1. Why do you want to serve on this commission or committee:

I applied for this position in November 2018 and my appointment was ratified by Sacramento County Board of Supervisors as the Folsom, Isleton and Galt (FIG) representative in April 2019. As a member in good standing, I am still eligible to serve and still have the desire. As you can see, I have both the experience and qualifications to do so.

Further community involvement included coaching Galt Park & Rec Girls Fast Pitch Softball for 6-years and I was also the Galt gators Swim Team starter for home meets. In addition, I was on the Gora Aquatic Center design committee, Walker Park design committee and driving City Council Member to create Galt's first Skate Board Park. I was also involved with the C Street overpass from 1988 until it was finally constructed. You might also notice that my name is on the dedication plaque on City of Galt Police Department's Facility.

In previous service on the Sacramento Environmental Commission, I was Chairman of Sacramento County Blue Ribbon Panel on Weapons of Mass Destruction after 9/11. It was also during that period that our County-wide food service restaurant inspection program was developed.

2. What do you think is(are) the top issue(s) facing this commission or committee:

1. Drinking water supplies, studying methods to protect our surface water sources and groundwater basins. Investigating ground water storage for drought years and being involved with local groundwater basin sustainability plans and recharge opportunities.
2. Climate change by reviewing development projects on how they include SACOG Blue Print Project transportation goals.
3. Review and support of Sacramento County Environmental Management programs and projects.
4. To assess, analyze, and recommend for approval, appropriate local measures and other action in accordance with federal, state and local regulations including program elements administered by the Environmental Management Department in accordance with City/County policies established by the Board of Supervisors and City Councils.
