MEETING DATE:	8/24/2021
AGENDA SECTION:	Consent Calendar
SUBJECT:	Resolution No. 10676 - A Resolution Authorizing the City Manager to Execute an Agreement with Folsom Lake Ford for the Purchase of Six Ford Police Vehicles
FROM:	Police Department

RECOMMENDATION / CITY COUNCIL ACTION

Staff recommends that the City Council pass and adopt Resolution No. 10676 - A Resolution Authorizing the City Manager to Execute an Agreement with Folsom Lake Ford for the Purchase of Six Ford Police Vehicles.

BACKGROUND / ISSUE

The City of Folsom strives to provide police officers with mechanically sound and safe marked patrol vehicles capable of emergency responses. The Service Delivery Plan adopted by the City Council calls for the replacement of marked police cars at 75,000 miles. The Police Department is currently utilizing 17 vehicles with mileage exceeding 75,000 miles; eleven of them are marked patrol vehicles.

POLICY / RULE

Section 2.36.080 of the Folsom Municipal Code requires that contracts in excess of \$62,657 be awarded by the City Council.

Section 2.36.170 of the Folsom Municipal Code permits cooperative purchasing agreements for the procurement of any supplies, equipment, service or construction with one or more public procurement units in accordance with an agreement entered into or between the participants. Such cooperative purchasing may include, but is not limited to, joint or multiparty

contracts between public procurement units and open-ended state public procurement unit contracts which are made available to the city.

ANALYSIS

Sport Utility Vehicles (SUVs) have become an industry standard for law enforcement use since their introduction in 2013. Ford Explorers use hybrid technology to reduce fuel consumption, especially during idling during traffic stops and fixed post assignments where the use of emergency lighting required constant engine use.

This purchase of six Ford Explorer police vehicles will reduce the number of marked patrol vehicles exceeding 75,000 miles to five.

Folsom Lake Ford is offering these vehicles at the State contract price, which was obtained through the City of Folsom Fleet Manager, Scotty Borrer. This purchase represents the best pricing and uses a source located in the City of Folsom.

FINANCIAL IMPACT

The Fiscal Year 2021-22 Budget includes \$500,000 for the purchase of police vehicles. These funds are currently available in the General Fund (Fund 010) in the police department's budget. The cost to purchase six Ford police vehicles is \$324,614.94. Once these new vehicles are placed in service, six police vehicles will be disposed of in accordance with City Policy.
