust Agreement following the receipt of the prepayment. The resulting redemption of Bonds purchased at a price greater than par could reduce the otherwise expected yield on such Bonds. See "THE BONDS—Redemption Provisions—*Extraordinary Redemption from Prepayment of Special Taxes*."

Special Tax Delinquencies

The Special Taxes are billed to the properties within the Improvement Area on the *ad valorem* property tax bills sent to owners of such properties. Such Special Tax installments are due and payable, and bear the same penalties and interest for non-payment, as do *ad valorem* property tax installments. In each year the County includes the Improvement Area in the Teeter Plan, the County will be obligated to pay the District 100% of the amount of the Special Taxes actually levied in the Improvement Area, regardless of any delinquencies. However, the County is required to terminate the Teeter Plan if two-thirds of the participants so petition the Board of Supervisors and may discontinue the Teeter Plan as to the Improvement Area if the delinquency rate in the Improvement Area exceeds 3%. Moreover, the County determines annually whether to include a particular district in the Teeter Plan. See "—Teeter Plan Termination" and "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—The Teeter Plan." Significant delinquencies in the payment of annual Special Tax installments, or delays in the prosecution of foreclosure proceedings to collect such Special Taxes, could result in a default in the payment of the debt service on the Bonds. See "—Bankruptcy" and "—FDIC/Federal Government Interests in Properties" below, for a discussion of the limitations on the District's ability to foreclose on the lien of the Special Taxes in certain circumstances and the policy of the Federal Deposit Insurance Corporation regarding the payment of special taxes.

Teeter Plan Termination

The County has implemented its Teeter Plan as an alternate procedure for the distribution of certain property tax and assessment levies on the secured roll. The County determines annually which special taxes and assessment levies to include in the Teeter Plan. Pursuant to its Teeter Plan, once the County determines to include special taxes and assessment levies in the Teeter Plan, the County provides the local agency and taxing area with full tax and assessment levies instead of actual tax and assessment collections. In return, the County is entitled to retain all delinquent tax and assessment payments, penalties and interest. Thus, the County's Teeter Plan may help protect Owners from the risk of delinquencies in the payment of Special Taxes. However, the County is entitled, and under certain circumstances could be required, to terminate its Teeter Plan with respect to all or part of the local agencies and taxing areas covered thereby. In addition, the County may decide not to include certain special taxes and assessment levies, including the Improvement Area, in the Teeter Plan in any fiscal year. Any termination of the Teeter Plan with respect to the Improvement Area would eliminate such protection from delinquent Special Taxes. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—The Teeter Plan."

Land Values

If a property owner defaults in the payment of the Special Tax, from which funds for the payment of the Bonds are derived, the District's only remedy is to foreclose on the delinquent property in an attempt to obtain funds with which to pay the delinquent Special Tax. The value of taxable property in the Improvement Area is therefore an important consideration in evaluating the security for the Bonds. Land values could be adversely affected by economic factors beyond the District's control, such as relocation of employers out of the area, stricter land use regulations, the absence of water, or destruction of property caused by, among other eventualities, earthquake, flood or other natural disaster, or by environmental pollution or contamination.

Appraisal Risks

The Appraiser has estimated the market value of the property in the Improvement Area on the basis of certain assumptions which the Appraiser believes to be reasonable under the circumstances. See the Appraisal included in APPENDIX G hereto. However, certain of the assumptions made by the Appraiser may prove to be untrue.

Although the District believes that the Appraiser's methodology and assumptions are reasonable under the circumstances, the Appraiser's aggregate value conclusions are expressions of professional opinion only. No assurance can be given that the aggregate values of property in the Improvement Area are equal to or greater than the Appraiser's estimated values, nor can any assurance be given that such aggregate values will not decline during the period of time the Bonds are Outstanding. The values of the property in the Improvement Area can be adversely affected by a variety of factors, including, but not limited to, the occurrence of one or more of the special risk events discussed herein. A decline in the value of a parcel in the Improvement Area could lower the ability or willingness of the owner of such parcel to pay Special Taxes when due and would decrease the amount recoverable at a foreclosure sale of such parcel.

See "THE IMPROVEMENT AREA—Property Values" for a further discussion of estimated property values in the Improvement Area.

Exempt Properties

Certain properties within the Improvement Area are or may become exempt from the Special Tax in accordance with the Rate and Method. In addition, the Mello-Roos Act provides that properties or entities of the state, federal or local government are exempt from Special Tax; provided, however, that property acquired by a public entity through a negotiated transaction or by gift or devise, which is not otherwise exempt from the Special Tax, will continue to be subject to the Special Tax. In addition, the Mello-Roos Act provides that if property subject to Special Tax is acquired by a public entity through eminent domain proceedings, the obligation to pay Special Tax with respect to that property is to be treated as if it were a special assessment. Further, properties receiving a welfare exemption under subsection (g) of Section 214 of the California Revenue and Taxation Code are exempt from the Special Tax unless debt is outstanding and the property was subject to the Special Tax prior to receiving the exemption. Currently, the Improvement Area includes approximately 5.8 acres that are expected to be developed into a 152-unit affordable housing site that will receive a welfare exemption and be exempt from the Special Tax. The constitutionality and operation of these provisions of the Mello-Roos Act have not been tested.

In particular, insofar as the Mello-Roos Act requires payment of a special tax by a federal entity acquiring property within the community facilities district, it may be unconstitutional. If for any reason property within the Improvement Area becomes exempt from taxation, then, subject to the Rate and Method, including the limitation on the maximum special tax rates set out in the Rate and Method, the special tax will be reallocated to the remaining taxable properties within the Improvement Area. This would result in the owners of such property paying a greater amount of the Special Tax and could have an adverse impact upon the timely payment of the Special Tax. Moreover, if a substantial portion of land within the Improvement Area becomes exempt from the Special Tax because of public ownership, or otherwise, the maximum rate that could be levied upon the remaining property might not be sufficient to pay principal of and interest on the related Local Obligations and could adversely affect the ability of the District to pay principal of and interest on the Bonds when due.

Maximum Special Tax

Within the limits of the Special Tax, the District may adjust the Special Tax on all property in the Improvement Area to provide an amount required to pay interest on, principal of, Minimum Sinking Fund Payments for and redemption premiums, if any, on the Local Obligations, and the amount, if any, necessary to cure delinquencies and replenish the Local Obligations Reserve Account to an amount equal to the Required Bond Reserve, and to pay all current Expenses.

Although the Maximum Facilities Special Tax is designed to provide Special Tax revenues on an annual basis, there is no assurance that the Maximum Facilities Special Tax on the property in the Improvement Area will be sufficient to pay the amounts required to be paid by the Local Obligations Indenture at all times, from which funds for the payment of the Bonds are derived. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Special Tax Authorization” and APPENDIX A—“RATE AND METHOD.”

Under the Rate and Method, the Facilities Special Tax levied in any fiscal year against any Assessor’s Parcel (as defined in the Rate and Method) of Developed Property classified as Residential Property may not be increased as a consequence of delinquency or default by the owner or owners of any other parcel or parcels within the Improvement Area by more than 10% above the amount that would have been levied against such Assessor’s Parcel in that fiscal year had there never been any such delinquencies or defaults. Pursuant to the Rate and Method, property is considered “Residential Property” once a building permit could be issued for the purposes of constructing one or more Residential

Units, including either single family detached homes or multi-family attached properties, such as apartments, and property is considered "Developed Property" if a building permit for new construction was issued prior to June 30 of the previous fiscal year.

No Acceleration Provision

The Local Obligations Indenture does not contain a provision allowing for the acceleration of the Bonds in the event of a payment default or other default under the terms thereof.

Loss of Tax Exemption

As discussed under "TAX MATTERS," interest on the Bonds could become includable in gross income for purposes of federal income taxation retroactive to the date of issuance, as a result of acts or omissions of the District subsequent to the issuance of the Bonds in violation of the District's covenants with respect to the Bonds. Should interest become includable in gross income, the Bonds are not subject to redemption by reason thereof and will remain outstanding until maturity or unless earlier redeemed pursuant to optional or mandatory redemption.

Parity Taxes and Special Assessments

The ability or willingness of a property owner in the Improvement Area to pay the Special Tax, from which funds for the payment of the Bonds are derived, could be affected by the existence of other taxes and assessments imposed upon the property either currently existing or imposed in the future. The assessments and any penalties thereon constitute a lien against the lots and parcels of land on which they have been levied until they are paid. Such lien is on parity with all special taxes and special assessments levied by other agencies and is co-equal to and independent of the lien for general property taxes and other special assessments regardless of when they are imposed upon the same property. The Special Tax has priority over all existing and future private liens imposed on the property. In addition, other public agencies whose boundaries overlap those of the Improvement Area could, with or in some circumstances without the consent of the owners of the land in the Improvement Area, impose additional taxes or assessment liens on the property in the Improvement Area in order to finance public improvements to be located inside or outside of the Improvement Area.

Although the District has covenanted not to impose additional special taxes or assessments on property within the Improvement Area except in accordance with the Local Obligations Indenture, the Authority and the District have no control over the ability of other entities and districts to issue indebtedness secured by special taxes or assessments payable from all or a portion of the property in the Improvement Area. The imposition of additional liens on parity with the assessments could reduce the ability or willingness of the owners of parcels in the Improvement Area to pay the Special Tax and increases the possibility that foreclosure proceeds will not be adequate to pay delinquent Special Taxes or the principal of and interest on the Local Obligations when due. As described under “FOLSOM PLAN AREA—Public Facilities Financing Plan,” and “THE IMPROVEMENT AREA—Overlapping Debt” the City plans to issue additional obligations secured by special taxes from time to time to finance backbone infrastructure and public improvements within the Folsom Plan Area and the boundaries of the Improvement Area. For example, CFD 18 authorized the issuance of up to \$200,000,000 in obligations. The special taxes securing such additional obligations would be payable on parity with the Special Taxes. In addition, property owners may choose to participate in a residential PACE program (a mechanism for financing energy efficiency and renewable energy improvements on private property), consenting to assessments on their parcels that would be on a parity with the Special Taxes.

Future Private Indebtedness

At the present time, the Improvement Area includes properties that are undergoing development or are developed. In order to develop any improvements on that undeveloped land, the property owners will need to construct private improvements, the cost of which may increase the private debt for which the land in the Improvement Area or other land or collateral owned by the property owners is security over that contemplated by the Local Obligations, and such increased debt could reduce the ability or desire of the property owners to pay the Special Tax secured by the land in the Improvement Area. It should be noted however, that the lien of any private financing secured by the land within the Improvement Area would be subordinate to the lien of the Special Tax.

Disclosures to Future Purchasers

The District has recorded notice of the Special Tax Lien in the Office of the County Recorder of the County of Sacramento. While title companies normally refer to such notices in title reports, there can be no guarantee that such reference will be made or, if made, that a prospective purchaser or lender will consider such Special Tax obligation in the purchase of a parcel of land, a home or a commercial or industrial facility in the Improvement Area or the lending of money thereon. The Mello-Roos Act requires the subdivider (or its agent or representative) of a subdivision to notify a prospective purchaser or long-term lessor of any lot, parcel, or unit subject to a Mello-Roos special tax of the existence and maximum amount of such special tax using a statutorily prescribed form. State Civil Code Section 1102.6b requires that in the case of transfers other than those covered by the above requirement, the seller must at least make a good faith effort to notify the prospective purchaser of the special tax lien in a format prescribed by statute. Failure by an owner of the property to comply with the above requirements, or failure by a purchaser or lessor to consider or understand the nature and existence of the Special Tax, could adversely affect the willingness and ability of the purchaser or lessor to pay the Special Tax, from which funds for the payment of the Bonds are derived, when due.

Bankruptcy

The payment of the Special Tax and the ability of the District to foreclose the lien of a delinquent unpaid tax, as discussed in “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS,” may be limited by bankruptcy, insolvency or other laws generally affecting creditors’ rights or by the laws of the State relating to judicial foreclosure. In addition, the prosecution of a foreclosure action could be delayed

due to crowded local court calendars or delays in the legal process. The various legal opinions to be delivered concurrently with the delivery of the Bonds (including Bond Counsel's approving legal opinion) will be qualified as to the enforceability of the various legal instruments by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights, by the application of equitable principles and by the exercise of judicial discretion in appropriate cases.

Although bankruptcy proceedings would not cause the lien of the Special Tax to become extinguished, bankruptcy of a property owner could result in a delay in prosecuting superior court foreclosure proceedings. The federal bankruptcy laws provide for an automatic stay of foreclosure and sale of tax sale proceedings, thereby delaying such proceedings perhaps for an extended period. Any such delays would increase the likelihood of a delay or default in payment of the principal of and interest on the Bonds and the possibility of delinquent tax installments not being paid in full. To the extent that property in the Improvement Area continues to be owned by a limited number of property owners, the chances are increased that the Local Obligations Reserve Fund could be fully depleted during any such delay in obtaining payment of delinquent Special Taxes. As a result, sufficient moneys would not be available in the Local Obligations Reserve Account to make up shortfalls resulting from delinquent payments of the Special Tax and thereby to pay principal of and interest on the Local Obligations on a timely basis. The payment of the Special Tax and the ability of the District to foreclose the lien of a delinquent unpaid tax could be delayed by bankruptcy, reorganization, insolvency, moratorium or other similar laws affecting rights of creditors generally or by the laws of the State relating to judicial foreclosure. Further, should remedies be exercised under the federal bankruptcy laws against parcels in the Improvement Area, payment of the Special Tax may be subordinated to bankruptcy law priorities. Thus, certain claims may have priority over the Special Tax in a bankruptcy proceeding even though they would not outside of a bankruptcy proceeding.

FDIC/Federal Government Interests in Properties

The ability of the District to foreclose the lien of delinquent unpaid Special Tax installments may be limited with regard to properties in which the Federal Deposit Insurance Corporation (the "FDIC"), the Drug Enforcement Agency, the Internal Revenue Service, or other federal agency has or obtains an interest.

Under the Supremacy Clause of the United States Constitution, unless Congress has otherwise provided, if a federal governmental entity owns a parcel that is subject to Special Taxes within the Improvement Area but does not pay taxes and assessments levied on the parcel (including Special Taxes), the applicable state and local governments cannot foreclose on the parcel to collect the delinquent taxes and assessments. Moreover, unless Congress has otherwise provided, if the federal government has a mortgage interest in the parcel and the District wishes to foreclose on the parcel as a result of delinquent Special Taxes, the property cannot be sold at a foreclosure sale unless it can be sold for an amount sufficient to pay delinquent taxes and assessments on parity with the Special Taxes and preserve the federal government's mortgage interest. In *Rust v. Johnson*, 597 F.2d 174 (1979), the United States Court of Appeal, Ninth Circuit held that the Federal National Mortgage Association ("FNMA") is a federal instrumentality for purposes of this doctrine, and not a private entity, and that, as a result, an exercise of state power over a mortgage interest held by FNMA constitutes an exercise of state power over property of the United States.

Neither the Authority nor the District have undertaken to determine whether any federal governmental entity currently has, or is likely to acquire, any interest (including a mortgage interest) in any of the parcels subject to the Special Taxes within the Improvement Area, and therefore expresses no view concerning the likelihood that the risks described above will materialize while the Bonds are outstanding.

In the event that any financial institution making any loan which is secured by real property within the Improvement Area is taken over by the FDIC, and prior thereto or thereafter the loan or loans go into default, then the ability of the Authority to collect interest and penalties specified by State law and to foreclose the lien of delinquent unpaid Special Taxes may be limited.

The FDIC's policy statement regarding the payment of state and local real property taxes (the "Policy Statement") provides that property owned by the FDIC is subject to state and local real property taxes only if those taxes are assessed according to the property's value, and that the FDIC is immune from real property taxes assessed on any basis other than property value. According to the Policy Statement, the FDIC will pay its property tax obligations when they become due and payable and will pay claims for delinquent property taxes as promptly as is consistent with sound business practice and the orderly administration of the institution's affairs, unless abandonment of the FDIC's interest in the property is appropriate. The FDIC will pay claims for interest on delinquent property taxes owed at the rate provided under state law, to the extent the interest payment obligation is secured by a valid lien. The FDIC will not pay any amounts in the nature of fines or penalties and will not pay nor recognize liens for such amounts. If any property taxes (including interest) on FDIC-owned property are secured by a valid lien (in effect before the property became owned by the FDIC), the FDIC will pay those claims. The Policy Statement further provides that no property of the FDIC is subject to levy, attachment, garnishment, foreclosure or sale without the FDIC's consent. In addition, the FDIC will not permit a lien or security interest held by the FDIC to be eliminated by foreclosure without the FDIC's consent.

The Policy Statement states that the FDIC generally will not pay non-ad *valorem* taxes, including special assessments, on property in which it has a fee interest unless the amount of tax is fixed at the time that the FDIC acquires its fee interest in the property, nor will it recognize the validity of any lien to the extent it purports to secure the payment of any such amounts. Special taxes imposed under the Mello-Roos Act and a special tax formula which determines the special tax due each year are specifically identified in the Policy Statement as being imposed each year and therefore covered by the FDIC's federal immunity. The Ninth Circuit has issued a ruling on August 28, 2001, in which it determined that the FDIC, as a federal agency, is exempt from Mello-Roos special taxes. According to information available from the Sacramento County assessment roll, the FDIC does not currently own any of the property in the Improvement Area.

The Authority and the District are unable to predict what effect the application of the Policy Statement would have in the event of a delinquency in the payment of Special Taxes on a parcel within the Improvement Area in which the FDIC has or obtains an interest, although prohibiting the lien of the FDIC to be foreclosed out at a judicial foreclosure sale could reduce or eliminate the number of persons willing to purchase a parcel at foreclosure sale. Such an outcome could cause a draw on the reserve account for the Local Obligations and perhaps, ultimately, if enough property were to become owned by the FDIC, a default in payment on the Local Obligations and the Bonds.

Zoning and Land Use Decisions

The Special Taxes, from which funds for the payment of the Bonds are derived, are to be levied annually based upon the land use categories in effect for the property. Decisions made by the City Council, which has control over zoning and land use decisions for property in the City, will affect the prospective use of the property and, therefore, the tax base for the Special Tax. The Rate and Method does not permit land use changes to reduce the tax base to below the Special Tax Requirement.

Ballot Initiatives and Measures

From time to time constitutional initiatives or other initiative measures may be adopted by State voters or voters of the City, such as Measure W adopted by City residents in November 2004 described herein. The adoption of any such initiative in the future might place limitations on the ability of the State or any political subdivisions thereof, including the Authority or the City, to increase revenues or to increase appropriations, the ability of the landowners to complete their developments, or the ability of the District to collect the Special Tax.

Shapiro v. San Diego

On August 1, 2014, the California Court of Appeal, Fourth Appellate District, Division One, issued its opinion in *Shapiro v. San Diego City Council*, 117 Cal. Rptr. 2d 631, 96 Cal. App. 4th 904 (2002). The case involved a Convention Center Facilities District (the “CCFD”) established by the City of San Diego, much like a community facilities district established under the provisions of the Mello-Roos Act. The CCFD is comprised of all of the real property in all of the City of San Diego. However, the special tax to be levied within the CCFD was to be levied only on hotel properties.

At the election to authorize such special tax, the electorate was limited to owners of hotel properties and lessees of certain of such hotel properties. Thus, the election was a landowner election limited to owners and lessees of properties on which the special tax would be levied, and not a registered voter election. Such approach to determining who would constitute the qualified electors of the CCFD was based on Section 53326(c) of the Mello-Roos Act, which generally provides that, if a special tax will not be apportioned in any tax year on residential property, the legislative body may provide that the vote shall be by the landowners of the proposed district whose property would be subject to the special tax. The Court held that the CCFD special tax election was invalid under the California Constitution because Article XIII A, Section 4 thereof and Article XIII C, Section 2 thereof require that the electors in such an election be the registered voters within the district.

In the case of the CCFD, at the time of the election there were many, many registered voters within the CCFD (viz., all of the registered voters in the City of San Diego). There were no registered voters within the Improvement Area at the time of the election to authorize the Special Tax. In City of San Diego, the Court expressly stated that it was not addressing the validity of landowner voting to impose special taxes pursuant to the Mello-Roos Act in situations where there are fewer than 12 registered voters. Thus, by its terms, the Court’s holding does not apply to the Special Tax election in the Improvement Area. Moreover, Section 53341 of the Mello-Roos Act provides that any “action or proceeding to attack, review, set aside, void or annul the levy of a special tax shall be commenced within 30 days after the special tax is approved by the voters.” The Special Tax with respect to the Improvement Area was approved by the voters on March 28, 2023. Based on Section 53341 of the Mello-Roos Act and its analysis of existing laws, regulations, rulings and court decisions, the District does not believe that a challenge to the Special Tax may now be brought.

Risks of Real Estate Secured Investments Generally

The owners of the Bonds will be subject to the risks generally incident to an investment secured by real estate, including, without limitation, (i) adverse changes in national and local market conditions, such as changes in the market value of real property in the vicinity of the Improvement Area, the supply of or demand for competitive properties in such area, and the market value of residential property or buildings and/or sites in the event of sale or foreclosure; (ii) changes in real estate tax rates and other operating expenses, governmental rules (including, without limitation, zoning laws and laws relating to endangered species, and hazardous materials and seismic safety) and fiscal policies; (iii) increased

construction costs, workforce shortages, supply chain disruptions or other similar factors affecting the development, financing or marketing capabilities of Taylor Morrison or any other additional homebuilder within the Improvement Area; (iv) natural disasters (including but not limited to severe weather, earthquakes, wildfires, and floods) or other calamities, which may result in uninsured losses; (v) costs of remediation and liabilities associated with unknown environmental conditions affecting properties; and (vi) increased delinquency or reduced demand due to high rate of inflation, rising interest rates, increased cost of insurance, and other economic trends that adversely affects consumers, whether cyclical or resulting from geopolitical events.

No assurance can be given that Taylor Morrison, Folsom Real Estate South, or any other current or future homeowners within the Improvement Area will pay the Special Tax in the future or that they will be able to pay such Special Tax on a timely basis. See “—Bankruptcy” above, for a discussion of certain limitations on the District’s ability to pursue judicial proceedings with respect to delinquent parcels. Further, many homes within the Improvement Area will have a higher-than-average price point as compared to other homes in the region, which may impact the absorption of the residential units within the Improvement Area.

Current Challenges to the Homebuilding Industry

The pace of homebuilding in the Improvement Area may be adversely affected by a variety of factors, including changes in economic conditions, interest rates, water shortages, and other similar factors, and recently including workforce shortages and supply chain disruptions. For example, obtaining garage doors and windows have recently been challenging for home builders generally. Additionally, some California municipalities have experienced supply chain disruptions for the electrical transformers and water meters needed for new development, having been advised in some cases of up to a 2-year delay for new electrical transformer orders. The lots in the Improvement Area being developed by Taylor Morrison are fully energized. Neither Taylor Morrison or Folsom Real Estate South are currently aware of any anticipated supply chain disruptions for the development within the Improvement Area. Additionally, the City has taken steps to prevent a water meter supply chain disruption. The City has made arrangements with a supplier to have approximately 500 new water meters set aside for its future use. Also, City staff have obtained authorization from the City Council to purchase additional new water meters as needed for new development in the City so that such purchases can be made expeditiously and without the need for further City Council action. However, no assurance can be given that supply chain disruptions for the materials needed to complete development within the Improvement Area will not occur.

Increasing Mortgage Interest Rates and Banking Uncertainty

Most of the expected purchasers of homes within the Improvement Area will finance their acquisitions with mortgage financing. As such, rising interest rates, decreased availability of mortgage financing or of certain mortgage programs, higher down payment requirements, or increased monthly mortgage costs could have a negative impact on the estimated absorption rates of planned for-sale homes in the Improvement Area. Further, a combination of higher mortgage rates, delays in construction stemming from delays in the supply chain, homebuyers’ inability to sell their existing homes and adverse changes in local, regional or national economic conditions, among other factors, could contribute to an increase in the rate of home order cancellations, which could similarly have a negative impact on the estimated absorption rates of for-sale homes in the Improvement Area.

Failure to Develop

Land development operations are subject to comprehensive federal, State and local regulations. Approval is required from various agencies in connection with the layout and design of developments, the nature and extent of improvements, construction activity, land use, zoning, school and health requirements, as well as numerous other matters. It is possible that the approvals necessary to complete development of all taxable property within the Improvement Area are not obtained on a timely basis or that litigation could be filed regarding approvals. Failure to obtain any such agency approval or satisfy any such government requirement or any litigation concerning such agency approval or government requirement could adversely affect land development operations. In addition, current and future governmental restrictions, including, but not limited to, governmental policies restricting or controlling development within the Improvement Area, could be enacted, and future land use initiatives approved by the voters in the City could add more restrictions and requirements on development within the Improvement Area, which restrictions may increase the cost to develop the Improvement Area. One such governmental restriction is the requirement to install rooftop photovoltaic solar systems for residential buildings under three stories constructed starting in 2020. Costs associated with the installation of solar to the homebuilders may reduce the willingness of homebuilders to construct homes and increased costs of those homes may decrease the willingness of homeowners to buy such homes.

Moreover, there can be no assurance that the means and incentive to conduct land development operations within the Improvement Area will not be adversely affected by a deterioration of the real estate market or economic conditions generally, future local, State and federal governmental policies relating to real estate development, the income tax treatment of real property ownership, acts of war or terrorism, or other factors.

A portion of the Taxable Property in the Improvement Area is presently being developed. Undeveloped property is less valuable per acre than developed property, especially if there are no plans to develop such property or if there are severe restrictions on the development of such property, and therefore provides less security to the owners of the Bonds should it be necessary for the District to foreclose due to the nonpayment of the Special Taxes. Delays in any property owner's ability to obtain discretionary approvals (including any delays caused by litigation) would in turn delay the construction of improvements and development of the Taxable Property within the Improvement Area. Furthermore, an inability to develop the land within the Improvement Area as currently proposed would result in slower rates of diversification of property ownership within the Improvement Area. Concentration of ownership increases the risk of a failure to collect sufficient Special Taxes to pay debt service on the Bonds, all other things being equal. The timely payment of Special Taxes levied on undeveloped property depends primarily upon the ability and willingness of owners of such property to pay such taxes when due. Certain infrastructure improvements are required before development in the Improvement Area is complete. Also, the Phase 2 Water Facilities described under the heading "PROPOSED PROPERTY DEVELOPMENT—Development Entitlements—*Water Supply*" are expected to be needed before the full development of the Folsom Plan Area. A slowdown in or cessation of the development of land within the Improvement Area could reduce the ability and willingness of such owners to make Special Tax payments, and could greatly reduce the value of such property in the event it has to be foreclosed upon to collect delinquent special taxes. See "—Bankruptcy" above for a discussion of certain limitations on the ability of the District to pursue judicial foreclosure proceedings with respect to taxpayers with delinquent Special Taxes.

No Independent Review of Valuation or Viability of Completed Projects

Property within the Improvement Area is comprised of separate and distinct projects as described above. Payment of Special Taxes are inherently dependent upon the development within the

Improvement Area, and, with respect to residential properties, the ability of the buyers of completed homes to pay. The Authority, the District, and the Underwriter have not reviewed any business plan for continued ownership, development and/or operation of the property within the Improvement Area. Similarly, the Authority, the District and the Underwriter have not conducted any independent evaluation of the existing or projected economic viability or profitability of any of the plans for development, including review and/or evaluation of financial statements of any owner or developer of any parcel subject to the Special Tax. The information contained herein regarding the proposed development and the owners of the parcels within the Improvement Area has been supplied by such owners and the Underwriter has not independently verified, makes no representation regarding, and does not accept any responsibility for the accuracy or completeness of such information.

In the event an owner or developer experiences financial difficulties, including difficulties resulting from construction or operation of the development within the Improvement Area, the value of the affected parcel within the Improvement Area may decline and/or such owner or developer may elect to refrain from payment of future Special Taxes for such parcel. See also “—Failure to Develop.”

Potential Impact of Global Health Crises or Concerns

The COVID-19 global pandemic had a severe and continuing effect on the nation and the State, with ongoing concerns relating to health and safety, preventive protocols, fiscal and economic issues, business operations, and global trade. Although at present there are no restrictions on operations within the State relating to the COVID-19 pandemic, the response to COVID-19 had a profound effect on housing construction and the housing market. Pandemic-related shutdowns severely disrupted global supply chains, resulting in difficulty for homebuilders to access necessary materials for home completion, including wood, windows, electrical transformers, water meters, and appliances. Supply chains have substantially recovered, but many goods still experience a backlog, which has resulted in, or may in the future result in, development delays within the District, and which has further resulted in increased construction costs. Lingering supply chain issues, labor shortages, increased interest rates, and an uncertain economy can increase costs to individual homeowners and therefore slow demand. Further, the pandemic saw changing trends in where people choose to live and the types of homes people choose to live in, which may impact demand for the types of homes being constructed by Taylor Morrison and any other homebuilder within the Improvement Area. The impacts of the COVID-19 pandemic continue to have a lasting effect, and the Authority, the City and the District cannot predict the effect of any potential future outbreak of COVID-19 or any other infectious disease.

Cybersecurity

The City, like other public and private entities, relies on a large and complex technology environment to conduct its operations, and consequently faces the threat of cybersecurity incidents. The City and its departments could face cybersecurity threats including, but not limited to, hacking, viruses, malware and other attacks on computers and other sensitive digital networks and systems. Such cybersecurity incidents could result from unintentional events, or from deliberate attacks by unauthorized entities or individuals attempting to gain access to the City’s information technology systems to misappropriate assets and/or information or to cause operational disruption and damage. The City maintains insurance to cover cybersecurity incidents, has cybersecurity risk management policies and procedures and periodically trains its employees on cybersecurity risks. The City, in addition to conducting regular internal reviews, also hires external auditors to perform quarterly and annual reviews of its cybersecurity program.

While the City conducts periodic tests and reviews of its networks, no assurances can be given that such security and operational control measures will be successful in guarding against all cyber threats

and attacks. New technical cyber vulnerabilities are frequently discovered in the United States. In addition, cyber attacks have become more sophisticated and increasingly are capable of impacting municipal control systems and components. The techniques used to obtain unauthorized access to, or to disable or degrade, electronic networks, computers, systems and solutions are rapidly evolving and have become increasingly complex and sophisticated. The results of any attack on the computer and information technology systems could have a material adverse impact on the operations of the City and damage the digital networks and systems. The City cannot predict the outcome of any such attack, nor the effect on the operations and finances of the City.

Geologic, Topographic and Climatic Conditions

The value of the property in the Improvement Area in the future can be adversely affected by a variety of additional factors, particularly those which may affect infrastructure and other public improvements and private improvements on property and the continued habitability and enjoyment of such private improvements. Such additional factors include, without limitation, geologic conditions such as earthquakes, topographic conditions such as earth movements, landslides and floods and climatic conditions such as droughts and wildfire.

The occurrence of seismic activity in the Improvement Area could result in substantial damage to properties in the Improvement Area which, in turn, could substantially reduce the value of such properties and could affect the ability or willingness of the property owners to pay the Special Tax on their property. The Improvement Area is not located in any existing special study zone delineated by the Chief of the Division of Mines and Geology of the State of California as an area of known active faults and is not otherwise known to be located within an area of any significant seismic activity. However, it may be expected that one or more of such conditions may occur and may result in damage to improvements of varying seriousness, that the damage may entail significant repair or replacement costs and that repair or replacement may never occur either because of the cost or because repair or replacement will not facilitate habitability or other use, or because other considerations preclude such repair or replacement. Under any of these circumstances, the value of the property may decline.

In recent years, wildfires have caused extensive damage throughout the State. In some instances, entire neighborhoods have been destroyed. Several of the fires that occurred in recent years damaged or destroyed property in areas that were not previously considered to be at risk from such events. Some commentators believe that climate change will lead to even more frequent and more damaging wildfires in the future. In general, property damage due to wildfire could result in a significant decrease in the market value of property in the Improvement Area and in the ability or willingness of property owners to pay Special Taxes.

The Improvement Area is located within an area identified as a moderate fire hazard severity zone. More information regarding Fire Hazard Severity Zones can be found at the California Department of Forestry and Fire Protection website at <https://frap.fire.ca.gov>, though such website is not incorporated herein by reference. The development within the Improvement Area is subject to mitigation measures set forth in a fuel modification plan approved by the City Fire Department. The mitigation measures include, among others, limitations on the type of vegetation that may be planted within fuel modification zones established in open space areas along certain portions of the perimeter of the Improvement Area, minimum setback of structures and irrigation requirements of the fuel modification zones. Maintenance of such zones is expected to initially be the responsibility of the property owners but upon build-out of the Improvement Area and dedication of the open space to the City will be maintained by the City from funds provided through CFD 18. Homeowner's insurance is expected to be available to property owners within the Improvement Area, and the coverage provided by such insurance typically insures against fire

damage, although there is no assurance that homeowners within the Improvement Area will purchase or maintain such insurance.

In the event of a wildfire, flood or other natural disaster, there may be significant damage to both property and infrastructure in the Improvement Area. As a result, a substantial portion of the property owners may be unable or unwilling to pay the Special Taxes when due. In addition, the value of land in the Improvement Area could be diminished in the aftermath of such a natural disaster, reducing the resulting proceeds of foreclosure sales in the event of delinquencies in the payment of the Special Taxes.

Folsom Dam, located on the American River within the jurisdictional boundaries of the City, was built in 1955 by the United States Army Corps of Engineers and is owned by the United States Bureau of Reclamation. An auxiliary spillway to enable the dam to more easily release water as it nears capacity was completed by the Army Corps of Engineers in October 2017. The City, together with the County and other local agencies, have established a hazard mitigation plan in the event of a dam failure. Geologic, topographic and climatic conditions, if severe, could result in damage to the dam which could further cause damage to the surrounding region and may limit water supply for the City and the Improvement Area.

Endangered Species

During recent years, there has been an increase in activity at the State of California and federal level related to the possible listing of certain plant and animal species found in California as endangered species. An increase in the number of endangered species is expected to curtail development in a number of areas. The property within the Improvement Area contains protected habitat and species, including but not limited to Swainson's hawk and tri-colored blackbird foraging habitats and wetlands regulated by state and federal agencies. [Foraging habitat mitigation credits have been satisfied by the Original Developer for the portion of the Improvement Area owned by Taylor Morrison and individual homeowners. Additional habitat mitigation credits will be required for the planned development within the Four Large Lots.] At present, the property within the Improvement Area is not known to be inhabited by any other plant or animal species listed as threatened or endangered under either the State or federal endangered species acts or which either the California Fish and Game Commission or the United States Fish and Wildlife Service has proposed for addition to the respective endangered species list. Notwithstanding this fact, new species are proposed to be added to the State and federal protected lists on a regular basis. Any action by the State or federal governments to protect species located on or adjacent to undeveloped property could negatively affect the developer's ability to complete development as planned. This, in turn, could reduce the likelihood of timely payment of the Special Tax, from which funds for the payment of the Bonds is derived, and would likely reduce the value of the land and the potential revenues available at a foreclosure sale for delinquent Special Taxes. See "CERTAIN RISKS TO BONDHOLDERS—Land Values."

Hazardous Substances

While governmental taxes, assessments, and charges are a common claim against the value of a parcel, other less common claims may be relevant. One of the most serious in terms of the potential reduction in the value of a parcel in the Improvement Area is a claim with regard to a hazardous substance. In general, the owners and operators of a parcel may be required by law to remedy conditions of the parcel relating to releases or threatened releases of hazardous substances. The federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as "CERCLA" or the "Superfund Act," is the most well-known and widely applicable of these laws, but laws with regard to hazardous substances are also stringent and similar. Under many of these laws, the owner (or operator) is obligated to remedy a hazardous substance condition of property whether or not the

owner (or operator) has anything to do with creating or handling the hazardous substance. The effect, therefore, should any of the parcels in the Improvement Area be affected by a hazardous substance is to reduce the marketability and value of the parcel by the costs of remedying the condition, because the purchaser, upon becoming owner, will become obligated to remedy the condition just as is the seller. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling it. All of these possibilities could significantly affect the financial and legal liability of a property owner to develop the affected parcel or other parcels, as well as the value of the property that is realizable upon a delinquency and foreclosure.

The appraised value of property in the Improvement Area does not take into account the possible reduction in marketability and value of any of the parcels by reason of the possible liability of the owner (or operator) for the remedy of a hazardous substance condition of the parcel. While the District is not aware that the owner (or operator) of any of parcels has such a current liability with respect to any of the parcels, it is possible that such liabilities do currently exist and that the District is not aware of them.

Further, it is possible that liabilities may arise in the future with respect to any of the parcels resulting from the existence, currently, on the parcel of a substance presently classified as hazardous but which has not been released or the release of which is not presently threatened, or may arise in the future resulting from the existence, currently, on the parcel of a substance not presently classified as hazardous but which may in the future be so classified. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling it. All of these possibilities could significantly affect the value of a parcel within the Improvement Area that is realizable upon a delinquency.

Naturally Occurring Asbestos

California Air Resource Board ("CARB") adopted the Airborne Toxic Control Measure ("ATCM") for Construction, Grading, Quarrying and Surface Mining Operations. This statewide regulation is applicable to grading or any other projects disturbing soil in areas of the State where asbestos may exist, as determined by the California Geological Survey ("CGS"). The ATCM applies to any size construction project although there are additional notification requirements for projects that exceed one acre. Areas and parcels moderately likely to contain naturally occurring asbestos are located in the eastern parts of the County, including in the City.

Natural weathering or human disturbance can break the asbestiform minerals down to microscopic fibers, which are easily suspended in air. There is no health threat if asbestos fibers in soil remain undisturbed and do not become airborne. When inhaled, these thin fibers irritate tissues and resist the body's natural defenses. Asbestos causes cancers of the lung (such as mesothelioma) and the lining of internal organs, asbestosis, and other diseases that inhibit lung function. Scientists consider certain types of asbestos fibers (i.e., tremolite fibers and similarly structured amphibole asbestos particles) that are frequently identified in the City to be more potent than other types in causing mesothelioma.

The EIR for the Folsom Plan Area required all new development to undertake a site investigation to determine the presence of naturally occurring asbestos and, if necessary, prepare and implement an asbestos dust control plan. [The Original Developer undertook an asbestos dust control plan with respect to the grading of the 260 lots owned by Taylor Morrison and individual homeowners. Folsom Real Estate South expects that the developer of the Four Large Lots will need to implement a similar asbestos dust control plan for the grading of that property.]

The health concerns associated with the presence of naturally occurring asbestos in the Improvement Area may adversely affect the marketability of property in the area.

LEGAL MATTERS

The validity of the Bonds, the Local Obligations and certain other legal matters are subject to the approving legal opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Authority ("Bond Counsel"). Bond Counsel has not undertaken any responsibility for the accuracy, completeness or fairness of this Official Statement and expresses no opinion as to the matters set forth herein. Certain legal matters will be passed upon for the District and the Authority by the City Attorney. Certain legal matters relating to the Local Obligations will be passed upon by Orrick, Herrington & Sutcliffe LLP, as bond counsel to the District. Certain legal matters will be passed upon for the Underwriter by its counsel, Stradling, Yocca, Carlson & Rauth LLP. The fees of Bond Counsel, Disclosure Counsel, and counsel to the Underwriter are contingent upon the issuance of the Bonds.

TAX MATTERS

In the opinion of Bond Counsel, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the "Code") and is exempt from State of California personal income taxes. Bond Counsel is of the further opinion that interest on the Bonds is not a specific preference item for purposes of the federal individual alternative minimum tax. Bond Counsel observes that interest on the Bonds included in adjusted financial statement income of certain corporations is not excluded from the federal corporate alternative minimum tax. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the amount, accrual, or receipt of interest on, the Bonds. A complete copy of the proposed form of opinion of Bond Counsel is set forth as APPENDIX E hereto.

To the extent the issue price of any maturity of the Bonds is less than the amount to be paid at maturity of such Bonds (excluding amounts stated to be interest and payable at least annually over the term of such Bonds), the difference constitutes "original issue discount," the accrual of which, to the extent properly allocable to each Beneficial Owner thereof, is treated as interest on the Bonds which is excluded from gross income for federal income tax purposes and exempt from State of California personal income taxes. For this purpose, the issue price of a particular maturity of the Bonds is the first price at which a substantial amount of such maturity of the Bonds is sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers). The original issue discount with respect to any maturity of the Bonds accrues daily over the term to maturity of such Bonds on the basis of a constant interest rate compounded semiannually (with straight-line interpolations between compounding dates). The accruing original issue discount is added to the adjusted basis of such Bonds to determine taxable gain or loss upon disposition (including sale, redemption, or payment on maturity) of such Bonds. Beneficial Owners of the Bonds should consult their own tax advisors with respect to the tax consequences of ownership of Bonds with original issue discount, including the treatment of Beneficial Owners who do not purchase such Bonds in the original offering to the public at the first price at which a substantial amount of such Bonds is sold to the public.

Bonds purchased, whether at original issuance or otherwise, for an amount higher than their principal amount payable at maturity (or, in some cases, at their earlier call date) ("Premium Bonds") will be treated as having amortizable bond premium. No deduction is allowable for the amortizable bond premium in the case of bonds, like the Premium Bonds, the interest on which is excluded from gross income for federal income tax purposes. However, the amount of tax-exempt interest received, and a Beneficial Owner's basis in a Premium Bond, will be reduced by the amount of amortizable bond premium properly allocable to such Beneficial Owner. Beneficial Owners of Premium Bonds should

consult their own tax advisors with respect to the proper treatment of amortizable bond premium in their particular circumstances.

The Code imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Bonds. The Authority, the City and the District have made certain representations and covenanted to comply with certain restrictions, conditions and requirements designed to ensure that interest on the Bonds will not be included in federal gross income. Inaccuracy of these representations or failure to comply with these covenants may result in interest on the Bonds being included in gross income for federal income tax purposes, possibly from the date of original issuance of the Bonds. The opinion of Bond Counsel assumes the accuracy of these representations and compliance with these covenants. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken), or events occurring (or not occurring), or any other matters coming to Bond Counsel's attention after the date of issuance of the Bonds may adversely affect the value of, or the tax status of interest on, the Bonds. Accordingly, the opinion of Bond Counsel is not intended to, and may not, be relied upon in connection with any such actions, events or matters.

Although Bond Counsel is of the opinion that interest on the Bonds is excluded from gross income for federal income tax purposes and is exempt from State of California personal income taxes, the ownership or disposition of, or the accrual or receipt of amounts treated as interest on, the Bonds may otherwise affect a Beneficial Owner's federal, state or local tax liability. The nature and extent of these other tax consequences depends upon the particular tax status of the Beneficial Owner or the Beneficial Owner's other items of income or deduction. Bond Counsel expresses no opinion regarding any such other tax consequences.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Bonds to be subject, directly or indirectly, in whole or in part, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals or clarification of the Code or court decisions may also affect, perhaps significantly, the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding the potential impact of any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

The opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel's judgment as to the proper treatment of the Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service ("IRS") or the courts. Furthermore, Bond Counsel cannot give and has not given any opinion or assurance about the future activities of the Authority, the City or the District, or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS. The Authority, the City and the District have covenanted, however, to comply with the requirements of the Code.

Bond Counsel's engagement with respect to the Bonds ends with the issuance of the Bonds, and, unless separately engaged, Bond Counsel is not obligated to defend the Authority, the City, the District or the Beneficial Owners regarding the tax-exempt status of the Bonds in the event of an audit examination by the IRS. Under current procedures, Beneficial Owners would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of tax-exempt bonds is difficult, obtaining an independent review of IRS positions with which the Authority, the City or the District legitimately disagrees, may not be practicable. Any action of

the IRS, including but not limited to selection of the Bonds for audit, or the course or result of such audit, or an audit of bonds presenting similar tax issues may affect the market price for, or the marketability of, the Bonds, and may cause the Authority, the City, the District or the Beneficial Owners to incur significant expense.

Payments on the Bonds generally will be subject to U.S. information reporting and possibly to “backup withholding.” Under Section 3406 of the Code and applicable U.S. Treasury Regulations issued thereunder, a non-corporate Beneficial Owner of Bonds may be subject to backup withholding with respect to “reportable payments,” which include interest paid on the Bonds and the gross proceeds of a sale, exchange, redemption, retirement or other disposition of the Bonds. The payor will be required to deduct and withhold the prescribed amounts if (i) the payee fails to furnish a U.S. taxpayer identification number (“TIN”) to the payor in the manner required, (ii) the IRS notifies the payor that the TIN furnished by the payee is incorrect, (iii) there has been a “notified payee underreporting” described in Section 3406(c) of the Code or (iv) the payee fails to certify under penalty of perjury that the payee is not subject to withholding under Section 3406(a)(1)(C) of the Code. Amounts withheld under the backup withholding rules may be refunded or credited against a Beneficial Owner’s federal income tax liability, if any, provided that the required information is timely furnished to the IRS. Certain Beneficial Owners (including among others, corporations and certain tax-exempt organizations) are not subject to backup withholding. The failure to comply with the backup withholding rules may result in the imposition of penalties by the IRS.

NO LITIGATION

At the time of delivery of and payment for the Bonds and the Local Obligations, the Authority and/or the District, as applicable, will certify that there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court or regulatory agency, public board or body pending or threatened against the Authority or the District affecting their existence, or the titles of their respective officers, or seeking to restrain or to enjoin the issuance, sale or delivery of the Bonds or the Local Obligations, the application of the proceeds thereof in accordance with the Trust Agreement, or the collection or levy of the Special Taxes to pay the principal of and interest on the Local Obligations, or in any way contesting or affecting the validity or enforceability of the Local Obligations and the Bonds, the Trust Agreement, the Local Obligations Indenture, the Bond Purchase Contract entered into among the Authority, the District and the Underwriter or any other applicable agreements or any action of the Authority or the District contemplated by any of said documents, or in any way contesting the completeness or accuracy of this Official Statement or any amendment or supplement thereto, or contesting the powers of the Authority or the District or their authority with respect to the Bonds or the Local Obligations or any action of the Authority or the District contemplated by any of said documents, nor, to the knowledge of the Authority, is there any basis therefor.

NO RATING

The Authority has not made, and does not contemplate making, application to any rating agency for the assignment of a rating to the Bonds. The absence of a rating may significantly adversely affect the ability of the owner of Bonds to sell such Bonds.

MUNICIPAL ADVISOR

Fieldman, Rolapp & Associates, Inc. has acted as Municipal Advisor (the “Municipal Advisor”) to the District in conjunction with the issuance of the Bonds. The Municipal Advisor has assisted in matters related to the planning, structuring, execution, and delivery of the Bonds. The Municipal Advisor will receive compensation contingent upon the sale and delivery of the Bonds. The Municipal Advisor

has not audited, authenticated, or otherwise independently verified the information set forth in this Official Statement, or any other related information available, with respect to accuracy and completeness of disclosure of such information. Because of this limited participation, the Municipal Advisor makes no guaranty, warranty, or other representation with respect to the accuracy or completeness of this Official Statement, or any other matter related to this Official Statement.

UNDERWRITING

The Bonds are being purchased by Piper Sandler & Co. (the “Underwriter”) pursuant to a Bond Purchase Contract (the “Purchase Contract”), by and among the Authority, the District and the Underwriter. Pursuant to the Purchase Contract, the Underwriter has agreed to purchase all of the Bonds from the Authority at a purchase price of \$_____, being the aggregate principal amount of the Bonds of \$_____, [plus/less] a [net] original issue [premium/discount] of \$_____ and less an Underwriter’s discount of \$_____. The Underwriter may offer and sell the Bonds to certain dealers and others at prices lower than the public offering prices set forth on the inside front cover page hereof.

CONTINUING DISCLOSURE

The District

The District has covenanted for the benefit of the Owners to provide certain financial information and operating data relating to the Bonds by not later than nine months following the end of the District’s fiscal year (which fiscal year currently ends June 30) commencing with the report for the 2023-24 Fiscal Year (the “Annual Report”), which is due April 1, 2025, and to provide notices of the occurrence of certain enumerated events. The Annual Report and the notices of enumerated events will be filed with EMMA, and the first Annual Report may include the filing of or reference to this Official Statement. The specific nature of the information to be contained in the Annual Report or the notices of enumerated events is contained within APPENDIX D—“FORMS OF CONTINUING DISCLOSURE UNDERTAKINGS.” These covenants have been made in order to assist the Underwriter in complying with S.E.C. Rule 15c2-12(b)(5).

The District is committed to complete and accurate continuing disclosure in accordance with its continuing disclosure obligations under the federal securities laws, including rules and regulations promulgated by the SEC and the MSRB, as those rules may be amended from time to time. Further, the City has policies and procedures in place in order to achieve compliance with its continuing disclosure undertakings and those of its related entities.

Taylor Morrison and Folsom Real Estate South

Pursuant to Continuing Disclosure Certificates to be executed by each of Taylor Morrison and Folsom Real Estate South in connection with the issuance of the Bonds, Taylor Morrison and Folsom Real Estate South will each covenant for the benefit of the Bondholders to provide certain information relating to it and its development within the Improvement Area no later than June 1 and December 1 in each year, commencing June 1, 2025 (the “Disclosure Reports”), and to provide notices of the occurrence of certain enumerated events until the obligation to so provide such information, data and notices is otherwise terminated in accordance with the provisions of such Continuing Disclosure Certificate. A form of the Continuing Disclosure Certificate for Taylor Morrison and Folsom Real Estate South is included in APPENDIX D—“FORMS OF CONTINUING DISCLOSURE UNDERTAKINGS.” The Disclosure Reports are to be filed with EMMA.

The Authority and the District have not considered, or reached any conclusion as to, whether or not either Taylor Morrison or Folsom Real Estate South is an obligated person under the Rule. The Authority takes no responsibility for the form or content or for the adequacy of the applicable Continuing Disclosure Certificate for each of Taylor Morrison and Folsom Real Estate South for its intended purpose.

The obligations of Taylor Morrison and Folsom Real Estate South will terminate upon the occurrence of certain events as set forth in the applicable Continuing Disclosure Certificate, including at such time as Taylor Morrison and Folsom Real Estate South, as applicable, and each of their Affiliates (as defined in the Continuing Disclosure Agreement), in the aggregate, own or have the option to purchase property that is (i) entitled to include less than 137 of the residential lots within the Improvement Area subject to the Special Taxes and (ii) obligated to pay less than 20% of the Special Taxes levied on all of the Taxable Property within the Improvement Area for the then current Fiscal Year. Additionally, the Continuing Disclosure Certificates provide that the obligations thereunder shall be assumed by any purchaser that acquires a sufficient amount of Taxable Property within the Improvement Area to be considered a Major Developer (as defined therein).

Prior Continuing Disclosure Compliance – Taylor Morrison. To the actual knowledge of Taylor Morrison, other than as disclosed in this paragraph, in the last five years, Taylor Morrison has not failed to comply in any material respect with any previous undertaking by it to provide periodic continuing disclosure reports or notices of material events with respect to community facilities districts or assessment districts in California. However, in connection with a continuing disclosure obligation dated December 1, 2021, executed in connection with Improvement Area No. 1 of the City of Dixon Community Facilities District No. 2019-1 (Homestead), Special Tax Bonds, Series 2021, Taylor Morrison was late in filing its annual report that was due by June 15, 2022. Taylor Morrison filed the annual report on June 30, 2022.

Prior Continuing Disclosure Compliance – Folsom Real Estate South. Folsom Real Estate South represents that, to its actual knowledge, Folsom Real Estate South has not failed in any material respect to comply with any previous undertaking by it to provide periodic continuing disclosure reports or notices of material events with respect to community facilities districts or assessment districts within the past five years.

ECONOMIC AND DEMOGRAPHIC INFORMATION RELATING TO THE CITY OF FOLSOM

This Appendix contains certain economic and demographic information relating to the City. Neither the faith and credit nor the taxing power of the City, the Authority, the State of California or any political subdivision thereof is pledged to the payment of the Bonds. Except for the Trust Estate, no other revenues or taxes are pledged to the payment of the Bonds. The Bonds are not general obligations of the Authority, the District or the City but are limited obligations of the Authority payable solely from the Trust Estate, derived primarily from payments on the Local Obligations from the payment of the Special Taxes levied within the District, as more fully described in the Official Statement to which this Appendix is appended. The information set forth herein that has been obtained from sources other than the City is believed to be reliable, but such information is not guaranteed as to accuracy or completeness. Statements contained herein that involve estimates, forecasts, or matters of opinion, whether or not expressly so described herein, are intended solely as such and are not to be construed as representations of facts. Information contained in this Appendix B is presented as general background data. The taxing power of the City, the State of California, or any political subdivision thereof is not pledged to the payment of the Bonds.

General

The City is located in the eastern portion of the County, approximately 110 miles northeast of San Francisco and 20 miles east of Sacramento. The City is located along the eastern end of the Highway 50 corridor in an area of the Sacramento Valley that has experienced considerable growth over the past 30 years.

City Government

The City was incorporated in 1946 and chartered in 1990. The City's primary governing body is the City Council, composed of five members who are elected at large and who serve four-year terms. The council members choose a mayor and vice mayor from among their members. Current City Council members are:

<u>Member</u>	<u>Term Expires</u>
Mike Kozlowski (Mayor)	11/2026
Sarah Aquino (Vice Mayor)	11/2026
YK Chalamcherla	11/2024
Rosario Rodriguez	11/2024
Anna Rohrbough	11/2026

The City operates under a Council-Manager form of government. The City Manager is responsible for daily administration of City affairs. Elaine Andersen has served as City Manager since 2018. The City Manager is appointed by and serves at the will of the City Council. The City Manager is responsible for implementation of City Council policy, enforcement of City laws and ordinances, appointment and discipline of City officers and employees, oversight of City departments, preparation and submission of the City budget to the City Council, and other related functions. In August 2024, the City announced Ms. Andersen's plan to retire from her role as the City Manager in late December 2024. By the time of her expected retirement, Ms. Andersen would have served in the City Manager role for approximately six and a half years and served the City for approximately 20 years. Ms. Andersen has

indicated that she will facilitate the recruitment process for the next City Manager to ensure a smooth transition.

City Budget Process

The City's annual budget is adopted by the City Council on or before the last working day of June. If the City Council fails to adopt a budget by such date, the budget proposed by the City Manager shall be deemed adopted. The City Manager may transfer moneys between departments and divisions, and programs and accounts within departments and divisions, but only the City Council may by resolution transfer moneys between funds and from un-appropriated balances or fund balances to any fund or appropriation account. The City Council adopted the Fiscal Year 2024-25 budget on June 25, 2024.

Budget information is adopted on an annual basis for the General Fund, special revenue funds and debt service funds. The budget is adopted on a project length basis for capital projects funds. The following procedures are followed in establishing the budgetary data reflected in the financial statements:

- A. Department heads prepare a budget request based upon the previous year's expenditures.
- B. Meetings are held between the department heads, the Chief Financial Officer and City Manager for the purpose of reviewing and prioritizing budget requests.
- C. The City Manager submits the proposed city budget to the City Council, who makes decisions regarding department budgets.
- D. Transfers between funds and changes in the total budget must be approved by the City Council.

Budget information is presented for the General Fund, Successor to the Redevelopment Agency, Special Revenue Funds, Capital Projects Funds, Proprietary Funds and Internal Service Fund as required supplementary information. The budget information is presented on a basis consistent with generally accepted accounting principles. Appropriations, except open project appropriations and unexpended grant appropriations, lapse at the end of each fiscal year.

Revenues and expenditures relating to the City's general governmental operations are budgeted and accounted for in the City's General Fund, including public safety, highways and streets, and culture and recreation. General taxes and fees support most of these activities. The City's Fiscal Year 2024-25 adopted budget includes over \$247.2 million in expenditures across all funds. Of this amount, approximately \$117.1 million was allocated to the General Fund of the City.

Retirement Programs

General. The City contributes to two plans in the California Public Employees' Retirement System ("CalPERS"). The safety plan covers all of the City's full-time sworn uniformed fire employees, sworn uniformed police employees, and all chiefs in both departments. The miscellaneous plan covers all remaining eligible employees.

As of June 30, 2022, the date of the most recent actuarial study report, the safety plan and the miscellaneous plan were 61.3% funded and 63.6% funded, respectively. For the safety plan, the actuarial accrued liability was approximately \$258 million and the market value of assets was approximately \$158 million, resulting in an unfunded actuarial accrued liability ("UAAL") of \$100 million. For the miscellaneous plan, the actuarial accrued liability was approximately \$286 million and the market value of assets was approximately \$182 million, resulting in a UAAL of approximately \$104 million.

For the year ended June 30, 2024, the City’s unaudited annual pension cost of \$10,754,191 for the safety plan and \$10,828,318 for the miscellaneous plan were equal to the City’s required contributions. The three-year trend information for the safety and miscellaneous plans combined is as follows:

Fiscal Year Ended	Annual Pension Cost (“APC”)	Percentage of APC Contributed	Net Pension Obligation
6/30/2022	\$18,902,039	100%	—
6/30/2023	20,675,705	100%	—
6/30/2024	21,582,509	100%	—

Other Post-Employment Benefits. In 2004, the Government Accounting Standards Board (“GASB”) issued Statement No. 45, Accounting and Financial Reporting by Employers for Post-Employment Benefits Other Than Pensions (“GASB 45”). GASB 45 requires governmental agencies to change their accounting for Other Post-Employment Benefits (“OPEB”) from a pay-as-you-go to an accrual basis. The City has implemented the requirements of GASB 45, including financial statement reporting and disclosure requirements. Among other things, employers that participate in single-employer or agent multiple-employer defined benefit OPEB plans are required to measure and disclose an amount for annual OPEB cost on the accrual basis of accounting. Annual OPEB cost is equal to the employer’s annual required contribution to the plan, with certain adjustments. The annual required contribution represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed 30 years. An employer’s net OPEB obligation is defined as the cumulative difference between annual OPEB cost and the employer’s contributions to a plan.

The City sponsors and administers a single-employer defined benefit post-employment healthcare plan (the “Healthcare Plan”) to provide healthcare insurance benefits to eligible retired employees and their dependents. The City pre-funds the Healthcare Plan through a Futuris Public Entity Investment Trust and a Retirement Board of Authority made up of the Mayor, one at large City Council member, the City Manager, the Finance Director, and the Human Resources Director. The Retirement Board of Authority delegated authority of the trust to the Benefit Trust Company. The required contribution is based on projected pay-as-you-go financing requirements, with an additional amount to prefund benefits as determined annually by the City Council. For Fiscal Year 2024-25, the City contributed \$500,000 to the plan for current premiums.

For more information regarding the City’s OPEB liabilities, see note 13 to the City’s Annual Comprehensive Financial Report for the fiscal year ended June 30, 2023.

Capital Improvement Program

The City's Capital Improvement Program ("CIP") is a multi-year plan that forecasts spending for all anticipated capital projects and is considered to be the link between the City's development and financing planning process. CIP funding comes mainly from impact fees and a number of other special revenue funds, as well as grants and loans. Within each program category, the City identifies resources that it will commit to priority capital projects. CIP costs include both one-time expenses and recurring expenses related to capital rehabilitation. The City's CIP for Fiscal Year 2025 is approved at \$47.8 million.

Investment Policy

The City's Investment Policy is codified in Section 3.30.030 of the City of Folsom Municipal Code and is set forth below:

It is the primary duty of the city officers having responsibility for investing city moneys to protect, preserve and maintain cash and investments placed in their trust on behalf of the citizens of the city. To that end, those investment officers shall comply with the following guidelines and procedures:

- A. Interest yield on investments shall be secondary to the basic requirements of safety and liquidity of moneys.
- B. The city investment portfolio shall be designed to equal or exceed the rate of return of the state's local agency investment fund (LAIF) throughout budgetary and economic cycles, taking into account the city's risk constraints, cash flow characteristics of the investment portfolio, this chapter, this code and state law.
- C. The city investment portfolio shall be diversified to minimize risks regarding specific security types or individual financial institutions.
- D. All city investment officers shall adhere to the guidance provided by the "prudent investor standard" as set out in the California Government Code Section 53600.3.
- E. All participants in the investment process shall act as custodians of the public trust. Investment officers shall recognize that the investment portfolio is subject to public review and evaluation.
- F. The city's chief investment officer shall quarterly submit an investment report to the city council, which report shall include all required elements as prescribed by California Government Code Section 53646. The city's chief investment officer shall monthly submit a report of transactions to the city council as prescribed in California Government Code Section 53607. In both instances the city chief investment officer may include such other information as deemed appropriate.
- G. The finance director shall develop a system of internal controls over investments, which control system shall be documented in writing according to California Debt and Investment Advisory Commission guidelines. The system shall be designed to prevent losses of public moneys arising from fraud, employee error, misrepresentation by third parties, unanticipated changes in financial markets, or imprudent actions by city employees or officers.

- H. Financial institutions in which the city has investments shall be monitored as to financial condition throughout the period in which the city has moneys deposited or invested, to assure that the condition of the institution does not materially deteriorate so as to risk the city's investments.
- I. A statement of investment policy shall be developed, and changes to the policy submitted to the city council as needed.
- J. Security purchases and holdings shall be maintained within the limits permitted by the City Charter, this chapter and the California Government Code, whichever is the most restrictive both as to percentages of the total investment portfolio which might be invested in the various types of securities and as to the maximum length of maturity.

The following table shows the type of investments and other information on the portfolio as of June 30, 2023.

PROPOSED FORM OF OPINION OF BOND COUNSEL

Folsom Ranch Financing Authority
Folsom, California

Folsom Ranch Financing Authority
City of Folsom Community Facilities District No. 23 (Folsom Ranch)
Improvement Area No. 4
Special Tax Revenue Bonds, Series 2024
(Final Opinion)

Greetings:

We have acted as bond counsel to the Folsom Ranch Financing Authority (the “Issuer”) in connection with the issuance of \$_____ aggregate principal amount of its Folsom Ranch Financing Authority City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 4 Special Tax Revenue Bonds, Series 2024 (the “Bonds”) pursuant to a trust agreement, dated as of December 1, 2024 (the “Trust Agreement”), among the Issuer, the City of Folsom Community Facilities District No. 23 (Folsom Ranch) (the “Community Facilities District”) and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). The Trust Agreement provides that the Bonds are issued for the stated purpose of enabling the Issuer to acquire certain special tax bonds to be issued by the Community Facilities District. Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Trust Agreement.

In such connection, we have reviewed the Trust Agreement; the tax certificate related to the Bonds dated the date hereof, executed by the Issuer, the Community Facilities District and the City (the “Tax Certificate”); opinions of counsel to the Issuer, the Community Facilities District and the Trustee; certificates of the Issuer, the Community Facilities District, the Trustee and others; and such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after original delivery of the Bonds on the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after original delivery of the Bonds on the date hereof. Accordingly, this letter speaks only as of its date and is not intended to, and may not, be relied upon or otherwise used in connection with any such actions, events or matters. We disclaim any obligation to update this letter. We have assumed the genuineness of all documents and signatures provided to us and the due and legal execution and delivery thereof by, and validity against, any parties other than the Issuer. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents, and of the legal conclusions contained in the opinions, referred to in the second paragraph hereof. Furthermore, we have assumed compliance with all covenants and agreements contained in the Trust Agreement and the Tax Certificate, including (without limitation) covenants and agreements compliance with which is necessary to assure that future actions, omissions or events will not cause interest on the Bonds to be included in gross income for federal income tax purposes. We call attention to the fact that the rights and obligations under the Bonds, the Trust Agreement and the Tax Certificate and their enforceability may be subject to bankruptcy, insolvency, receivership, reorganization, arrangement, fraudulent conveyance, moratorium

and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against governmental entities such as the Issuer and the Community Facilities District in the State of California. We express no opinion with respect to any indemnification, contribution, liquidated damages, penalty (including any remedy deemed to constitute a penalty), right of set-off, arbitration, judicial reference, choice of law, choice of forum, choice of venue, non-exclusivity of remedies, waiver or severability provisions contained in the foregoing documents, nor do we express any opinion with respect to the state or quality of title to or interest in any of the property described in or as subject to the lien of the Trust Agreement or the accuracy or sufficiency of the description contained therein of, or the remedies available to enforce liens on, any such property. We also express no opinion regarding the plans, specifications, maps, financial report or other engineering or financial details of the proceedings, or upon the Rate and Method of Apportionment for Improvement Area No. 4 of the Community Facilities District or the validity of the Special Tax levied upon any individual parcel. Our services did not include financial or other non-legal advice. Finally, we undertake no responsibility for the accuracy, completeness or fairness of the Official Statement or other offering material relating to the Bonds and express no view with respect thereto.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Bonds constitute the valid and binding special, limited obligations of the Issuer.

2. The Trust Agreement has been duly executed and delivered by, and constitutes the valid and binding agreement of, the Issuer. The Trust Agreement creates a valid pledge, to secure the payment of the principal of and interest on the Bonds, of the Trust Estate, including the Revenues and any other amounts (including proceeds of the sale of the Bonds) held by the Trustee in the Funds established pursuant to the Trust Agreement (except the Rebate Fund), subject to the provisions of the Trust Agreement permitting the application thereof for the purposes and on the terms and conditions set forth in the Trust Agreement.

3. Interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and is exempt from State of California personal income taxes. Interest on the Bonds is not a specific preference item for purposes of the federal individual alternative minimum tax. We observe that interest on the Bonds included in adjusted financial statement income of certain corporations is not excluded from the federal corporate alternative minimum tax. We express no opinion regarding other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Bonds.

Faithfully yours,

ORRICK, HERRINGTON & SUTCLIFFE LLP

APPENDIX F

DTC AND THE BOOK-ENTRY ONLY SYSTEM

The description that follows of the procedures and recordkeeping with respect to beneficial ownership interests in the Bonds, payment of principal of, premium, if any, and interest on the Bonds to Participants or Beneficial Owners, confirmation and transfer of beneficial ownership interests in the Bonds, and other related transactions by and between DTC, Participants and Beneficial Owners, is based on information furnished by DTC which the Authority believes to be reliable, but the Authority does not take responsibility for the completeness or accuracy thereof. The Authority cannot and does not give any assurances that DTC, DTC Participants or Indirect Participants will distribute to the Beneficial Owners either (a) payments of principal, premium, if any, and interest with respect to the Bonds or (b) certificates representing ownership interests in or other confirmation of ownership interests in the Bonds, or that they will so do on a timely basis or that DTC, DTC Participants or DTC Indirect Participants will act in the manner described in this Official Statement. The current "Rules" applicable to DTC are on file with the Securities and Exchange Commission and the current "Procedures" of DTC to be followed in dealing with DTC Participants are on file with DTC.

The Depository Company ("DTC"), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered bond certificate will be issued for each maturity of the Bonds in the aggregate principal amount of such maturity, and will be deposited with DTC. If, however, the aggregate principal amount of any maturity exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such maturity.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond (the "Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Bonds with DTC and their registration in the name of Cede & Co. (or such other DTC nominee) do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, redemption price, and interest payments with respect to the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority on a payable date in accordance with their respective holdings shown on DTC records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC or its nominee, the Trustee, or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, redemption price and interest to Cede & Co. (or such

other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, bond certificates are required to be printed and delivered.

The Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Authority deems reliable, but the Authority takes no responsibility for the accuracy thereof.

THE TRUSTEE, AS LONG AS A BOOK-ENTRY ONLY SYSTEM IS USED FOR THE BONDS, WILL SEND ANY NOTICE OF REDEMPTION OR OTHER NOTICES ONLY TO CEDE & CO., OR ITS SUCCESSOR AS DTC'S PARTNERSHIP NOMINEE. ANY FAILURE OF CEDE & CO., OR ITS SUCCESSOR AS DTC'S PARTNERSHIP NOMINEE TO ADVISE ANY PARTICIPANT, OR OF ANY PARTICIPANT TO NOTIFY ANY BENEFICIAL OWNER OF ANY NOTICE AND ITS CONTENT OR EFFECT WILL NOT AFFECT THE VALIDITY OR SUFFICIENCY OF THE PROCEEDINGS RELATING TO THE REDEMPTION OF THE BONDS CALLED FOR REDEMPTION OR OF ANY OTHER ACTION PREMISED ON SUCH NOTICE.

Special Tax Bonds, Series 2024

Ladies and Gentlemen:

I have served as counsel to the City of Folsom (the “City”) in connection with the issuance, sale and delivery of the above-referenced securities (collectively, the “Local Obligations”) by the City of Folsom Community Facilities District No. 23 (Folsom Ranch) (the “Community Facilities District”), and this letter is being delivered pursuant to the Local Obligation Purchase Contract dated as of November [], 2024 (the “Local Obligation Purchase Contract”), by and between the Folsom Ranch Financing Authority (the “Authority”) and the Community Facilities District, and all capitalized terms not otherwise defined herein have the meanings ascribed thereto in the Local Obligation Purchase Contract.

As such counsel, I have examined and am familiar with (i) those documents relating to the existence, organization and operation of the Community Facilities District, including Resolution No. 10435, duly adopted by the City on May 26, 2020, establishing the Community Facilities District and designating various improvement areas therein, including Improvement Area No. 4 (the “Improvement Area”); (ii) Resolution No. [] of the City Council approving the issuance of the Local Obligations, the issuance of the Authority Bonds, the Financing Documents and the Official Statement (such resolutions referenced in (i) and (ii), together the “Resolutions”); (iii) all necessary documentation of the Community Facilities District relating to the authorization, execution and delivery of the Local Obligations and all of the Financing Documents; (iv) the Preliminary Official Statement, dated November [], 2024 (the “Preliminary Official Statement”) relating to the Authority Bonds; (v) the Official Statement, dated November [], 2024 (the “Official Statement”) relating to the Authority

Bonds; and (vi) the Continuing Disclosure Certificate of the Community Facilities District, dated the date hereof (the “Continuing Disclosure Certificate”) relating to the Authority Bonds.

Based on the foregoing, I am of the opinion that:

1. The Community Facilities District is a community facilities district duly organized and existing pursuant to the Mello-Roos Community Facilities Act of 1982, as amended (the “Act”), being Chapter 2.5, Part 1, Division 2, Title 5 of the Government Code of the State of California.

2. The Resolutions have been duly adopted at meetings of the City Council, acting as the legislative body of the Community Facilities District, which were called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting throughout, and the Resolutions are in full force and effect and have not been modified, amended, rescinded or repealed since the date of their respective adoption.

3. The Community Facilities District has the full legal right, power and authority to execute, deliver and perform its obligations and duties under the Financing Documents and the Continuing Disclosure Certificate, including the right and power under the Act to execute the Indenture.

4. The Community Facilities District has complied with the provisions of applicable law in all matters relating to the transactions contemplated by the Financing Documents and the Continuing Disclosure Certificate.

5. The Financing Documents; the Continuing Disclosure Certificate; the Letter of Representations of the Community Facilities District, dated November [], 2024 (the “Community Facilities District Letter of Representations” and, together with the Financing Documents and the Continuing Disclosure Certificate, the “Community Facilities District Documents”) and the Official Statement have each been duly and lawfully authorized, executed and delivered by the Community Facilities District, are each in full force and effect and, assuming due authorization, execution and delivery by the other parties thereto, each constitutes a legal, valid and binding agreement of the Community Facilities District enforceable against it in accordance with its terms, subject to laws relating to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other similar laws relating to or affecting the enforcement of creditors’ rights generally and to the application of equitable principles if equitable remedies are sought, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against community facilities districts in the State of California.

6. The Indenture and the Local Obligations have been duly and validly authorized, sold, executed, authenticated and delivered, as applicable, in accordance with the Act and with the Indenture.

7. No approval, consent or authorization of any governmental or public agency, authority or person is required for the execution and delivery by the Community Facilities District of the Financing Documents or the Continuing Disclosure Certificate or the performance by the Community Facilities District of its respective obligations thereunder.

8. The execution and delivery of the Financing Documents and the Continuing Disclosure Certificate by the Community Facilities District, and compliance with the provisions thereof, will not conflict with or constitute a breach of, or default under, any instrument relating to the organization, existence or operation of the Community Facilities District, or any commitment, agreement or other instrument to which the Community Facilities District is a party or by which it or its property is bound or affected, or any ruling, regulation, ordinance, resolution, judgment, order or decree to which the Community Facilities District (or any of its officers in their respective capacities as such) is subject or any provision of the laws of the State of California relating to the Community Facilities District and its affairs.

9. The Local Obligations are valid and binding special tax obligations of the Community Facilities District payable from proceeds of the Special Tax and the other funds provided in the Indenture for such payment and are enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other similar laws relating to or affecting creditors' rights, to the application of equitable principles where equitable remedies are sought, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against community facilities districts in the State of California, and the terms of the Act and of the Indenture.

10. Based upon my review of the Preliminary Official Statement, and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the Preliminary Official Statement, nothing has come to my attention which would lead me to believe that the Preliminary Official Statement (excluding therefrom the financial statements and the statistical data and the information concerning The Depository Trust Company, the book-entry system and the appendices thereto, as to which no opinion is expressed) as of its date and as of the date of the Local Obligation Purchase Contract contained any untrue statement of a material fact with respect to the Community Facilities District or omitted or omits to state any material fact with respect to the Community Facilities District necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

11. Based upon my review of the Official Statement, and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the Official Statement, nothing has come to my attention which would lead me to believe that the Official Statement (excluding therefrom the financial statements and the statistical data and the information concerning The Depository Trust Company, the book-entry system and the appendices thereto, as to which no opinion is expressed) as of its date and the date hereof contained or contains any untrue statement of a material fact with respect to the Community Facilities District or omitted or omits to state any material fact with respect to the Community Facilities District necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

12. Except as may be stated in the Official Statement, there is no action, suit, proceeding or investigation before or by any court, public board or body pending (notice of which has been served on the City or the Community Facilities District) or, to my knowledge, threatened wherein an unfavorable decision, ruling or finding would: (a) affect the creation, organization, existence or powers of the City or the Community Facilities District, or the titles of

their members and officers to their respective offices; or (b) affect the validity of the Community Facilities District Documents or restrain or enjoin the repayment of the Local Obligations or in any way contest or affect the validity of the Community Facilities District Documents or contest the authority of the Community Facilities District to enter into or perform its obligations under any of the Community Facilities District Documents or under which a determination adverse to the City or the Community Facilities District would have a material adverse effect upon the financial condition or the revenues of the City or the Community Facilities District, questions the right of the Community Facilities District to use the Special Tax levied within the Improvement Area for the repayment of the Local Obligations or affects in any manner the right or ability of the Community Facilities District to collect or pledge the Special Tax levied within the Improvement Area for the repayment of the Local Obligations.

Very truly yours,

City Attorney

The Bonds shall be substantially in the form described in, shall be issued and secured under the provisions of, and shall be payable from the Revenues as provided in the Trust Agreement, the Official Statement (as hereinafter defined), and the Marks-Roos Local Bond Pooling Act of 1985, as amended, being Article 4, Chapter 5, Division 7, Title 1 of the Government Code of the State of California (the "**Bond Law**"). The issuance of the Bonds has been duly authorized by the Authority pursuant to Resolution No. _____-Folsom Ranch FA (the "**Authority Resolution**") adopted by the Governing Board on _____, 2024. The Special Tax Bonds are issued under the Mello-Roos Community Facilities Act of 1982, as amended, being Chapter 2.5, Part 1, Division 2, Title 5 of the Government Code of the State of California (the "**Community Facilities District Act**"). The issuance of the Special Tax Bonds, the preparation and distribution of the Preliminary Official Statement and the Local Obligation Purchase Contract have been duly authorized by the City Council of the City of Folsom (the "**City Council**") acting as the legislative body for the Community Facilities District, pursuant to Resolution No. _____ (the "**Community Facilities District Resolution**") adopted on _____, 2024. The net proceeds of the Special Tax Bonds will be used, as indicated in the District Indenture, for the following purposes: (1) finance the acquisition of certain public facilities; (2) fund a debt service reserve account; and (3) pay certain costs of issuance of the Bonds and the Special Tax Bonds.

Prior to the acceptance of this Purchase Agreement by the Authority, the Authority shall have caused to be delivered to the Underwriter: (i) the Letter of Representations of the Community Facilities District (the "**District Letter of Representations**") in substantially the form set forth in Exhibit B hereto; (ii) a Letter of Representations of Taylor Morrison of California, LLC, a California limited liability company ("**Taylor Morrison**") in substantially the form set forth in Exhibit C hereto; and (iii) a Letter of Representations of Folsom Real Estate South, LLC, a Delaware limited liability company ("**Folsom Real Estate South**") in substantially the form set forth in Exhibit D hereto.

A. The Authority acknowledges that the Underwriter is entering into this Purchase Agreement in reliance on the representations and agreements made by the Authority herein and by the Community Facilities District in the District Letter of Representations, and the Authority shall take all action necessary to enforce its rights hereunder for the benefit of the Underwriter and shall immediately notify the Underwriter if it becomes aware that any representation or agreement made by the Authority herein is incorrect in any material respect.

The Authority acknowledges and agrees that: (i) the purchase and sale of the Bonds pursuant to this Purchase Agreement is an arm's-length commercial transaction between the Authority and the

Underwriter; (ii) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as principal and is not acting as a Municipal Advisor (as defined in Section 15B of the Securities Exchange Act of 1934, as amended); (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the Authority, the Community Facilities District or the City of Folsom (the “City”) with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter has provided other services or is currently providing other services to the Authority, the Community Facilities District or the City on other matters); and (iv) the Authority, the Community Facilities District and the City have consulted their own legal, financial and other advisors to the extent that they have deemed appropriate.

B. Pursuant to the authorization of the Authority, the Underwriter has distributed copies of the Preliminary Official Statement dated _____, 2024, relating to the Bonds, which, together with the cover page, inside cover page and appendices thereto is herein called the “**Preliminary Official Statement.**” By its acceptance of this Purchase Agreement, the Authority hereby ratifies the use by the Underwriter of the Preliminary Official Statement, and the Authority agrees to execute a final official statement relating to the Bonds (including any supplements and/or amendments thereto, the “**Official Statement**”) which will consist of the Preliminary Official Statement with such changes as may be made thereto, with the approval of Orrick Herrington & Sutcliffe LLP, the Community Facilities District’s and the Authority’s Bond Counsel (“**Bond Counsel**”) and Disclosure Counsel (“**Disclosure Counsel**”), and the Underwriter, and to provide copies thereof to the Underwriter as set forth in Section 3.N hereof. The Authority hereby authorizes the Underwriter to use and promptly distribute, in connection with the offer and sale of the Bonds, the Preliminary Official Statement, the Official Statement and any supplement or amendment thereto. The Authority further authorizes the Underwriter to use and distribute, in connection with the offer and sale of the Bonds, the Trust Agreement, the District Indenture, this Purchase Agreement, the Local Obligation Purchase Contract and all information contained herein, and all other documents, certificates and statements furnished by or on behalf of the Authority, the Community Facilities District or the City to the Underwriter in connection with the transactions contemplated by this Purchase Agreement.

C. To assist the Underwriter in complying with Securities and Exchange Commission Rule 15c2-12(b)(5) (the “**Rule**”), the Community Facilities District will undertake for and on behalf of the Authority pursuant to the Continuing Disclosure Certificate, in the form attached to the Official Statement as Appendix D (the “**Continuing Disclosure Certificate**”), to provide annual reports and notices of certain enumerated events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Official Statement.

D. Except as the Underwriter and the Authority may otherwise agree, the Authority will deliver to the Underwriter, at the offices of Bond Counsel in Sacramento, California, or at such other location as may be mutually agreed upon by the Underwriter, the Community Facilities District and the Authority, the documents hereinafter mentioned; and the Authority will deliver to the Underwriter through the facilities of The Depository Trust Company (“**DTC**”) in New York, New York, the Bonds, in definitive form (all Bonds bearing CUSIP numbers), duly executed by the Authority and authenticated by the Trustee in the manner provided for in the Trust Agreement and the Bond Law at 8:00 a.m. California time, on _____, 2024 (the “**Closing Date**”), and the Underwriter will accept such delivery and pay the purchase price of the Bonds as set forth in the first paragraph of this Section by wire transfer, payable in federal or other immediately available funds (such delivery and payment being herein referred to as the “**Closing**”). The Bonds shall be in fully registered book-

entry form (which may be typewritten) and shall be registered in the name of Cede & Co., as nominee of DTC.

2. Public Offering and Establishment of Issue Price.

A. The Underwriter agrees to make a bona fide public offering of all of the Bonds initially at the public offering prices (or yields) set forth in Exhibit A attached hereto and incorporated herein by reference. Subsequent to the initial public offering, the Underwriter reserves the right to change the public offering prices (or yields) as it deems necessary in connection with the marketing of the Bonds, provided that the Underwriter shall not change the interest rates set forth in Exhibit A. The Bonds may be offered and sold to certain dealers at prices lower than such initial offering prices.

B. The Underwriter agrees to assist the Authority in establishing the issue price of the Bonds and shall execute and deliver to the Authority at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit I, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the Authority and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the Authority under this section to establish the issue price of the Bonds may be taken on behalf of the Authority by Fieldman, Rolapp & Associates, Inc. (the “**Municipal Advisor**”) and any notice or report to be provided to the Authority may be provided to the Municipal Advisor.

C. Except as otherwise set forth in Exhibit A, the Authority will treat the first price at which 10% of each maturity of the Bonds (the “**10% test**”) is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the Authority the price or prices at which it has sold to the public each maturity of the Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the Authority the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold to the public.

D. The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the “**initial offering price**”), or at the corresponding yield or yields, set forth in Exhibit A, except as otherwise set forth therein. Exhibit A also sets forth, identified under the column “Hold the Offering Price Rule Used,” as of the date of this Purchase Agreement, the maturities, if any, of the Bonds for which the 10% test has not been satisfied and for which the Authority and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the Authority to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “**hold-the-offering-price rule**”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

1. the close of the fifth (5th) business day after the sale date; or

2. the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the Authority when it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

E. The Underwriter confirms that any selling group agreement and any retail distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such retail distribution agreement, as applicable, to: (1) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the Underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public; and (2) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriter. The Authority acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on: (A) in the event that a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, if applicable, as set forth in a selling group agreement and the related pricing wires; and (B) in the event that a retail distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the retail distribution agreement and the related pricing wires. The Authority further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

F. The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

1. “**public**” means any person other than an underwriter or a related party;

2. “**underwriter**” means: (A) any person that agrees pursuant to a written contract with the Authority (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public; and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public);

3. a purchaser of any of the Bonds is a “**related party**” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to: (A) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another); (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another); or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and

4. “**sale date**” means the date of execution of this Purchase Agreement by all parties.

3. Representations and Covenants of the Authority. The Authority represents and covenants to the Underwriter that:

A. The Authority is a joint exercise of powers authority, duly organized and existing under the Constitution and laws of the State of California (the “**State**”), and formed pursuant to Articles 1 through 4 (commencing with Section 6500) of Chapter 5, Division 7, Title 1 of the Government Code (the “**JPA Act**”), with full right, power and authority: (i) to enter into this Purchase Agreement; (ii) to enter into the Trust Agreement; (iii) to adopt the Authority Resolution authorizing the issuance of the Bonds and entry into this Purchase Agreement and the Trust Agreement and to take all other actions on the part of the Authority relating thereto (the “**Authority Proceedings**”); (iv) to issue, sell and deliver the Bonds to the Underwriter as provided herein; (v) to purchase the Special Tax Bonds; and (vi) to carry out and consummate the transactions on its part contemplated by this Purchase Agreement, the Trust Agreement and the Official Statement.

The Trust Agreement, the Bonds, the Local Obligation Purchase Contract and this Purchase Agreement are collectively referred to herein as the “**Authority Documents.**”

B. By all necessary official action of the Authority, the Authority has duly authorized and approved the execution and delivery by the Authority of, and the performance by the Authority of the obligations on its part contained in, the Authority Documents, and has approved the use by the Underwriter of the Preliminary Official Statement and the Official Statement and, as of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded. When executed and delivered by the parties thereto, the Authority Documents will constitute the legally valid and binding obligations of the Authority enforceable upon the Authority in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors’ rights generally. The Authority has complied, and will at the Closing Date be in compliance in all respects, with the terms of the Authority Documents that are applicable to the Authority.

C. The information in the Preliminary Official Statement and in the Official Statement relating to the Authority and the Bonds (other than statements pertaining to the book-entry system, as to which no view is expressed), does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; and, upon delivery and up to and including 25 days after the End of the Underwriting Period (as defined in paragraph (D) below), the Official Statement will be amended and supplemented so as to contain no misstatement of any material fact or omission of any statement necessary to make the statements contained therein, in the light of the circumstances in which such statements were made, not misleading.

D. Up to and including 25 days after the End of the Underwriting Period (as defined below), the Authority will advise the Underwriter promptly of any proposal to amend or supplement the Official Statement and will not effect or consent to any such amendment or supplement without the consent of the Underwriter, which consent will not be unreasonably withheld. The Authority will advise the Underwriter promptly of the institution of any proceedings known to it by any governmental agency prohibiting or otherwise materially affecting the use of the Official Statement in connection with the offering, sale or distribution of the Bonds. As used herein, the term

“**End of the Underwriting Period**” means the later of such time as: (i) the Bonds are delivered to the Underwriter; or (ii) the Underwriter does not retain, directly or as a member of an underwriting syndicate, an unsold balance of the Bonds for sale to the public. Unless the Underwriter gives notice to the contrary, the End of the Underwriting Period shall be deemed to be the Closing Date. Any notice delivered pursuant to this provision shall be a written notice delivered to the Authority and the City at or prior to the Closing Date, and shall specify a date (other than the Closing Date) to be deemed the “End of the Underwriting Period.”

E. As of the time of acceptance hereof and as of the Closing Date, except as otherwise disclosed in the Official Statement, the Authority is not, and as of the Closing Date, will not be, in breach of or in default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the Authority is a party or is otherwise subject; and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or event of default under any such instrument; which breach, default or event could have an adverse effect on the Authority’s ability to perform its obligations under the Authority Documents; and, as of such times, except as disclosed in the Official Statement, the authorization, execution and delivery of the Authority Documents and compliance by the Authority with the provisions of each of such agreements or instruments does not and will not conflict with or constitute a breach of or default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment, decree, license, permit, trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the Authority (or any of its officers in their respective capacities as such) is subject, or by which it or any of its properties is bound; nor will any such authorization, execution, delivery or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of its assets or properties or under the terms of any such law, regulation or instrument, except as may be provided by the Authority Documents.

F. At the time of acceptance hereof there is, and as of the Closing Date, there will be no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body (collectively and individually, an “**Action**”) pending (notice of which has been served on the Authority) or to the knowledge of the Authority threatened, in which any such Action: (i) in any way questions the corporate existence of the Authority or the titles of the officers of the Authority to their respective offices; (ii) affects, contests or seeks to prohibit, restrain or enjoin the issuance or delivery of any of the Bonds, or the payment or collection of Revenues (as defined in the Trust Agreement) or any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contests or affects the validity of the Authority Documents or the consummation of the transactions on the part of the Authority contemplated thereby; (iii) contests the exclusion of the interest on the Bonds from federal or state income taxation or contests the powers of the Authority which may result in any material adverse change relating to the financial condition of the Authority; or (iv) contests the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto or asserts that the Preliminary Official Statement or the Official Statement contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and, as of the time of acceptance hereof, there is, and as of the Closing Date, there will be no known basis for any action, suit, proceeding, inquiry or investigation of the nature described in clauses (i) through (iv) of this sentence.

G. The Authority will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter and at the expense of the Underwriter as the Underwriter may reasonably request in order: (i) to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate; and (ii) to determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions, and will use its best efforts to continue such qualifications in effect so long as required for the distribution of the Bonds, provided; however, that the Authority will not be required to execute a special or general consent to service of process or qualify as a foreign corporation in connection with any such qualification in any jurisdiction.

H. The Authority Documents conform as to form and tenor to the descriptions thereof contained in the Official Statement. The Authority represents that the Bonds, when issued, executed and delivered in accordance with the Trust Agreement and sold to the Underwriter as provided herein, will be validly issued and outstanding obligations of the Authority, entitled to the benefits of the Trust Agreement. The Trust Agreement creates a valid pledge of the moneys in certain funds and accounts established pursuant to the Trust Agreement, subject in all cases to the provisions of the Trust Agreement permitting the application thereof for the purposes and on the terms and conditions set forth therein.

I. The Authority has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the Authority is a bond issuer whose arbitrage certifications may not be relied upon.

J. Any certificate signed by any authorized officer of the Authority and delivered to the Underwriter in connection with the issuance and sale of the Bonds shall be deemed to be a representation and covenant by the Authority to the Underwriter as to the statements made therein.

K. The Authority will apply the proceeds of the Bonds in accordance with the Trust Agreement.

L. Between the date of this Purchase Agreement and the Closing Date, the Authority will not offer or issue any bonds, notes or other obligations for borrowed money not previously disclosed to the Underwriter.

M. Until such time as moneys have been set aside in an amount sufficient to pay all then outstanding Bonds at maturity or to the date of redemption if redeemed prior to maturity, plus unpaid interest thereon and premium, if any, to maturity or to the date of redemption if redeemed prior to maturity, the Authority will faithfully perform and abide by all of the covenants, undertakings and provisions contained in the Trust Agreement.

N. The City Council, acting as the legislative body of the Community Facilities District has duly adopted the Community Facilities District Resolutions, and has caused to be recorded in the real property records of the County of Sacramento, a Notice of Special Tax Lien (the “**Notice of Special Tax Lien**”) (the Community Facilities District Formation Resolutions and Notice of Special Tax Lien being collectively referred to herein as the “**Formation Documents**”). Each of the Formation Documents remains in full force and effect as of the date hereof and has not been amended.

C. D. E. F. Except as may be required under the “blue sky” or other securities laws of any jurisdiction, all approvals, consents, authorizations, elections and orders of, or filings or registrations with, any governmental authority, board, agency or commission having jurisdiction which would constitute a condition precedent to, or the absence of which would materially adversely affect, the performance by the Community Facilities District of its obligations under the District Documents, have been or will be obtained at the Closing Date and are or will be in full force and effect at the Closing Date.

G. The District Documents conform as to form and tenor to the descriptions thereof contained in the Preliminary Official Statement.

H. The Community Facilities District has covenanted to cause the Special Tax to be levied and collected at the same time and in the same manner as ordinary ad valorem property taxes.

I. The District Indenture creates a valid pledge of, first lien upon and security interest in, the Special Tax, and in the moneys in the Special Tax Fund established pursuant to the District Indenture, on the terms and conditions set forth in the District Indenture.

Any notice delivered pursuant to this provision shall be a written notice delivered to the City at or prior to the Closing Date, and shall specify a date (other than the Closing Date) to be deemed the "End of the Underwriting Period."

M. There is no action pending (notice of which has been served on the Community Facilities District or the City) or to the best knowledge of the Community Facilities District threatened, in which any such action: (i) in any way questions the existence of the Community Facilities District or the titles of the officers of the City to their respective offices; (ii) affects, contests or seeks to prohibit, restrain or enjoin the issuance or delivery of the Bonds or the Special Tax Bonds or the payment or

collection of the Special Tax or any amounts pledged or to be pledged to pay the principal of and interest on the Special Tax Bonds or the Bonds, or in any way contests or affects the validity of the Formation Documents or the District Documents or the consummation of the transactions on the part of the Community Facilities District contemplated thereby; (iii) contests the exemption of interest on the Bonds or the Special Tax Bonds from federal or State income taxation, as applicable, or contests the powers of the City or the Community Facilities District which may result in any material adverse change relating to the financial condition of the Community Facilities District; or (iv) contests the completeness or accuracy of the Preliminary Official Statement or any supplement or amendment thereto or asserts that the Preliminary Official Statement contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and there is no basis for any action, suit, proceeding, inquiry or investigation of the nature described in clauses (i) through (iv) of this sentence.

N. Any certificate signed on behalf of the Community Facilities District by any officer or employee of the City authorized to do so shall be deemed a representation by the Community Facilities District to the Authority and the Underwriter on behalf of itself and the Community Facilities District as to the statements made therein.

O. At or prior to the Closing, the Community Facilities District will have duly authorized, executed and delivered the Continuing Disclosure Certificate in substantially the form attached as Appendix D to the Official Statement. As of the Date of the Preliminary Official Statement, to the Actual Knowledge of the Undersigned, the information contained therein solely as such information describes the Developer, its Affiliates, the development status and ownership of the Property, the Developer's development plan, the Developer's planned sale and transfer of the Property, the Developer's financing plan, the Developer's lenders, if any, and contractual arrangements of the Developer or any Affiliates (including, if material to the Developer's development plan or the Developer's financing plan, loans of such Affiliates) as set forth under the captions "PROPOSED PROPERTY DEVELOPMENT—Folsom Real Estate South Development" and "CONTINUING DISCLOSURE—Taylor Morrison and Folsom Real Estate South" (excluding therefrom in all cases (a) any information regarding any other property owner or the property owned by a property owner other than the Developer or an Affiliate, (b) any information on appraised and market values, and annual special tax rates and ratios, including information regarding the Appraisal (as such term is defined in the Preliminary Official Statement), and (c) any information which is identified as having been provided by a source other than the Developer) is true and correct in all material respects and did not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

7. The Developer covenants that, while the Bonds or any refunding obligations related thereto are outstanding, the Developer and its Affiliates which it controls will not bring any action, suit, proceeding, inquiry or investigation at law or in equity, before any court, regulatory agency, public board or body, that in any way seeks to challenge or overturn the formation of the Community Facilities District or the Improvement Area, to challenge the adoption of Ordinance No. 1305 of the City levying the Special Tax within the Improvement Area, to invalidate the Community Facilities District, the Improvement Area or any of the Bonds or any refunding bonds related thereto, or to invalidate the special tax liens imposed under Section 3115.5 of the Streets and Highways Code based on recordation of the Notice of Special Tax Lien relating thereto. The foregoing covenant shall not prevent the Developer or any Affiliate in any way from bringing any other action, suit or proceeding including, without limitation, (a) an action or suit contending that the Special Tax has not been levied in accordance with the methodologies contained in the Community Facilities District's Rate and Method of Apportionment of Special Taxes for the Improvement Area pursuant to which the Special Tax is levied, (b) an action or suit with respect to the application or use of the Special Tax levied and collected, or (c) to enforce the obligations of the Authority, the City, and/or the District under any agreements among the Developer and its Affiliates, the Authority, the City, and/or the District or to which the Developer or its Affiliates is a party or beneficiary.

8. Except as disclosed in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned, the Developer is not aware that any other public debt secured by a tax or assessment on the Property exists or is in the process of being authorized or any assessment districts or community facilities districts have been or are in the process of being formed that include any portion of the Property.

9. The Developer has been developing or has been involved in the development of numerous projects over an extended period of time. It is likely that the Developer and its Affiliates have been delinquent at one time or another in the payment of *ad valorem* property taxes, special assessments or special taxes. However, except as disclosed in the Preliminary Official Statement, to

the Actual Knowledge of the Undersigned, neither the Developer nor any current Affiliate is currently in default in, or in the last five (5) years has ever defaulted to any material extent in the payment of any *ad valorem* property tax, special assessment or special tax on property owned by the Developer or any such Affiliate within the boundaries of a community facilities district or an assessment district within California that (a) caused a draw on a reserve fund relating to such assessment district or community facilities district financing or (b) resulted in a foreclosure action being commenced in a court of law against the delinquent Developer or Affiliate.

10. The Developer intends to comply with the provision of the Mello-Roos Community Facilities District Act of 1982, as amended, relating to the Notice of Special Tax described in Government Code Section 53341.5 in connection with the sale of the Property, or portions thereof.

11. To the Actual Knowledge of the Undersigned, the Developer is able to pay its bills as they become due and no legal proceedings are pending against the Developer (with proper service of process to the Developer having been accomplished) or, to the Actual Knowledge of the Undersigned, threatened in writing in which the Developer may be adjudicated as bankrupt or discharged from any and all of its debts or obligations, or granted an extension of time to pay its debts or obligations, or be allowed to reorganize or readjust its debts, or be subject to control or supervision of the Federal Deposit Insurance Corporation.

12. To the Actual Knowledge of the Undersigned, Affiliates of the Developer are able to pay their bills as they become due and no legal proceedings are pending against any Affiliates of the Developer (with proper service of process to such Affiliate having been accomplished) or to the Actual Knowledge of the Undersigned, threatened in writing in which the Affiliates of the Developer may be adjudicated as bankrupt or discharged from any or all of their debts or obligations, or granted an extension of time to pay their debts or obligations, or be allowed to reorganize or readjust their debts or obligations, or be subject to control or supervision of the Federal Deposit Insurance Corporation.

13. If between the date hereof and the Closing Date any event relating to or affecting the Developer, its Affiliates, ownership of the Property, the Developer's development plan, the Developer's financing plan, the Developer's lenders, if any, and contractual arrangements of the Developer or any Affiliates (including, if material to the Developer's development plan or the Developer's financing plan, loans of such Affiliates) shall occur of which the undersigned has actual knowledge and which the undersigned believes would cause the information under the sections of the Preliminary Official Statement indicated in Paragraph 6 hereof (and subject to the limitations and exclusions contained in Paragraph 6 of this Letter of Representations), to contain an untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the undersigned shall notify the Authority and the Underwriter and if in the opinion of counsel to the Authority or the Underwriter such event requires the preparation and publication of a supplement or amendment to the Preliminary Official Statement, the Developer shall reasonably cooperate with the Authority in the preparation of an amendment or supplement to the Preliminary Official Statement in form and substance reasonably satisfactory to counsel to the Authority and to the Underwriter.

14. The Developer agrees to deliver a Closing Certificate dated the date of issuance of the Bonds at the time of issuance of the Bonds in substantially the form attached as Exhibit F to the Purchase Agreement.

15. On behalf of the Developer, I have reviewed the contents of this Letter of Representations and have met with counsel to the Developer for the purpose of discussing the meaning of its contents.

SUPPLEMENTAL OPINION OF BOND COUNSEL

_____, 2024

Piper Sandler & Co.,
as Underwriter
Sacramento, California

Folsom Ranch Financing Authority
City of Folsom Community Facilities District No. 23 (Folsom Ranch)
Improvement Area No. 4
Special Tax Revenue Bonds, Series 2024
(Supplemental Opinion)

Greetings:

This letter is provided pursuant to Section 4.F.7. of the Bond Purchase Agreement, dated _____, 2024 (the “Purchase Contract”), between Piper Sandler & Co. (the “Underwriter”) and the Folsom Ranch Financing Authority (the “Authority”), providing for the purchase by the Underwriter of \$_____ aggregate principal amount of its Folsom Ranch Financing Authority City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 4 Special Tax Revenue Bonds, Series 2024 (the “Bonds”). The Bonds are being issued pursuant to a trust agreement, dated as of _____ 1, 2024 (the “Trust Agreement”), among the Issuer, the City of Folsom Community Facilities District No. 23 (Folsom Ranch) (the “Community Facilities District”) and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). The Trust Agreement provides that the Bonds are issued for the stated purpose of enabling the Authority to acquire certain special tax bonds to be issued by the Community Facilities District. Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Trust Agreement or, if not defined in the Trust Agreement, in the Purchase Contract.

We have delivered our final legal opinion (the “Bond Opinion”) as bond counsel to the Authority concerning the validity of the Bonds and certain other matters, dated the date hereof and addressed to the Authority. You may rely on such opinion as though the same were addressed to you.

In connection with our role as bond counsel and disclosure counsel to the Authority, we have reviewed the Purchase Contract, the Trust Agreement, an indenture, dated as of _____ 1, 2024, between the Community Facilities District and U.S. Bank Trust Company, National Association, as trustee (the “Local Obligations Indenture”), the tax certificate related to the Bonds (the “Tax Certificate”), certain portions of the posted preliminary official statement of the Authority dated _____, 2024, with respect to the Bonds (the “Preliminary Official Statement”) and of the posted official statement of the Authority dated _____, 2024, with respect to the Bonds (the “Official Statement”), opinions of counsel to the Authority, the Community Facilities District, the Trustee, Taylor Morrison of California, LLC, a California limited liability company (“Taylor Morrison”), and Folsom Real Estate South, LLC, a Delaware limited liability company (“Folsom Real Estate South”), certificates of the Authority, the Community Facilities District, the Trustee, Integra Realty Resources (the “Appraiser”), NBS (the “Special Tax Consultant”), Taylor Morrison, Folsom Real Estate South, and others, and such other documents, opinions and matters to the extent we deemed necessary to render the opinions and conclusions set forth herein.

The opinions and conclusions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions or conclusions may be affected by actions taken or omitted or events occurring after the original delivery of the Bonds on the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after the original delivery of the Bonds on the date hereof. We have assumed the genuineness of all documents and signatures provided to us and the due and legal execution and delivery thereof by, and validity against, any parties other than the Authority. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents, and of the legal conclusions contained in the opinions, referred to in the third paragraph hereof. We have further assumed compliance with all covenants and agreements contained in such documents. In addition, we call attention to the fact that the rights and obligations under the Bonds, the Trust Agreement, the Local Obligations Indenture, the Tax Certificate, and the Purchase Contract and their enforceability may be subject to bankruptcy, insolvency, receivership, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against governmental entities such as the Authority and the Community Facilities District in the State of California. We express no opinion with respect to any indemnification, contribution, liquidated damages, penalty (including any remedy deemed to constitute a penalty), right of set-off, arbitration, judicial reference, choice of law, choice of forum, choice of venue, non-exclusivity of remedies, waiver or severability provisions contained in the foregoing documents, nor do we express any opinions with respect to the state or quality of title to or interest in any property described in or as subject to the lien of the Trust Agreement or the Local Obligations Indenture or the accuracy or sufficiency of the description contained therein of, or the remedies available to enforce liens on, any such property. We express no view with respect to the plans, specifications, maps, financial report or other engineering or financial details of the proceedings, or upon the Rate and Method of Apportionment for Improvement Area No. 4 of the Community Facilities District or the validity of the Special Tax levied upon any individual parcel.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions and conclusions:

1. The Bonds are not subject to the registration requirements of the Securities Act of 1933, as amended, and the Trust Agreement is exempt from qualification pursuant to the Trust Indenture Act of 1939, as amended.

2. The Purchase Contract has been duly executed and delivered by, and constitutes a valid and binding agreement of, the Authority.

3. The statements contained in the Official Statement under the captions "THE BONDS" (excluding any information about The Depository Trust Company ("DTC"), Cede & Co., or the DTC book-entry system as to which no opinion is expressed), "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS" (excluding therefrom the information under the headings "—Special Tax Analysis," "—Special Tax Calculation" and "—The Teeter Plan") and "TAX MATTERS," and in APPENDIX E – "PROPOSED FORM OF OPINION OF BOND COUNSEL" and APPENDIX C – "SUMMARY OF PRINCIPAL DOCUMENTS," excluding any material that may be treated as included under such captions by cross reference or reference to other documents or sources, insofar as such statements expressly summarize certain provisions of the Trust Agreement and the

Local Obligations Indenture, or set out content of the Bond Opinion, are accurate in all material respects.

4. We are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of any of the statements contained in the Preliminary Official Statement or (except as explicitly stated in paragraph 3 above) in the Official Statement and make no representation that we have independently verified the accuracy, completeness or fairness of any such statements. In our capacity as bond counsel and disclosure counsel to the Authority in connection with issuance of the Bonds, we participated in conferences with your representatives, your counsel, representatives of the Community Facilities District, the City, the Authority, their respective counsel, representatives of Taylor Morrison and Folsom Real Estate South and their respective counsel, the Appraiser, the Special Tax Consultant and others, during which conferences the contents of the Preliminary Official Statement or the Official Statement and related matters were discussed. Based on our participation in the above-mentioned conferences (which, with respect to the Preliminary Official Statement, did not extend beyond the date of the Purchase Contract, and with respect to the Official Statement did not extend beyond its date), and in reliance thereon, on oral and written statements and representations of the Authority, the Community Facilities District and others and on the records, documents, certificates, opinions and matters herein mentioned, subject to the limitations on our role as bond counsel and disclosure counsel to the Authority, we advise you as a matter of fact and not opinion that (a) no facts had come to the attention of the attorneys in our firm rendering legal services with respect to the Preliminary Official Statement which caused us to believe as of the date of the Purchase Contract, based on the documents, drafts and facts in existence and reviewed as of that date that the Preliminary Official Statement contained any untrue statement of a material fact or omitted to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading (except any information marked as preliminary or subject to change, any information permitted to be omitted by Securities and Exchange Commission Rule 15c-12 or otherwise left blank and any other differences with the information in the Official Statement), and (b) no facts had come to the attention of the attorneys in our firm rendering legal service with respect to the Official Statement which caused us to believe as of the date of the Official Statement and as of the date hereof that the Official Statement contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that we expressly exclude from the scope of this paragraph and express no view with respect to both the Preliminary Official Statement and the Official Statement, about any CUSIP numbers, financial, accounting, statistical, economic, engineering or demographic data or forecasts, numbers, charts, tables, graphs, estimates, projections, assumptions or expressions of opinion, any information about feasibility, valuation, appraisals, absorption, real estate or environmental matters, litigation, any statements about compliance with prior continuing disclosure undertakings, relationships among the parties, any information about book-entry, DTC, Cede & Co., ratings, rating agencies, the underwriter, municipal advisor, underwriting, and the information contained in Appendices A, B, D, F and G, included or referred to therein or omitted therefrom. No responsibility is undertaken or conclusion expressed with respect to any other disclosure document, materials or activity, or as to any information from another document or source referred to by or incorporated by reference in the Preliminary Official Statement or the Official Statement.

This letter is furnished by us as bond counsel and disclosure counsel to the Authority. No attorney-client relationship has existed or exists between our firm and you in connection with the Bonds or by virtue of this letter. We disclaim any obligation to update this letter. This letter is delivered to you as underwriter of the Bonds, is solely for your benefit as such underwriter in connection with the original delivery of the Bonds on the date hereof, and is not to be used, circulated,

quoted or otherwise referred to or relied upon for any other purpose or by any other person. This letter is not intended to, and may not, be relied upon by owners of the Bonds or by any other party to whom it is not specifically addressed.
