The City Manager's Fiscal Year 2021-22 Preliminary Operating Budget and Capital Improvement Plan (CIP) was presented to the City Council on April 27, 2021, during which time staff reviewed the different components of the proposed budget, highlighted the various projects proposed and answered questions by Council Members. On May 11, 2021 a public hearing was held for residents, and Council members to ask questions and provide feedback and possibly adopt the proposed budget. During the public hearing on May 11, the City Council asked for additional time for review and directed staff to bring the item back at the May 25, 2021 City Council meeting.
