<b>FROM:</b>	City Attorney's Office

## **RECOMMENDATION / CITY COUNCIL ACTION**

Staff recommends that the City Council conduct second reading and adoption of Ordinance No. 1324, an Ordinance of the City of Folsom Establishing a By-District Election Process in Five Council Districts Pursuant to California Elections Code Section 10010 and Adding New Sections to Chapter 2.06 of the Folsom Municipal Code to Provide for City Council Election Districts.

## **BACKGROUND / ISSUE**

On July 27, 2021, the City Council adopted a Resolution of Intention to transition from at-large to by-district elections. This is the last of five required public hearings to start the transition process.

## **POLICY / RULE**

California Government Code Section 34886 authorizes the legislative body of a city to adopt an ordinance that requires the members of the legislative body to be elected “by district”. The change must be made in furtherance of the purposes of the California Voting Rights Act.

## ANALYSIS

### 1. SUMMARY OF PAST PUBLIC HEARINGS

The process to transition to by-district election requires five public hearings where the community is invited to provide input regarding the composition of future City Council districts. Pursuant to California Elections Code Section 10010, the first two public hearings to inform the public about the districting process (held on September 14 and October 12, 2021) are required before any map of district boundaries for the proposed voting districts can be drawn. The Council reviewed proposed maps at the third public hearing on January 11, 2022 and identified 8 focus maps.

The City Council held the fourth public hearing on February 8, 2022, reviewed the focus maps, received public input and comments, worked on a draft “preferred” map with the City’s demographer and the public, and discussed election sequencing. The City Council voted to continue the fourth public hearing to February 15, 2022 to give the community an opportunity to provide further input on the draft “preferred” map.

At the February 15<sup>th</sup> meeting, the City Council received further public comments and, with the assistance of the City’s demographer, prepared two draft “preferred” maps with input from the City Council and the public. The City Council also discussed election sequencing in that members of the City Council from Council Districts 1, 3, and 5 shall be elected on a by-district basis beginning in 2022, and members of the City Council from Council Districts 2 and 4 shall be elected on a by-district basis beginning in 2024. At the end of the public hearing on February 15, 2022, the City Council voted to further continue the hearing to February 22, 2022, in order to solicit further community comments and feedback on the 2 draft “preferred” maps.

Following public comments and further discussions on February 22, 2022, the City Council selected “Preferred Map 2” as the final “preferred” map and determined that members of the City Council from **Council Districts 1, 3, and 5** shall be elected on a by-district basis beginning with the General Municipal Election **in 2022**, and members of the City Council from **Council Districts 2 and 4** shall be elected on a by-district basis beginning with the General Municipal Election **in 2024**.

The City Council held the fifth public hearing on March 8, 2022. Following public comments and discussions, the City Council adopted “Preferred Map 2” as the final district map and completed the transition process by introducing and conducting first reading of Ordinance No. 1324.

### 2. PUBLIC HEARING SCHEDULE

The City Council is the final decision-making body on adopting district boundaries. The required public hearings were scheduled and held as follows:

<b>Date</b>	<b>Meeting Type</b>	<b>Public Hearing</b>	<b>Item Topic at Meeting</b>
9/14/2021	Public Hearing	<b>1</b>	<b>Completed.</b> Public input on composition of districts (before maps are drawn, hold 2 public hearings on composition of districts over period of no more than 30 days)

3/22/2022	Regular Meeting		Second reading of Ordinance (effective 30 days after)

To increase public awareness of the transition to district elections, the City has activated a variety of public communication channels to engage the Folsom community. Districting information is featured on the City’s website and City newsletters. Numerous frequently asked questions have been posted on the dedicated districting webpages on the City’s website.

**FINANCIAL IMPACT**

The services of a demographer are required to assist the City transition to a by-district election system under specific aggressive timelines as required by the California Elections Code. Staff anticipates the cost to be approximately \$40,000.

**ENVIRONMENTAL REVIEW**

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines §15061(c)(3)) or is otherwise not considered a project as defined by Public Resources Code §21065 and CEQA Guidelines §15060(c)(3) and §15378. The Council’s decision regarding by-district elections meets the above criteria and is not subject to CEQA. No environmental review is required.

**ORDINANCE NO. 1324**

**AN ORDINANCE OF THE CITY OF FOLSOM ESTABLISHING A BY-DISTRICT ELECTION PROCESS IN FIVE COUNCIL DISTRICTS PURSUANT TO CALIFORNIA ELECTIONS CODE SECTION 10010, AND ADDING NEW SECTIONS TO CHAPTER 2.06 OF THE FOLSOM MUNICIPAL CODE TO PROVIDE FOR CITY COUNCIL ELECTION DISTRICTS**

**WHEREAS**, the City of Folsom currently elects its five City Councilmembers using an at-large election system; and

**WHEREAS**, in the at-large election system, candidates may reside in any part of the City and each City Councilmember is elected by the voters of the entire City; and

**WHEREAS**, in a by-district election system, a candidate for City Council must reside in the district which he or she wishes to represent, and only the voters of that district are entitled to vote to decide who their representative for that district will be; and

**WHEREAS**, on October 30, 2020, the City received a letter from attorney Scott Rafferty asserting that the City's at-large electoral system violated the California Voting Rights Act and threatening litigation if the City declined to adopt by-district elections; and

**WHEREAS**, while Mr. Rafferty's letter did not contain any evidence of a violation, the cost of defending against a claim under the California Voting Rights Act is extremely high, no public agency has ever successfully defended such a claim, and spending such an expense would severely burden the City's resources and curtail the City's ability to provide essential services to Folsom residents; and

**WHEREAS**, Section 34886 of the Government Code permits the City Council to adopt an ordinance to change the City's method of election to a "by-district" system without being required to submit the ordinance to the voters for approval, subject to certain conditions; and

**WHEREAS**, the City wishes to avoid litigation and to take advantage of the provisions of Government Code section 34886, and therefore, pursuant to California Government Code section 34886, it is declared that this change in the method of electing members of the Folsom City Council is being made in furtherance of the purposes of the California Voting Rights Act of 2001 (Elections Code sections 14025 *et. seq.*); and

**WHEREAS**, at its regular meeting on July 17, 2021, the City Council adopted Resolution No. 10575, a resolution of intent to transition to a by-district election system pursuant to Section 10010 of the Elections Code; and

**WHEREAS**, pursuant to Section 10010 of the Elections Code, a city that changes from an at-large method of election to a by-district method of election shall hold at least two public hearings over a period of no more than thirty days, at which the public is invited to provide input regarding

the composition of the districts before drawing a draft map or maps of the proposed boundaries of the districts; and

**WHEREAS**, before any maps of the proposed boundaries of the districts were considered, the City held public hearings on September 14, 2021, and October 12, 2021, at which time input from the public on the proposed composition of the districts were invited and heard; and

**WHEREAS**, on and prior to holding the third public hearing on January 11, 2022, pursuant to Section 10010 of the Elections Code, the City published and made available for public review draft maps for consideration by the City Council; and

**WHEREAS**, pursuant to Section 10010 of the Elections Code, the City held a third public hearing on January 11, 2022, at which the public was invited to provide input regarding the content of the draft maps and the potential sequence of elections; and

**WHEREAS**, after the close of the public hearing on January 11, 2022, the City Council provided input as to the draft maps, published and made available for public review eight “focus” draft maps selected by the City Council for further consideration pursuant to Section 10010 of the Elections Code; and

**WHEREAS**, pursuant to Section 10010 of the Elections Code, the City held a fourth public hearing on February 8, 2022, where the public provided input regarding the content of the “focus” maps, and the City Council worked on a “preferred” map with the City’s demographer and discussed the potential sequence of elections; and

**WHEREAS**, at the end of the public hearing on February 8, 2022, the City Council voted to continue the hearing to February 15, 2022, in order to solicit further community comments and feedback on the draft “preferred” map prepared by the City’s demographer with input from the City Council and the public on February 8, 2022; and

**WHEREAS**, at the continued public hearing on February 15, 2022, the City Council selected two draft “preferred” maps prepared by the City’s demographer with input from the City Council and the public (“Preferred Map 1” and “Preferred Map 2”), and voted to further continue the hearing to February 22, 2022, in order to solicit further community comments and feedback on the two draft “preferred” maps; and

**WHEREAS**, following public comments and further discussions, the City Council at the end of the continued fourth public hearing on February 22, 2022, selected “Preferred Map 2” as the final “preferred” map; and

**WHEREAS**, pursuant to Section 10010 of the Elections Code, the City held a fifth public hearing on March 8, 2022, where the public provided input prior to the City Council adopting a final district map and considering an ordinance that would establish a by-district election system; and

**WHEREAS**, it is the position of the City Council that map “Preferred Map 2”, attached hereto as Exhibit A, will serve the best interests of the City of Folsom and be consistent with the California Voting Rights Act and applicable laws; and

**WHEREAS**, map identified as “Preferred Map 2”, attached hereto as Exhibit A, is selected and adopted by the City Council as the final district map in the creating of a by-district election system in the City of Folsom.
