MEETING DATE:	5/10/2022
AGENDA SECTION:	New Business
SUBJECT:	Ordinance No. 1326 - An Uncodified Ordinance of the City of Folsom Approving the Folsom Police Department's Military Equipment Use Policy in compliance with Assembly Bill 481 (Introduction and First Reading)
FROM:	Police Department

RECOMMENDATION / CITY COUNCIL ACTION

Staff recommends that the City Council approve the attached military equipment use policy by introducing and conducting the first reading of Ordinance No. 1326 –An Uncodified Ordinance of the City of Folsom Approving the Folsom Police Department's Military Equipment Use Policy in accordance with Assembly Bill 481.

BACKGROUND / ISSUE

On September 30, 2021, Governor Gavin Newsom signed into law Assembly Bill 481, relating to the use of military equipment by law enforcement agencies.

Assembly Bill 481 (AB 481 or the Bill), codified at Government Code sections 7070 through 7075, requires a law enforcement agency (LEA) to obtain approval from the applicable governing body, via adoption of an ordinance approving a “military equipment” use policy, prior to the LEA, acquiring, using, or seeking funds for military equipment. AB 481 defines “military equipment” broadly and creates explicit parameters for the military equipment use policy it requires.

The Folsom Police Department (FPD) seeks City Council adoption of the attached ordinance approving the Military Equipment Use Policy – FPD Policy 707 (Exhibit A), in order to allow FPD to continue to use the vital equipment specified therein, as well as acquire one piece of new equipment.

POLICY / RULE

Assembly Bill 481 requires the following in summary:

- Law enforcement agencies must obtain approval from their governing body, by ordinance adopting a military equipment use policy, before engaging in specific actions related to the use or acquisition of military style equipment, including equipment that was acquired before January 1, 2022, when AB 481 went into effect.
- The proposed military equipment use policy must be available on the law enforcement agency's public website at least 30 days before the public meeting concerning the ordinance and the policy. If approved, the policy must remain publicly available on the website for as long as the military equipment is available for use.
- The proposed ordinance and military equipment use policy must be considered as an agenda item in open session at a regular meeting of the governing body, with the opportunity for public comment in accordance with the Brown Act.
- The governing body of a law enforcement agency shall only approve the military equipment use policy if it makes the specified determinations found in Government Code section 7071(d)(1). These findings are discussed in detail below.
- The governing body must review the ordinance and vote on whether to renew it at least annually. In deciding whether to renew the ordinance, the governing body must make specific determinations as described in Government Code section 7071(e)(2).
- The law enforcement agency must submit an annual report on military equipment funding, acquisition, and use to the governing body. The report must comply with the requirements of Government Code section 7072. The governing body must rely on the report in deciding whether to renew the ordinance and in making the specific determinations described in Government Code section 7071(e)(2). The annual report must be publicly available on the website for as long as the military equipment is available for use.
- Within 30 days of submitting and publicly releasing the annual report, the law enforcement agency must hold at least one well-publicized and conveniently located community engagement meeting, at which the general public may discuss and ask questions regarding the annual military equipment report and the law enforcement agency's funding, acquisition, or use of military equipment.

ANALYSIS

The legislative intent with Assembly Bill 481 was to have each jurisdiction's governing body be aware of and approve the use or acquisition of certain 'military' equipment described in California Government Code section 7070.

AB 481 defines “military equipment” broadly to include 15 categories of equipment. The term “military equipment”, as used in AB 481, in fact does not necessarily indicate equipment that has been used by the military. Pursuant to AB 481, items deemed to be “military equipment” include, but are not limited to, unmanned aerial or ground vehicles (drones), armored vehicles, command and control vehicles, pepper balls, less lethal shotguns, less lethal 40mm projectile launchers, long range acoustic devices, and flashbangs.

Other items deemed to be “military equipment” via AB 481 include foundational equipment such as rifles.

The Folsom Police Department acquired and used “military equipment”, as defined in AB 481, in accordance with applicable rules and regulations before January 1, 2022, when the new rules went into effect. State law now requires that the Department seek City Council approval, by an ordinance adopting a military equipment use policy, before it can use existing military equipment, acquire new military equipment, or collaborate with another law enforcement agency in the deployment of military equipment within the City of Folsom. The Department may continue to use any “military equipment” acquired before January 1, 2022, as long as it begins the approval process by May 1, 2022, and the Council adopts the ordinance approving the military equipment use policy within 180 days.

AB 481 contains specific requirements for the military equipment use policy itself. These include: a description of each type of military equipment, its capabilities, expected lifespan, product description from the manufacturer, and the quantity of each type of equipment; the purposes and authorized uses for each type of equipment; the fiscal impact; the rules that govern each authorized use; the training required before the equipment may be used by Department personnel; the mechanisms to ensure compliance with the policy; and the procedures by which members of the public may register complaints or concerns or ask questions about the equipment and its use. The attached policy contains all of the required information for the Department’s existing equipment and for the one piece of new equipment to be acquired in 2022.

The proposed policy must be considered by the Council as an agenda item in open session at a regular meeting in accordance with the Brown Act, with an opportunity for public comment. The Council shall only approve the policy if it makes all of the following determinations pursuant to Government Code section 7071 (d)(1):

- A. The military equipment is necessary because there is no reasonable alternative that can achieve the same objective of officer and civilian safety.
- B. The proposed military equipment use policy will safeguard the public’s welfare, safety, civil rights, and civil liberties.
- C. If purchasing the equipment, the equipment is reasonably cost effective compared to available alternatives that can achieve the same objective of officer and civilian safety.

- D. Prior military equipment use complied with the military equipment use policy that was in effect at the time, or if prior uses did not comply with the accompanying military equipment use policy, corrective action has been taken to remedy nonconforming uses and ensure future compliance.

All sworn officers with the Folsom Police Department are bound by a stringent set of laws, policies, and procedures which are in line with the public's welfare, safety, civil rights, and civil liberties. Similarly, all officers are trained in a variety of strategies and tactics which are in line with the laws, policies, and procedures in which we are bound, prior to the use or application of any 'military' equipment.

Items deemed to be "military equipment" by AB 481 are used as a component of overall best practices for LEAs throughout the country. These tools have been tested in the field, and are used by LEAs to enhance citizen safety and officer safety. Loss of these items would jeopardize the welfare of citizens and peace officers within the City of Folsom. For example, the rifles deemed to be "military equipment" allow peace officers to address lethal threats from a greater distance and with greater precision.

The Folsom Police Department is committed to using the most up to date tools and equipment to safeguard the citizens of Folsom. Many items deemed to be "military equipment" by AB 481 are in fact employed by the Folsom Police Department, and LEA's across the country, in order to specifically reduce risk to community members. These items provide peace officers with the ability to safely resolve volatile situations which otherwise might rise to the level of a lethal force encounter. To that end, the items at issue in this report, and accompanying Military Equipment Use Policy, also provide FPD's peace officers with vital tools that facilitate compliance with its stringent use of force policy.

AB 481 also includes a focus on transparency and public engagement. To that end, the proposed policy must be posted on the Department's website at least 30 days before the public hearing on the ordinance. If approved, the policy must be publicly available on the website for as long as the military equipment is available for use.

Similarly, AB 481 stated, 'The public has a right to know about any funding, acquisition, or use of military equipment by state or local government officials, as well as a right to participate in any government agency's decision to fund, acquire, or use such equipment.'

As such, the Police Department hosted a publicized community event on 3/31/2022 at the Folsom Police Department, to display and discuss the items applicable to this new law. The feedback of the event from the over 25 attendees was favorable, and the attendees supported the use of the equipment in order to keep the community safe.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment or to activities that are not otherwise considered a "project" as defined by Public Resources Code § 21065.

(CEQA Guidelines § 15061(c)(3) and § 15378.) The Council's decision regarding the military equipment use policy meets the above criteria and is not subject to CEQA. No environmental review is required.

FINANCIAL IMPACT

There is no direct financial impact caused by adoption of the ordinance or approval of the policy. The initial and ongoing financial impacts associated with each Type of existing Military Equipment are detailed in the policy. The financial impact of any new acquisition of Military Equipment approved by the Council through the policy is stated in the policy and will also be described in the contract and any staff report associated with acquisition of the specific piece of equipment.

ATTACHMENT

Ordinance No. 1326 – An Uncodified Ordinance approving the Folsom Police Department's Military Equipment Use Policy in accordance with Assembly Bill 481

Submitted,

Richard Hillman, Chief of Police

ORDINANCE NO. 1326

AN UNCODIFIED ORDINANCE OF THE CITY OF FOLSOM APPROVING THE FOLSOM POLICE DEPARTMENT'S MILITARY EQUIPMENT USE POLICY IN COMPLIANCE WITH AB 481

The City Council of the City of Folsom does hereby ordain as follows:

SECTION 1 PURPOSE

The purpose of this ordinance is to authorize the Folsom Police Department's acquisition and use of Military Equipment through approval of the attached Military Equipment Use Policy in accordance with AB 481 (Government Code sections 7070 through 7072.)

SECTION 2 POLICY

The proposed Military Equipment Use Policy is attached to this Ordinance as Exhibit A.

SECTION 3 FINDINGS

- A.** On September 30, 2021, Governor Gavin Newsom signed into law Assembly Bill 481, relating to the use of "military equipment" by law enforcement agencies.
- B.** Assembly Bill 481, codified at Government Code sections 7070 through 7075, requires law enforcement agencies to obtain approval from the applicable governing body, by an ordinance adopting a "military equipment" use policy, at a regular meeting held pursuant to open meeting laws, before taking certain actions related to the funding, acquisition, or use of "military equipment".
- C.** The term "military equipment" is defined in Government Code section 7070.
- D.** Assembly Bill 481 allows a law enforcement agency's governing body to approve the funding, acquisition, or use of "military equipment" within its jurisdiction only if it makes specified determinations.
- E.** Once approved, the Folsom Police Department's Military Equipment Use Policy will be contained in the Folsom Police Department's Policy Manual and identified as Policy 707- City Council Military Equipment Approval.
- F.** The proposed Military Equipment Use Policy was published on the Folsom Police Department's public website on March 25 2022.
- G.** The proposed Military Equipment Use Policy was presented to City Council on May 10, 2022.

- H. The proposed Military Equipment Use Policy meets the requirements of Government Code section 7070, subdivision (d).

SECTION 4 DETERMINATIONS

Based on the information presented to the City Council at the public meeting on May 10, 2022, and the findings above, the City Council makes the following determinations:

1. The Military Equipment identified in the proposed Military Equipment Use Policy, attached hereto as Exhibit A, is necessary because there are no reasonable alternatives that can achieve the same objectives of officer and civilian safety.
2. The proposed Military Equipment Use Policy will safeguard the public's welfare, safety, civil rights, and civil liberties.
3. The piece of Military Equipment proposed to be purchased this year is reasonably cost effective compared to available alternatives that can achieve the same objectives of officer and civilian safety.
4. Prior Military Equipment use complied with applicable policies. The Folsom Police Department did not have a Military Equipment Use Policy in effect before the date of this ordinance, but the other applicable policies were followed.
5. The proposed Military Equipment Use Policy, attached hereto as Exhibit A, is approved and adopted.

SECTION 5 NO MANDATORY DUTY OF CARE

This Ordinance is not intended to and shall not be construed or given effect in a manner that imposes upon the City or any officer or employee thereof a mandatory duty of care toward persons or property within or without the City so as to provide a basis of civil liability for damages, except as otherwise imposed by law.

SECTION 6 SEVERABILITY

If any section, subsection, sentence, clause, or phrase in this Ordinance or the attached policy or any part thereof is for any reason held to be unconstitutional, invalid, or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this Ordinance or the attached policy or any part thereof. The City Council declares that it would have passed each section irrespective of the fact that any one or more section, subsection, sentence, clause, or phrase be declared unconstitutional, invalid, or ineffective.

SECTION 7 EFFECTIVE DATE

This ordinance shall become effective thirty (30) days from and after its passage and adoption, provided it is published in full or in summary within twenty (20) days after its adoption in a newspaper of general circulation in the City.

This ordinance was introduced and the title thereof read at the regular meeting of the City Council on May 10, 2022 and the second reading occurred at the regular meeting of the City Council on May 24, 2022.

On a motion by Council Member _____ seconded by Council Member _____, the foregoing ordinance was passed and adopted by the City Council of the City of Folsom, State of California, this 24th day of May 2022, by the following roll-call vote:

AYES: Councilmember(s):
NOES: Councilmember(s):

14 The following projectile launch platforms and their associated munitions: 40 mm projectile launchers, bean bag, rubber bullet, specialty impact munition (SIM) weapons, and any kinetic energy weapons and munitions.

15 Any other equipment as determined by the City Council to require additional oversight.

Type – Each item that shares the same manufacturer model number.

707.2 POLICY

It is the policy of the Folsom Police Department that members of this department comply with the provisions of Government Code § 7071 with respect to military equipment.

707.3 MILITARY EQUIPMENT COORDINATOR

The Chief of Police should designate a member of this department to act as the military equipment coordinator. The responsibilities of the military equipment coordinator include but are not limited to:

- (a) Acting as liaison to the City Council for matters related to the requirements of this Policy.
- (b) Identifying equipment that qualifies as Military Equipment, as defined in this Policy, whether the equipment is in the current possession of the Department or is equipment the Department intends to acquire.
- (c) Conducting an inventory of all Military Equipment, as defined in this Policy, at least annually.
- (d) Collaborating with any other law enforcement agency that may use Military Equipment within the jurisdiction of Folsom Police Department (Government Code § 7071).
- (e) Preparing for, scheduling, and coordinating the annual community engagement meeting, including:
 1. Publicizing the details of the meeting.
 2. Preparing for public questions regarding the Department's funding, acquisition, or use of Military Equipment.
- (f) Preparing the annual Military Equipment report Council and ensuring that the report is made available on the department website consistent with this Policy. (Government Code § 7072). Additionally, updating the ordinance, policy, and Military List as necessary.
- (g) Ensuring that this Policy is made available on the Department's website and that any newly proposed version of the Policy is also available on the website at least 30 days before any public hearing concerning the Policy or the associated ordinance.
- (h) Evaluating the procedures by which members of the public may register complaints or concerns or submit questions about the use of any Type of Military Equipment and updating those procedures as needed.

- (i) Ensuring that the Department responds in a timely manner to each complaint, concern, or question about Military Equipment

707.4 MILITARY EQUIPMENT INVENTORY

Attached is a list of the Folsom Police Department's qualifying Military Equipment, including the following information (Government Code § 7070):

- (a) A description of each Type of Military Equipment, including:
 - 1. Quantity
 - 2. Capabilities
 - 3. Expected lifespan
 - 4. Product description from the manufacturer.
- (b) The purposes and authorized uses of each Type of Military Equipment
- (c) The fiscal impact of each Type of Military Equipment, including:
 - 1. Initial cost of obtaining the equipment
 - 2. Estimated annual cost of maintaining the equipment
- (d) Rules that govern each authorized use
- (e) Training that must be completed before any member of the Department is allowed to use each specific Type of Military Equipment

707.5 USE OF MILITARY EQUIPMENT

Military Equipment used by any member of this Department shall first be approved for use by the City Council. Once approved, Military Equipment must be used in accordance with all applicable Folsom Police Department policies and used only by those members trained and authorized for such use.

707.6 ACQUISITION OF NEW MILITARY EQUIPMENT

- (a) The acquisition of new Military Equipment shall be approved in advance by the City Council, in accordance with this Policy.
- (b) The Department is authorized to acquire additional stock of approved Military Equipment from other law enforcement agencies in the event of an emergency when approved in advance by the Chief of Police or authorized designee. If that occurs, the Department must obtain City Council approval as described in this Policy as soon as practicable.

707.7 FUNDING FOR MILITARY EQUIPMENT

Funding for Military Equipment shall be approved in advance by the City Council, in accordance with the City of Folsom budget process, the procurement requirements of the Folsom Municipal Code, and this Policy.

707.8 APPROVAL BY CITY COUNCIL

- (a) The Chief of Police or the authorized designee shall obtain approval from the City Council for the acquisition and use of Military Equipment by way of an ordinance adopting the Military Equipment Use Policy. (Government Code § 7071.)
- (b) The City Council shall review the ordinance approving the Military Equipment Use Policy annually and vote on whether to renew the ordinance. (Government Code § 7071.)
- (c) As part of the initial and annual approval process, the Chief of Police or the authorized designee shall submit the proposed Military Equipment Use Policy to the City Council and make it available on the Department's website at least 30 days prior to any public hearing concerning the Military Equipment at issue (Government Code § 7071).
- (d) The ordinance approving the Military Equipment Use Policy must be adopted by the City Council before the Department engages in any of the following (Government Code § 7071):
 - 1. Requesting military equipment made available pursuant to 10 USC § 2576a.
 - 2. Seeking funds for military equipment, including but not limited to applying for a grant, soliciting or accepting private, local, state, or federal funds, in-kind donations, or other donations or transfers.
 - 3. Acquiring military equipment either permanently or temporarily, including by borrowing or leasing.
 - 4. Collaborating with another law enforcement agency in the deployment or other use of military equipment within the jurisdiction of this department.
 - 5. Using any new or existing military equipment for a purpose, in a manner, or by a person not previously approved by the governing body.
 - 6. Soliciting or responding to a proposal for, or entering into an agreement with, any other person or entity to seek funds for, apply to receive, acquire, use, or collaborate in the use of military equipment.
 - 7. Acquiring military equipment through any means not provided above.

707.9 PUBLIC AVAILABILITY OF POLICY

- (a) The Chief of Police or the authorized designee shall make any proposed Military Equipment Use Policy publicly available on the Department's website at least 30 days before any public hearing concerning the Military Equipment at issue. This includes any proposed changes to the Policy or the Military Equipment Inventory associated with the City Council's annual review of the ordinance. (Government Code § 7071.)

- (b) The Chief of Police or the authorized designee shall make any Military Equipment Use Policy publicly available on the Department's website for as long as the Military Equipment is available for use. (Government Code § 7071.)

707.10 COORDINATION WITH OTHER LAW ENFORCEMENT AGENCIES

Military Equipment used by any other law enforcement agency that is providing mutual aid to or operating in conjunction with this Department or the City of Folsom in a law enforcement capacity, shall comply with the law enforcement agency's own Military Equipment use policy. Use of another law enforcement agency's Military Equipment by that agency in the City of Folsom is approved as long as the use complies with the other agency's Military Equipment use policy.

707.11 ANNUAL REPORT

- (a) Within one year after approval of the Military Equipment Use Policy, and annually thereafter, the Chief of Police or the authorized designee should submit to the City Council an annual Military Equipment report for each Type of approved Military Equipment. (Government Code § 7072).
- (b) The Chief of Police or the authorized designee should make each annual Military Equipment report publicly available on the Department's website for as long as the Military Equipment is available for use. (Government Code § 7072.)
- (c) The annual Military Equipment report shall include, at a minimum, all of the following information for the preceding calendar year for each Type of Military Equipment (Government Code § 7072):
 1. A summary of how the Military Equipment was used and the purpose of its use.
 2. A summary of any complaints or concerns received concerning the Military Equipment.
 3. The results of any internal audits, any information about violations of the Military Equipment Use Policy, and any actions taken in response.
 4. The total annual cost for each Type of Military Equipment, including acquisition, personnel, training, transportation, maintenance, storage, upgrade, and other ongoing costs, and from what source funds will be provided for the Military Equipment in the calendar year following submission of the annual Military Equipment report.
 5. The quantity possessed for each Type of Military Equipment.
 6. If the Department intends to acquire additional Military Equipment in the next year, the quantity sought for each Type of Military Equipment.

707.12 REPLACEMENT OF EXISTING MILITARY EQUIPMENT

To maintain the quantity of each Type of Military Equipment included in the Military Equipment Inventory attached to this Policy, the Department is authorized to replace any approved Military Equipment without amending this Policy or the associated ordinance, if the Military Equipment is destroyed or rendered inoperable as a result of authorized use.

707.13 COMPLIANCE

Mechanisms to ensure compliance with the Military Equipment Use Policy include, but are not limited to, the following:

- (a) The Chief of Police shall be considered the ultimate authority for the content and adoption of the provisions of this Policy and shall ensure compliance with the Policy.
- (b) Each Division Commander will ensure that members under his/her command are aware of this Policy.
- (c) Each member will be required to acknowledge that he/she reviewed the Policy and shall seek clarification from an appropriate supervisor as needed.
- (d) The Training Officer is responsible for developing, reviewing, updating, and maintaining the Department's training plan so that required training is completed.
- (e) The Military Equipment Coordinator is responsible for compliance with specific components of the Policy as described above.
- (f) Violations of this Policy shall form the basis for departmental administrative action, training, or discipline consistent with the Policy Manual, the City of Folsom Personnel Rules and Regulations, and the applicable collective bargaining agreement.
- (g) This Policy shall not be construed to create a higher standard of care for civil or criminal liability against the City of Folsom or its employees.

707.14 COMMUNITY ENGAGEMENT

- (a) Within 30 days of submitting and publicly releasing the annual Military Equipment report, the Department shall hold at least one well-publicized and conveniently located community engagement meeting, at which the Department should discuss the annual Military Equipment report and respond to public questions regarding the report and the Department's funding, acquisition, or use of Military Equipment. (Government Code § 7072.)
- (b) Members of the public may register complaints or concerns or submit questions about the use of each specific Type of Military Equipment in any form, including in writing, by email sent to the following email address: FPDmilitaryequipment@folsom.ca.us, in person, by telephone at (916) 461-6400, at pre-determined community engagement meetings related to Military Equipment, or at any City Council meeting. Complaints related to the use of Military Equipment will be handled in accordance with FPD Policy 1019- Personnel Complaints.
- (c) The Department will ensure that each complaint, concern, or question receives a response in a timely manner. The Military Equipment Coordinator is specifically tasked

The vehicle contains radios with varying frequencies including 800 megahertz, very high frequency (VHF), ultrahigh frequency (UHF), low band, and short-wave radio systems. The vehicle has internet capability and computer resources along with access to television channels allowing access to real time news/information. The vehicle is also equipped with a video downlink system allowing command staff to view live feeds from fire/law enforcement aircraft and UAS devices.
Purpose	To be used based on the specific circumstances of a given critical incident, large event, natural disaster or community event that is taking place.
Authorized Usage	Situations which the MCCU is authorized for use would include but not be limited to critical incidents, emergencies, and natural disasters.

Colt M4 Carbine (11.5")	
Description	Enhanced Patrol Rifle
Quantity	14
Capability	These rifles fire an intermediate-power cartridge (.223) which is more powerful than a standard pistol but less powerful than a standard rifle. It's a short barreled rifle which allows SWAT Officers better control while inside of structures while still providing great accuracy.
Life Span	10-15 years
Manufacturer's Description	Built for the demanding use of those who protect our communities every day, the Colt Enhanced Patrol Rifle (EPR) is the next evolution in the world's most dependable, thoroughly field-tested patrol rifle. Featuring an extended handguard that accepts modular rail segments for mounting a wide variety of pro-grade optics, lighting, and ergonomics-enhancing accessories, as well as the highly durable Magpul® MBUS® Pro Series front and rear back up sights and B5 Bravo buttstock. The Colt EPR reestablishes the Colt AR-15® as the finest tool for local, regional, and national law enforcement agencies.
Purpose	The AR-15 can stop threats of great bodily injury or death at close and intermediate ranges. The AR-15 platform is capable of firing more accurately and quicker than a pistol while holding more rounds in the magazine and having better ballistic qualities.
Authorized Usage	To defend against an imminent threat of serious bodily injury or death. Used by SWAT
Costs	\$1,100 anticipated yearly maintenance cost
Required Training	Prior to using a rifle, officers must be certified by POST instructors in the operation of the rifle. Additionally, all members that operate any rifle are required to pass a range qualification once a year.
Authority for Authorized Use	Use is established under FPD Policy 300 and Policy 311. It is the policy of the FPD to utilize rifles only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Accuracy International AT-.308

Description	Sniper Rifle
Quantity	4
Capability	This weapon shoots a heavier round. It is utilized when there is a potential need to engage a target further away than the capabilities of our issued rifles or to engage a target behind an intermediate barrier such as glass or metal. The weapon is often deployed in an overwatch capacity to protect the public during events such as the International Marathon.
Life Span	10-15 years
Manufacturer's Description	The AT (Accuracy Tactical) continues the legacy of the combat proven AW308 and takes the AW to new levels. The AIAT has a 20-inch quick change barrel and a folding stock. The AT is ideal for Law Enforcement and civilian users.
Purpose	The AIAT is an accurate rifle for precision shooting. These rifles are equipped with magnified optics and can be utilized to take precision shots at intermediate to long ranges. The .308 caliber bullet it shoots is also bigger and heavier than a typical .223 caliber bullet from an AR-15 which means it will penetrate barriers like glass with much less deflection.
Authorized Usage	To defend against an imminent threat of serious bodily injury or death. Used by SWAT
Costs	\$5,000 anticipated yearly maintenance cost
Required Training	Prior to using a rifle, officers must be certified by POST instructors in the operation of the rifle. Additionally, all members that operate any rifle are required to pass a range qualification once a year.
Authority for Authorized Use	Use is established under FPD Policy 300 and Policy 311. It is the policy of the FPD to utilize rifles only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

Benelli M3 Tactical Shotgun	
Description	SWAT Shotgun
Quantity	3

Capability	This is a 12-gauge semi-automatic pump shotgun used by SWAT officers. The semi-automatic capability reduces time between rounds versus a standard pump action shotgun. Not having to manipulate a fore-end gives SWAT officer the ability to get back on target faster increasing officer safety. The round is good for defeating barriers.
Life Span	10-15 years
Manufacturer's Description	Benelli's M3 Tactical Shotgun delivers fast cycling semi-auto fire with conventional loads or pump action for low energy loads. It is available in a 12 gauge, pistol grip model that satisfies a shooters need for both a semi-automatic and a pump action shotgun in one convertible weapon.

Meridian Rapid Defense Group Archer 1200	
Description	Anti-vehicle Barrier
Quantity	16 barriers, 1 trailer, 2 haulers
Capability	<p>The Archer 1200 Anti-Vehicle Barrier is a portable barrier which can protect closed areas from vehicle-ramming attacks. These barriers replace wooden, and water filled barricades during special events and are easily deployed when there is an increase in the level of threat to a specific location or crowded area. They allow for pedestrians to move between them but can stop vehicles from entering closed areas. These barriers will be used during special events and critical incidents where pedestrian safety is a concern.</p> <p>The Folsom Police Department has applied for a grant to obtain 16 barriers but have not taken possession yet.</p>
Life Span	10 years
Manufacturer's Description	An unanchored, "drop-and-stop" barrier for a VSM (Vehicle Safety Mitigation) solution deployment on any surface. Archer 1200 barriers has the shortest stopping distance in its class, modular design, no heavy equipment required for deployment
Purpose	To be used based on the specific circumstances of a given critical incident, large event, natural disaster or community event that is taking place.
Authorized Usage	Authorized for use would include but not be limited to critical incidents, emergencies, and community events.
