RECOMMENDATION / CITY COUNCIL ACTION

The Police Department requests the City Council approve Resolution No. 10710 - A resolution authorizing the Police Department to Accept a Selective Traffic Enforcement Program Grant in the Amount of \$63,000 from the State of California Office of Traffic Safety and Appropriation of funds.

BACKGROUND / ISSUE

The goal of the California Office of Traffic Safety's statewide Selective Traffic Enforcement Program (STEP) is to reduce the number of people killed and injured in traffic collisions caused by driving under the influence, speed, red-light running, and other primary collision factors. Through a partnership with law enforcement, funding is provided to local jurisdictions to identify primary collision factors, conduct education and enforcement to reduce the number of fatal and injury related traffic collisions.

In an application to the State of California Office of Traffic Safety (OTS), the Folsom Police Department has requested overtime funding for conducting DUI, speed, right-of-way, traffic signals and signs, improper turning, pedestrian and bicycle violations to reduce or prevent injury and fatal collisions in the City of Folsom.

By accepting this grant, the Police Department agrees to participate and report data (as required) in the following campaigns; National Walk to School Day, National Teen Driver

Safety Week, NHTSA Winter Mobilization or Summer Mobilization, National Distracted Driving Awareness Month, National Motorcycle Safety Month, National Child Passenger Safety Week, and California's Pedestrian Safety Month.

The Police Department will also send officers to training programs including NHTSA Advanced Roadside Impaired Driving Enforcement (ARIDE), Standardized Field Sobriety Testing (SFST), Drug Recognition Expert (DRE), and SFST instructor.

POLICY / RULE

This grant acceptance and appropriation of funds requires City Council Approval.

ANALYSIS

The California OTS provides grant funding to reimburse law enforcement agencies for the cost of conducting selective enforcement geared at reducing fatal and injury collisions.

Since 2012, the Folsom Police Department has applied for grant funding from California OTS to provide directed enforcement towards the primary collision factors that have been the cause of injury and fatal traffic collisions in our community. These grants have provided additional officers in the field for enforcement of speed, rights-of-way, unsafe turning, DUI, and distracted driving violations, as well as education efforts in Folsom schools. By participating in the California OTS Selective Traffic Enforcement Program, the Folsom Police Department intends to continue its work in bringing awareness of the primary causes of collisions through enforcement and education in an effort to reduce the number of fatal and injury related traffic collisions in the City of Folsom.

FINANCIAL IMPACT

There is no General Fund fiscal impact associated with this grant. The State of California OTS will reimburse all overtime expenses generated by the Selective Traffic Enforcement Program. The Folsom Police Department estimates overtime costs to be approximately \$63,000. The grant funding will require an appropriation in FY 2021-22 General Fund (Fund 2010) Budget in the Police Department.
