

Folsom City Council Staff Report

MEETING DATE:	10/25/2022
AGENDA SECTION:	Scheduled Presentations
SUBJECT:	City of Folsom ALERT Rain and Stream Gauges for Enhanced Storm Response
FROM:	Public Works Department

BACKGROUND / ISSUE

The Public Works Department recently completed work to upgrade the City's rain and stream gauge system as part of the City's overall efforts to enhance flood awareness and response activities. Staff will be presenting a summary of the work completed to date, including physical gauge installations, data collections, and the online platform for viewing the information collected. The presentation will outline the initial benefits to our flood response efforts, as well as identify ongoing efforts and activities to further expand on the usefulness of the system for our City-wide flood preparedness.

Submitted,

Mark Rackovan, PUBLIC WORKS DIRECTOR
